

A Father's Love

This Chat Bait was getting funny – at least to me – notice in baits of your own how much sarcasm and how many snide comments you can get away with. The West Africans don't understand this so you can sometimes say some pretty funny stuff.

mboldon77 (11:41 AM): Mine broke my heart

mboldon77 (11:41 AM): and i need a serious and real man

Greg's (11:41 AM): it happens - nothing is forever...

mboldon77 (11:42 AM): So do you live alone? ?

mboldon77 (11:46 AM): Ok good, so what are you looking for in a woman? ?

Greg's (11:47 AM): Intelligent, good looking, independent, hard-working, career-driven

mboldon77 (11:49 AM): Well let me tell you all about my self ... I am 5'8, I am looking for a very nice man for a nice relationship that will lead to marriage in life.....I was born in GA in the city of Lincolnton some years backI'm such a curious, ambitious, honest, trustworthy, kind, shy, nice, full of humor, express feelings like to joke, like romancing and am a little bit sexy, My hobbies in sport are basketball, volley ball, football, hockey, lawn tennis ,base ball ,bicycle race, any all in indoor activities I love to read novels, watch movies, read magazines, play video games, cook clean the house

mboldon77 (11:50 AM): I have this unique personality about life and general relationships. Life as we know is too short not to be able to enjoy the ones around us. I can always turn a frown into a smile. I enjoy meeting new people. I am educated, intelligent, sincere, very polite, sports oriented, charming, honest and most of all a gentlewoman to the men. I have the personality that draws friends and even strangers closer to me. I enjoy being active in all types of indoor and outdoor sports. I especially like the beach, softball, motorcycle riding and fitness training.

Greg's (11:51 AM): I gotta go now - its lunchtime, okay

mboldon77 (11:52 AM): Ok talk to you later

Greg's (11:52 AM): bye

mboldon77 (11:52 AM): I wrote more about myself to you

I like in their likes and dislikes how they attempt to cover all bases. I will purposely say that I hate something that they enjoy just to watch them squirm. Also, this fools claims to be an American who is just over in Nigeria temporarily – but look at “her” speech and what American calls tennis, lawn tennis? I spoke with a “girl” from California who lived there all her life (all lies, of course) – she said she liked football and basketball, but when I asked her favorite football team she said Barcelona...umm, no – not an American, lol.

Greg's (2:01 PM): what does that have to do with any of this? I don't know you well enough, and it is not called "dating" when you are 3000 miles away

mboldon77 (2:01 PM): all the properties worth \$32m and they can release them for me cos i may misuse the money so they need to know that am serious and have a man to get married to

mboldon77 (2:02 PM): i know but i will be back to state soon as we can both settle down and start a new life after a cleared all the stuffs here
