

## Alotta Fosters And The Koala Ranch

This is a scambait sent to me from a new friend who may like teasing the scammers even more than I do. His comments from his character are in blue and the scammers are in purple.

\*\*\*\*\*

This starts as email and I switch it to chat--and lasts about 4hrs 40min..As I say, an hour of chat is worth about 20 emails..And better because the lads have no time to plan things out.

ALOTTA FOSTERS--age 47, owns a koala ranch in Australia which looks like the desert ghost town of Shakespeare New Mexico USA ( just saying). And she also owns a big python and looks sorta like Terri Irwin..and knows almost nothing of Nigeria. And has NEVER been on a dating site/sit!

JAME RICHARD---age 43..Nigerian. Certainly not starving, from the pics he sent he looks like a chubby oga or retired oga.

Let the fun begin! Note--when I get impatient with him, it's from waiting 3 minutes or so..See how I threaten him..

\*\*\*\*\*

hello dear

Am Richard Jame ,i saw your profile on dating sit so i decided to contact you . i need a woman who can be my love have be searching for love since but i couldn't get my hearth .but today i went through your profile and i saw that you are a serious woman who have sense of humour...I do believe in honesty and trust because is the foundation of any relationship to work out and last longer,moreover i like to be with a woman that really knows what she wants for herself and how she wants to achieve it in life.

I like to meet different kind of people from any part of life and culture

\*\*\*\*\*

HMM..The headers were vague but it sounds like basic 'lad-speak'. So I send the standard 'age & location please' hours later

\*\*\*\*\*

am 43 years old and i living in Dubai

\*\*\*\*\*

Let me show him I am a feisty woman.. and 43..that is about 15 years younger than my real age--but I'll be 47 or so, if he bites

\*\*\*\*\*

am not an Arab man i'm from Africa

\*\*\*\*\*

as I suspected..hmm--there might be promise here..but I can not be eager.

\*\*\*\*\*

well I am in Australia and have no desire to go to either place

\*\*\*\*\*

but can we be intimate friend because am looking my soul mate,the woman who can be my wife .so if you are interested pleases let me know .and for correction dear,am not an Arab man

\*\*\*\*\*

Intimate? Soul mate? Wife? This is every girls' dream! Fish on! Now to get him to chat.. a fast email reply does it--so here we go!

\*\*\*\*\*

Jame Richard: When I look into her eyes, it seems all the problems in the world go away and I'm floating in mid- air

Alotta Fosters: you are obviously copying that from something

Jame Richard: nooooooooooooo

Alotta Fosters: it explains your mistake- - you said HIS eyes..

Jame Richard: yea

Jame Richard: dear what did you like best

Alotta Fosters: like best about WHAT?

Jame Richard: yes

Alotta Fosters: what are you talking about?

Jame Richard: you know in a relationship

Jame Richard: we must be honest with ourself

Alotta Fosters: easy- - - love and trust

Alotta Fosters: and trust includes honesty

Jame Richard: okay dear

Alotta Fosters: why? - - what are your prerequisites about it?

Jame Richard: who is with you there?

Alotta Fosters: just cuddles and me and my dog cujo

Jame Richard: how can you put dog and snake together

Alotta Fosters: besides, cuddles eats 2 rabbits a week- - well fed

Jame Richard: okay

Alotta Fosters: rabbits are vermin here

Jame Richard: okay dear

Alotta Fosters: so as i previously asked- - what are YOUR prerequisites in a relationship?

Alotta Fosters: are you there?

Alotta Fosters: ok, well i have a nice wallaby stew to cook anyway. bye for now

Alotta Fosters: wherefore art thou romeo

Jame Richard: cos i need someone

Alotta Fosters: tell me why you need someone and what you want out of it

Alotta Fosters: that is what 'prerequisites' means, in case you lost your dictionary

Alotta Fosters: going once...

Alotta Fosters: 3 goings and i am gone..

Jame Richard: baby why all this

Alotta Fosters: why WHAT? ? I am sitting here and waiting for you to explain what you want and need in a relationship

Alotta Fosters: and all you can say is ""cos i need someone'..You sound as happy about it as a funeral director...Now start telling me your feelings...

Alotta Fosters: This is your BIG MOMENT! If we are to succeed together, then you had better start telling me what you want and need in a relationship..I told you what I want.

Jame Richard: okay

Alotta Fosters: so let's hear it.

Alotta Fosters: going once...

Alotta Fosters: going once and a half..

Jame Richard: i need trust ,honsety moreovery moreover i like to be with a woman that really knows what she wants for herself and how she wants to achieve it in life

Alotta Fosters: like pulling teeth to get an answer..but thank you for telling me..

Jame Richard: that's what i need

Alotta Fosters: well i am a woman who really knows what i want for myself and i have already achieved much. i own a successful koala ranch here.

Jame Richard: okay dear

Jame Richard: so what are we waiting for?

Alotta Fosters: uh- - the chattanooga choo- choo? You are the man, you have told me what you like but not what you ARE like..

Jame Richard: how baby?

Alotta Fosters: simple question- - what kind of man are you? hard working? ambitious? like tv a whole lot? things like that...

Alotta Fosters: can you cook? drive a car? run a tractor? swim a full pool length?

Alotta Fosters: it is THESE sort of things that I would like to know..But I should not be asking, you should be telling..The loudest and best rooster gets the hen, remember.

Jame Richard: I am a very caring man who has a positive attitude, enjoy being with my wife, I make the most of everything, cherish my family, no games, no drama, honesty and trust are the true makings of a positive relationship. Very confident in who I am and what I can do

Alotta Fosters: You say that you enjoy being with your wife- - so do you mean that you are married now, or have been married?

Jame Richard: said love be with my wife ? mean when i get married

Alotta Fosters: i see..well marriage is a lot like a pair of new shoes..you can talk about the shoes- - and marriage - - but until it is tried out then you really haver no idea.

Alotta Fosters: have no idea

Alotta Fosters: I was married many years ago.

Jame Richard: i love cooking and driving also

Alotta Fosters: cooking is always nice and of course driving is a necessity

Jame Richard: you said you have married years ago

Alotta Fosters: yes i was

Alotta Fosters: but he is dead

Jame Richard: ohhh sorry

Alotta Fosters: crashed his hog at itchybum corners..

Alotta Fosters: hog- - harley- davidson motorbyke

Jame Richard: ok

Alotta Fosters: after his death i made up my mind not to have children without being married

Jame Richard: okay before his death you dont have any child ?

Alotta Fosters: we were only married 6 months...But the Amaromacs Insurance paid me \$20millAU. sure would have been nice to have a child and husband to spend it on..

Jame Richard: okay

Alotta Fosters: the money was nice, but i didn't really want to obtain it that way.

Jame Richard: okay good

Alotta Fosters: yes, at least Tessio went out as he would have wanted- - a little splattered on the pavement, but on his hog to the end..

Alotta Fosters: we buried what was left of him with his hog.

Jame Richard: ohhh my God

Alotta Fosters: i told him that smoking would kill him- - and he got hit by amarlboro cigarette lorry, i was unfortunately correct.

Jame Richard: baby let talk about other things pleased

Alotta Fosters: crikey, i'm bonzer good on ya for that one, solid as a goanna in a hot billabong

Jame Richard: okay dear

Alotta Fosters: ok, so talk about other things

Jame Richard: yea dear

Alotta Fosters: you sure must wow the women with such witty conversation..

Alotta Fosters: your enthusiasm lever runs the entire gamut from A to B.

Alotta Fosters: enthusiasm level, that is..A lever might pry more talk from a stone..

Alotta Fosters: is THIS what married life with you would be like? you with a can of beer watching the telly and saying 'yes dear' and 'okay'...well?

Alotta Fosters: once i'm gone i'm gone forever- -

Jame Richard: no dear

Alotta Fosters: will you start saying more than that ? ? i might as well watch paint dry

Alotta Fosters: going once- - you get to 3

Alotta Fosters: still waiting

Jame Richard: i just want you to believe me

Alotta Fosters: i did not say that i did not believe you..

Alotta Fosters: mainly because you really haven't told me much about you at all..just that you like to cook..you said nothing else about that..Any other man might try and say WHAT he likes to cook and such....You are not doing a very good job of impressing me.

Alotta Fosters: shape up or ship ,out, as they say

Alotta Fosters: going once and three quarters..

Alotta Fosters: going twice

Alotta Fosters: third time and i will be gone forever..

Jame Richard: babyyyyyyyyyyyyyyy

Alotta Fosters: you were trying to type- - go ahead

Jame Richard: baby have told you

Alotta Fosters: you haven't told me much of anything..Even NOW you have not told me what you like to cook.

Jame Richard: am contractor here in Dubai

Alotta Fosters: My specialty is roast emu drumsticks (real big ones) and echidna with stuffing.

Alotta Fosters: a contractor in dubai- - you said that- - and here is more startling amazing news- - water is wet!

Jame Richard: working with construction company here in Dubai

Alotta Fosters: i have construed that you work in construction.

Alotta Fosters: You are no longer signed into Chat

Alotta Fosters: I am back

Alotta Fosters: cujo jumped up and accidentally disconnected me there- - dogs will be dogs

Jame Richard: ohhhhhh dear

Alotta Fosters: what?

Jame Richard: you said your dog jumped up

Alotta Fosters: yes, just a very playful doggie

Jame Richard: okay dear

Alotta Fosters: Si senior

Jame Richard: dear pleased could you tell what you expect from me ,cos am from Africa, and we have different culture

Alotta Fosters: well if you were here i would expect you to pay half the monthly bills- - about \$3000AU a month

Alotta Fosters: that would be the first thing

Jame Richard: baby for what, accommodation

Alotta Fosters: utility bills, car insurance, satellite tv, food, petrol (very steep in price here) and other michegas.

Jame Richard: okay that's right .....

Alotta Fosters: but there are no construction jobs around here where I am

Alotta Fosters: last thing that was constructed around these parts was the dingo fence

Jame Richard: you re in which state dear

Alotta Fosters: Australia

Alotta Fosters: The southern Northern Terr,

Alotta Fosters: just east of WEST Australia

Alotta Fosters: Dingo Flats be the name here

Alotta Fosters: just a walkabout from scratchybum junction

Alotta Fosters: crikey no!! that's big city- - I am way way out back of beyond- - the bush country.

Jame Richard: okay dear that's lovely

Alotta Fosters: hold on- - i will send you a picture of my koala ranch

Jame Richard: okay dear

Alotta Fosters: ok sent- - as you can plainly see it is quite sparse of populace here.

Alotta Fosters: are you there?

Alotta Fosters: do you see those nearby hills ?

Alotta Fosters: are you there?

Jame Richard: brb

Alotta Fosters: time is 6 after here

Jame Richard: okay dear very lovely

Alotta Fosters: those hills- - - I was told by Ralph Kramden of the Sydney Harbour Institute of Technology that those hills contain millions of dollars of uranium.

Alotta Fosters: i was quoted a price to me of \$100million AU

Jame Richard: dear is any proof to it

Alotta Fosters: well they THINK it is there..they want to dig it up but i really do not want to have them change the beautiful desert landscape

Jame Richard: dear are the owner of all the land?

Alotta Fosters: yes most of what you see is mine- - the rest belongs to the local aboriginal tribe- - or should i say they belong to it

Jame Richard: okay dear so you are not ready to move to sydney

Alotta Fosters: what is your bloody facsniation with Sydtown?

Alotta Fosters: fascination, that is- - keep feeling fascination

Jame Richard: cos is your capital

Alotta Fosters: must have happened while we have been typing, because the last I recall- - as in ALL my life- - the cap has always been Canberra

Jame Richard: dear who are the aboringin in your country ?

Alotta Fosters: the native peoples who have been here at least 50,000 years or more- - nobody knows

Alotta Fosters: and i guess you have Sydville on you mind from that Mardi Gras there, yes?

Jame Richard: baby that's the problem we have in Africa

Alotta Fosters: oh i know about a lot of it- - i like to keep up on world events

Jame Richard: that's means you know much about my country
