

The Army of Darkness

I named this scambait "Army of Darkness" because I have gotten a slew of fake Army guys trying to work their magic on Debbie. Now, Debbie no longer has a profile on any dating site, Facebook, Myspace, or anywhere else on the internet – yet these army keep contacting me somehow. LOL. That's why I do believe that this is the same scammer, over and over again. I like to ask these idiots where they got my contact from and watch them struggle with the answer because Debbie doesn't talk to random strangers on the net (yeah right?).

usa.army20: hi babe

Sometimes you just gotta take the hard line with these scammers – lol. I am just wondering how long it will be until he creates a new fake profile and contacts me again. I wanted a full confession form this idiot and if he don't jump through my hoops, then I'll go to the next scammer.
