

Cole Off The Hook

Okay, I know I let this one go too easy. I should have played with this fool longer. I vow that the next scammer I play with that I will ride him until the very end. I am a bit disappointed in myself – this one had real potential.

David Cole: <ding>

Beep! Wrong answer. Americans don't call soccer football. No one from Pennsylvania for the last 30 years would think that football meant World Cup Soccer. This is a Nigerian.

This one got off easy and I am ashamed by my performance. Especially since he says he was in Pennsylvania which is driving distance from where I live. This had so many possibilities. Oh well, next!
