

Confessions Of A Scammer

This was a spinoff of the Scambait entitled "Lawyer In Tears". The scammer, Patrick Linz/Derek Oseghale, admits that he is a scammer, but because of me he repents from his evil ways and just needs money for school. He also has time to fall in love...

Dear Debbie.

Thanks for your mail and the content will noted.I am very happy you know where the mail is coming from but for you to send your Identification that mena you are also interested in this too.

Well, I green with you that africa has nothing to write home about but i belive that we have to be proud of where we came from and i am very happy I am from Nigeria and i hope it will be a great place soon days.

I will like to ask you some question and i hope you have a positive answer for me,ARE YOU SAYING THAT YOU PEOPLE ARE THE BEST PEOPLE IN THE WORLD THAT DON'T GET INVOLVED IN ANYTHING THAT IS BAD ?

I read in paper that an American raped a 2 years old baby is that good news for you.now you imagine, you filed and send me your details and i also send you mail from Ford Foundation and you fell for me.at list show me some respect for fooling you and if it interest you to know i am a little boy so you see that i have brain more than you.

I don't want to get involved with anything that is not good for this simple reason i take little from the rich and give to the poor like me as you said.Just like i asked you about your job and i know you are very rich but you don't want to help with liitle.Do you think i planed of becoming a scammer or do you think i will continue to be a scammer,NO way.I will stop when i get something to settle with and i belive if you are kind enough you can help me stop being a scammer.I can also make you and your friends laugh more,if you want to know my name i will tell you but you have to promise to assist me in whatever way you can.I am not a good writer so i can error but at list you are well educated and can understand me.

Thanks and I pray to hear from you again in good health.

My good person.

Yes, this was the funniest email of them all. Do you think that I didn't know the Ford Foundation is a scam? Look at the return name that I sent when I responded to the email – Pullie Mecrotch. Do you understand what this means? Pull Me Crotch, or better yet, Pull My Crotch. I see dozens of these letters every week, and I answer them all – all with made up names. Do you think that the Driver's License I sent you is real? Of course it isn't.

Don't tell me that you don't wish that you were from America because I know you do. Yes, as an American, that does mean I am better than you. I go to work every day, earn a good living, have a house and 2 cars, and I don't steal from people. Can you say the same? No you can't, you are too stupid and lazy to get a real job, so you try to steal from innocent people. If I honestly thought that you would stop being a pathetic scammer, I would give you money right now. But I don't think you will. I think that being a pathetic thief is in your blood.

As for crime in America, yes, unfortunately it does happen. Here is a couple more facts for you to ponder – African-Americans comprise 15% of the population in the United States but they commit 80% of the crime. Pretty staggering, isn't it? It is very sad. Like I said, it's in your blood.

As I said, if I thought you were honest I would give you money in a second, but we both know that you will lie and cheat and steal and you don't care who you steal from. I became interesting in fucking with you idiots when I read about old ladies getting scammed by idiots like you. You don't steal from the rich – you steal from anyone who believes your nonsense. Take my advice – in future scams don't pose as an English person or lawyer because your lack of intelligence is a dead giveaway.

I am glad you were finally honest in this email, and it shows you have some character – not much, but a little.

Thank you for opening your heart, but I think you will always be a thief.

Debbie (of course this isn't my real name)

These first two emails were the end of the Scambait, "Lawyer In Tears".

Firstly, I must thank you for replying back to my mail. I am glad you wrote me.

Talking about change, it is the only constant thing in life. I am a student of Delta State University and I work so hard to pay my fee at the moment I am yet to pay my 200 level and 300 level school fee and you know how that makes me feel. I never planned to collect money illegally from any one but you know the world will live in is not always fair to the open hearted person but I know of so many people's who will not use the money well and they get it so easy. I am not saying I am the best because I need you to send me money or because I want to play good boy for you to like but I know some day I will be great and that is what keeps me going on till date and hoping that I will live to change things for my family and my country.

I was not born to be a thief and I will never be a thief but you will agree with me that Africa, to be specific Nigeria is not a good place to live. I love America but I can't change the fact that I am from Nigeria.

I know you have nothing to gain from me but please let me gain from you just a little or if there is anyway you can help me I will be very much happy and willing to turn a new person. Now you said you have two cars and my father is not dreaming of buying one because there is no money there and you say you have a house of your own and my father doesn't have a house and he is based on rent, so I have to work hard as the first son to do some of the work for myself at least to be better than my father and to live to tell a good story but now where do I start from? and you will agree with me that it is not easy to pay a fee that is over 90,000 Naira which is equivalent to 592,065 USD, where will I get that kind of money from and my exam is very close.

I can give you my phone number if you will like to call me and my real name is Derek. I have no intention of being a thief and I only need a good chance in my life.

I am very honest in all that I have written to you and I hope you understand.

Thanks.

Derek

Because you have a long history of lying, how am I supposed to believe any of this? I can see that you are being a little more honest for a change, but I don't believe that you are a student in school. I also don't believe that you will quit if I send you some money. I do believe that Nigeria is a nasty place, full of corrupt people, and must be a horrible place to live. Let me ask you this – what makes you think you are going to be great? Do you see something that I don't?

Debbie

Why have you chose not to write me again,I think we are friends but i know you are upset but at list still calm down.

I look forward to hear from you.

With Love.

I am not upset about anything – I actually love doing this. I do have a job and need to do work – I can't always be on the computer playing with you.

Debbie

I am so happy read from you and i know you are a very busy person so i must thanks you for whatever little time you spend with me and thank you for making my day.

I am not lying to you about my education,Let me telling you a little story that happen today.when you found out i was scam and wrote to me and i couldn't hide anything from you because i know you are too much to be fooled my a little brain like me and same day was the day i came a fool to all my friends and they all laugh at me but i am not after that, We all have our reasons for our doing and i am not doing this because i need money to drink or going about the immoral of life but i have a goal to be educated.please don't let me down,all i need is to pay me fee and get on with my studies and my exam is just close, that is why i am trying all i can to raise my fee.

A great man is rated with what he knows and that include education and transformation of other people,You are respected today because you are educated and i belive you can transform my life and that is my education.please i want to complete my education and be rated for good and not as a theif or a scammer but as a well educated.I am in 300 level Biomedical Laboratory technology Science and my full names are Oseghale Derek.Please i am not lying to you and i will never ly to you again.I don't want to lose my focus,my family need me and my country needs me,please be my God sent and i promise to be faithfull.whatever you will do for me will be from your good heart.

This is my real Email address: derico4real2ky@yahoo.com and this is my phone number: +2347069159495.I give you all my details because i trust you and know you will not report me to police.

I look forward to read from you and i hope you know i am not lying to you again.Please can i also know your name.My regards to your friends.

With love and respect Derek.

What were your friends laughing at you for? Because you got baited? I'm sure it happens a lot...

How are you going to prove that what you say is true? After all, you don't have the best track record when it comes to telling the truth.

Debbie

I understand, I was only worried that i have not heard from you and now i have read your mail and i am very happy.

Please always send me mail to my real email address: derico4real2ky@yahoo.com

I want to stop using this email, I not interested in scamming an more.

Thanks for your time.

With love.

Derek.

At this point in time he stops using his scamming email and switches to a Yahoo mail account. This is great because I can start chatting with him. The emails are mixed with the chat sessions but for simplicity, I put all of the chat sessions at the end. Some of these emails are days or even weeks apart. I spoke to him on my Christmas/New Years break almost every day in chats and then when I went back to work, I didn't talk to him for over a month.

I understand what you are saying but within me i know i am telling you the trust and just believe that it is come from my heart and that is the trust.I know what you are trying to say is maybe very correct because you may end up sending me money and at the end i still don't change but My dear life is not like that to some people,I which it was possible for you to see through my heart/mind and see that i am honest.

It look as if is i am trying to convince you to send me money ,yes that may be trust but i know i am saying the trust and I hope God help me for you to believe me and truth me for real.

Just try and forget all about what you are thinking about me as a scammer or a thief but look at me as someone that needs your help for a positive change of Life and good focus,the only way is to clear your doubt about me and be free with me,you now have my number and real anme and that i was meet to hide but for the fact that you have taking me as you own person i disclosed it to you.

just feel you are help me to archive my goal and when you do that it will be left for me to prove to you that you have done the right thing by helping me.please have a change of heart for me.Don't feel i am still trying to scam you or thief your money but just do it because you want to help.

With love.

Thanks

Derek

Why don't you try getting a job and earn money honestly for a change instead of stealing and begging rich Americans for it, you pathetic thief?

Debbie

It was like you had a long day yesterday, I am always free on the internet and so I don't check the time but lately, I started checking time because I want to be sure that your mail is there for me to read.

Well, I just want to be sure of where I am heading to since I have given to you my hope and I don't if I did the right thing but I am very sure God knows I told you the truth and I intend to stop scam. The trust is very hard to believe but it is so easy to believe. Please tell me you don't want to help me and I will never disturb you again. My exam is very close and I need help.

Thanks.

Derek

I don't understand exactly what you are asking me? Do you need money for your exams? Why is that?

Debbie

I need to settle my school fee and exam fee for me to be able to write my exam but I don't know how you can be of help to me.

Derek

So your school lets you enroll and take classes up until your exam week and then they make you pay? Come on, I thought you were going to be honest with me.

Debbie

You still feel I am lying to you and I am not a kid, I know what I want just that it is hard for me to get. I am in 300 Level and told you this before. I have paid my 100 level fee. I am not a new in the university system. I work hard to get my enrollment fee and I pass my exam well and that is why I am in the university today. Nigeria is not a good place to work and school because if I start working from now it will take 1 year or 2 to get the money I need to pay my 200 level and 300 level fee. You can't give me the money that will enrich me but you can help me achieve a goal that will make me a better man for tomorrow's future or do you think it is only you people that have future or opportunity to achieve goals? I know whenever you see my mail you feel so proud that I am a distant beggar for money and I know it is only for a season. You say you are rich and you have never helped anybody and if you have done that it will only be your family you have helped. I have written you several mails and all you say is lie, I know that is just a way for you not to help me, you really have a good heart and I want to confirm if I am real or not you will call but you didn't and all you say is that I am a busy person and I can't have time to play with you all the time. Do you think I am a fool that don't know where to go if I want to play? You white takes us for granted and feel you are the best. You guys are always self-centred and greedy. Now I am telling you the truth and you still say I am lying to you. Why do you want me to lie before you help me. I am sorry if I had insulted you in any way but please don't call me a liar this time.

I used a permit letter to write my 200 level exams and also use same to write my 1st semester exam 300 level and now they ask me to pay before I can write my 2nd semester 300 level exam that is why I need money badly and got into scam.

I got into scam because of my education not because of immoral activities can't you believe me for once, Please let me know if you will help me because I stop scam all in the name that you will help me. I have

since waited for your mail patiently and now you write to discourage me that i am stilllyng to you,if i can open up to you what is there for me to ly about.

I notice you stop writing me that way you use to write when you where not aware that it was scam and now that you know you have nothing to gain you stop writing to me often.let me know if you will help me please, we have been on this for more than a week now and this is the second week.90,000 Naria 591 USD is not easy for me to find now.

Please help,you can call me my number is with you or you cn still have it again : 07069159495.

Thanks.

Derek

Do you find it surprising that I find it hard to believe what you say? Your whole identity was built on lies and now I am supposed to automatically believe what you say just because you tell me so??? Remember, a week ago you were a lawyer with three children – doctor, accountant, and lawyer. How do I know you are sincere now? You wanted to steal money from me then, and now you still want money from me. Prove to me that you are sincere...

I also don't appreciate your comment about "us whites" and being self-centered and greedy. I donate money, clothes, and food to charity all the time. **Do you?** How much do you give away in a year to charity? No, you go on the internet and lie and try to steal from innocent people. That's why I am better than you. I have never stolen anything in my life. **Can you say the same?** No, because you are a criminal. I understand the Nigeria is a poor nation and opportunities are scarce and I feel for your situation – that is the only reason I am still talking to you. But I will not be made a fool of. That's why I want to be sure that you are telling me the truth. How can you prove this?

And just for the record – I knew it was a scam the entire time – I get dozens of these letters every week and I answer them all. So don't think that I was ever fooled by your silly scam – I wasn't. Yes, you live in a world where you think official documents cost thousands of dollars, and millionaires choose people they don't know to inherit their money – do you know how stupid this is? Does this ever work on anyone? I can't believe anyone would be foolish enough to believe that. You never had me fooled, I knew the entire time – why do you think I gave you such a hard time about everything?

Debbie

I am very ready to give you whatever prove you need but promise you will not discovery it out to any body how we meet or i was a scammer.

I am ready to send to you my student login so you can access my profile but i need your trust because i don't want to be arrested.

this is my school sit confirm if it is accessible in your country: www.delsuonline.com

Thanks for all your mail and i promise never to get involved with any criminal act again in my life.

Thanks.

Derek

So you are really done with scamming? And why would I want your school Login details?

Debbie

Please don't get me involved in such activities...people change and if you don't believe that people do change then you are not well educated.

Bye.

Derek.

I asked you a simple question, asshole. As for education, you are the idiot who tries stealing from people instead of working – I have a college degree and a good job – do you? I have never stolen from anyone; can you say the same? You say that you stopped scamming from people – those are just words, that's all they are. I am supposed to instantly believe you because you say so? A little while ago you were telling me that you were a lawyer in England, remember?

The letter I received was exactly like the first letter you sent me, so what am I supposed to think, moron. That's why I asked you and you have the gall to say that I am not educated because I ask this??? You are a dickhead.

Debbie

There was no contact with this moron for weeks after my last email.

Derek (11:47 AM): <ding>

Derek (11:47 AM): I asked you a simple question, asshole. As for education, you are the idiot who tries stealing from people instead of working – I have a college degree and a good job – do you? Bye.

Derek.

Debbie (11:48 AM): well, it is still sad that after all you have said, that you are still involved with the scam, though it may be indirectly

Debbie (11:48 AM): yes, I remember this

Debbie (11:48 AM): I am talking about after this...

Debbie (11:48 AM): after you gave all of your email addresses to your scammer friend

Derek (11:49 AM): and u remember all the insult right

Derek (11:49 AM): **He copies my last email into chat...**

I asked you a simple question, asshole. As for education, you are the idiot who tries stealing from people instead of working – I have a college degree and a good job – do you? I have never stolen from anyone; can you say the same? You say that you stopped scamming from people – those are just words, that’s all they are. I am supposed to instantly believe you because you say so? A little while ago you were telling me that you were a lawyer in England, remember?

The letter I received was exactly like the first letter you sent me, so what am I supposed to think, moron. That’s why I asked you and you have the gall to say that I am not educated because I ask this? ? ? You are a dickhead.

Debbie

Derek (11:49 AM): i just told u i was confused

Derek (11:49 AM): i had noway to run too my exam was close

Derek (11:49 AM): what was i to do

Debbie (11:50 AM): so the only way to make money in Nigeria is to steal from innocent people?

Derek (11:50 AM): no

Derek (11:51 AM): life in Nigeria is not as easy as u think

Debbie (11:52 AM): I don't think it is easy...

Derek (11:52 AM): for someone like me whom pay is fee himself and do some other things

Derek (11:52 AM): how do i get along

Debbie (11:52 AM): get a job?

Derek (11:52 AM): i have not have a certificate yet

Debbie (11:52 AM): when I was in college, I worked some pretty crappy jobs...

Derek (11:53 AM): i do same

Debbie (11:53 AM): you don't need a certificate to be a janitor or waiter...

Derek (11:53 AM): there is no such thing in Nigeria

Derek (11:53 AM): u want to me a waiter

Debbie (11:54 AM): I worked as a store clerk and it sucked, but I did it - and I didn't steal...

Derek (11:54 AM): let me tell u a little of Nigeria

Debbie (11:54 AM): I am talking about menial jobs that don't require a college education

Debbie (11:54 AM): you have manual labor jobs there right?

Derek (11:55 AM): yes but i want u to listen to me

Debbie (11:55 AM): I know Nigeria is over- populated, before you speak...

Derek (11:55 AM): not that

Debbie (11:55 AM): so I am sure jobs are hard to find

Derek (11:56 AM): in America u have 2 hours job right

Derek (11:56 AM): u have 3 hours job right

Debbie (11:56 AM): two hours?

Derek (11:56 AM): yes

Debbie (11:56 AM): no

Debbie (11:56 AM): part- time jobs are 5 hours a day, 5 or 6 days a week

Debbie (11:57 AM): or less

Derek (11:57 AM): u see better

Debbie (11:57 AM): there are no 2 or 3 hour jobs

Derek (11:57 AM): but then here

Derek (11:58 AM): In Nigeria whatever working u are doing start at 8 Am

Derek (11:58 AM): and end 4 Pm

Derek (11:58 AM): for waiter

Derek (11:59 AM): u start 8am and close 6 pm

Debbie (11:59 AM): waiters don't work after 4:00pm? that must suck for people who want to eat dinner

Derek (11:59 AM): This is Nigeria

Derek (12:00 PM): u know where people go to drink beer right

Debbie (12:00 PM): bars, clubs, taverns?

Derek (12:00 PM): yes. these that work there close at 11 Pm

Debbie (12:00 PM): not open after 4 or 6?

Debbie (12:00 PM): okay? ? ?

Derek (12:00 PM): in Nigeria

Debbie (12:01 PM): are you saying you dont have time to work?

Derek (12:01 PM): it open at 8 am and close at 11 pm for some while some close at 11.30 pm

Derek (12:02 PM): the only work u can do is to work with contractor in building house

Derek (12:02 PM): that means i will have to quite my education

Debbie (12:03 PM): it seems that you do have time to sit on a computer all day trying to scam people though...

Derek (12:03 PM): after my secondary school i went to the farm to work and that is what i used to get my admision into the college now

Derek (12:04 PM): whatever work i do now can only buy me my handout

Debbie (12:05 PM): you're right, I don't know how it is in Nigeria, but it seems if you have time to sit on a computer scamming people then you have time to earn an honest living...

Debbie (12:06 PM): at least until you graduate and find a good job

Derek (12:07 PM): that i am working towards

Derek (12:08 PM): Nigeria is hard but with ur B.sc it is easy

Debbie (12:09 PM): so, when you graduate and get a good job, are you going to pay back every innocent person that you stole money from?

Derek (12:09 PM): LOL

Debbie (12:10 PM): don't worry - I already know the answer

Derek (12:10 PM): what is the ans ?

Debbie (12:10 PM): of course you won't...

Debbie (12:11 PM): right?

Derek (12:11 PM): u very funy

Debbie (12:11 PM): and very serious...

Derek (12:12 PM): do u think i was ever happy scamming ?

Debbie (12:13 PM): it probably wasn't your first choice in careers, but I think that you think if someone is foolsih enough to send you money then you think you deserve it...

Derek (12:14 PM): so u think ?

Debbie (12:15 PM): I've heard that many times from scammers - are you different?

Derek (12:16 PM): people scam for differ reasons

Derek (12:17 PM): i have a friend whom is not a student but scam and now he is living large in Ghana

Debbie (12:17 PM): do you know how many times I heard from scammers that it is okay to steal from United States because we stole from Africa and because of slavery, etc.

Derek (12:17 PM): Ehen

Debbie (12:18 PM): ?

Derek (12:19 PM): sorry is ask, are u a racism ?

Debbie (12:19 PM): no, I just hate criminals...

Derek (12:20 PM): i also hate racism

Debbie (12:20 PM): I wish slavery never happened - but it is a historical fact and cannot be changed - and slavery has happened all throughout history, in every country, not just Africa

Derek (12:22 PM): do u have any black as friends?

Debbie (12:23 PM): I did at school and at my old job, but not now

Derek (12:23 PM): u see ...

Debbie (12:23 PM): I see what?

Derek (12:24 PM): do u change friend in respect to work?

Derek (12:24 PM): can't ur friends at ur old work still b ur friends

Debbie (12:25 PM): my black friends I knew from my job - we lost touch - I sure they feel the same way

Debbie (12:25 PM): where I work now, no black people work there and the city I live in has 50,000 people, but only a few hundred are black

Derek (12:26 PM): okay

Derek (12:26 PM): i love both black, white

Derek (12:27 PM): we are all God creatures

Derek (12:27 PM): u remember u told me to go fuck my mum and black are so ugly

Derek (12:28 PM): u r wrong my mum is beautiful

Debbie (12:28 PM): lol - yeah, I probably said that - just to make you mad...

Debbie (12:31 PM): here's a good story for you - I worked with a black girl who was not married and had two small children. She didn't make alot of money and was struggling to provide. A cousin of hers who was staying at her house, stole her income tax check for drugs - she would have lost her house, couldn't pay for food for her children, etc. - I gave her the amount (\$800) and never asked her to repay me (this is a true story...)

Debbie (12:31 PM): this is a true story - I didn't make it up...

Derek (12:32 PM): u are i nice person

Derek (12:32 PM): forgive me if i ask to many quesrtion

Derek (12:32 PM): how old are u please

Debbie (12:33 PM): 33

Debbie (12:34 PM): to finish the story - she did pay me back and tried to pay me \$50 extra for doing that, but I would not accept the \$50

Derek (12:35 PM): u r are a good person

Debbie (12:35 PM): like I said, I just hate criminals...

Derek (12:36 PM): i am 24 years old

Derek (12:38 PM): i regert getting involved in scam

Derek (12:38 PM): i never plans for such in my life

Debbie (12:39 PM): are you on break from school

Derek (12:39 PM): sure

Debbie (12:39 PM): when do you go back?

Derek (12:40 PM): 11th january 2010

Debbie (12:40 PM): how much longer do you have left?

Derek (12:41 PM): 2 weeks plus

Debbie (12:41 PM): I mean left of school

Derek (12:41 PM): 2 years

Debbie (12:42 PM): what field?

Derek (12:42 PM): bio- medical tech

Debbie (12:44 PM): to do what? What do you want to do?

Derek (12:45 PM): bio- medical laboratory science

Debbie (12:45 PM): I understand the field - do you want to be a lab technician, a chemist, a doctor, what?

Derek (12:46 PM): doctor but i will have to fist work as a lab technician for some few time

Debbie (12:47 PM): if you become a doctor, think about paying back everyone you stole from...

Derek (12:48 PM): LOL

Debbie (12:48 PM): I guess you don't regret scamming that much if you find that funny

Derek (12:49 PM): what do u want me to say

Debbie (12:49 PM): lie to me, tell me the truth, it really doesn't matter...

Debbie (12:50 PM): it would be nice if you did do that though...

Derek (12:50 PM): i don't get that clear

Debbie (12:50 PM): explain?

Derek (12:51 PM): as in ?

Debbie (12:51 PM): if you did pay those who you scammed back after you got a good job...

Debbie (12:51 PM): you don't think that is the right thing to do? ? ?

Derek (12:52 PM): i pray we still b friend

Derek (12:53 PM): when i get a job my name will ring a bell not for evil but for good

Debbie (12:54 PM): yeah, but how about those that you hurt along the way? Do they matter to you?

Derek (12:54 PM): so much

Derek (12:54 PM): they are the reason for my season

Debbie (12:55 PM): but not enough to pay them back?

Derek (12:55 PM): u never can pay a man back the good he did for u

Debbie (12:55 PM): what does your family think about your scamming or don't they know?

Derek (12:55 PM): but u can only apporpaite the good righth

Derek (12:57 PM): i never know my father (*I use this against him later on...*)

Derek (12:57 PM): just my mum and my two sisters

Debbie (12:57 PM): and what do they think?

Derek (12:57 PM): do u want to tell them

Debbie (12:58 PM): no

Debbie (12:58 PM): they don't know?

Derek (12:58 PM): no

Debbie (12:58 PM): you are the one who should tell them

Derek (12:59 PM): but now that i stop is there any need to tell them ?

Debbie (1:01 PM): that is what makes me think that you don't regret anything you've done - do you think that because you say you stopped that it makes everything okay - like it never happened?

Derek (1:02 PM): is there something u are not telling me ?

Debbie (1:03 PM): there's probably many things I am not telling you - but I am not sure what you are talking about

Derek (1:04 PM): what are u don't tell me and why ?

Debbie (1:04 PM): tell me what you are talking about

Derek (1:05 PM): i just told u i don't want my sisters or my mum to know that i ever did scam

Debbie (1:06 PM): so what do you want me to tell you?

Debbie (1:07 PM): what do you think I am not telling you?

Derek (1:08 PM): i don't know but i just want to b free with u

----- Our chat on Tue, 12/29/09 6:33 PM -----

Derek (5:12 PM): Hi

Derek (5:13 PM): *good evening*

Debbie (5:13 PM): yes

Derek (5:15 PM): *how was ur day*

Debbie (5:15 PM): good - why did you stop talking yesterday?

Derek (5:15 PM): *i am very sorry*

Derek (5:16 PM): *i felt i was upsetting u with my question*

Debbie (5:16 PM): you were - that is none of your business

Derek (5:17 PM): *i am very sorry ma*

Debbie (5:17 PM): why would you ask that - are you a pervert?

Derek (5:18 PM): *i m sorry, so tell me*

Derek (5:18 PM): *how is US*

Debbie (5:19 PM): great - best country in the world...

Derek (5:19 PM): *lol*

Derek (5:20 PM): *my country is the best*

Debbie (5:21 PM): Is that why you were attempting to steal from me?

Derek (5:21 PM): *that is not a good point from u*

Derek (5:21 PM): *why do u alway talk that way*

Debbie (5:22 PM): talk like what? Telling the truth...? That is the truth, isn't it? You were posing as a lawyer trying to steal from me right?

Derek (5:24 PM): *that was in the past*

Debbie (5:24 PM): Still doesn't change the fact...

Derek (5:24 PM): *it dose*

Debbie (5:25 PM): How many Americans have tried to steal from you?

Derek (5:26 PM): *please stop*

Debbie (5:26 PM): I am just debating my point...

Derek (5:27 PM): *can't we debate on something better ?*

Debbie (5:28 PM): you asked about my country, I gave you my opinion, and you argued that point...

Derek (5:29 PM): *we have to be proud of where we come from right*

Debbie (5:29 PM): I guess...

Derek (5:31 PM): *if u give birth to a child and that child dose sometin wrong how long we u punish that child ?*

Debbie (5:32 PM): Depends on the crime, and whether they repent and regret what they did...

Derek (5:33 PM): *if the child was a scammer ?*

Debbie (5:35 PM): Have you ever been punished for it? How many days in jail did you spend? Are you making retribution for what you did? Do you regret it? I mean really regret it - like not helping others to scam buy giving away your scam email list?

Derek (5:36 PM): *it all right*

Derek (5:36 PM): *i have to go now*

Derek (5:36 PM): *bye*

Debbie (5:37 PM): Something I said?

Derek (5:38 PM): *u have done ur best for me*

Derek (5:39 PM): *but u don't have the right words like a friend- like a sister- like a mother- like someone to true*

Debbie (5:39 PM): Is that why you are leaving?

Debbie (5:39 PM): because of what I said?

Derek (5:40 PM): *i guse its waste of effort for me to be happy joining u online*

Derek (5:40 PM): *i just wanted to me happy*

Derek (5:40 PM): *u forget so soon that u failed me*

Derek (5:41 PM): *when i needed u must*

Debbie (5:41 PM): I don't know what you want...

Debbie (5:41 PM): how did I fail you exactly?

Derek (5:41 PM): *i don't need anything for u anymore*

Derek (5:42 PM): *i told u i had my exam and u never believe me bcos u still felt i was a scammer*

Derek (5:42 PM): *after all that i told u*

Debbie (5:43 PM): I am supposed to instantly believe everything you say? Remember, you were a lawyer from England...

Derek (5:44 PM): *remember i sent u my school profile*

Debbie (5:44 PM): I know - I said I didn't doubt that you were a student...

Derek (5:45 PM): *so what is ur point*

Debbie (5:47 PM): my point is that immediately after trying to steal from me, you ask me for money. Then I receive an email with the exact same scam as you tried to pull. And now, I am still receiving the Ford Foundation Scam emails...So I am supposed to believe everything you say? I am no fool...

Derek (5:49 PM): *i was anxoius*

Derek (5:49 PM): *i need to settle my fee*

Debbie (5:50 PM): For once, think about how it looks from my eyes...

Derek (5:50 PM): *i know it sound crazy but sometins life is just more than crazy*

Debbie (5:52 PM): So now, I don't understand what you want from me? If I speak the truth, you get upset...If I give my opinion, you get upset...What do you want?

Derek (5:53 PM): *u still see me as that scammer of the old*

Debbie (5:56 PM): Can you blame me? And for the record - I have been nothing but courteous - I have asked you questions and gave you my opinion - I haven't insulted you or called you a scammer - but like I said before, what you did is a fact and I can't change it...

Debbie (6:09 PM): I guess you are done talking to me?

Derek (6:10 PM): I gues u are right..i have to live with that fact.

Debbie (6:12 PM): Well, have a Happy New Year anyways...

Derek (6:12 PM): u going ?

Debbie (6:13 PM): yes - remember, I failed you and i have nothing for you - these are your words...

Derek (6:13 PM): but we can still be friends

Debbie (6:13 PM): that's fine...

Derek (6:14 PM): so tell what do u wan to talk about now

Derek (6:15 PM): do u like sport ?

Debbie (6:16 PM): just tennis

Derek (6:18 PM): i had an acident when i was 19 yrs

Derek (6:18 PM): so i can play footbal

Derek (6:18 PM): but i can play bucket ball very well

Debbie (6:18 PM): what is bucket ball? Basketball?

Derek (6:20 PM): Bucketball game

Debbie (6:20 PM): is that the same as basketball?

Derek (6:21 PM): basketball game

Debbie (6:21 PM): okay, that's what I asked...

Derek (6:22 PM): sorry my mistake

Derek (6:23 PM): my friend use to say america women smoke

Derek (6:24 PM): is that right ?

Debbie (6:24 PM): no - some do, not many

Derek (6:24 PM): why do they smoke

Debbie (6:25 PM): just a habit - a lot of people smoke - I don't know why...

Derek (6:26 PM): but it cause cancer

Derek (6:26 PM): and it is bad

Debbie (6:26 PM): a lot of people do things that are bad for them

Debbie (6:28 PM): people don't smoke in Nigeria?

Derek (6:28 PM): men do smoke not ladies

Debbie (6:29 PM): didn't know that

Debbie (6:31 PM): I gotta go - I have to get some work done - it's hard typing on two keyboards and looking at two monitors...

Derek (6:31 PM): what is the time over there ?

Debbie (6:31 PM): 6:30PM

Derek (6:32 PM): do u mean u are using two system now ?

Debbie (6:32 PM): yeah - it's difficult doing two things at once

Derek (6:32 PM): i understand

Debbie (6:32 PM): talk to you later

Derek (6:33 PM): i b here

Debbie (12:55 AM): I don't understand what you are saying...

Derek (12:56 AM): i said why will u say u don't believe in God

Debbie (12:57 AM): that's what an atheist is - someone who doesn't believe in God

Debbie (1:05 AM): probably losing my family members - especially my nieces and nephew

Derek (1:07 AM): If u feel this way for ur family members, how then do u feel for ur life ?

Debbie (1:08 AM): I don't know what you mean by this

Derek (1:10 AM): if u feel losing ur family members is ur greatest fear, how about ur life ?

Derek (1:12 AM): i don't say u are living in fear

Derek (1:12 AM): i asked u just a question

Debbie (1:23 AM): if you believe in God, that is up to you - I am not trying to change your mind

Derek (1:24 AM): u can't just wake up and diside that there is no God

Derek (1:25 AM): sometin made u believe that there is no God

Debbie (1:26 AM): yeah, it's called common sense. I just don't believe in God, I don't see what the big problem is?

Derek (1:29 AM): nope

Derek (1:29 AM): but common sense is not as come as u think

Derek (1:30 AM): common sense is not as common as u think

Debbie (2:29 PM): so have you given up scamming people for good?

Derek (2:29 PM): *yes, long ago (to be continued in one minute...)*

To test this fool, I started contacting him from another Yahoo email account. I acted like I contact him in error, like I thought he was someone else who I previously chatted with. I "think" that he is Derek, a man who lives in Kentucky and works for FedEx. Notice that he takes over this identity...I wonder why?

This first chat session takes place a week earlier than the chat session with Debbie that I just interrupted. The second chat session from "Susan" takes place at the exact same time that Derek is swearing on his mother's life that he has stopped scamming and lying to people on the internet...

Back to the main chat with Debbie. As you can see from the times and dates, you can see that they were simultaneous. Remember, Derek is swearing to Debbie that he doesn't lie to girls on the internet...

Debbie (2:30 PM): I want you to swear to me on your Mother's life that you gave it up...
Derek (2:30 PM): **for real**
Debbie (2:31 PM): yes, swear to me
Debbie (2:31 PM): I want to make sure you are being honest
Derek (2:31 PM): **yes, i am**
Debbie (2:31 PM): say it then...
Derek (2:32 PM): **how do i swear ? i have never do it before so i don't know how to swear**
Derek (2:34 PM): **please.i am being honest with u**

Derek (1:13 PM): I am sorry

Debbie (1:13 PM): like a dog

Derek (1:13 PM): why say so

Debbie (1:13 PM): or a pig

Derek (1:14 PM): i hate to cry (That's funny; I love to make him cry...)

Debbie (1:14 PM): I told you long ago that I hated criminals - that was my problem....

Debbie (1:14 PM): so give up on that broken-heart theory...

Derek (1:15 PM): I will never ask u for anything again

Debbie (1:15 PM): I am sick of all of your lies....

Debbie (1:15 PM): that is all you do

Derek (1:15 PM): what is ur problem

Debbie (1:16 PM): my problem is that you are a liar and a thief...

Debbie (1:16 PM): lol

Derek (1:16 PM): let me put it this way to u

Derek (1:17 PM): if u have a child and the child is bad will u kill the child >

Derek (1:17 PM): ?

Debbie (1:17 PM): I would not have a bad child because I would raise it properly...

Derek (1:17 PM): it is very easy to say

Debbie (1:18 PM): if it did the things that you do, I would call the police myself

Debbie (1:18 PM): I would send my child to jail if they were a criminal like you

Derek (1:19 PM): what if u don't have the money to put he or her to school and the child start trying to work things out for himself ?

Debbie (1:19 PM): by doing illegal things?

Derek (1:20 PM): whatso ever

Debbie (1:20 PM): then they belong in jail...

Derek (1:20 PM): i am very sorry to say that u will never be a good mum

Debbie (1:21 PM): I know in Nigeria you have no concept of right and wrong, but in America we do...

Debbie (1:21 PM): at least white people do

Derek (1:21 PM): i have heard that one million and one times

Derek (1:21 PM): what do u end up doing

Debbie (1:21 PM): yeah, from all of your Nigerians friends?

Derek (1:22 PM): never mind

Derek (1:22 PM): u are not a good person when it comes to money

Derek (1:22 PM): all u know is been self centre

Debbie (1:22 PM): why - because I don't share it with liars?

Derek (1:23 PM): when i told u the true what did u do for me

Derek (1:23 PM): u called me names and trun ur back on me

Debbie (1:24 PM): I like talking to you because all of your silly lies are so funny, but why would I want to give money to you when all you do is lie?

Debbie (1:24 PM): you never told me the truth...

Debbie (1:24 PM): I discovered you were still lying...

Derek (1:24 PM): nope

Derek (1:24 PM): i told u and u started fooling me

Derek (1:25 PM): so i had to find money to run my exam

Debbie (1:25 PM): If I really thought you were being honest with me I would help you, but all you do is lie

Derek (1:25 PM): u will never beleive

Derek (1:26 PM): just as u never beleived me when i told u the true

Debbie (1:26 PM): not when you prove different...

Derek (1:26 PM): i gave u all u need to see and know me for real

Derek (1:26 PM): but u just want to say i way a lair so u will not help me

Debbie (1:27 PM): why do you think I created Susan - just to see if you were truthful and you failed the test

Debbie (1:27 PM): you started lying right from the beginning

Derek (1:27 PM): just to see what i was up to

Debbie (1:27 PM): in two different conversations...

Derek (1:27 PM): yes

Derek (1:28 PM): u may think that i was going to scam susan but no

Derek (1:28 PM): i lost hope in u but

Derek (1:28 PM): i was working thing out for myself

Debbie (1:28 PM): that's the reason I won't help you right there - you continue to lie

Derek (1:29 PM): but i respected u that was why i still look out for u

Debbie (1:29 PM): are you in London right now?

Derek (1:29 PM): I am in school

Derek (1:29 PM): nigeria

Derek (1:29 PM): what do u wanted me to say

Debbie (1:30 PM): you told Susan London, liar...

Derek (1:30 PM): I am in Nigeria

Derek (1:30 PM): u 34 yrs old and u think like a child

Derek (1:31 PM): if u will think and look where i was heading to

Derek (1:31 PM): u never looked at that

Derek (1:31 PM): bcos u wanted me to fail

Debbie (1:31 PM): one sec

Derek (1:32 PM): ok

Debbie (1:35 PM): I wanted to see if you would fail the test and you did

Derek (1:36 PM): bcos u wanted me to fail

Derek (1:36 PM): so that u could have reasons to urself

Debbie (1:36 PM): i didn't care one way or the other - just wanted the truth, and I found it

Derek (1:37 PM): what did u find

Debbie (1:37 PM): that you are a liar

Derek (1:37 PM): u found nothing

Debbie (1:37 PM): that's all i needed to know...

Debbie (1:37 PM): liar

Derek (1:37 PM): how do u change man

Debbie (1:39 PM): how am I supposed to answer that?

Derek (1:39 PM): yes

Debbie (1:39 PM): obviously you can't change...

Debbie (1:39 PM): you are still a liar

Derek (1:39 PM): thanks u for that

Derek (1:40 PM): so u where born same day and started working same day right ?

Debbie (1:40 PM): what's your point?

Derek (1:41 PM): u know better than i know

Debbie (1:43 PM): I don't know what you are getting at?

Debbie (1:44 PM): I had a good childhood, did good in school, worked while I was in High School, worked when I was in College, and now I have a good job...

Debbie (1:44 PM): have you ever worked?

Derek (1:44 PM): yes

Derek (1:45 PM): i told u all this before

Debbie (1:45 PM): I don't mean stealing on the computer...

Debbie (1:45 PM): even though you may call it work

Derek (1:46 PM): nope

Derek (1:46 PM): not scamming

Debbie (1:48 PM): but you are still scamming now...

Derek (1:48 PM): i work in the farmer and i went to work with builder

Debbie (1:49 PM): so what led you to become a criminal?

Derek (1:50 PM): i was work to get to school

Derek (1:51 PM): so the money i raise was not up to the needed amount to pay for my clearance

Derek (1:52 PM): i wait 2 half year to raise money

Derek (1:53 PM): but when i enter there was no way i can go back to work bcos it will lead me to fail my exam

Derek (1:53 PM): i told u all this before just that u never wanted to listen to me and feel my pain

Debbie (1:55 PM): are you going to cry? Be a man for God's sake...

Derek (1:55 PM): u are just fooling me right

Debbie (1:55 PM): what do you mean?

Derek (1:56 PM): i don't want cry

Debbie (1:58 PM): I'll tell you that the thing that is stopping me from helping you is that you constantly lie about everything...

Debbie (1:58 PM): I am sick of it...

Derek (1:59 PM): the problem we both have is that u don't beleive me when i tell u the true

Debbie (2:00 PM): that is your fault...

Derek (2:00 PM): why do u think i like chatting with u

Derek (2:02 PM): if i never wanted to stop do u think i will still be spending time chatting with u

Debbie (2:02 PM): you are chatting with me cuz you want money...

Derek (2:02 PM): LOL

Derek (2:03 PM): just like i say u care so much about the money

Derek (2:03 PM): do u thing it all about the money

Derek (2:03 PM): it fine
Derek (2:03 PM): i am very sorry i did asked u for me
Derek (2:04 PM): just a mins
Derek (2:04 PM): i have to buy more time
Derek (2:04 PM): can u wait for me ?

Derek tries many different tactics to get money from me in this scambait. Begging, guilt, the fact that I “changed” him from a life of crime, etc. He is now working on the guilt angle – that I failed him. He will next try to work the angle that I must prove that I am rich by sending him money. Yes, this idiot actually thinks that this will work!

Derek (10:35 AM): if it takes two weeks to get 9 dollars how long will it takes to get 33 dollars

Debbie (10:37 AM): yeah, good point. It's weird - hard-working Americans just don't seems to care that much about begging Nigerians

Derek (10:39 AM): why are u so interested about the beggar....that is what america is all about

Derek (10:39 AM): looking down on people

Debbie (10:40 AM): just looking down on people who try to steal from them...

Derek (10:41 AM): u use what u have to get what u don't have

Debbie (10:44 AM): I'm just going by what you said - you seem to think it's okay to steal from people

Derek (10:44 AM): i guse it is bcos u haave never love someone

Debbie (10:45 AM): do you see why I said you would never stop scamming and begging - you don't think it's wrong...

Derek (10:46 AM): what did i say that u can't think positively rather u look at it from the negitive way

Derek (10:47 AM): why do u feel so

Derek (10:47 AM): i have ask u and plead with u for help and all u can do is call me all kind of names

Debbie (10:49 AM): and I said I would have helped you if I thought you changed - that was before you lied and was going to try to scam Susan

Derek (10:49 AM): nope

Derek (10:49 AM): but i say i am not from fedex when susan asked me

Derek (10:50 AM): i am sorry

Debbie (10:51 AM): the first time you did, idiot - you talked to her two times - you also said you lived in Kentucky, and that you are a businessman who deals with construction, and that you were in London

Debbie (10:51 AM): remember all of these lies, moron?

Derek (10:52 AM): stop

Debbie (10:52 AM): you were setting her up for the scam

Derek (10:52 AM): u will never understood my mind

Derek (10:52 AM): but when i needed u must u trun me down

Debbie (10:53 AM): that's right - because I found out you are still lying and trying to scam people

Derek (10:53 AM): i gave u all the prove u needed to help me but u still trun me down

Derek (10:53 AM): liar

Debbie (10:53 AM): you proved that you are still a liar and scammer, penis-face

Derek (10:53 AM): i was all around u

Derek (10:54 AM): stop that

Debbie (10:54 AM): what? You are being an idiot...

Derek (10:55 AM): i am not in for this dear

Debbie (10:55 AM): what's that mean?

Derek (10:56 AM): i can start ur names that u call and all that

Debbie (10:56 AM): call me names back, I don't mind...

Derek (10:56 AM): no i will not

Debbie (10:57 AM): whatever, bonehead

Debbie (10:57 AM): never stopped you before...

Derek (10:58 AM): what do u know about live

Debbie (10:59 AM): about live? what's that mean?

Debbie (11:01 AM): about where you live? Is that what you mean?

Debbie (11:03 AM): you still there?

Derek (11:03 AM): yes

Debbie (11:03 AM): are you done?

Derek (11:03 AM): with?

Debbie (11:04 AM): talking to me

Derek (11:04 AM): how can i b done with talking to someone special like u

Debbie (11:04 AM): well, you weren't answering me...

Derek (11:05 AM): i was thinking

Debbie (11:05 AM): I'll bet that hurt...

Debbie (11:05 AM): lol

Derek (11:06 AM): sometime u should think about what u say before saying it out to me

Debbie (11:06 AM): why is that?

Derek (11:07 AM): cos it hurt. (I hurt him...awwww!)

Debbie (11:08 AM): lol

Debbie (11:08 AM): which one?

Derek (11:10 AM): sometime do u think about me as some that need ur help and think of how to help me

Debbie (11:10 AM): do I ever think about that? Not since I discovered you were still lying and trying to scam people...

Derek (11:11 AM): i am sorry if that is what u think but some time things do happen that makes people feel the way they are..right ?

Debbie (11:12 AM): so why were you lying to Susan?

Derek (11:13 AM): i am sorry i never wanted to do so but i was confused

Derek (11:16 AM): u there ?

Derek (11:18 AM): hello

Derek (11:18 AM): u there

Debbie (11:22 AM): sorry

Debbie (11:24 AM): you were confused, so you said you were in London and owned a business in construction materials?

Derek (11:27 AM): nope i was confused bcos i have no one to look out for me and i try to get one with my studies but it is not easy out here

Debbie (11:27 AM): so you admit you were lying to her to scam her?

Derek (11:30 AM): i was not going to scam her i was just lying to her
Debbie (11:32 AM): lol - yeah, like I really believe that...
Debbie (11:33 AM): that's why I turned my back on you...
Derek (11:36 AM): u already trun me down before then
Derek (11:37 AM): u trun me down before then u remember when u told me to prove and i did proven it to u but u never did any thing but when i ask u for help again u try to test me
Debbie (11:39 AM): yep, i tested you and you failed - that's exactly what happened...
Derek (11:40 AM): but u also failed me before then
Debbie (11:40 AM): lol
Debbie (11:42 AM): you tried to scam me - then you realized that I was just messing with you - then you say you quit lying and scamming - the first time I test you, you fail...now do you see?
Derek (11:44 AM): we talk about this before
Debbie (11:48 AM): yep - and that is my stance...you told me you stopped scamming and lying, but when I tested you, you didn't...
Debbie (11:59 AM): are you done talking or is your time up at the internet cafe?
Derek (11:59 AM): what do expect me to say
Debbie (12:00 PM): well, I'm glad you agree...
Debbie (12:02 PM): at least the people here in the office feel sorry for you - to the tune of nine dollars...
Debbie (12:05 PM): are you mad? **(He logs out abruptly)**

Derek (2:11 PM): i hated when someone makes me of thinks that i face trying to get thru to my point
Debbie (2:12 PM): well, be a man and deal with it
Derek (2:12 PM): it is not as easy as u think it to be
Debbie (2:13 PM): sure it is - don't lie and don't steal - how hard is that?
Derek (2:14 PM): very simple when u have sometin to hold on to..
Debbie (2:15 PM): yep...I've never been without, so I don't know how it feels
Derek (2:16 PM): when u where in school who paid ur fees ?
Debbie (2:17 PM): I did - got a GSL and paid it back after I graduated
Derek (2:17 PM): what is GSL
Debbie (2:17 PM): Guaranteed Student Loan
Derek (2:17 PM): that is very good
Derek (2:18 PM): but we don't have such here
Derek (2:18 PM): u have to paid ur self or u forget about it
Debbie (2:18 PM): my parents would have paid if I asked them to
Derek (2:19 PM): so why did u have to do it urself ?
Debbie (2:20 PM): I didn't have to - I chose to - it's part of being an adult - you probably don't understand
Derek (2:20 PM): i do
Derek (2:21 PM): well if there was anytin of such here i will have done same
Debbie (2:21 PM): Adults take care of themselves...
Derek (2:21 PM): u right
Derek (2:21 PM): u paid back righth
Derek (2:21 PM): u paid back right
Debbie (2:21 PM): yep, it's all paid off

Derek (2:23 PM): if i had a means to get a loan to pay all my debt in school and to help me Guarantee

Derek (2:33 PM): let me check that

Derek (2:34 PM): that is 299 dollars

Derek (2:36 PM): u there ?

Debbie (2:37 PM): yeah

Derek (2:38 PM): but in Nigeria that is a lot of money

Debbie (2:38 PM): is that a semester

Derek (2:38 PM): yes

Debbie (2:40 PM): how much does someone who works a regular job get paid a week or don't you know?

Derek (2:41 PM): in Nigeria it is monthly paymently

Derek (2:42 PM): and the highest a nor Guarantee can get paid is 6,000 Naria a monthly

Debbie (2:44 PM): so like \$40 a month is what people make?

Derek (2:44 PM): that is in dollars

Debbie (2:44 PM): yes

Derek (2:44 PM): yes

Derek (2:46 PM): but we u are a guarantee u are well paid

Debbie (2:47 PM): like how much?

Derek (2:51 PM): just ur transport can take half of that

Derek (2:51 PM): well we still manage with that here

Derek (4:11 PM): what makes u feel that way

Debbie (4:11 PM): I'm sure most college students in Nigeria are scammers like you

Debbie (4:11 PM): what makes me feel that way? The fact that I caught you twice, dipshit!

Derek (4:12 PM): that fact that u left me after all the pleading for my fee.

Debbie (4:12 PM): You lied to me (Debbie) and tried to scam me, then you say you stopped, then you lie to Susan

Derek (4:13 PM): i told u why i was into it and u asked me if i can stop and i said yes

Derek (12:07 PM): no.please tell me

Debbie (12:08 PM): I told you I get many scam letters like the ones you sent me and I answer them all...

Debbie (12:08 PM): do you know what this means?

Derek (12:08 PM): no

Debbie (12:08 PM): I am a Scambaiter - don't you realize this?

Debbie (12:09 PM): I'm sure you know what that is...

Derek (12:09 PM): what does that mean ?

Debbie (12:09 PM): you're a scammer and you don't know what a scambaiter is?

Derek (12:20 PM): wait a mins all this that we are still going to say go back to your site righth ?

Debbie (12:21 PM): yep

Debbie (12:21 PM): everything

Derek (12:27 PM): so how u married ?

Debbie (12:27 PM): not married - I am a man - you heard that right?

Derek (12:27 PM): how old?

Debbie (12:28 PM): 41

Derek (12:33 PM): talk more late

Debbie (12:33 PM): gotta go... (Lunch...)

----- **Our chat on Mon, 3/1/10 2:33 PM** -----

Derek (1:27 PM): hi u there ?

Debbie (1:37 PM): yep

Debbie (1:37 PM): any other questions for me?

Derek (1:39 PM): how was lunchtime

Debbie (1:39 PM): fine - filled up my car at the gas station...

Debbie (1:41 PM): any questions for me?

Debbie (1:41 PM): I have one for you...

Derek (1:42 PM): i am waiting ?

Debbie (1:42 PM): why would you continue talking to "Debbie" after all of the insults and everything she said?

Debbie (1:43 PM): Did you really believe that she would give you money?

Derek (1:44 PM): so many reason

Debbie (1:45 PM): can you give me one?

Derek (1:45 PM): but that i can't tel u.

Debbie (1:45 PM): okay, that's fine...

Derek (1:47 PM): so tell me do u think what u are doing is the best ?

Debbie (1:48 PM): every little bit helps...I was tired of reading about little old ladies getting scammed trying to help someone from West Africa...

Derek (1:49 PM): wait a mins

Debbie (1:50 PM): I read one about 3 weeks ago where a woman from England committed suicide because she lost \$20,000 to a Nigerian scammer

Derek (1:56 PM): that is very bad

Debbie (1:57 PM): do you see why I do it?

Derek (1:57 PM): but sometime do u know that the problem start with u people ?

Debbie (2:00 PM): lol - how is that? It doesn't start with us, but I don't feel bad about the ones who agree to do something illegal

Derek (2:01 PM): two wrong can't make a right

Debbie (2:02 PM): I know...

Derek (2:02 PM): but u know all i told u about my studies is right ?

Debbie (2:03 PM): but a lot of people who fall for these stupid scams do so out of the goodness of their hearts...

Derek (2:03 PM): nope

Debbie (2:03 PM): what do you mean nope?

Derek (2:04 PM): no all do so out of goodness of their heart

Derek (2:04 PM): can u give money when u know u have nothing to gain?

Debbie (2:04 PM): I do it every paycheck...

Derek (2:05 PM): how ?

Debbie (2:06 PM): \$50.00 every paycheck is automatically deducted and donated to the United Way

Derek (2:06 PM): that is not what i mean

Derek (2:07 PM): this is how it look like..

Debbie (2:08 PM): what do you mean? I voluntarily have this amount deducted to give to charity - I don't have to do it...

Derek (2:08 PM): it are right

Derek (2:09 PM): but it is because u know what u are doing and u don't in ur greed in ur spirit

Debbie (2:09 PM): the woman in England wasn't greedy - she thought she was in love until she realized she was scammed

Derek (2:10 PM): i know it is very bad but sometime we don't know whom to blame

Debbie (2:11 PM): of course you can't blame yourself...

Derek (2:11 PM): just like when i told u some many thing u trun and made fun of me..

Derek (2:12 PM): do u know how it feel to lose hope in someone and why do u think i was till talking with Debbie ?

Debbie (2:13 PM): yep, now you know how it feels...

Derek (2:13 PM): it is not like that my dear friend..

Derek (2:14 PM): when u kill a youny person hope that he has for u ...u know what happen at the end ?

Derek (2:16 PM): why do u feel i discover so many things to u ?

Debbie (2:17 PM): **seriously - I don't care what happens to you and I never did**

Derek (2:17 PM): that is just the problem

Derek (2:18 PM): two wrong can make a right my dear

Debbie (2:18 PM): remember, you tried stealing from me - Barrister Patrick Linz...

Derek (2:18 PM): u can't stop crime but u can reduct it

Derek (2:19 PM): yes and i told u why and u did nothing so what do u want me to do....

Derek (2:21 PM): we all need money but i need it to see me thru school

Debbie (2:21 PM): I don't expect you to do anything - even if I do believe you about school it doesn't matter to me - you may as well rob or kill people for the money - crime is crime to me

Derek (2:21 PM): u don't see the sense in it right

Debbie (2:25 PM): you don't see the sense - you think it's okay to lie and steal as long as it's going to good use...

Derek (2:28 PM): when u need it for a good use and find it in a good way but couldn't find it.what will u do ?

Derek (2:28 PM): do u think if i have my fee and all that i will have all this time wasting it talking with u?

Derek (2:29 PM): all u care is that they are black and u don't see us as human ust like u.

Debbie (2:30 PM): not black - but criminal...

Debbie (2:33 PM): I know I say some bad things, but if you weren't a criminal I never would have said them...

That is the end. It seems he still wants to talk and a couple times he contacted me via chat after this when I was not online. Have you ever seen something like this before? I really do he believe that he cries after some of the things I say. I never gave him my website, which doesn't matter anyway because I blocked his IP Address from accessing it anyways. Chat sessions are great and hilarious, but unfortunately I waste the same

amount of time as the scammer. Fortunately, I do have two computers on my desk at work so I am working as I chat – I am not a total slacker!
