

Crew Attack

This was amply named because this was a group scambait from all of my personas – Thomas, James, Debbie, and Calvin. The funniest ones were with Debbie as he tried to convince her that he quit scamming and that he loved her...

\*\*\*\*\*

An ATM Card from whom? I am not expecting an ATM card.

Thomas

\*\*\*\*\*

Greetings !!!

It was a mistake, it was a Bank Draft, we mistake you for another person because of the email.

Larry Cole

\*\*\*\*\*

I am not expecting a bank draft either.

Thomas

\*\*\*\*\*

Greetings !!!

okay then, let me have your tracking number to know the package or the senders name.

Larry Cole

\*\*\*\*\*

I don't have a tracking number all I have is the email that you sent me.

Thomas

\*\*\*\*\*

Greetings !!!

All i can see are three packages, trunk box, ATM package and Small slip like a draft, which is yours? let me know so that i can scan and retrieve it for you.

Larry Cole

\*\*\*\*\*

I am not expecting any of those things – are you positive you have the right person?

Thomas

\*\*\*\*\*

\*\*\*\*\*

What is the address on the Delivery?

Thomas

\*\*\*\*\*

I cannot disclose the address, since you said you are not the right person, if you really want me to deliever the package you will have to let me know let me give you the terms and conditions.

Larry Cole

\*\*\*\*\*

You don't know my address do you?

Thomas

\*\*\*\*\*

Dont be smarter then this, i cant tell you any more because you dont want this package from the look of things.

Larry Cole

\*\*\*\*\*

Well, I am wondering why "FedEx" is using a FREE Yahoo Email Account and why the emails are coming from Nigeria.

Can I be smarter than that?

Thomas

\*\*\*\*\*

Yahoo is the best site for general messaging and sorry its not free.

Larry Cole

\*\*\*\*\*

LOL – you are an idiot. Yahoo is FREE EMAIL and you are just a pathetic black fool who has to beg white people for money because you are too stupid to get a real job. FedEx does not use Yahoo Email, you complete and utter moron.

You can keep the fake package, you stupid idiot.

Thomas

\*\*\*\*\*

Why are black people so stupid and helpless?

It even like that here in the USA – all black people beg and steal just like you.

Why is it that everything bad in this world comes from Africa?

\*\*\*\*\*

Poor little black beggar boy...

Is it true that all african men have sex with goats because african women are so freaking ugly?

\*\*\*\*\*

Beg for me, little goatfucker, beg...

It's all you know how to do.

\*\*\*\*\*

Nothing to say monkey fucker?

LOL – you people are so stupid...

\*\*\*\*\*

This part is a tad confusing. Whenever I get a Yahoo Scammer, I plug their email address into my Yahoo Account to try to get them in a chat session. I sent this fool a chat message from my Debbie Dawson persona and he never answered me. The message I sent was "Did you get the money I sent you?", which is a dream come true for these morons. A couple days later he sees me online...

I don't understand anything you are saying. A compensation fund for what? And what does that have to do with a trunk box?

Debbie

\*\*\*\*\*

Debbie.

This fund came to us to be delivered to you from the British High Commissions, if i were you, i will easily claim it since it is with your name (Debbie Dawson) i will wish you good but no harm if you can easily come down to Nigeria to claim the fund better because we have every document from the monitory fund on your name.

Waiting for your surgestion.

\*\*\*\*\*

Larry

I am not going to claim money that doesn't rightfully belong to me. I will contact the British High Commission to see what this is all about. I think you have the wrong person.

Thank you.

\*\*\*\*\*

This is being compensation fund for 150 scam victims. Don not look a horse in the mouth and just cam forward to accept you fund.

**fedex.service72 (11:21 AM):** then you can withdraw with the atm card

\*\*\*\*\*

Now, really – this should be it right? This should be over with that last exchange, right? This fool is a glutton for punishment. Does he really think he has a chance of scamming me?

Footnote...In a short message that he sends to me he admits and apologizes for lying to me again. I accept his apology and tell him it's "not a big deal except that it was blatantly obvious and made him look like an even bigger fool". I failed to save this short chat session. Sorry! The next session takes place 6 days later.

He tries contacting me in the chat room about a dozen times after this. I call him a few names and he begs me to forgive him. These weren't worth saving...During the chat sessions with Debbie, after he professes to have stopped scamming people, I have James Cagney respond to his first scam email and it's business as usual.

Hi Rose – I need you to explain what this is for. That stupid jerk from Fedex, Larry Cole, doesn't seem to know anything. Why am I getting this trunk box? I really don't know who you are and we have never done business together before.

Please explain in detail and I appreciate your help.

James

\*\*\*\*\*

This fund will have to come you via trunk box loaded in cash with complete documents to back the cash for your government not to give you any problems, please do get back to me today with the below in formations so that your fund can be sent to you before the end of this week.

Reconfirm the below information to the agent:

Mrs. Rosemary Campbell

\*\*\*\*\*

What kind of BULLSHIT is that? Your government sends out trunk boxes full of cash? No fucking way.

James

\*\*\*\*\*

Greetings James Cagney.

The main issue is not sending th fund in trunk box but if you are ready to get it this soon, if you are ready to claim the fund, it can be loaded in an ATM master card which you can only withdraw \$10,000 per day or we can send you a cashier cheque, just get back to me when you are ready to get the fund and in which package would you want us to send it to you.

I will commence immediately we get email from you.

Waiting to hear from you soonest.

Yours Faithfully,  
Mrs. Rosemary Campbell

\*\*\*\*\*

This is all one big lie, isn't it?

Office Hours Monday to Saturday:

Greetings James Cagney.

Everything i have told you is nothing but the truth, if you can hear my word and believe them you will have everything to gain.

Yours Faithfully,  
Mrs. Rosemary Campbell

\*\*\*\*\*

Is this for real?

James

\*\*\*\*\*

Greetings James Cagney.

I see no reason why i should tell you something that is not real, all i expected you to do initially is to tell me how you want us to get this money to you, either by wire transfer direct to your account, by ATM card from bank or by direct trunk deleivery which we already have documents that will back you on this, But all you did was call it names.

I know you would not believe it that easily but when you get this fund right on your palms, you will ever be glorious and will never forget the first day you read my email

Yours in service.

Mrs. Rosemary Campbell

\*\*\*\*\*

So you are saying that the government send trunks of cash to anyone it owes money to? Are you really that stupid?

James

Debbie Dawson wanted me to tell you that she knew you wouldn't stop scamming people.

Once a thief, always a thief.

\*\*\*\*\*

James,

Lol, how stupid ladies can be, how can she ever think i will ever send to her my real pictures, if it was mine i will have them more than 7 to send to her, more over she is just a fool to think that a 31 year old guy can look like that.lol

Any way Man have a nice day and say me hi to stupid Debbie

\*\*\*\*\*

James just forwarded me this email. Of course I knew you were lying, you fool. That's why I had James contact you. I knew that all black people can't help begging and lying and stealing – that's all they do. That's why Africa is the poorest continent with the dumbest people and full of war, disease, crime, and people who look like baboons. Do you like begging white people for money? Pretty sad.

I am sorry that you are poor, black, and stupid. Your life must be horrible. I did enjoy when you groveled before me – that was funny, fool.

Love,  
Debbie

\*\*\*\*\*

I also get this as an offline chat message. He actually thinks he won...

\*\*\*\*\*

----- Our chat on Wed, 1/19/11 9:14 AM -----

**uche4elover (4:41 AM):** How stupid you are to believe i will ever tell you anything about me, you think i am stupid but you are the most idiot, i send you those photos to see if you will behave like a human being but u still acted like a fool who you are, well for your informations i can never be stupid enough to send my pictures to a foolish lady who can not get her self a husband at the age of 30, and more over how can you animal ever think that a 31 year old man could look like that, thats to tell you how foolish people get follish when they think they are wise, i sorry for you because i have you correct pictures and will also use it for fraudulent activities, lol , you always call me fool and i look at you and laugh debbie who is the fool? at least i know your name, what is mine? lol

**Debbie (9:01 AM):** LOL - you are a sad little internet beggar who begs from women. Too stupid to get a job so you have to lie and steal from rich, white people. LOL - is that what it is to be a man in Africa? Begging from women? What do I care if you have those pictures? There are millions of pictures on the internet. You could have got those same pictures from my profile, you moron. I also don't care if you know my name. What is a poor, diseased, African beggar going to do about it? I laugh whenever I see one of your silly 419 scam letters. Poor, pathetic Africans. Do you see why the whole world hates you and your sad race? Do you know why we made slaves of you Africans? It was the only way we could get you to do any work...

**Debbie (9:14 AM):** The funniest thing about your little silly rant is that you think I care or wanted to know anything about you. I knew that everything you would tell me was lies. I just wanted to have fun screwing with a pathetic internet scammer. And it was fun! Especially when you said you loved me and begged for me to come back after I called you an idiot 10 times. LOL - it's funny to see you have no self- respect. I can call you all kinds of names and you kept crawling back, begging my forgiveness. That's why I talked to you, fool - just for laughs! My co- workers at the office laughed at how stupid you are. It was good though, because they didn't know what a 419 scam was until I showed them...lol, who's the fool, mugu?

\*\*\*\*\*

Since this last message in Yahoo Chat, I have not seen either if his personas online. I thought he would gloat about "fooling me" and using my fake picture to defraud people, but I think he finally realized that I was a baiter and just messing with him.
