

Crosby, Steals, and Trash

This is one of the many of next of kin scams where they profess that what they are proposing is "100% legal". I just wanted to punish this idiot for not fessing up and leveling with me. At the end he finally did and out come the insults. This was rather short, but it felt good typing all of the insults!

Listen moron, I am not stupid so your whole story about how it is "100% legal" to lie and steal money is complete bullshit. If you would have leveled with me from the beginning and told me the truth, I would have helped you. But since you insist on lying to me, that proves you are not worthy of trust and therefore I will not work with you.

Finally! After 11 excruciating emails, you finally tell me the truth that what you are proposing is illegal (it is called embezzlement). Was that so hard to tell the truth? You seem to have a real problem telling the truth, that's why I asked. Unfortunately, since you continuously lied to me up until this point, you have proved to me that you are a dirtbag, a liar, and totally unworthy of my trust. I would not trust you with fifty cents let alone money of this magnitude. You are obviously a complete and utter moron and I suspect that you have sex with goats. Your mother and father were obviously retarded and possibly brother and sister – that may be why you turned out the way you did. You are truly pathetic. I wish you were dead.

Anywho, good luck STEALING – you'll need luck as stupid as you are...

Thomas

\*\*\*\*\*

YOU A BIG FOOL AND THE MONEY WILL ALL BE MINE AND YOU CANNOT STOP ME FROM TALKING WHAT IS MINE. YOU A JOBLESS MAN AND HAVE NOTHING SO DEY SAY NOTHING TO ME,

\*\*\*\*\*

Wow, when you get excited your English accent disappears – that is remarkable. Now you are speaking like some uneducated, third-world piece of shit – possibly from West Africa. Let me ask – did you lie about your race and nationality as well as everything else? There I don't blame you because if I was some low-life degenerate from West Africa, I would pretend that I was something else too. That must be horrible. I pity you.

Thomas

Your parents must cry a lot in shame seeing what a piece of shit you are.

\*\*\*\*\*

No more responses. It's funny when they lie about lying...
