

## Scambaiting 102

I can't believe this moron kept emailing me after what I said – what a glutton for punishment.

\*\*\*\*\*

The email addresses you gave me for FedEx – I was just wondering why they were from Live.com domain instead of FedEx.com

Thomas

Dear Thomas,

Please, I beg of you stop misunderstanding me in this metter, because it will not help us out.

What matters, is for you to try your possible best as soon as you can to understand what am telling you.

Mr.Luck Tony.

\*\*\*\*\*

What am I misunderstanding? The fact that FEDEX tells me that they don't have silly looking documents like the one you sent me or that FEDEX in your country happens to use a free email service to conduct business?

I think I understand perfectly now...

Thomas

My Dear Thomas Payne,

Thank you very much for your response. We are to judged by what we finish, not what we start. Believe the best in people before you believe the worst.

High achievers dont do what they want to do,but do what needs to be done.

I hope you may understand this.

Regards,  
Mr.Luck Tony.

Here is what I know about you and your fellow scammers as well as all your pathetic friends and relatives;

1) Their spelling and command of the English language is terrible, like yours.

- 2) They always want you to use Western Union or Moneygram - no respectable bank or business uses this except for you.
- 3) They are always stupid, smelly, savages from that cesspool of a continent Africa, like you are.
- 4) They pose as lawyers, bankers, and even Directors with the United Nations, like you.
- 5) They quote God and religion a lot, even know they are going to Hell, like you are.
- 6) They claim to be getting back at the "white man" for injustices done to them, but the truth is that they will steal from anyone of any race, religion, creed, and color, like you would.
- 7) They often have sex with goats, monkeys, and their own parents, like you do.
- 8) They are the lowest form of life on the planet and have the intelligence of a 5-year old retarded child, like you do.
- 9) They strongly resemble gorillas but they smell even worse, like you do.
- 10) They are rooted in evil - everything bad in this world comes from Africa - AIDS, crime, war, disease, poverty, hunger, etc., - all from Africa. True, we in the USA have our share of these problems too, but they all come from the savages that our forefathers unfortunately brought to this great nation.

So, what needs to be done now?

Love,  
Thomas

Dear Thomas Payne ,

You put me on a stage of anger by sending this email to me. What did you mean, are you trying to tell that I am a liar.

To me I will not take it lightly when there is any form of dent in my well build image and scandals. I have given you all the informations and a form from Fedex company here in this country.

I will like to discuss with you on chat with my life picture a man who is doing fake thing will not exposed himself .

What ever you think about in this transaction ,the truth is that what I am telling you is truth and verifiable truth.

I rest my case.  
Your friend Luck

\*\*\*\*\*

You are kidding, right? You send me a silly looking form that FedEx tells me is not an official form. You give me FedEx's email address that happens to be from a FREE EMAIL service instead of FEDEX.COM. And you promise me that someone I don't know is sending me millions of dollars for no apparent reason.

Give it up – don't try to pretend that you have any dignity or honor – you don't. You are a pathetic 419 Scammer. You have no job. You are stupid. You smell. You are a criminal. What exactly would you like to discuss with me? My Yahoo ID is [t.payne0404](#) if you want to discuss how much of a liar you are.

I pity you, I really do.

Thomas

Dear Thomas Payne,

I am really sad and annoyed over your's reaction,That I suffered for you,some one I don't even know before,Am really bitter towards your miss understanding me in this transaction.

You are the one that is delaying in this matter,if you can follow my instructions and obey what am telling,by been sincere with me, I promise that every thing will go the way I promised you, right from the very begging of this transaction.

For,this reason that you did not trust me.

I decide to open up my self to you,by attaching here a copy of my Internaional pass port, which is the only thing that will make you to undertand me and put your trust in me and know that all that am telling you is the real truths in this issue.

It is very risk to delay and also If we keep on delaying more in this transaction, the Fedex company will term your parcel Cheque to unclaimed parcel and they will have it confiscated.

Secretary Dumb-luck;

What exactly have you suffered for me? Even if this transaction was real, which we both know it is not, you act like you have some vested interest in this. Your role is that of the lowly secretary who arranges for the delivery of the check. You act like you are out money because of my refusal to believe that you are not a pathetic scammer and a liar. If this was real, why would you care whether I believe you or not – you would still be paid your lowly salary as a mindless secretary with atrocious spelling and grammar. Anyways, enough of the charade...

We both know that you are a stupid 419 scammer and there is no money to be sent. I really can't believe you are still emailing me after the last two emails I sent you. Are you that stupid to think you have any glimmer of hope of even getting one penny out of me? And by the way, that Passport was the funniest thing yet – I would have to be blind to see that that wasn't a forgery. The font on the name "Mr. Luck Tony" is different than the rest of the Passport – dead giveaway. I know, I know, that's how the Passports are in Benin – I've heard that from other scammers before.
