linda.stevens74: Do you really think that your commanding officer can tell you to go home when you have orders???

Samuel Dickson: yes my friend sgt baly davis is now in the state and his tour up is march

Sidenote - I was contacting a day later by Sgt Baly Davis from Dating72 - I started laughing at him, calling him a stupid Nigerian beggar, etc. He was furious and asked, "How did you know am Nigerian?"

linda.stevens74: you dont know very much about the US army do you?

Samuel Dickson: he and his wife talk to commander

Samuel Dickson: what a hell are you telling me

linda.stevens74: that you are not in the US army - the army doesn't work that way

Samuel Dickson: that did i know much about my coup

Samuel Dickson: dont you know that before that i will have to obtain the leave form

linda.stevens74: I know how the army works - my father and brother were both in the army

Samuel Dickson: and commander is going to let me go

linda.stevens74: you may want to learn how the army works

Samuel Dickson: you think am lying to you?

linda.stevens74: I know you are

linda.stevens74: commanders don't have the authority to shorten a tour and let you go home

Samuel Dickson: okay but when the time come you will know that am not

linda.stevens74: the only way you get out of the army is a dishonorable or honorable discharge

Samuel Dickson: hmmm but i told you that i have to obtain the leave form before that

Samuel Dickson: yeah really i know now that you are not a scammer because you really know how we work

linda.stevens74: what???

linda.stevens74: I am not a scammer, but I suspect that you are one because you don't even know how the US Army works
