

## Easy Hook

Just checking my other Yahoo Profile, I see a scammer online that I baited months ago. So I try to see if I can hook him and have him assume the identity that I create. Look how fast he took up the identity that I just created! Hilarious...Months ago when I bated this fool, he was named Paul Owusu or something like that. Let's see if he likes the name Paula.

Greg's: I just talked to Michael - he said you are not in Ghana that you are home in Ohio. What the hell is going on?

achilonupaul: to be honest i did not inform him i was travelling

Greg's: Is this a joke?

Greg's: because he could help

Greg's: why are you saying you are in Ghana when you are in Ohio? ? ?

achilonupaul: IF i explain to you will you forgive me

**achilonupaul:** i am in Ohio prsently. i was only joking

**Greg's:** oh my God - are you kidding me? ? ?

**Greg's:** You had me panicking - do you think that is funny?

**Greg's:** Explain!!!

**achilonupaul:** Thanks. I was just testing your faith. You care so much about me. I love you. Actually, i needed you to do me a farvour. a friend of mine from cote d ivoir needs help. **Greg's:** You are finally home after all this time, and I want to finally meet you

**Greg's:** don't you want to see me?

**Greg's:** Hello?

**achilonupaul:** <ding>

**Greg's:** Well?

**achilonupaul:** <ding>

**Greg's:** so the reason you lied to me about being in Ghana was so I would help your friend?

**achilonupaul:** Not really. but i just needed you to assist her

**Greg's:** so you thought it would be funny to lie to me?

**achilonupaul:** Sorry about that. Honey, It is just a very pressing situation to me. My friend is desperate for a help

**Greg's:** I am just trying to understand why you would say that to me, instead of just asking me with the truth

**achilonupaul:** Honey i am sorry. I was joking at the first. I said i will tell you the truth later.

**Greg's:** So you think telling someone that you care about that you were robbed at gunpoint and stranded in another country is a joke? You think that is funny?

**achilonupaul:** Honey, Listen i have concluded you care about me. if you dont care, you will not show any concern. Thanks for caring for me

**achilonupaul:** Just forget that and lets proceed

**Greg's:** well, we will talk about this tomorrow...

**achilonupaul:** ok

**achilonupaul:** Please can you send \$400 to my friend . She needs it today

**achilonupaul:** <ding>

**Greg's:** no I can't do it today - I said we would talk about it tomorrow

**achilonupaul:** i ask you for an urgent favour and you are refusing

**Greg's:** yes, because I couldn't even get to the bank today

**Greg's:** what would you have done if I hadn't contacted you today?

**achilonupaul:** I was just thinking of what to do. Believe me, it was just miracle that you contacted me

**Greg's:** well, if I didn't contact you today, your friend would have survived wouldn't she?

**achilonupaul:** Dont assume that way. Kindly assist. i will be happy and remain your for ever. Please

**Greg's:** well, we can talk about that tomorrow

**achilonupaul:** Please honey. it will be very late. I will give you back the maoney

**Greg's:** I said I could not get to the bank - so it not possible until tomorrow

**achilonupaul:** what time will you do it

**Greg's:** what do you mean?

**Greg's:** I said we would talk about it at dinner

**Greg's:** okay?

**achilonupaul:** I am not happy with the arrangement

**Greg's:** what is that supposed to mean?

**achilonupaul:** if you know you cant help, kindly inform me.

**Greg's:** why is it that you seem more concerned with asking me for money than you do about meeting me for the first time?

**achilonupaul:** I really want to meet you. This is the time to really prove to me that you care. I promise to be with you all through. I have made up my mind to love you and nothing will stop me

**Greg's:** okay then...don't worry about any money then - we will deal with that later

**achilonupaul:** I am not so concern about the Money just that it is very urgent. If you cannot do it today, then forget about it

**Greg's:** no I can't do it today - I told you that 3 times

**achilonupaul:** then do it first thing tomorrow morning,

**Greg's:** what is wrong with you? I said don't worry about that...

**achilonupaul:** You i gave you the receiver information

**Greg's:** will you stop?

**Greg's:** You act like all you care is about the money

**achilonupaul:** I dont care about your money.You know that.why are you sounding funny. i will look for someone else to assist her. i am fine. is my problem i will take care of it.

**Greg's:** I said we would talk about it tomorrow - I am sounding funny because we finally get to meet tomorrow and it seems you just want me to send someone money in africa

**achilonupaul:** I said you should forget about send the money. I am not longer interested in it. i will take care of the situation. How can you tell me i care about your money because i ask for a help.

**Greg's:** I am just saying it seems that you care more about that than actually meeting tomorrow for the first time

**Greg's:** aren't you excited about meeting tomorrow?

**achilonupaul:** I want to be happy when seeing you tomorrow. I want to kiss you,huge you and do some funny things with you tomorrow. i will be giving you my time tomorrow.

**Greg's:** okay, that's better - I am excited to see you too. Where do you want to go for dinner?

**Greg's:** Should we invite Michael?

**achilonupaul:** not yet

**achilonupaul:** maybe later

**achilonupaul:** i want to have good time with you

**Greg's:** okay - what's your favorite restaurant in the area?

**Greg's:** have you been there before?

**achilonupaul:** no but my friends have

**Greg's:** its very nice

**achilonupaul:** ok

**Greg's:** so if I am picking you up, I will need your address

**Greg's:** hello?

**achilonupaul:** if you dont assist my friend, forget about picking me up

**Greg's:** what? ? ?

**achilonupaul:** i am not happy. she just wrote to me now
