

## Hey, Hey Paulino

This moron contacts me from dating72.com and right away I know he is West African. I hate when these fools aren't willing to put in the time it takes to fall in love, so then they can start begging for money. This idiot tells me he loves me and wants "nothing else on this earth except me" after talking to me there times. He also sends me three pictures in Yahoo Chat that are completely different from his profile picture in Dating 72.

oudoette: can you see me now?  
debbiedawson0404: yes, I thought you said you were Spanish?

**The man in the photo looks Russian/Slavic and it is definitely not the same picture as the one in his dating profile.**

oudoette: my mom from from uk and dad spanish  
debbiedawson0404: do you speak Spanish?  
debbiedawson0404: are you there?

oudoette: Debbie I can't deny my nationality

debbiedawson0404: well, it is kind of deceptive. No big deal, I guess. At least you don't look like Spaniard

oudoette: Hahaha people do say that

oudoette: Hahahaha

oudoette: But when I come back u gonna come there and spend some days with me

debbiedawson0404: where do you think I am going?

debbiedawson0404: you think I am going to Texas? wrong...

debbiedawson0404: what are you talking about? Where is there love?

oudoette: We are gonna create that love

debbiedawson0404: whatever, I don't even know you that well and I am not going to Texas

oudoette: Ok do u want me to come there?

debbiedawson0404: you can, if you want

oudoette: U are not specific

oudoette: Why?

debbiedawson0404: it is up to you, not me. You can come here and we'll go out to dinner and see if we are compatible and if there is chemistry

oudoette: Ok that fine

oudoette: I hope u gonna share everything with in common?

debbiedawson0404: meaning what?

oudoette: I mean have some fun together

debbiedawson0404: I have no idea what you are talking about - I said we could go out to dinner to see if we were compatible...

debbiedawson0404: how long are you going to out of the country?  
debbiedawson0404: ?  
debbiedawson0404: are you there or did you leave without saying a word again  
oudoette: I am with u  
oudoette: I was using to toilet  
debbiedawson0404: ok, so answer the questions  
oudoette: I think I will spend a month  
debbiedawson0404: you are going to Kuwait for a month?  
oudoette: yea but I will travel to german why I am the trip  
oudoette: On the trip  
oudoette: Before I comeback everythong will be fine between us  
debbiedawson0404: well, I will tell you this -- I get asked out a lot by men here, so I can't promise you anything  
oudoette: We have to come together and love each other so that when I am coming u would run direct to me with a very good smile kiss  
debbiedawson0404: do you understand what I am saying to you?

debbiedawson0404: I have no idea what you are talking about.  
oudoette: Hahaha  
oudoette: What I mean is that I like u and I wanna love u  
debbiedawson0404: well, it's nice to get to know one another first and actually meet first, dont you think?  
oudoette: Yea but in some aspect we need to develop that love before we meet each other so that we can easy learn from mistake we make

**Digest this – his reasoning is that it is better to fall in love over the internet first before two people meet, so that when they do meet, they can correct their mistakes? Scammer Logic at its finest.**

debbiedawson0404: huh? That is the dumbest thing I have ever heard.  
oudoette: Example u ask me don't call me babe, now I am trying learn that u don't like any love name  
debbiedawson0404: no, I don't like any pet names from people who don't even know me  
oudoette: When I meet u, it was BABE wanted to cause problem and u caution me and I am learning from my mistake ok  
debbiedawson0404: you can never get to know someone very well over the internet  
oudoette: Yea but we have to develop that love within our mine  
debbiedawson0404: well, here some advice for you and this applies to all women everywhere --- you never call a woman BABE if you don't really know them - that is common sense  
oudoette: Ok  
debbiedawson0404: it sounds like you want to live in a fantasy world - developing "Love in your mind" before you really know someone --- well, I live in the real word  
oudoette: Hahhhah  
debbiedawson0404: is that funny?  
oudoette: I need u than any other thing on earth  
debbiedawson0404: excuse me???  
oudoette: No  
debbiedawson0404: what the hell do you mean by that???

debbiedawson0404: I don't care fuckhead - what are you going to do? I already know you are a psychotic idiot  
oudoette: Don't say that babe

Should I attack for calling me babe again? I don't think he will even notice. He is finally getting fed up with me and probably realizes it is over and he has no chance of getting money from me. I love when these fools call me a scammer – yes, I am a scammer – I wait until people on the internet tell me they love me, then I insult them and call them every name in the book so I can later beg them for money??? More scammer logic at its finest.

debbiedawson0404: fuck you faggit  
oudoette: U act as a kid  
debbiedawson0404: good, go away and go bother someone else then
