

I Am Woman

I get so many of these 3% loan scams that I can afford to let one go just for the principle of the matter. Without explaining in detail, idiot scammers do not realize why no loan company would loan money below the Treasury Rate – this just shows how stupid these pathetic wastes are...

I am interested in refinancing my house and I was wondering what your refinancing rate was. Also, there must be a misprint on your loan rate that you are advertising because it says 3% and that can't be right. What is the current rate for REFI's.

Thank you very much,  
Debbie

My God, you are stupid. I can tell you that I know you are a scammer and call you a brain-dead fool and you still want me to participate in this scam? Is there anyone in the internet café where you are currently sitting that is as stupid as you are? Stop for minute, and ask the smelly, rotten, degenerate scammer to your right if

he is as dumb as you. I am sorry that you are a poor, pathetic beggar who has to steal for a living – I pity you. Your parents must cry a lot in shame...

\*\*\*\*\*

Wow, now your true colors come out! I am glad you just proved to me how uneducated and stupid you are. What is this mindless dribble supposed to mean? First of all, since you are incredibly stupid – I am a woman, not a man, goat-humper. I know in your pathetic race it is hard to tell men from women because they both look equally disgusting, but I am an American; therefore I am better than you. Is that why African men have sex with goats? Because the women are butt ugly? That does explain a lot...
