

Jack Be Stupid

This idiot contacts Linda from Dating72.com and starts to chat her up. His photo is an attractive looking younger white man. Jack is a big fan of putting comments in his status of his Yahoo IM Profile. His first one was "Am SO Happy" -- lol. At first, his English wasn't as bad as other scammers, and he answered questions fairly well. We are into the chat for a little while, and it's getting funnier and funnier (i.e. gemstones engineer, his grammar, etc.). All of a sudden, I get an IM request in Yahoo for a black man named Folarin Bjay. Of course I accept, and he has in his comments " love is what makes the world a better place". Watch what happens in the chat session.

Lauer Jack: i really want to settle down because i have been working all my life and i need to settle down and start a life with someone

Lauer Jack: **love is what makes the world a better place**

Yes, this is the exact same comment in the profile that the black man Folarin Bjay vsays. Obviously, the same person. Watch him explain - first denying it of course.

linda.stevens74: lol

linda.stevens74: so is your real name folarin bjay?

Lauer Jack: what?

linda.stevens74: your real name is folarin bjay

Lauer Jack: what you mean?

linda.stevens74: "love is what make the world a better place" - that's your comment in your other profile

Lauer Jack: whos profile?

Lauer Jack: can i text you?

linda.stevens74: your other profile

linda.stevens74: folarin bjay

Lauer Jack: where is that?

linda.stevens74: lol - nice try - goodbye

Lauer Jack: you scammer?

linda.stevens74: don't contact me again stupid black boy

Lauer Jack: ok bye

linda.stevens74: see how stupid you black fools are?

Lauer Jack: whatever

linda.stevens74: goodbye black beggar

Lauer Jack: but ma never gonna say or use words on you

linda.stevens74: you are too stupid to be a good scammer - your other profile gave you away, you idiot

Lauer Jack: have you been scammed before?

linda.stevens74: no, scammers are too stupid to scam me - you are proof of that

Lauer Jack: they have tried you right?

linda.stevens74: yes, you have...

Lauer Jack: not only me

linda.stevens74: yes, there have been others who tried as well

linda.stevens74: every scammer I have talked to has been stupid like you

Lauer Jack: ok

linda.stevens74: why would you contact me with that other profile? That's what gave you away

Lauer Jack: i never wished to scam or harm you at all thats why i added you there,if not i wont have added you

Lauer Jack: life is too short to hurt others

Lauer Jack: i wanted to open up and you kind of mad at me on that other yahoo

linda.stevens74: I just asked why you contact me again from that other profile

Lauer Jack: i wanted to know if the world is full of racist

Lauer Jack: because am not racist and never will i

linda.stevens74: you contacted me from this profile first - not the other one

His explanation is that he contacted as his real profile to see if I was racist. I did tell Folarin that I wasn't interested in talking to any Africans. Nevertheless, he contacted me with a fake profile of a white man, to see

if I was racist when he finally contacts me from his "real" profile of a black man??? Yes, scammer logic at it's finest.

Lauer Jack: i never hurt and will never

linda.stevens74: but you pretend that you are white so you can beg from white people - isn't that racist?

Lauer Jack: yes i was trying to get your attention from here and then open up to you in the other yahoo but you dint allow me say a word you blasted me

linda.stevens74: lol, thats funny

linda.stevens74: so you begin talking to a woman from a fake profile, and lie to her first?

Lauer Jack: if i never wanted to open up first i wont show you my real picture there and wont add you to tell you the truth

linda.stevens74: but you started by lying

Lauer Jack: am sorry if i did i just wanted to get your attention

linda.stevens74: and you continued to lie

Lauer Jack: then i opened up next

linda.stevens74: when I realized it was the same person

linda.stevens74: do you see why I am racist?

Lauer Jack: i quite understand you but white woman love blacks

linda.stevens74: lol

Lauer Jack: why your different

linda.stevens74: that's funny

linda.stevens74: is that what you think?

Lauer Jack: i have also talked to a lot of scammers online and we meet different people everyday

Lauer Jack: expecially from russia

Lauer Jack: am also trying to be geniune

Lauer Jack: pls forgive me for the lies at first

linda.stevens74: lol - by using a fake profile you are trying to be genuine???

linda.stevens74: see how stupid you are?

linda.stevens74: that is hilarious

Lauer Jack: i created this profile some minutes ago

linda.stevens74: yeah, so you could beg from white women

Lauer Jack: when i was trying to talk to people and trying to be racist

linda.stevens74: I know why

Lauer Jack: am not a beggar and never will i

linda.stevens74: lol - whatever - go away now

linda.stevens74: this was too funny

Lauer Jack: ok sorry i will go

linda.stevens74: bye black beggar

Lauer Jack: ok

Lauer Jack: thnaks

linda.stevens74: better luck begging from the next one - but trust me, you are too stupid to be a good scammer

Lauer Jack: ok thanks

linda.stevens74: I am sorry you are black and poor and have to beg from white people - your life must be horrible

Lauer Jack: ok

Lauer Jack: nite

linda.stevens74: goodnight black begging fool

Ok, he logs out. He does still try to talk to me from both profiles, apologizing all the way, but all I do is insult him. You may see a lack of consistency in the remaining chat - this is because he logs out or refuses to answer most of the time when I insult him. The remaining chat session takes place over many days, but I just grouped it all together.

Lauer Jack: <ding>

linda.stevens74: go away black fool

Lauer Jack: sorry

linda.stevens74: if you were white, you would not have to beg - you could get a job
