

Johnny Come Lately

I love when I get these fools to assume a role that I make up. I talked to this muncher a few weeks ago in email as a part in one scam, and I plug his Yahoo Email into my contacts in my Debbie Yahoo account to start a chat with him. Look how he tries to assume the role as my long lost friend and how quickly it turns into a money transfer.

fbiagentrichardjustin (1:12 PM): are u back?

Debbie (1:13 PM): yes, I am here

fbiagentrichardjustin (1:13 PM): So whats up

Debbie (1:14 PM): well, my bank account cannot process a transfer that big - FDIC only covers \$200,000

fbiagentrichardjustin (1:15 PM): That is ok

fbiagentrichardjustin (1:15 PM): The bank director says that the will wire the fund in amount \$200.000.00usd

fbiagentrichardjustin (1:15 PM): The bank director says that the will wire the fund in amount \$200.000.00usd

fbiagentrichardjustin (1:15 PM): so that it will be fast and easy

Debbie (1:16 PM): I don't understand?

fbiagentrichardjustin (1:17 PM): they will transfer the \$7.500.000.00usd into your account in amount of \$200.000.00usd each

Debbie (1:17 PM): but you could only do it once?

fbiagentrichardjustin (1:18 PM): yes they will do it once but the fund will arrive into your account in amount of \$200.000.00usd each

Debbie (1:19 PM): but once the account has \$200,000 in it I will not be able to get any more transfers

Debbie (1:22 PM): Because of FDIC rules I cannot have more than \$200,000

fbiagentrichardjustin (1:22 PM): I know, that is the reason I needed your account because I trusted you once the \$200.000.00usd arrive to your account you will withdraw it so that another and come in because it will be arriveing into your account two times daily,one in the morning and another in the afternnon as the bank director disclose to me,You may not understand it because you're not a banker and besides this is an international transfer so just send me the account details

fbiagentrichardjustin (1:22 PM): I know, that is the reason I needed your account because I trusted you once the \$200.000.00usd arrive to your account you will withdraw it so that another and come in because it will be arriveing into your account two times daily,one in the morning and another in the afternnon as the bank director disclose to me,You may not understand it because you're not a banker and besides this is an international transfer so just send me the account details

Debbie (1:23 PM): I know that an international transfer takes 5 to 7 days so it is not possible to receive two a day

fbiagentrichardjustin (1:25 PM): This transfer is not how you think because I hvae already open an non resident account with them so the bank director says the fund will arrive as I told you

fbiagentrichardjustin (1:25 PM): This transfer is not how you think because I hvae already open an non resident account with them so the bank director says the fund will arrive as I told you

fbiagentrichardjustin (1:28 PM): So what do we do? ?

Debbie (1:29 PM): I don't know...

Debbie (1:30 PM): You could try shipping it - it might be risky though

Debbie (1:31 PM): or depositing it in an international account with a multinational bank

fbiagentrichardjustin (1:32 PM): how do you mean by it will be risk while shiping it

Debbie (1:33 PM): I wouldn't risk shipping that much money in a box - someone would steal it if they knew what was in it

fbiagentrichardjustin (1:34 PM): How can someone steal it while you're there

Debbie (1:35 PM): no, I mean if you shipped it

Debbie (1:35 PM): the shipping company or delivery person might steal it

fbiagentrichardjustin (1:36 PM): I do not think so beside if I want to register it with them I will register it as african cloths I will not expose the content to them or what do you think

Debbie (1:37 PM): that's up to you - it's your money if you want to risk it

fbiagentrichardjustin (3:23 PM): Am not lying you need to hear me out

Debbie (3:23 PM): You are not FBI and you are not an American

Debbie (3:23 PM): try again

fbiagentrichardjustin (3:23 PM): I have my id

fbiagentrichardjustin (3:25 PM): not now because its getting late and my house is about 42miles away

Debbie (3:26 PM): what nationality are you? from Benin?

fbiagentrichardjustin (3:27 PM): I am thinking of coming acrose and see if I can get a better job over there in your country because the economic of my country is very poor and I need to get a better job as a medical dorctor

fbiagentrichardjustin (3:27 PM): yea

fbiagentrichardjustin (3:27 PM): am Benin

Debbie (3:28 PM): so you are not an FBI Agent...

fbiagentrichardjustin (3:28 PM): My father was an FBI agent that is how it was easy for me to join them which am about to quit because I do not like force

Debbie (3:29 PM): have you ever been to the United States?

fbiagentrichardjustin (3:29 PM): yea

fbiagentrichardjustin (3:29 PM): just once when my daddy is alive

Debbie (3:30 PM): how old were you?

fbiagentrichardjustin (3:34 PM): every word that I speak right now is true

fbiagentrichardjustin (3:34 PM): they are the history of my life

Debbie (3:35 PM): there are a few things I know about the FBI - one is that you have to be an American Citizen to be an Agent

Debbie (3:36 PM): two is that you have to complete your training at Quantico to become an Agent

fbiagentrichardjustin (3:36 PM): what about other country like my that has fbi?

Debbie (3:36 PM): lol - other countries don't have American FBI

Debbie (3:37 PM): we have agents in other countries but they are all Americans and they all trained at Quantico

fbiagentrichardjustin (3:37 PM): how fbi do we have?

Debbie (3:38 PM): You must be thinking of the CIA were they hire nationals to work for them

fbiagentrichardjustin (3:38 PM): My father is an fbi police inspector

Debbie (3:39 PM): lol - you are confused...

fbiagentrichardjustin (3:39 PM): what

Debbie (3:39 PM): you are not an FBI Agent

fbiagentrichardjustin (3:39 PM): then what am I? ?

Debbie (3:39 PM): an internet scammer - like I said before

fbiagentrichardjustin (3:40 PM): so you still insist in calling me a scammer,if I may ask have I scammed you be4

Debbie (3:40 PM): no, no one has scammed me

fbiagentrichardjustin (3:41 PM): so because some one scammed you, you can now comdem every one you see

Debbie (3:42 PM): just those that lie to me online and make up stories about millions of dollars

Debbie (3:42 PM): I said no one has ever scammed me before

fbiagentrichardjustin (3:43 PM): then why do you insist after all I have told you,Do you know that I do not tell every one I see that story?

Debbie (3:44 PM): first you lie and pose as my friend John and that you have millions of dollars - then when I discover the lie, you say that you are an FBI Agent would is not a US Citizen

fbiagentrichardjustin (3:45 PM): Lets leave this scammer issue because I do not know much about that,

fbiagentrichardjustin (3:45 PM): what parth of amrican are you? ?

fbiagentrichardjustin (3:46 PM): Do not judge else thou be judge

fbiagentrichardjustin (3:46 PM): I said am not american haven't I told you this earlier

Debbie (3:47 PM): yes, so you cannot be an FBI Agent

Debbie (3:47 PM): so that was a lie

fbiagentrichardjustin (3:48 PM): FBI exist in my country go to google and find out ok

Debbie (3:48 PM): lol - come on - start with the truth - I am not stupid, okay

fbiagentrichardjustin (3:49 PM): Ok do you know that fbi exist in Nigeria? ?

fbiagentrichardjustin (3:51 PM): That is lie I just wanted to use it to find out who you're

Debbie (3:51 PM): lol - do you see?

fbiagentrichardjustin (3:52 PM): you need to put that aside

Debbie (3:52 PM): it is so obvious...

fbiagentrichardjustin (3:52 PM): If not that I told you you wouldn't have known

fbiagentrichardjustin (3:52 PM): Ok

Debbie (3:53 PM): well, it is plainly obvious that everything you have said to me is a lie

fbiagentrichardjustin (3:54 PM): ok

Debbie (3:54 PM): here is the sad thing - if you would have been honest up front and just asked for my help, I would have helped you

fbiagentrichardjustin (3:55 PM): comeon

Debbie (3:55 PM): but instead you make up these silly stories, and keep lying

fbiagentrichardjustin (3:56 PM): If you have it in mind of helping me you should put aside those past issue

Debbie (3:56 PM): I said if you would have been honest up front

Debbie (3:57 PM): if you start off by lying to me, how could I ever trust you

fbiagentrichardjustin (3:58 PM): So you can not forgive and forget

Debbie (3:58 PM): even now you continue to lie...

fbiagentrichardjustin (3:59 PM): come on am not lying

fbiagentrichardjustin (3:59 PM): what have said again that is lie

Debbie (3:59 PM): you are not an FBI Agent, you are an internet scammer

fbiagentrichardjustin (4:00 PM): enough of that

fbiagentrichardjustin (4:00 PM): did any one gave you a report in my name that I have scammed him/her? ?

Debbie (4:01 PM): it is obvious, but if you want to continue your lies then the gloves come off

fbiagentrichardjustin (4:02 PM): I quit can you understand

Debbie (4:02 PM): I know you are a scammer - you lied about the FBI, you lied about who you were, you lied about the money transfer, and you use words that scammers use - do you see how obvious it is? ? ?

fbiagentrichardjustin (4:07 PM): Debbie am sorry for the lies ok

fbiagentrichardjustin (4:08 PM): forgive lets put it aside

I am thinking of Debbie starting a MUGU Conversion Clinic For Scammers who want to try to be good (in the hopes of getting free handouts of course). Debbie can become one of the main counselors because I don't know if it's her charm, tenacity, or overall good-looks, but she can sure break them down...

This is the end of the scam with FBI Agent Richard Justin. Ikechukwu Chukwudi Nnamdi contacts me from a different email address and I continue the scam from there, and I will include that portion when it is done...
