

**Ken Doll**

This was one persistent loan scammer. He didn't let things like facts, or me telling him that I knew he was a scammer or that I would never ever send him money get in the way of his begging and pleading.

Who says that I have no money? If you remember correctly, I was inquiring about a Business Line of Credit for my company. You don't seem to know what that is as indicated by your nonsensical response to my questions. What is your web address? Can you send me a brochure or prospectus from your firm so I can verify your existence. And let me guess – all payments have to be made by Western Union right?

Thank you,  
Thomas

\*\*\*\*\*

Compliment of the day,

\*\*\*\*\*

How stupid are you?  
I know you are an internet scammer.  
I knew you would request payment by Western Union before you even told me so.  
I know you are a begging fool who is too lazy and stupid to get a real job.  
I know that you have sex with goats because black women are so freaking ugly.

Keep begging, fool – lol.

\*\*\*\*\*

Well i have noting to tell you may God forgive you of what you just said to me.

Regards,  
Mr.Mike ken.

\*\*\*\*\*

LOL – no I have never been scammed by anyone, but I can recognize a scam when I see one. Scammers are way too stupid to scam me. You are living proof of that. You have no website, you use free email for “business”, you don’t know anything about loans or finance – all you want are your silly fees up front.

You are a fool and a thief. I feel sorry for you.

\*\*\*\*\*

I told you that we are working on it? Let me know if you are really in need of this fund or not so that I will know what to do next okay and stop all this .

\*\*\*\*\*

You are a stupid internet scammer.

Fuck off fool.

All Nigerians are poor, begging, thieves.

\*\*\*\*\*

This makes me understand that you are a very Big fool go away you fool you think that you can just come in here and go away with our money you goat fuck you. I am begging you for money, did you have money? who told you that Nigerians are poor where you are from you that think your Country has ever thing you GOAT FUCK YOU

\*\*\*\*\*

Do you like begging white people for money?

Are you too stupid or too lazy to get a real job?

All Nigerians are poor worthless animals – the average income a year for a Nigerian is \$1418.00 – I looked that up so I know it’s correct. I make more than that a week, you stupid beggar.

Do you know why we made you slaves? It was the only way to get you to do some work...

\*\*\*\*\*

So you make more than \$1418.00 per week thank you for that I am Happy for you since you have the money them why can you give to those that did not have any?

\*\*\*\*\*

I do give money to charity – I donate \$50.00 from every paycheck to the United Way to help unfortunate people who don’t lie and steal and beg from people.

Thomas

\*\*\*\*\*

That is very good of you God is going to bless you .Please let us talk of some good that will help both of us okay I believe that we can be best of friend by then you will have to know me better can you send me your contact Number ?and tell where you are located? look I want you to understand that I am not trying to take your money out of you have that in back of your mind we can work to other I am not after your money try and understand me and flee free with me tell me more about your self and where you are located.

Regards

Mr.Mike ken

\*\*\*\*\*

You are trying to take my money with your fake loan company. You are not a “loan officer” - that is blatantly obvious. You are lying so you can steal money. You want me to be friends with a thief?

Thomas

\*\*\*\*\*

I got your email, the content of your mail was well understood with me. I can steal your money from you I have nothing to do with your money, the reason why I say that we can be best of friends I just flee like and I like you and your doings we can talk on phone if you allow that.

Option of correction this is a real loan office and it works okay, Asking you to be my friend we can do so many things that can give us money I can come to your Country and invest through you. You can also come to my Country and invest but before this can happen between both of us we need to trust ourself you have to be very free with me okay. Where are you located?

Regards

Mr. Mike Ken

\*\*\*\*\*

Are you really that stupid that you would try to convince me that you are real? LOL – real loan companies don't use LIVE.COM for email, real companies have websites, and real companies and real loan officers know why you cannot charge 3% interest when the Treasury Rate is higher than that. You give out loans below the Treasury Rate? LOL – that's how I know you are fake.

Thomas

\*\*\*\*\*

I am not trying to convince you? Using 3% as my interest rate I don't think is bad the reason why is that I am really willing to help those that are really in need of it. What is bad about using live.com what if I go and personalize my email address and at the end nothing comes out what you flee please I don't think you have any to tell me of this Company we are well known and registered company okay it has been for long we know why can you just give me time to really work out this for you then if nothing comes out of it by then you can say what ever you wish to I don't see any reason of your stupid stupid stupid stupid I told you that we are working on our websites as soon as is ready I will send it for you. So please if you are really ready give me time and see for your self okay.

Regards.

Mr. Mike Ken.

\*\*\*\*\*

You are an idiot – yes I know you are a scam and I know that you don't understand why you cannot offer loans lower than the Treasury Rate, but I know that you know nothing about loans, banking, or finance.

Loan interest cannot be lower than the Treasury Rate – anyone who says different is a scam.

Thomas

\*\*\*\*\*

Why can you just try me and see what is going to come out of this

\*\*\*\*\*

Oh my god you are so stupid. I tell you that I know you are a scammer and you still want to continue? You don't understand why Loan Interest cannot be lower than the Treasury Rate, do you?

You are a fool.

Thomas

\*\*\*\*\*

Why are you talk like this? i am only doing this to help what did you NO about scammer? i am not after your money i really want to proof you wrong that i am not what you think you can give me a truer my applying for a lower Amount just try i am here to proof you wrong by them you will stop your stupid stupid stupid .

Regards,  
Mr.Mike ken.

\*\*\*\*\*

LOL – you are such a fool. I will never give you money, you stupid black beggar. Do you understand this?

Thomas

\*\*\*\*\*

What I know about 419 Scammers...

- 1) Their spelling and command of the English language is terrible, like yours.
- 2) They always want you to use Western Union or Moneygram - no respectable bank or business uses this except for you.
- 3) They are always stupid, smelly, savages from that cesspool of a continent Africa, like you are.
- 4) They pose as lawyers, bankers, and even Directors with the United Nations, like you.
- 5) They quote God and religion alot, even know they are going to Hell, like you are.
- 6) They claim to be getting back at the "white man" for injustices done to them, but the truth is that they will steal from anyone of any race, religion, creed, and color, like you would.
- 7) They often have sex with goats, monkeys, and their own parents, like you do.
- 8) They are the lowest form of life on the planet and have the intelligence of a 5-year old retarded child, like you do.
- 9) They strongly resemble gorillas but they smell even worse, like you do.
- 10) They are rooted in evil - everything bad in this world comes from Africa - AIDS, crime, war, disease, poverty, hunger, niggers - all from Africa. True, we in the USA have our share of these problems too, but they all come from the savages that our forefathers unfortunately brought to this great nation.

\*\*\*\*\*

Good day,

How are you doing today hope all is well with you over there if so thanks be on to God? I got your email, the content of your mail was well understood with me and noted.First i want you to understand that the reason why we always advise our client to use(Western Union Money Transfer or Money Gram). Is the faster ways of receiving money transfer that is to say, to enable the transferring of the found get to the person on time not that the Company dose not have account on that but the reason why we done like give account is that it take some day's before the money get into the account, but if we are transferring the found to you will we ask the transfer Bank to use fast transfer the transfer it take just 24 working hours of the day before the get's into your account immediately.

As soon as the transfer is been made we will immediately sent you confirmation email so that you can go and confirm with your Bank over there Mr.Thomas i am here to let you know that here is a relay company not scan it works not really what you think i am not after your money or to take your money away from you and go away with it if i do my God and your God we not forgive me hope you know that well it has now come to my understanding, it has been a very long time from now that you have be saying something like this i believe this is the time for me to proof you wrong of what you are saying and what you think in your mind.

However there are going to be a fee that you are be ask to come up with which is the cost of transfer only NO any other fee we be needed from you not on till you receive the loan found transferred from us NOTED that if you should send any fee to us and you did not receive your loan transfer found from us have it in mind that your fee will be send back to you immediately okay.

I will like to inform you that amount that you will be ask to come up with i we want you to send half of the amount but not in full as soon as you received the loan transfer with you over there you will immediately send the balance fee i can do this for you i really want to proof you wrong of all this you have been saying all the time ( I HAVE NOTHING TO DO WITH YOUR MONEY) I which i can just transfer the found to you first before sending any fee i will just do that but it is ligist the law of the company i want you to try and understand me and be free with me and give me time to work out this for you and see what is going to come out, if i where you i will try this and see what is really going to come out.

You can keep saying that every bad things comes from Africa there in your Country things are happening okay but we always look on to God well i can say that there are know scammers there is but what you have to know not everybody is use to that .My God have Bless me so big and i don't do nay thing that is not will of God.

I saw all what you said but saying this is like you are judging me you don't have to judge any one judgment is for God dose who do good let them do dose who do bad let them do our Father is coming to judge us if you believe that i want to take your money away from you and go away with it please stop writing us okay.Why can you just give me a truer and see what is really going to comes out of this if i where you i will do this and see if you lost money did not mean that you have lost all that you have in life.

Thanks for your understanding await your email as soon as possible so that things can be done.

Mr.Mike Ken.

\*\*\*\*\*

This was the funniest email I have ever read by a scammer. It is comforting to know that you will burn in Hell for using God's name to steal from people. You are sad and pathetic. Once again I ask – do you know why loans cannot be lower than the Treasury Rate? Of course you do because you don't know anything about banking or finance. Give it up fool – you are too stupid to do this for a living..

\*\*\*\*\*

He finally called it quits...lol.
