

Lot O Lies

Another lottery scam that happens to use pictures from the Michigan Lottery showing winners. This idiot tries to scramble to make sense of everything, but we know that is not possible! In the opening letter, I have never seen so many misspellings in a scam letter as this one – I thought Englishmen were better spellers than that!

I was very excited to learn about my winnings, although I do have a question or two. One, I asked you where this lottery is held? I ask you this because of my second question which is why do the pictures at the bottom of your email say "Michigan Lottery" on it? I would be real interested to hear the answer to these questions.

Debbie

Hello,

the pics show the board of directors and the sponsorship okay?

the lottery is held here in the Uk, this lottery is 100% free from risk and there 100 legal, so you are to fill the form and get back asap for your claim.

But the picture clearly says "Michigan Lottery". Why is this?

Debbie

HELLO,
THEY ARE ACTING AS OUR SPONSORSHIP OKAY?

Are you a scam?

Debbie

Hello,
why are you acting like this?who told you that this is a scam? this is not a scam as you must know why don't we give it a trial?

Am I supposed to believe that the Michigan Lottery sponsored another competing lottery in England?

Debbie

hello,
yes,do not be surprise okay?

So if I call the Michigan Lottery Commission they will verify this? Because this seems really strange.

Debbie

Yes they will verify the informations. If you contact them at this number +44102544566 they will tell you that they sponsor us as our sister lottery and everything will be okay. Do call so we can continue this and get you winning transferred before it too late and lottery winning are confiscated

Do you want to hear what the Michigan Lottery Commission said about you and your email and your contest? I went out on a limb, and looked up the number for the Michigan Lottery Commission instead of calling the international number you gave me. Weird that the Michigan Lottery Commission would be a international call from Ohio, huh?

Debbie

YOU BIG FOOL ANF WELL NEVER COLLECT YOU WINNINGS BECAUSE YOU HAVE INSULT THIS INGRTY OF THIS HUMBLE OFFICE YOUY LOTTERY WINNING IS CANCELED AND DO NOT CONTACT US AGAIN

Wow, what brought this on? You didn't even let me tell you that the Michigan Lottery Commission told me that you were indeed their sister lottery company in England and that I should be proud to deal with such a reputable, gentleman as yourself. They told me that I would be guaranteed a 100% hitch-free conclusion and should proceed as you say. I would apologize for any derogatory thing I may have said to you, except for your last email.
