

Newbies Go Home

This idiot was obviously a newbie, and wanted a quick payout with little or no work involved. As Debbie, I just started insulting him, but as Calvin I tried to keep it alive but he didn't want to do any work or explain himself. He just wanted everyone to read his first email and pay the money...

GO BACK TO YOUR PERVIOUS EMAIL.

I read that email you first sent me – to my knowledge; I don't have any money due to me. That's why I asked you to explain, which you seem incapable of doing.

WELL SINCE YOU SAID THAT YOU DON'T HAVE THE 96.99USD FOR DELIVERING OF YOUR FUND VIA ATM CARD OR CASHIER CHECK YOU ARE TO COME DOWN HERE IN NIGERIA FOR COLLECTION OF YOUR PACKAGE WITHOUT ANY PAYMENT.

THANKS
DR JAMES DON.

I didn't say I didn't have any money. I said that no one owes me money or I didn't win a lottery or anything. Can you read? You will never go far in your menial job if you don't read your correspondence, and respond accordingly. Makes you look like a clown when you can't answer simple questions. For you information, I am Sales Director for a multinational Computer Company, so I am extremely well-off and good-looking. I am still waiting for you to explain to me what this is all about. Good luck with that.

Calvin Hobbs

OK GOOD BYE.

This muncher would not answer any emails from Calvin or Debbie – fucker gives up easily. As Debbie, I see him in Yahoo Chat, so I give it a try.

LOL – as I’ve said before, I apologize for the racial overtones in the Chat Session. It was purely to get his “goat”, in which you can see that I pissed him off. Notice how he says, “Silence is the best answer...”, but yet doesn’t abide his own advice. You can tell this is definitely a newbie to the scamming world!
