

**No Means No, Moron**

My "Greg" email account gets at least four of these emails with the exact same modality. I respond to all of them, without much success – even when I am not cussing them out like with this fool.

From:The Manager,  
International Commercial Bank Ghana  
First Light Branch Accra,Ghana.

Attn: Please,

This is Mr Samatar Fofie, from International Commercial Bank Ghana Ltd. I believe you are reliable, trust worthy and honest person to introduce this transfer project with. I am the manager of the International Commercial Bank Ghana , First Light Branch Accra.I am a Ghanaian married with two kids.

I am writing to solicit your assistance in the noble transfer of US\$9,700,000.00 this fund is the excess of what my branch in which I am the manager made as profit during the year 2010. I have already submitted an approved End of the last Year financial report for the last year 2010 to my Head Office here in Accra and they will never know of this Excess. I have since then, placed this amount of US\$9,700,000.00 (Nine Million Seven hundred Thousand United States Dollars) on a SUSPENSE ACCOUNT without a beneficiary.

As an officer of the bank, I cannot be directly connected to this money thus I am impelled to request for your assistance to receive this money into your bank account. I intend to part 40% of this fund to you while 60% shall be for me. I do need to stress that there are practically no risk involved in this. It is going to be a bank-to-bank transfer to your nominated bank account anywhere you feel safer. All I need from you is to stand as the original depositor of this fund. If you accept this offer, I will appreciate your timely response.

With regards,  
Mr.Samatar Fofie.

Thank you my good friend for your mail. Well i still feel that we are human and some times is hard for us to consider doing most things which we are not use to.just as i have explaine to you .this said fund is not thief as you understand. the bank has nothing to loss because already i have summited during this period the bank fund and the profit that was realize.this fund which i have contacted to you be partner with me is excess profit out of the profit the bank has within this period. so you don't see it as a thief more over this only came through by the mercy of God.you are been contacted my the lords favor you shouldn't take this for granted. and one more thing you should know is that this fund will not be transfer from here in africa but it will be transfer by via crossponding bank in Europ or Asia depending where you are to make it easy for us. I intend to move with my family if this business is done to your country and invest this fund with you. I expect you to be reasonable something like this don't easily happen to every body.I will be waiting to hear very soon from you,

Best Regard

I am sorry for the late reply I was so very tight with the Bank scheduled we were having some meeting during the day. However, I received your email and the content was duly noted. To be sincere Mr Greg there is no point making me to feel let down by contacting you.....I do need your assistance and trust to receive these funds into your account in your country to enable carry out investment plan.I have agreed to reward you with 40% of the total funds,I will allow you to use 15% my own share as a working capital in your firm for a period of two years at small interest which both of us will agree on: this is also favor an doing for you and to show you my intention to be partner with you. the strategies for the amount to be transfer into your account is accurate and secure.you will confirm the amount in our banking system and the fund won't be transfer from here in Africa but by our via corresponding bank abroad because such money can't be transfer from here in Africa the bank will grantee you that.send to me your address details. your copy of passport or a driving lenience, your house and postal address .telephone number, and country of origin.

after then I will issue a Backdated Deposit Slip showing your name as holder of the Escrow Account. The Backdated Slip would also indicate that the account has existed with our bank before now.to enable backup the transfer into your account.You should try and reason together with me Mr Greg.I shall be expecting to hear from you very soon and till then, God bless you.

Sincerely

Mr Samatar Fofie

Do you even read my emails, you fucking idiot?

Greg

\*\*\*\*\*

Yes i read your mail. but i understand due to the rate of scam online that why you are finding it difficult to believe me and because this is not a scam as other maybe doing that why an still insisting to make you understand that this is genuine.....I have given my word to you. as a man all you do is to try and see yourself if what i have offer you is not true.

just as i told you the fund won't be transfer from Africa but abroad and it is more safer and secure with this way. please try and consider this business and i shall be expecting to hear from you and with your details that was requested.

Sincerely

Mr.Samatar

I said I am not a thief, you moron. You are asking me to help you steal and I said I am not a thief.

Greg

\*\*\*\*\*

Hello Greg no one is a thief regarding how you understand. in this case i have try to com firm in you that this money is an excess profit made by the bank of which am the branch manager and i have send to the bank the profit realize so the bank or any one from the bank has nothing to do with this amount and non is aware of it.this should be clear to your understanding. my intention dose not signify any wrong act as a business person. i intend to part company with my bank here and invest this amount in am upward investment in your country just if you can come on a better understanding with me to have this business done successfully. i still think you should try and see thing in other way round .i will appreciate your cooperation.so i plead with you i will be waiting to hear very soon from you.

Best Regard

I am white, I am not a thief.

Greg

\*\*\*\*\*

Greg. well no one has call you a thief neither is anyone being a thief in this matter. am still looking forward for your understanding with me. I have a good intention to invest this fund with you just as i have keep telling you. Best Regard Samatar

\*\*\*\*\*

Taking money that doesn't belong to you is stealing, you idiot. I am white, not a black thief.

Greg

\*\*\*\*\*

You are white dose not mean that am black them am a thief Greg. this is a business and it dose not matter what colour we are or where we come from. am a married man with kids.although you have be throwing several insult on me but i took it on me due to i notice you really don't have the full understand partaining this business and that is why am still here talking with you to let you know that you have nothing to loss in this regard. my intention are clear ,i am not a thief and we never be one. the said fund is going to be transfer not here in africa just as i keep telling you and there's no risk involve because i have make sure of that by placing this fund in dormant account until it can transfer.

Best Regard

Samatar

\*\*\*\*\*

It is not your money, you stupid black thief. No matter how you try to explain it, you are trying to take money that does not belong to you. That's how I knew you were black.

Greg

\*\*\*\*\*

thank you greg for your mail. you only don't want to understand me and since this is how best you can get along with me i reserve my word for you. you still have a chance to contact me when ever you realize and understand my offer to you. i wish you well and may the lord almight direct you

Thank you

Samatar.

This is one of many that I get with this same modality. Most of the time when I reply this harshly, I don't even get them talking for this long – LOL.
