Thank you for explaining the terms and conditions to me. I will go to Western Union today and organize the transfer of the processing fee. but before I do, please could you answer a few questions for me so I know you are the company I want to do business with:

- What is the buy down rate on the loan percentage and how much are the percentage points?
- What are the charges for the unused portion in arrearage?
- What are the underwriting fees for the financing, and what is the schedule that they are amortized over the life of the loan?
- What are the prepayment penalties for the flatulent financing?
- What will be the private equity disbursement of the unallocated capital reserves due to the fluxing capacitor rate of the primal percentage?

Connie

CONNIE ,

ALL YOUR QUESTION WILL BE ANSWERED WHEN YOU RECEIVE THE LOAN DOCUMENT AND IN TERMS OR REPAYMENT PERIOD. THE FEE IS NOTHING TO ME EITHER YOU CAN QUIT IF YOU SATISFY WITH OUR TERMS THE FEE IS REFUNDABLE AS STATED IN REQUIREMENT.

\*\*\*\*\*

When will I receive the loan document? I need you to answer at least one of the questions because I have to do a business plan and need to know this - What are the prepayment penalties for the flatulent financing? I have to put this into my budget.

Also, I do not have a driver's licence or a scanner either. I can give you my social insurance number - will that be okay?

It would be faster if you gave me your bank account details and then I can transfer the money on-line straight into your bank account.

Please answer my questions quickly as I really need this loan by Tuesday.

Thank you so much, I really appreciate you doing this for me.

Connie

\*\*\*\*\*

YOU HAVE BEEN GIVEN INSTRUCTION ON HOW TO GET THE LOAN .I DON'T HAVE THAT MUCH TIME TO ATTEND TO QUESTION. WAIT TILL YOU GET YOUR LOAN DOCUMENT.

\*\*\*\*\*

Thank you for your reply. I really need this loan, but your customer service skills are not very friendly. Isn't it your job to answer questions to potential customers so that they feel comfortable in trusting you and dealing with you? After all, I am going to be paying you for this service? And writing to me in capitals is like yelling at me??

Anyway, I will go to Western Union today and send you the money you want so that I can get my loan document and get my questions answered.

As soon as I have the details of the Western Union transaction, I will e-mail you with them.

Oh dear. It does seem a bit strange that you are in San Francisco in California but your assistant is in Boise, Idaho?? Why can't you pick up the money in San Francisco? That would seem easier to me than changing the money gram.
