

Record Breaker

This one was so stupid but I had to include it because I think it broke some records. This fool told Debbie he loved her with all of his heart exactly 23 minutes after meeting her first the first time.

It's my opinion that this was a different kind of scammer and wasn't experienced in romance scams, because what fool would tell a woman he loved her and wanted to marry her after 20 minutes? This would also explain his profile ID – Bankkyy – possibly posing as a banker in Kentucky maybe?
