

Ricky Rude

This is one of the many baits that was cut short because the idiot thought he was the one in charge and could speak to me how he wanted. It's funny to see when they are assertive in the beginning of a bait, but once you assert yourself as the dominant partner who will not be talked down to, how they become whiny little bitches, apologizing for whatever you ask for. I do lose a lot of scammers this way, but even the ones I lose have to be thinking, "I should have just appeased him..."

My stand to contact you now is that, a foreign has the legal right to put claim to such deposit followed by you proving before our bank that you are his business partner.

Therefore, I want you to apply as his business partner for the release of the fund into your account. I desperately need your assistance to claim and receive this huge sum of money into your account. For the assistance in this transaction, you will be entitled to 40% of the total fund in respect of the provision of your bank account and the assistance you are to render on the process. 60% will be for me as the initiator at the completion of this transfer. Thanks for your urgent respond,now listen,coming to your question (soft expenditure) it mean that we are going to spend little money in thi stransaction during the transfer peroid, becuae only me can not be able to handle this project by my self.

Scondly, forget about if you are a muslim or not, it does not mean any thing, know body have the time to ask you that kindly of question.

be form that all the information about this fund is with me.i am waiting to hear from you as soon as possible.

Mr.Kasimy Ricky

I'm glad I don't have to be Muslim to do this business. It gives me the chills even thinking about pretending I am a degenerate, low-life, rotten Muslim. How much money are you going to have to spend just to get some money transferred? It's been my experience that transferring money is a rather simple and straightforward procedure.

Greg

Dear Friend Greg

I don't believe so much talk, I am action man, I am not expecting you to asking me all this kind of question.

I have give you the details on how we will move ahead, and you still asking me another part, now listen, I am not forcing you at all, are you willing to handle this project with me or not?

If yes, kindly fill the application form I gave you and send to the bank.

I am waiting to hear from you as soon as possible.

Mr.Kasimy

He gets short and direct – it seems he doesn't like answering questions...nope, not gonna happen.

No, I am not interested in helping you since that is your attitude.

Go find someone else.

Greg

What kind of attitude ?

The attitude that you feel like you don't have to answer any questions I have, and that you have to bark at me like some junkyard dog. Go find someone else, muncher.

Greg

I am sorry, I am a simple man but I don't like if you don't believe me

I don't care what you like or not. If you think I am supposed to believe every word that you say and to do as I am told with no questions asked, then you are dumber than you look, or act, or that our best testing would indicate. All I did was ask some simple questions and you have the nerve to speak to me that way?

Greg

Dear Greg,

Greeting to You,

Thanks for your mail, please I say I am sorry, you should forget about that side, don't go far. Now, if I may ask, where we are now? I advice you to fill the form and resend it back to me for my correction before you send to the bank. I am waiting to hear from you and don't be angry.

Mr.Kasimy Ricky

That wasn't much of an apology. Since you barked at me like a dog, I want you to now beg me for my forgiveness like a dog. If you do this then we shall proceed but you don't beg me like a dog, then you need to find someone else.

Greg

Dear Friend

Greeting To You

Hope you are fine with your family?Why silent to me, ? I have been waiting to hear from you since I gave you the details and drafted application form which you will fill and send to the bank for the commencement of transferring of this fund to your account.

Please, I am worried to hear from you whether you have applied to the bank for the transfer? I am looking forward to hear from you please and please.

With Regards,
Yours Sincerely
Mr.Kasimy Ricky

This was about 6 days later – he was hoping I forgot about the begging, I guess...

Since you showed me no respect and did not honor my request for you to get on your knees and beg like a dog, praying that I would find it in my generous and loving heart to find pity on you and forgive you, even though you are a decrepit, intellectually-challenged, low-class foreigner, I must at this time, decline any further assistance to you or your kind. I should have known that dealing with an inferior specimen such as yourself could only have one outcome, a recipe of failure, if you will.

I must thank you though – you have opened my eyes to the plight of the common man, and how sad and pathetic they really are. I know you can't all be educated, good-looking people like myself, but I never knew until speaking with you how vile and hopeless you and your brethren are. Once again, thanks.

Greg

I knew there would be no response to this, even though he probably couldn't even understand half of it...but Ricky had to be punished.
