

Safari Time

This was a fun bait that lasted a couple of months. As it is documented, parts may be somewhat confusing to read because emails that were sent from me I copied the lawyer and Sarah, so occasionally there is only one response to two emails from them. This was funny because Sarah was kind of spunky – she prayed to God to grant me understanding, she tongue-lashed me for overreacting, etc. I was upset that she didn't write me back at the end... (Lol).

From Mrs Sarah Ndlovu,

Dear ,

Greetings! My name is Mrs Sarah Ndlovu from Zimbabwe .Due to the sudden death of my Husband Mr.Joseph Ndlovu One of the great farmers In my country who was murdered during a conflict in our country , I have been thrown into a state of hopelessness by the present administration .I have lost confidence with anybody within my country. I got your contacts through personal research,and had to reach you through this medium. I will give you more details when you reply. Due to my status as a refugee in South Africa,1 am prohited in so many things here with my son so that is why I have contacted you. My husband deposited \$12.5million dollars with a security firm in South Africa whose name is withheld for now till we communicate. I will be happy if you can receive this funds and keep it safe I assure you 20% of this fund and 5% for your expenses coming here. I will need your telephone/mobile numbers so that we can communicate.please read and reply back asap with your telephone number.

Best Regards

Mrs.Sarah Ndlovu for the family.

What is this all about? I don't understand what you want from me.

Thomas

My Dear

How are you doing with the family? All i am saying is nothing but the honest truth our prayers was to hear from you and God has made it for us as we have your words today.Well.I want to reasure you here that this transaction is nothing but the honest truth and seeing is believing that is why you need to come down here to see things with your eyes and the family you are dealing with.I will never cheat or tell you lies so i want you also to be honest to me and my family towards this transaction.

Please,lets work hand to hand as one family .I am from Zimbabwe but the money is now in the security company in South Africa.we have to meet face to face you supervise the whole thing with your eyes.I want you to have the faith and trust in God.pray over it for God to direct and reveal to you if what i am telling you is truth or not. Remember God said thou shall not cheat or lie i want both family to work together as one family with honest .I am promising you that this is 100% risk free and trust worthy but must be kept confidential till we conclude and move out of this country to your country. I would like you to let me know when you will be in South Africa? Like I told you before that the money in question is still in the security company safe keeping custody of it waiting for our clearance and upon your arrival here we shall visist any of the commercial Banks here where you have to open an account in your name and favour where the money in question will be deposited first before onward transfer to your nominated account in your country and once the transfer is done we shall now move to your country for the investment.note that it will take us only 2 working days to conclude as soonas you arrive here.we are refugees here and the laws here does not allow us to do anything which is why we have contacted you to come and represent us ast the actual bona-fide beneficiary of the fund

to enable the transfer effectively.

May God bless you and Give you understanding towards this transaction Amen and Amen.CALL ME OR MY SON ON +27-834358639.

Mrs.Sarah for the family

If you would have read my email which you obviously didn't do, you would have seen that all I asked is why you don't donate your money to a reputable charity?

Thomas

Honestly speaking,i will do that but the money is still in the security company here now waiting for our clearance which is why i am asking for your assistance once we clear it from there and then transfer to your account there we come over then we can use some to help the charity homes and investments too.

you need to come and open an account in your name here and knowing well that i am a refugee here i am not allowed to do anything here which is why i seek for your help.please,be understanding.thisisnothing but the honest truth and seeing is believinmg

God bless you

Mrs.Sarah

If you want me to come to South Africa to help you release this money, then you need to send me the money for the plane ticket. I am not spending \$5,000.00 on airfare just because you say "seeing is believing" – I will not take that risk.

Thomas

My Dearest Thomas,

All i have said here is nothing but the honest trutha nd not forcing you but God is my withness and you are not taking any risk.i am asuring you that you will never regret this transaction.i am a christian and God will not like it if i cheat on you.i am a woman.

the money in question is still in the security company waiting for our clearance and since ever the money has been in the security company safe keeping safe custody of it,the actual content was not disclosed to them for security reaosns and right now there is no way i can go to them and ask them to open the box for me to take out some money and send to you why because if they happen to know that the real content in the box is physical cahs where as we declared it as another thing,it might jeopardise our chances of realising this fund that is our fears and am here as a refugee and dont work because the laws here dont allow refugees to work,invest,or operate on any kind of an account here.i dont have any one to go to and ask for me.Please,do consider my sitaution and God will reward you back .

There is no amount of words i said here that will make you believe me but as a child of God you need to kneel down and ask our heavenly father to reveal it to you if what i am saying is real or not.

I swear you will never regret this.

May God give you understanding.

Be blessed.

Mrs.Sarah

(May God grant me understanding? What kind of bullshit is this? I feel insulted...)

So you want me to travel to South Africa, spending my own money, just to see if this is real?

Not going to happen, spanky.

Thomas

May God grant you better spelling.

My dear Thomas,

How are you with the family? Please,be understanding.If i have the fees for you to come down here i dont mind sending them to you.i will be boasting of having money once this fund is cleared from the security company.Please,note the reason why i have mapped out 20% for your assistance and 5% for any expenses you might make coming down here to assist me.

I am really honest and transparent in this regards.

I swear you will never regret this.but whereby you can not come down here,i will suggest you to send to me your banking details,your passport copy,your physical address, your telephone and fax numbers so that i will instruct my lawyer to prepare an agreement that will bind both of us in this regards which he will send to you for your signatory and after this,the application for the transfer will commence and then we can transfer this fund via Bank to Bank since you dont trust me coming down here here but to proof to you that am serious and honest in this regards.what do you think now?

I am waiting and God bless you

Mrs.Sarah

I didn't say I would not come there – I said I was about to spend any money without concrete proof that this is for real and the money actually exists. You contacted me; it is up to you to prove that this is so. Seeing is believing, as you said, but I am not risking anything until I see some proof.

Thomas

My Dear Thomas,

How are you with the family? Like i have explained to you before that there is no amount of words that will make you believe me until you come down here. all the relevant documents relating to this fund are ready with us here and if you like to have them,i would suggest you forward to me your contact phone and fax numbers i will send them to you for your perusal and authenticity.i swera as a child of God that you will never have any regret in this regards.all i want from both is honest and trust with fear of God.it might be sounding strange to you right now but one day youwill come to realise all that i have been saying to you.

Please,send your contact numbers to me and fax for the documents to proof you that this is real and in existence.i need confidentiality that is all.No amount you spend in this regards is in vain.this is only 2 days we conclude everything and all we laugh together. Am really short of words and how do you think i will just wake up and start formulating all this. Am i crazy to just start telling lies.what will i gain from it.remember our heavenly father said to us that thou shall not tell lies nor cheat or commit any of his commandments.please,feel free and rest asured that you are dealing with a trust worthy woman.Relax and ask our heavenly father to direct you if what i am saying here is real or not.

May God give you understanding.

God bless.

Mrs.Sarah

Once you send me concrete proof, I will decide what my next steps are. I do not have a fax line at my house, only at work, so could you please scan the documents and send them to me email or mail them to me by post.

Here is my information;

God bless you

Mrs.Maria

(I did not see this is the course of the scambait, but she put down Maria as her name instead of Sarah)

Dear Sir,

As instructed by our Client,Mrs.Sarah Ndlovu,enclosed is a copy of a Deed Of Lodge from King Security Company confirming the exisence of the fund deposited with them in a form of consignment for your perusal and authenticity.

If you have any more question,do not hesitate to contact Jack Botha Esq of Alexander Attorneys on +27 737 3 43228.Our email address is thus: specialduties_sa@yahoo.com if you choose to communicate to us via email.

Yours Faithfully,
MRS SHARON BROWN.

for:JACK BOTHA ESQ.

I cannot read what the document you sent me says. Please send it as a pdf file or mail it to me so I can read it.

Thomas

Dear Thomas,

As earlier indicated,my Lawyer,Jack Botha Esq will be sending you a Deed Of Lodge we entered into with the Private Security Company where the money is at the moment.

Do let me know as soon as you recieve the copy.

Kind Regards,

Sarah.

I received it, but it is unreadable – I asked him to send it to me by post or to send me a copy of the original, not just a scan of it.

Thomas

ATTN:MR THOMAS PAYNE.

Dear Sir,

This is to acknowledge the receipt of your mail.Note that,their is no other way to send you the copy other than what was sent to you.You instructed that we send it via scanning which we did.If you want to read it clearer,do enlarge the copy for a clearer view.

Other than that,you should get a fax number so that the copy will be send through your fax line.Do not forget that,the original copy of the Document will be made available to you upon your arrival here for the fund clearance.

Thank you for your understanding in this matter.

Yours Faithfully,

MRS SHARON BROWN.

for:JACK BOTHA ESQ.

Yes, I said send me a scanned copy – but I assumed it would be readable. I did enlarge it and it just becomes distorted. The whole left half of the document is unreadable. I don't understand – why can't you mail me a copy?

Thomas

Dear Thomas,

Thanks for your mail.As you know,their is no way the original copy of the Document will be send to you by

post or whatever means. We will need that original copy to clear the consignment once we are ready for the clearance.

If the copy is not clear as you indicated, I will plead with him to resend it again for a clearer view. That is what we have to do. Let me know as soon as you receive the clear copy.

Kind Regards,

Sarah

I wasn't suggesting sending me the original document by post, just a better copy of it than the scanned one you sent via email, genius.

Thomas

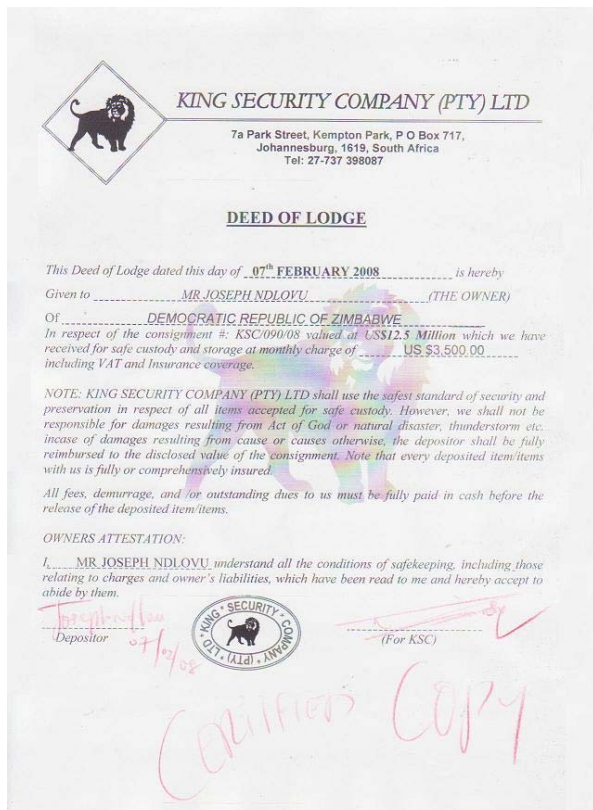

May God grant you an ounce of common sense.

Dear Sir,

We did receive your mail and a call from our Client requesting that we resend the copy to you for a clearer view. Attached is a copy for your perusal and authenticity.

If you have any more questions, do not hesitate to contact us on +27 737 343228.

Yours Faithfully,
MRS SHARON BROWN.
for: JACK BOTHA ESQ.

They resent the copy to me – now I can read it. I wasn't asking for the original to be sent by post, just a legible copy of the original – that scanned copy they sent me was unreadable. I read over the document and I am quite appalled – your father must have been an incredible moron to put his money into this security company and be paying \$3500.00 a month for storage, when he could have just put it into a bank and could have been earning interest on it. Just in one year alone he would have earned \$380,000.00 in interest from a bank. Your father was obviously not a financial genius. Ah well, you know what they say, you can't pick your parents. Let me know how we proceed.

Thomas

Dear Thomas,

Calling my Husband name is not fair.You do not have to call him a moron for whatever reason.You are only thinking about the interest the money could have yielded if it was deposited with the Bank but,you fail to realise the security implication of putting the money in the Bank then.

Anyway,like I said earlier,you will be needed to fly down here(Johannesburg)for the successful conclusion of this transaction.Upon your arrival here,we will visit any of the Commercial Banks here to open a Non Residential US Dollar account in your name and favour where the fund will be lodged after its clearance for onward transfer to your nominated Overseas Account.

Less I forget that,we will effect the clearance upon your arrival too.Once the clearance is done and lodgement effected into the new account,we will inturn instruct the Bank to transfer the lodged fund directly to your account Overseas and off I leave with you for your Country for the fund disbursement and investment.

It is my heart desire to invest my share of the fund into Real Estate and into Agro Allied Company in your Country.What do you suggest?Do confirm your readiness to fly down here for the successful conclusion of this transaction.

I await your urgent response.

Sarah.

I apologize for calling your husband, your father – my mistake. But you have to realize his decision to put money into a security company, whatever that is, instead of a bank was a pretty stupid one. What security implications is there putting money into a bank? I have no idea what Agro Allied Company is – I have never heard of them. Your best bet would be to hire an Investment Advisor when you get here. I will look into flights to South Africa and see what it's going to cost me. I will also need to see about getting time off work. When I have all of the details, I'll let you know.

Thomas

(Notice that I did not apologize for the insult, but for making the mistake of calling her husband, her father.)

Dear Thomas,

Your apology is accepted.In my culture,you don't speak bad on the death.That may sound funny to you but,that is culture for you.Both myself and my Lawyer tried calling your number yesterday but,it kept on

ringing without any response?

Please,do you have another alternative number to get you on line as I will like us to have a telephone discussion.If you do not have,I will advise that you give my Lawyer,Jack Botha a call on his number:+27 737 343228.

I will be waiting for your update regarding your trip to South Africa.Please,try and make the trip before the end of the month as we have an outstanding one month fee to pay to the Security Company before and early we clear the consignment,cheaper it will be.Next month is another US\$3,500 as you are aware.

Thank you for your understanding in this matter.Agro Allied Company means,company that deal with Agricultural products.

Kind Regards,
Sarah.

I haven't heard anything yet. What's the deal?

Thomas

Dear Sir,

What update are you waiting for from us?In your last correspondent,you promised to get back to us with your travel arrangements to Johannesburg,South Africa.

Can you confirm this as soon as possible as early the consignment is cleared from the Company,less the service charge to pay.

Yours Faithfully,
MRS SHARON BROWN.
for:JACK BOTHA ESQ.

Oh, I didn't know you were waiting for me - I was waiting for you. I thought you were going to tell me a time (date). Okay, I will look into my travel arrangements.

Thomas

Dear Thomas,

In your last mail,you promised to get back to me with the details of your flight to South Africa for the succesful conclusion of this transaction.I am still waiting for you to confirm your arrival date as you promised in your last mail.

I await your urgent response on this please.

Sarah.

I had to arrange with work when I could take the time off. I am flying out on Friday, the 29th – I will be there for 9 days as it is a Holiday weekend and considering the vacation time I will be using. I plan on doing some sightseeing as well as possibly going on a safari. Let me know if this is ok with you before I book the flight.

Thomas

ATTN:MR THOMAS PAYNE.

Dear Sir,

This is to acknowledge the receipt of your mail. The date as you indicated in your mail for your intending trip to Johannesburg, South Africa is okay with us.

NOTE: Do not forget that, by the end of this month, the Security Company will need another US\$3,500 from us for their service charge.

Make your confirmation and get back to us accordingly. Do confirm the exact time to get you directly on your telephone line.

Yours Faithfully,
MRS SHARON BROWN.
for: JACK BOTHA ESQ.

Okay, I'll let you know as soon as we book the trip. We are looking at package deals because the flight is pretty expensive – so we are trying to get the flight, hotel, as well as a safari all for a lower price. There will be four of us coming down. Your offices are located in Johannesburg, right?

Thanks – talk to you later,

Thomas

Hi Dear Thomas,
How are you today? Been waiting to have your flight schedule.

God blessings

Mrs. Sarah

Okay, I'll make the arrangements and let you know when we are coming down.

Thomas

Dear Thomas,

Thanks for your mail. The time is okay with me as long as you will arrive here before the end of the month to avoid us paying for June service charge.

I will suggest that you make your trip 3 or 4 days stay here. Note that, once the clearance is done and lodgement into the Account effected, the Bank will effect the transfer and we have to leave for the States

immediately for the fund disbursement and investment. This is my personal suggestion. I will like you to be here purely on this transaction only to avoid distractions.

I await your urgent response on this and your flight schedule. My Lawyer needs to speak with you. When is it good/right to get you on line? Can't see the reason why we can't get hold of you on line or give us your direct number where we can reach you easily please, is important

Kind Regards,
Sarah.

Here's what I sent to the lawyer...

Just so you know – if I leave on the 29th as planned, I won't get there until the 30th which is Saturday. This also means that we would have to meet at the bank or your offices on Monday the 1st. There is no way around it, that is the only time I could get off work, so it will have to be on the 1st or after. That is fine with me, it will give us time to meet each other and make all of our arrangements. I don't get home from work until after 7:00pm EST – try calling me after that.

Thomas

Dear Thomas,

Thanks for your mail. I had a meeting with my Lawyer this morning and your date for your arrival is okay by us. Once you confirm the ticket, do notify us accordingly.

Thank you and God bless.

Kind Regards,
Sarah.

At the Travel Agency, I looked at package deals for Airfare, Hotel, and a Sightseeing/Safari Expedition. I am travelling halfway across the world for this; I will treat it as a vacation and do these things. Obviously, I have never been to South Africa so I would like to see the country. I am off work for 15 days, so I think I have time to see some sights and go on a Safari. The Hotel will be booked by the Travel Agency so you don't have to worry about that. These other people that are coming are my friend, who is also a lawyer, his wife, and my girlfriend. You didn't think I would travel that far away alone did you? All they know about this trip is that it is a vacation and I have some business to attend to. That is all I told them for now.

Remember, my flight leaves on Friday, so I will be there sometime on Saturday so I have 2 days before we can meet on Monday (I am assuming that the bank and your offices are closed on weekends). Either way, after we finish this business, I didn't plan on returning to the States immediately – we plan on staying at least to the next weekend. Once I book the package deal for the trip, I will send you all of the details.

Thomas

ATTN:MR THOMAS PAYNE.

Dear Sir,

Its okay.Once you confirm your flight,do send us the schedule.We will make arrangement to pick you from the Airport to your Hotel.

Yours Faithfully,

Thomas

Dear Thomas,

Thanks for your mail.Are you coming with someone?I will be waiting for your flight details.

Kind Regards,
Sarah.

Of course I am coming with someone. I am flying with 3 other people. Why?

Thomas

ATTN:MR THOMAS PAYNE.

Dear Sir,

I need to know why the safari?I do not think their will be time for a safari as once the transfer is made,we will expect you to flight back to States with our Client for the final disbursement of the fund.

We can make a reservation for your stay at the Airport Grand Lodge Hotel.The Hotel is very safe,close to the Airport,close to the Bank and close to the Security Company as well.Its a well known Hotel here.The price for a room is between US\$50-US\$60 per night.For the three nights,you are expected to budget about US\$200 for the room.

I need to know the involvement of these three other people coming with you in lieu of this transaction?We have been dealing with you and its okay by us for security/confidential reasons.

Yours Faithfully,
MRS SHARON BROWN.
for:JACK BOTHA ESQ.

What does it matter to you what I do? Last time I checked, I was neither a slave nor an indentured servant. As long as we conclude this business, do it matter what I do in my own personal time. Are you my mother? I told you, we are treating this as a vacation, so don't worry what I am doing on my own time. That's none of your business.

Thomas

Dear Thomas,

Its okay.I will like to see you over the weekend upon your arrival.I can come over to your Hotel for our first meeting upon your arrival.Just let me have the details of your flight and the hotel bookings once you are through.

Kind Regards,

Sarah.

I told you I would be coming in on Saturday. Once we leave the airport, get to the hotel and get situated, I will call you.

Thomas

Dear Sir,

This is to acknowledge the receipt of your mail.Do not book your Hotel outside Johannesburg or far away from the Airport,the Bank and the Security Company.Coming alone to South Africa for a business is not a big issue but,is your choice to come with your friends.Its okay by us.

We will be waiting for your travel details.

Yours Faithfully,
MRS SHARON BROWN.
for:JACK BOTHA ESQ.

I would just never travel that far away alone, that's all. I will make sure my accommodations are in Johannesburg. I don't think I have addresses for the bank or the security company, unless they are on those Certificates that you sent me. Is the bank and security company near the airport? I will explain that all to my travel agent.

Thanks,

Thomas

ATTN:MR THOMAS PAYNE.

Dear Sir,

In response to your mail,do know that we have no problem in you coming along with people.That is very clear.Yes,both the Security Company and the Bank are close to the Airport.That is why we are suggesting Airport Grand Lodge Hotel.

You can mention that name to your Travel Agency and see what they say.The Hotel is well known and close to East Rand Mall Shopping Center.We have another Two or Three good Hotels inside Emperors Palace,also close to the Airport.Think about it.This is just our personal suggestion.

Yours Faithfully,
MRS SHARON BROWN.
for:JACK BOTHA ESQ.

Thank you for allowing me to travel with whomever I wish. Mighty white of you. And thank you for the information. I will speak to my Travel Agent about it. I am supposed to meet with him today, so I should know the exact details of the trip this weekend. Talk to you later.

Thomas

Dear Thomas,

Thanks for your mail and information.If I may ask,do you want me to come to the Airport to welcome you people?What airline are you people coming with?What is the name of the Hotel and where?

Yes,we can meet on sunday before work starts on monday.I await your urgent response and use this opportunity to wish you and your friends a smooth and hitch free flight to Johannesburg,South Africa.

Kind Regards,
Sarah.

It won't be necessary to come meet us. As part of our vacation package, we will have a limo from the airport to out hotel. I will give you all of the details later; I am at work right now.

Thomas

Dear Thomas,

Thanks for your mail and information.If I may ask,do you want me to come to the Airport to welcome you people?What airline are you people coming with?What is the name of the Hotel and where?

Yes,we can meet on sunday before work starts on monday.I await your urgent response and use this opportunity to wish you and your friends a smooth and hitch free flight to Johannesburg,South Africa.

I said I will call you once I get in. Don't get your panties all in a bunch.

Thomas

ATTN:MR THOMAS PAYNE.

Dear Sir,

We are still waiting for the confirmation of your flight to Johannesburg, South Africa, come this weekend?

Yours Faithfully,
MRS SHARON BROWN.
for: JACK BOTHA ESQ.

I sent the details to Miss Sarah. We will be leaving at 12:20PM on Friday and arriving at JNB at 4:40PM EST. I'm at work, so I will talk with you later.

Thomas

ATTN:MR THOMAS PAYNE,

Do call Jack Botha Esq on +27 737 3 43 228 for an important discussion. Your flight details has been received and noted.

Meanwhile, you should know that, the next service charge of US\$3,500 will be needed as we can only meet with the Company on the 1st of June. The total sum of US\$7000 will be paid to the Security Company before they will be able to release the consignment to us.

For your information, our client have already spent her life savings in paying this fee on monthly basis less this month and for the June fee. In the spirit of partnership, we will expect you to come along with this needed fee/money for the clearance.

Note that, once the consignment is cleared, your contribution and expenses will be refunded back to you before the fund is taking to the Bank for lodgement for the onward transfer to your US nominated Account accordingly.

We will be expecting your call if you have any question on this.

Yours Faithfully,
MRS SHARON BROWN.
for: JACK BOTHA ESQ.

We plan on meeting with Sarah on Sunday for lunch. We would like to make an appointment to meet at your offices on Monday. What time is convenient for you?

Thomas

ATTN:MR THOMAS PAYNE.

Dear Sir,

Call me once you get here and we will take it from there.

Yours Faithfully,
MRS SHARON BROWN.
for:JACK BOTHA ESQ.

Dear Thomas,

Thanks for your mail.The Hotel has been noted.I will be expecting your call on Saturday or sunday.Have a pleasant trip to Johannesburg,South Africa.

Kind Regards,

Sarah

Thank you, I will talk to you in Africa

Thomas

Dear Thomas,

How are you today?I will appreciate it so much if you get me a gift and a gift to my Lawyer that will assist us to finalise everything upon your arrival here for a smooth and hitch free transfer.

I will suggest that you get us some good wrist watches and some good Nokia Handset Cell Phones.Even gift that we can extend to the Banker that will assist us will be good too.

I await your response on this.

Kind Regards,

Sarah.

What is all this nonsense about gifts? You have millions of dollars and you want me to spend more money buying gifts for you? I think my plan ticket, hotel, and what money I have to spend to get the money released is more than enough of my fair share towards this transaction seeing that you have done nothing on your end except sit on your ass and beg me for flight details. You have some nerve...

Thomas

Dear Thomas,

Thanks for your mail.I want you to know that,whatever expenses you made in the course of this transaction will be refunded back to you same day the fund is cleared from the Security Company before taking the rest of the money to the Bank for onward transfer to your Overseas Account.

I never said that you should buy the gift by force.Its a plea and that will go a long way to establish a good working relationship between you, the Lawyer and the Banker towards the successful conclusion of this transaction.If getting a gift for me a problem for you,then,you can forget about it.

I will let you know how much I have spent so far towards ensuring that,this fund is well kept.This I will do during our meeting.Right now,I am not rich but,will be one after the clearance of the fund.

Thank you for your understanding in this matter.

Kind Regards,
Sarah.

I am leaving for the airport right now. The whole point about gifts – why would you want me to bring you these expensive gifts when in two days time you will have access to millions of dollars??? I think I have already did more than my fair share in dealing with these expenses – the trip alone is going to cost over ten thousand dollars when you include room and board for 10 days along with the flight. It would not have cost us so much if the money would have been put into a bank like I first said instead of incurring charges at a security company, whatever that is. Anywho, I will call or email you when I get settled in my room. See you in Johannesburg.

Thomas

Dear Thomas,

Thanks for your mail. I will be expecting you call later today or tomorrow upon your arrival in Johannesburg as promised.

The gift issue is not a big problem. Stop over reacting. If you do not want to buy the gift, it's fine with me. It's not by force. In other words, I am not forcing you to get any gift for any one.

Thank you for your understanding in this matter.

Kind Regards,
Sarah.

Sent to both Sarah and the Lawyer on Saturday night (8:30PM)...

Hello,

I just got settled in my hotel after a bite to eat. After speaking with my lawyer, he suggested that we sign a Partnership agreement to make everything nice and legal. Attached is a copy in pdf form. Read it over and tell me what you think.

Thomas

ATTN:MR THOMAS PAYNE.

Dear Sir,

You are warmly welcomed to South Africa. I am just checking up some files for tomorrow, hence, I saw your mail.

I will advise that you give a call to Mrs. Sarah to inform her of your arrival as she does not have any access to Internet today being Sunday. I am very sure she will be waiting/expecting your call for your meeting. You promised to call her upon your arrival here and not informing her via email.

Do call her for the meeting. We have a Memorandum of Agreement already prepared between you and our Client. That will be made available to you during our meeting for your endorsement. Do resend your prepared agreement copy via Microsoft word as we can not open the copy you sent for our perusal.

Yours Faithfully,
JACK BOTH A ESQ.

(I resend it as a Word document...)

Did you read the Partnership Agreement I sent you?

Thomas

Here is what I created in a pdf file for them...

SURPRISE

GOAT-FUCKER!

Yes, of course I knew it was a scam, you stupid moron!

You have to be the dumbest scammer I have ever met!

My friends and I laughed our asses off at how stupid you are!

Do you really believe that I would waste one penny travelling to your filthy country??? Your whole continent is filled with war, poverty, disease, crime, and idiotic scammers that are too stupid and lazy to get a real job! Do the world a favor and cut your own throat. That would be the best thing for you. Do you wonder why the whole world hates you and your filthy, disgusting people???

Your stupidity will be chronicled on my website – hope you stop by for a visit;

Dear Sir,

This is to acknowledge the receipt of your mail and your supposed prepared Agreement. Its very unfortunate you losted out on this transaction that could have made you millions of Dollars richer on just assumptions.

For your information, we have been in Law practice for the past 30 years and can not involve ourselves and the firm with scam. We investigated this transaction before accepting to give our legal services.

However, we will not join issues with you on the name calling. That goes a long way to show the level of your intelligence and knowledge. We will inform our client without delay that you are the scam.

Yours Faithfully,
MRS SHARON BROWN.
for: JACK BOTHA ESQ.

Yeah, a law office that can't spell common words and uses a free email service for business. You are pathetic, you piece of shit and by far the dumbest scammer I have ever seen. This is the least I could do seeing that you were going to kidnap and murder me for the money.

Thomas

I tried to get a response from "Sarah", but she wouldn't answer...

What happened to you? Why no response? I'm sitting here in my Hotel room sipping champagne and waiting for you to contact me. You do like to suck dick, don't you? My knob could use a good polishing... I must insist that you take a shower first – I'm sure that you smell something fierce. Anywho, give me a jingle if you're not in prison or when you can afford some computer time at the internet café.

Thanks, you've been great!

Thomas

How come I haven't heard anything from you, you complete and utter moron? You aren't mad at me, are you my turtle dove? Are you mad because I decided to have a little fun with a couple of idiotic, degenerate, 419 scammers? Don't be that way...

Please write me back – I miss talking to you, you freaking dipshit.

Your best friend,
Thomas

I can't believe Sarah didn't cuss me out...
