

Say Uncle

This was not one of my better baits, but was a little funny. What I was attempting to do was to have the kids send me a new Diplomat to work with and they “discovered “ that theirs was a fake, but we went round in circles about that, so I got some insults in and ended it.

Compliments of the day!

How are you doing? Just hope fine

I'm very sorry to have contacted you in this manner.

I and my younger sister write to seek for your assistance; we got your contact from a noble gentleman that came to our refugee camp who cameto give a seminar about AIDS whom we confronted that we are looking a God-fearing person that is when your data was given to us.

First and foremost i want to introduce myself to you. My name is Prince Albert Asimenu and my younger sister Princess Portia Asimenu from Liberian, my consignment contains \$20 million United States dollars and some quantity of gold and Diamond, which I cannot specify.

The consignments are presently in Off - shore , in the STATES.

The consignment got to STATES through the help of a U.N diplomat Mr. Godfred Owusu. The fact is that Mr. Godfred Owusu is supposed to have delivered this consignment to a man called DR WILLIAM DAVIES in The STATES .The week Mr. Godfred Owusu was suppose to deliver the consignment to

him, when he got to The STATES after clearing the consignment from the Airport, he call WILLIAM DAVIES to tell him the description to is house for the delivery, but his wife answered the call and told Mr. Godfred Owusu that her husband DR WILLIAM DAVIES had a fatal car accident which lead to his death some few hours later.

DR WILLIAM DAVIES has already paid the demurrages from the security company, he paid for Bullion van that took the consignment to the airport and

he paid for custom check report he also assisted us in getting the DRUG / ANTI TERRIORIST CERTIFICATE, which is so expensive that he spent 20

thousand dollars to acquire it, but unfortunately he died in a car accident, that is why Mr. Godfred Owusu has to deposit the consignment with a warehouse over there in The STATES and called us to informed us about what is happening. Mr. Godfred Owusu has asked us to look for a new beneficiaryto act on our behalf and receive the consignment from him. That is why we have contacted you.

Please, contact Mr. Godfred Owusu on time and get back to us through mail. We will be very grateful if u do assist us , and will be ever willing to act in accordance to your wishes and negotiations to benefit from this. I am willing to show myself on the web camera for you to know us well.

I await your urgent response.

Thanks and God bless you.

Prince Albert Asimenu and my younger sister Princess Portia Asimenu

ATTENTION Calvin Hobbs

I AM VERY HAPPY WITH YOUR SWIFT RESPONSE AND GREAT CO-OPERATION. WE BUILD UNDERSTANDING AND I CAN BE WITH YOU IN NOW TIME. THERE ARE PROCEDURES INVOLVE HERE THAT I SHOULD LET YOU KNOW THAT DUE DILIGENCE IS THE TRADE MARK HERE.

I CALLED YOUR PHONE SEVERAL TIMES BUT CAN NOT GET THROUGH.

FIRST WE WILL HAVE TO GET THE NAMES AND ADDRESS ON THE DOCUMENTS COVERING THE CONSIGNMENT, CHANGED TO YOUR NAME, BY THE HIGH COURT OF GHANA. THEN THEY SEEK GET AFFIDAVIT TO SEEK SUBSEQUENT POWER OF ATTORNEY TO EFFECT THE CHANGE OF OWNERSHIP FROM THE LATE DR WILLIAM DAVIES TO YOUR NAME AND ADDRESS. THIS WILL MAKE THE CONSIGNMENT YOURS LEGALLY BY LAW.

THIS PRE SUPPOSES THAT YOU COMING OVER TO PHOENIX WOULD NOT BE OF ANY GOOD USE.

PLEASE THIS NEED TO BE DONE . CHANGING EVERYTHING TO YOUR NAME, THEN YOU NEED TO FOLLOW THE PROCESS. AND GET THIS DONE THROUGH THE HIGH COURT OF GHANA, BY CONTACTING THE CHILDREN, PRINCESS PORTIA AND PRINCE ALBERT. THEY WILL HAVE TO SEE AN ATTORNEY IN THE HIGH COURT IN GHANA TO HELP THEM GET THIS DONE.

THE MOMENT THIS IS DONE I WILL FLIGHT STRAIGHT TO YOU TO DELIVER THE CONSIGNMENT TO YOU IN YOUR ADDRESS IN OHIO.

I WAIT TO HEAR FROM YOU.

BEST RAGRDS

GODFRED OWUSU

I will be on the road for the entire week going over my Sales Territory with a few of my colleagues. Trying to reach me at home by phone is not possible. I will be in Texas over the weekend, so it might be easier if we meet in Arizona and go over what we need to do.

Let me know.

ATTENTION CALVIN,

YOUR EMAIL IS WELL UNDERSTOOD. I WOULD BE VERY GLAD TO MEET YOU UP IN TEXAS TO DELIVER THIS TO YOUR PERSONALLY.

HOWEVER I MUST STATE CLEARLY HERE THAT THERE ARE DUE LEGAL PROCESS HERE THAT WE NEED TO FOLLOW.

1.FIRST YOU MUST SEND ME A COPY OF YOUR ID, THAT IS DRIVERS L INCENSE OR PASSPORT.

2. SECONDLY THERE IS THE NEED TO ACQUIRE AN AFFIDAVIT BY THE CHILDREN AT THE HIGH COURT OF GHANA WITH THE AID OF AN ATTORNEY , WHICH WILL ENABLE THEM CHANGE ALL DOCUMENTS COVERING THE CONSIGNMENT INTO YOUR NAME AND ADDRESS.

THE MOMENT THIS IS DONE, YOU WILL BE LEGALLY KNOWN AS THE OWNER OF THE CONSIGNMENT.

3. SECONDLY.. THERE IS AN EXTRA FEE TO BE PAID AS THE STORAGE FEE FROM THE SAFE HOUSE WHERE I KEPT THE BOXES. I SAY EXTRA BECAUSE I DEPOSITED SOME CASH WITH THEM WHEN I FIRST SAFE THE BOXES WITH THEM BUT NOW THERE IS EXTRA FEE TO BE SETTLE ONE THAT.AS I SHOULD LET YOU KNOW THAT AS SOON AS THAT IS TAKEN CARE OF THEN THERE WILL BE NO OBSTACLE AGAIN. UNTIL THE EXTRA FEES IS PAID THE WARE HOUSE WILL NOT RELEASE THE CONSIGNMENT TO ME.

Yes I am in Arizona

If you are in Arizona, then why are your emails coming from Africa?

Calvin Hobbs
Sales Director
White Haven Computer Services
<http://WhiteHavenComputerServices.com>

Well, this email address was created for me by my head office back in Accra, Ghana years Back.

I only have access to it as a diplomat to communicate with, in other to make the delivery to you,

We have to move forward and act quickly so as to avoid delay, in making this delivery.

Have you made arrangements on how to raise funds enable us pay the attorney and court to get the affidavit?
And also to pay the storage fees?

awaits you reply

No, that's not how it works. You are sending these emails from West Africa – Ghana, to be precise. Why are you lying to me?

Calvin Hobbs
Sales Director
White Haven Computer Services
<http://WhiteHavenComputerServices.com>

Atten....

My emails go through the head office in West africa, Accra before getting to you.

well I am waiting on your to carry on with the delivery.

Do you want me to make the delivery, kindly let me know. Thank you

Godfred Owusu

You are a freaking liar. What is your game here? I want to know what the hell is going on.

Calvin Hobbs
Sales Director
White Haven Computer Services
<http://WhiteHavenComputerServices.com>

what do you say so ?

what is the problem ?

Godfred Owusu

My problem is that you are a fucking liar. You tell me that you are in Arizona, but you are sending me emails that are coming from Ghana. My email program automatically traces the source of all incoming emails so I knew where you really are.

Calvin Hobbs
Sales Director
White Haven Computer Services
<http://WhiteHavenComputerServices.com>

I do not know why you are calling me a liar.

I am not an IT expert. As i told you before. My emails go through the head office in Ghana more so the internet modem I am using on my laptop was a roamed one from Ghana.

As I said we have to move on and make delivery. Have you contacted the children to meet with the attorney at the High court in Ghana?

Keep me posted

Thank you.

Well, if you could read, you would see that I am in the Computer Business and I am an Expert, so I know that you are a total, filthy, liar. What you describe is not possible. You are not in Arizona like you said which makes you a fucking liar. Are you trying to steal these children's money? Is that your game? I will not let you take this money from these poor, incompetent children. I plan on contacting the FBI, Interpol, the U.N., NAMBLA, and the NCAA to have you arrested and tried for your crimes, you buffoon. Taking money from lazy, illiterate, trusting, gullible children? How dare you? You should be ashamed.

Back to the kids...

The Diplomat never answered me again, even after a few more derogatory emails.

We have a serious problem here. Not only is the Diplomat a complete and utter moron, I also suspect he is a thief.

hello uncle,
we happy to hear from you.

we ope you are fine.

what has the diplomat done...?

he is a very good man

please tell us what it is.

Princess Portia and Albert

The diplomat is lying to me. He said he was in Arizona, but he isn't – he is in West Africa. I think the he is either a thief or someone hacked his email account. How many times do I have to tell you that I am not your Uncle? Are you dense? How well do you know this fool?

Calvin Hobbs

hello uncle,

we know him through our late father who left the consignment behind for us.

But was under the care of the security company the diplomat work for.

we are told he the one of the best the security company can rely on..

He has been honest and communicating with us ever since he left for the states and mate the untimely death of Dr. William Davis, our formal beneficiary and God father.

Kindly contact the diplomat to receive the consignment for us.

Thank you

I contacted the Diplomat, you moron and I am telling you that he is a liar and possibly a thief. Get your willy out of your sister and pay attention.

Hello uncle,

Why uncle is there any problem? Did he ly to you?

what is it?

He is in the united states, phoenix Arizona.

We are here in Ghana and Have not seen him.

All we know is that he is a nice noble man, he has been cool with us and has kept in contact with us all this while.

Please let us know what the problem is and also do your best to contact him and receive the consignment.

Thank you

I will try this one more time, seeing that your intelligence is extremely sub-average. I know for a fact that the Diplomat is lying to me. He tells me that he is in Arizona, but he isn't, he is in Ghana. Which means he is a liar. Now, why he is lying about that I don't know – I am assuming that he is trying to steal your money.

Calvin Hobbs

Sales Director

White Haven Computer Services

<http://WhiteHavenComputerServices.com>

ooohh Uncle ,

there is no way he can steal our money. everything is in safe hands.

Please help us receive the consignment.

Thank you

Since you are a fool, and you don't understand common sense, I am through with this transaction. You are either a thief as well or the dumbest person on Earth, or both. I think the latter. Do not contact me again. I have told you I am not your Uncle and for that I am thankful because it seems that you come from an inferior gene pool. Were your mommy and daddy also brother and sister?

These morons couldn't even appease me by giving me a new Diplomat...what a bunch of fuckheads (lol).
