Let's see how a crooked FedEx delivery boy tries to corrupt the incorruptible. This starts as "I have a box for you" Scam, but when I insist that it's not mine, he tries to play it like he just needs my help to find the real owner. This moron started getting real frustrated at the end and tried to introduce sharing the consignment between us to get some leverage, but I am way too honest to be swayed by him.

Mr Gill Lunceford

You are right, I don't understand. Why would you search for the real owner of the consignment without the knowledge of the company? That doesn't make sense. Why would you care or why would you do this personally? It's FedEx responsibility to find the real owner of the consignment, isn't it?

Please explain.

Thomas

Attn:Thomas Payne

I want you to real understand me because i don't knew that there will be such requested CERTIFICATE at all.because all the documents needed before the shippment has been secured and this new requested CERTIFICATE was place by PRESIDENT OBAMA which has not been long for the clearance of ANTI TERROIST breach of law by the courier company and other's. so if you can do it. i want you to sent the money for the assistance and even i believe that we will do it with interested pls.

let this delivery man deliver the consignment and return back.so that i will immedaite start coming to meet you over there.

Thanks

Mr Gill Lunceford

I can see that you are not educated as well as being incredibly poor and worthless. President Obama signed no such bill into law whatsoever. I just can't believe that since you are a despicable vagrant that you want me to pay for something that is not mine.

Thomas

Attn:Thomas Payne

Pls,i don't like the way you are refering this assistance to me.

again,if you don't want to assist me.just tell me because the consignment has been long over there in CANADA.

Thanks

Mr Gill Lunceford

I told you I would assist you by giving you a place to ship this consignment so you could take possession of it and find the rightful owner. I don't recall saying that I would pay anything just because you are poor and uneducated. Maybe you need to find a better job that pays more instead of being a lowly delivery boy all your life.

Thomas

Attn:Thomas Payne

Sir,i am still looking forward to hearing from you about the assistance required from you.

sir,even if the money can nto reach up to \$450 usd.just let me know me the amount you can borrowed urgent.

Thanks

Gill Lunceford.

I have money; I don't need to borrow it – that is not the point. This is not my consignment and I can't believe you want me to pay for delivery for someone else's package.

Thomas

Attn:Thomas Payne

I want you to know that in everything person is doing in this world you have to applied understanding and believe in God. I want you to believe in God and also have faith as a christian that there will be no problem in balancing the money back to you in which i knew that i can't lie to you.

let me make this cleared to you.

i was born in a christian family and i am an elder in the church.

just believe me. i need your assistance to get this consignment release and deliver to you.whether is your own or not pls,

Thanks

Gill Lunceford.

I am not a Christian – I am an atheist. You are an Elder in the Church and you don't have two cents to rub together to the point that you have to beg for it like a common street waif?

Thomas

Attn:Thomas Payne

Pls,let us stoped all this agrument and face our business.

let me know if you are not willing again to helped in this transaction and also i heard that the security in the CANADA AIR PORT has decide to disposed the consignment.

i want you to try and raised this money i told you.so that i will get the paper secured and sent to them at CANADA.

Thanks

Gill Lunceford.

Are you looking for someone to pay this charge for you just because you are poor and destitute? How do I know that I will ever hear from you again if I pay it?

Thomas

Attn:Thomas Payne

Pls, i don't know how to tell you again that you will have trust on me.

i am a very nice person to deal with but because we have not cleared this one first that is the reason you are having a double mind to sent the money to me. i want you to try and see if what i told you is not true. again, i can not lie to you by asking you to pay the money.if this transaction is not real. pls,the transaction is real.just believe me.

here is the payment information if you can assisted me by the \$450 usd.

NAME IS: OKECHUKWU BASIL

COUNTRY IS: BENIN REPUBLIC

CITY IS: COTONOU

TEXT QUESTION IS: FOR WHAT

ANSWER IS: CERTIFICATE

looking forward to hearing from you soonest.

Regards

Gill Lunceford

I am not having "double mind" about sending the money because I don't think this is real, but because you asking me to pay for something that isn't even mine. Do you understand this? I don't think you do. I am sorry that you apparently don't make enough money to pay for a meager little fee, but why is it my responsibility to pay this? I agreed to do this as a favor for whatever reason, but I didn't expect you to beg me for money. What do you do at FedEx that you can't afford \$450.00? Do you sweep floors or scrub toilets?

Thomas

Attn:Thomas Payne

I received your mail sent to me and i wish you could understand me well.

the reason i asked you to assisted me by sending the \$450 usd is because i don't have the completed me and here in FEDEX COURIER COMPANY BENIN REPUBLIC.

i am a worker in the company earn salarie every month but i have not received the salarie of this month and this is the reason you were asked to helped me.

also,i want you to know that i have a family of my own and my children is attending school's in which i have paid there school fees and that make me not to hold the completed money of the charges now.

this is the truth and nothing but the truth.

i real need your help by sending this money.so that i will get this paper secured and forward it to the security people IN CANADA AIR PORT.so that the consignment will be released and deliver to your home.

Thanks and God Bless you

Gill Lunceford

Okay, so let me ask you why you are doing this with money out of your own pocket (and possibly mine), instead of letting FedEx do their job? I guess I really don't understand why you are doing this in the first place. This isn't your money, it isn't my money, it is some random stranger's money who we may never find. Why are you spending your own money and time to get this consignment to someone you don't even know? I don't understand that.

James

Attn:Thomas Payne

Pls,i told you before that the company did not locate the owner with his information Registered with us. then the company decide to dispose the consignment and this is the reason i find you to assist me in getting the consignment deliver to you. note that whether we did not find the owner. we will share the content's inside the box.after the consignment arrival your home.

this is you will knew.

Thanks and God Bless you

Gill Lunceford

What??? You want to take this money for ourselves? I am not a thief; I will not take money that does not belong to me. You never told me that you wanted to do this before. Now, I see why you did want to involve FedEx. People told me that all Africans were thieves and I didn't believe them, but you are concrete proof that it is true.

James

Attn:Thomas Payne

Pls,there is no time to delayed if you want to assisted me. then do it but if you want me to give you the phone number to reach the DELIVERY man over there in CANADA.

then i can give it to you.

i don't understand why all this question and other's relate to that.which you are saying all the time.

also for your information. i am not a thife.

Gill Lunceford

You just said that you are planning on stealing this money. That makes you a thief. Read your last email if you are confused.

Thomas

Attn:Thomas Payne

Pls,i am not a thife.if you don't understand me or my last mail sent you.

then go and read it well.

Thanks

Gill Lunceford

I understand your last email and I did read it well. You said that we will share the money that is not ours and if we did that then we would be thieves. I don't know how you could explain being a thief better than that. I know in your culture it may not be a big deal to you as all Africans are thieves, but here in America we don't look kindly on stealing.

Thomas

Attn:Thomas Payne

Pls,if you don't want to helped me.let me know not by accusing me.

Thanks

Gill Lunceford

Correct me if I am wrong – but that is what you are saying right? You want to take this money that doesn't belong to us?

Thomas

Attn:Thomas Payne

Pls, i am not against you but you knew that this has to be done urgent not by asking me so much question.

i don't like it, if you don't want to assist me. then tell me and let me know what to do or i get the consignment kept there at the CANADA AIR PORT.

i am NOT going to respond to any question again you may raised.

Thanks

Gill Lunceford

Don't contact me again – I didn't realize I was speaking with a degenerate, rotten thief.

You make me sick...I am sorry that you are poor, stupid, and a no-good criminal. You should have studied harder in school.

Thomas

Attn:Thomas Payne

Okay,Thanks very much.

Thanks

Gill Lunceford

I am sorry that all Africans are thieves. I would not have believed it until you proved it to me. I feel it is my duty to inform your superiors at FedEx that their toilet scrubber is trying to steal money from a consignment that does not belong to him. I would ask you for your superior's name there at FedEx, but I am sure whoever I talk to there is your superior. I pity you.

Thomas

Nothing like degrading him a little to add to the frustration of wasting four weeks of his life with me.
