**Debbie (9:11 AM):** Well, I am looking for an independent, career- driven, intellectual, hard- working man

**swampi59 (9:13 AM):** maybe God has a purpose for me meeting u .i want a goal orientated lady who is mature in all ramification of human divinity.

**Debbie (9:13 AM):** are you very religious?

**swampi59 (9:14 AM):** funny enough my mum said american lady are hard working and mature for marriegie

**swampi59 (9:15 AM):** am a roman catholic and my mum is a catholic womem leader.i have a very stable religious life.wat of u?

**swampi59 (9:16 AM):** hello

**Debbie (9:16 AM):** oh, this probably won't work then

**Debbie (9:16 AM):** I am an atheist

**swampi59 (9:18 AM):** atheism is a religion of conscience but not of d/soul where love grows .so i dnt believe in religion

**Debbie (9:20 AM):** what does that mean? You just said you were Roman Catholic and have a very stable religious life? Can you remember this? It was about 4 seconds ago...

**swampi59 (9:23 AM):** i mean my stable religious life is rooted in my conscience and freedom which does not stand against the freedom of my wife to be choice to choose hers

**Debbie (9:24 AM):** okay, whatever that means

**swampi59 (9:24 AM):** religion is of choice and not a force to relationship,so i dont see it as a barrier towards love and happiness

**swampi59 (9:26 AM):** so do u think i cant make u happy ans adore u bcos we defer in religion?

**swampi59 (9:26 AM):** hello

**Debbie (9:27 AM):** one sec

**swampi59 (9:28 AM):** are u busy?

**Debbie (9:29 AM):** I'm at work - I'm on the phone - one sec

**Debbie (9:41 AM):** had an important call

**swampi59 (9:41 AM):** are u through?

**swampi59 (9:46 AM):** is like u are having a busy day over there?

**swampi59 (9:50 AM):** she came to my world with smile

**Debbie (9:52 AM):** sometimes it gets busy

**Debbie (9:52 AM):** most of the time I am just sitting at my desk working

**swampi59 (9:53 AM):** she came to my world with smile,light up my days with joy and make me feel whole and renew.miles away from her ,i can still feel her impact in my life,for a mement spent with her is like eternity and thats why i call her my healing angel.her name is DEBBi

**Debbie (9:54 AM):** what is all of that nonsense? That is the gayest thing I have ever heard...

**swampi59 (9:55 AM):** u dont like poems and expressions?

**Debbie (9:56 AM):** not really - especially not when we have only talked for the first time for 20 minutes

**swampi59 (9:57 AM):** 20minutes in life means something and thats the best way to value time spent with true friends

**Debbie (9:59 AM):** well, after 20 minutes of talking you don't know anything about a person yet - but you can feel the impact I made on your life? Hmmm, weird?

**Debbie (10:02 AM):** and I light up your days with joy? I haven't even known you for one day - how can you say I light up your days with joy?

**swampi59 (10:03 AM):** for 20minutes spent wit u ,u said i knw nothing about u? but i knw u are single,atheist,c omputer operator and many more,yet u said i knw nothing.VALUE is a key to ever conversation . so to value first is wat matter before knowing and asking u anything

**swampi59 (10:06 AM):** every day u spent in life matters,especial ly when well spent.for some minutes now i have been cahting with u and for the ist time in some lonely years now i feel a happy with a woman.to me it means joy and i hope for more days.thats whwt i mean u lite my days with joy

**Debbie (10:06 AM):** well, please don't contact me anymore, okay?

**swampi59 (10:07 AM):** u are too rigid and u dont need it that way

**swampi59 (10:08 AM):** even if u dont trust a guy or u are heartbroken.life is fun for friendship so dont chase me away.

**Debbie (10:10 AM):** I am not heartbroken - I would just rather not talk to you anymore

**swampi59 (10:10 AM):** why,have said anything wrong? am just been sincere with u

**swampi59 (10:12 AM):** debbi,i like u so dont chase me.i can adore u if given the chance.i dont want to say gud bye.what have i done wrong?

**Debbie (10:14 AM):** so you write this crap to women after you talk to for 20 minutes - you are obviously a fool - I am not interested in talking to you anymore

**swampi59 (10:16 AM):** what i wrote to u is my way of saying thank u and that i value our conversation.lis ten am 31 and i have responsibilty.i dont chat often i only do that once am free frm my firm.so am not talking to every woman but people that worth my conversation

**swampi59 (10:18 AM):** dont take me for a cheap man or gold diger am comfortable in all currency and i have alot of white friends frm many part of d world.dont insult me becos i like u

**swampi59 (10:19 AM):** how can u sy i wrote crap,where is your sense of humour?

**swampi59 (10:21 AM):** talk to me

**swampi59 (10:24 AM):** u just make me a fool now

**swampi59 (10:27 AM):** hello

**swampi59 (10:28 AM):** debbi,ok am SORRY

**swampi59 (10:31 AM):** u dont to talk to me again

**Debbie (10:34 AM):** I said don't contact me again, please – is that hard to understand?

**swampi59 (10:35 AM):** but y? i said am sorry

**Debbie (10:38 AM):** You are sorry for what?

**swampi59 (10:38 AM):** if the crap i took my time to send u makes u angry,pls pardon me

**Debbie (10:40 AM):** I am not angry - I just think you are a fool

**swampi59 (10:40 AM):** at 31 u call me a fool? y?

**Debbie (10:42 AM):** because of what you wrote after only talking to me for 20 minutes!!! That makes you a fool or extremely simple- minded - either way, I would rather not talk to you

**swampi59 (10:43 AM):** then am sorry.its just an expression of humility.am so sorry pls

**Debbie (10:45 AM):** okay, now please go away

**swampi59 (10:45 AM):** i know u are angry but pls dont take it too far,am sorry

**swampi59 (10:45 AM):** whats your favorite color

**swampi59 (10:48 AM):** hello

**Debbie (10:50 AM):** go away

**swampi59 (10:55 AM):** am sorry debbie

**Debbie (10:56 AM):** I said I don't hate you, I am just not interested in talking to you anymore

**swampi59 (10:57 AM):** ok but what is ur favorite color

**Debbie (11:04 AM):** what?

**swampi59 (11:05 AM):** I said just hello

**swampi59 (11:08 AM):** Debbie am sorry and i dont want to loose u.i love u

**Debbie (11:12 AM):** you are a fucking idiot

**swampi59 (11:12 AM):** And maybe thats y i love u

**Debbie (11:13 AM):** now I hate you...because you are the biggest fool on earth...

**swampi59 (11:13 AM):** Call me names.i dont care.am matured and humble,i home training

**swampi59 (11:14 AM):** U hate me cos i said i love u.where is ur conscience and understanding.

**Debbie (11:16 AM):** I hate you because only a fool tells someone that they love them after talking to them on the internet the first day - you are obviously extremely stupid

**swampi59 (11:17 AM):** U are acting childish and immature.i tot u said u are 32,prove it and stop be selfish and disrespectful.oh love is a comparerative feeling so dont be dirty in thinking.i can meet my wife here

**swampi59 (11:18 AM):** U knw what let me upgrade u

**Debbie (11:19 AM):** go away...how stupid are you?

**swampi59 (11:20 AM):** I respect and value ladies so i wont call u names

**Debbie (11:20 AM):** if you respect me then respect my wishes and stop talking to me, dipshit

**swampi59 (11:21 AM):** Only promise me that u are not angry with me and i will let u be

**Debbie (11:22 AM):** I hate you because you are a stupid fool, but I am not angry with you because to be angry I would have to care about what you think, and I don't care what you think...

**swampi59 (11:25 AM):** So am sorry from the humble nature of my being.sorry and forgive atleast we started this converstion politely so lets end it well.am sorry debbie
