

The Faker

Once again in a chat session with a West African who claimed to be 100% American who can't seem to put together a coherent sentence or spell common words. This one has a good explanation for it though – see, it was all just a test...

Rose Hewitt (8:55 PM): how could i called you a liar

Rose Hewitt (8:55 PM): ok

Rose Hewitt (8:56 PM): Are you marry

Rose Hewitt (8:56 PM): are you married?

Greg's (8:56 PM): why would I be on a dating site if I was married, genius?

Rose Hewitt (8:57 PM): why calling me a genius...i dont like flattering

Rose Hewitt (8:57 PM): ok, it is beautiful if you are not

Greg's (8:58 PM): what kind of question was that?

Rose Hewitt (8:59 PM): But marriage status is not only the determining factor to be on dating site...you may be divorcee

Rose Hewitt (9:00 PM): What did you like doing at your leisure time?

Greg's (9:00 PM): well if I am divorced then I am not married...

Rose Hewitt (9:01 PM): yes, my love

Rose Hewitt (9:01 PM): just curious to know much about you

Rose Hewitt (9:01 PM): just curious

Rose Hewitt (9:02 PM): i asked what did you like doing at your leisure time

Greg's (9:02 PM): what nationality are you?

Rose Hewitt (9:03 PM): why?

Greg's (9:03 PM): because your English isn't that good

Rose Hewitt (9:04 PM): where did i told you am from?

Greg's (9:04 PM): from Maine, but you are not American...

Rose Hewitt (9:04 PM): am from the state

Rose Hewitt (9:05 PM): you make me laugh..lol

Greg's (9:05 PM): what's funny?

Rose Hewitt (9:05 PM): am an American

Rose Hewitt (9:06 PM): what you jst said

Greg's (9:06 PM): So you are American but can't speak proper English?

Rose Hewitt (9:06 PM): what is wrong with my English

Rose Hewitt (9:06 PM): ok

Rose Hewitt (9:07 PM): i was born and bred in London

Greg's (9:07 PM): so what nationality are you, one more time?

Rose Hewitt (9:07 PM): but my parents are from usa

Rose Hewitt (9:08 PM): am from us as i told

Greg's (9:08 PM): so you are American, raised in England, but can't speak proper English

Rose Hewitt (9:09 PM): ok.....

Rose Hewitt (9:10 PM): what is improper about my written English

Greg's (9:11 PM): If you don't know, then you are obviously lying to me...

Rose Hewitt (9:11 PM): Honestly, am not lying

Greg's (9:11 PM): okay, so you just can't speak proper English...no schooling maybe?

Greg's (9:12 PM): did you go to school? Are you educated?

Rose Hewitt (9:13 PM): you are the first person saying such to me and still insisting that i can't speak sound English

Rose Hewitt (9:13 PM): Tell me what is not proper

Greg's (9:13 PM): lol - that whole sentence you just wrote was not proper English...

Rose Hewitt (9:14 PM): Mr.lecturer

Rose Hewitt (9:14 PM): How i wish i can learn from you

Greg's (9:15 PM): If I have to explain why, then you are obviously not American...

Rose Hewitt (9:15 PM): Can you please analyse the statement for me

Rose Hewitt (9:16 PM): You are telling me something and i ask for proof

Greg's (9:16 PM): Go away liar...

Rose Hewitt (9:17 PM): How dare you call me a liar

Greg's (9:17 PM): I am not wasting my time with someone who is obviously lying

Rose Hewitt (9:18 PM): I told you i was born and bred in London.

Rose Hewitt (9:18 PM): What is your problem

Greg's (9:18 PM): Well, then you should know proper English, shouldn't you?

Rose Hewitt (9:19 PM): Why did u find it difficult to believe me

Rose Hewitt (9:19 PM): find

Greg's (9:19 PM): Because you can't spell or speak English good but insist that you are American!!!

Rose Hewitt (9:20 PM): Are you really proud to invest in fellow human being

Greg's (9:20 PM): lol - good English...

Rose Hewitt (9:21 PM): Did you really proud to invest in fellow human being?

Rose Hewitt (9:21 PM): to invest

Greg's (9:22 PM): Do you think that is good English? lol

Rose Hewitt (9:22 PM): ok

Rose Hewitt (9:22 PM): correct me

Greg's (9:23 PM): Tell me the truth, or go away...

Rose Hewitt (9:24 PM): Am not lying but you don't believe me

Greg's (9:24 PM): You are speaking English like a foreigner...

Greg's (9:24 PM): which means you are lying

Rose Hewitt (9:25 PM): I told you i did n't spend my childhood time in the state

Greg's (9:25 PM): **Did you really proud to invest in fellow human being?** - This statement doesn't even make sense in English and is wrong grammatically

Rose Hewitt (9:26 PM): OK

Greg's (9:26 PM): they speak English in England - did you know that? Therefore you should know it unless you are lying.

Greg's (9:27 PM): so if you were raised in England, you're English should be good

Rose Hewitt (9:28 PM): I guess you expected me to use the word(know)

Rose Hewitt (9:29 PM): Why dont you read my statement with fair mind to understand its indepth meaning

Greg's (9:30 PM): I can understand most what you mean - that doesn't mean it is proper English...and that doesn't mean that you are an American – all it proves is that you are lying

Rose Hewitt (9:31 PM): ok

Greg's (9:32 PM): A Chinese person could speak broken English that I could understand but it doesn't mean that it could pass as an American speaking it

Rose Hewitt (9:32 PM): proud is a lexical verb and know is another but know can't work perfectly to reflect what i mean

Rose Hewitt (9:33 PM): ok

Greg's (9:33 PM): lol - okay, now tell me the truth or go away...

Rose Hewitt (9:33 PM): May i know what you do for living?

Greg's (9:34 PM): I'm an Accountant

Rose Hewitt (9:34 PM): You can go to hell if you think am lying

Rose Hewitt (9:35 PM): i jst need to confirm something which i av

Greg's (9:35 PM): what's that?

Rose Hewitt (9:36 PM): and i guess with time you will if i am a real American or not

Greg's (9:36 PM): explain...

Rose Hewitt (9:36 PM): Dont be too curious

Rose Hewitt (9:37 PM): you can the destination of a thosand miles journey in a day (What???)

Greg's (9:37 PM): lol - nice

Rose Hewitt (9:38 PM): yo u shall know at the appropiate time

Greg's (9:38 PM): explain now or don't contact me again...

Rose Hewitt (9:38 PM): suit yourself

Greg's (9:39 PM): yeah...lol?

Rose Hewitt (9:39 PM): ok

Greg's (9:40 PM): are you going to explain?

Rose Hewitt (9:40 PM): Explain what?

Greg's (9:41 PM): what you meant by what you said?

Rose Hewitt (9:42 PM): you threatened that if i dont lie against myself that i should go away or dont contact you and i told to suit yourself

Greg's (9:43 PM): **i jst need to confirm something which i av** - what does this mean?

Rose Hewitt (9:43 PM): What is there to explpain

Rose Hewitt (9:44 PM): If truly you are an American when you don't put on your webcam

Greg's (9:44 PM): I told you I don't have one...

Greg's (9:45 PM): was that hard to understand?

Rose Hewitt (9:45 PM): Because i need to examine the intellectualleve l of who am chatting with

Rose Hewitt (9:45 PM): not at all.

Greg's (9:46 PM): lol - that's hilarious...

Rose Hewitt (9:46 PM): ok

Greg's (9:47 PM): you can't spell or speak good English but say you are an American, but you want to evaluate my intellectual level?

Rose Hewitt (9:49 PM): Actually, i dont have much time but am sure when next we talk you will be convinced that am a true American

Greg's (9:49 PM): lol...yeah, I am sure...

Rose Hewitt (9:50 PM): ok
