

The Farmer's Daughter

I actually contacted this whore from Yahoo Personals – I knew she was a scammer when I contacted her even though she said she was from Akron (close to where I live). Her profile had all of the tell-tale signs – age not important, the usual sappy response, no preference on any dating characteristics, and the use of advice when it should have been advise (Nigerian). Her first contact with me was sent in the Personal after I sent her an Icebreaker...

Gee, do you think this monstrosity was prewritten? Did you see she was a teacher?

What is all of this nonsense? You said you were from Akron???

Greg

Yes i am from Akron and i am stuck in a hotel in west part of africa.

Where in Akron do you live?

Greg

I like at 5650I West Market Street, Fairlawn, OH

Do you have yahoo chat?

Greg

my profile is - gregvette0404

My main purpose of this scambait was to get her into a chat session. Why these morons chose to converse with someone and say that they are from the same area when they know nothing about the area or even America. Do she think that I won't ask about her living in Akron?

Casey Miller (2:46 PM): I have give you the proper address

Greg's (2:47 PM): 5650I West Market Street, Fairlawn, OH - this is what you gave me - why is there an "I" after the 5650?

Casey Miller (2:48 PM): its 5650 there is no 1 its a mistake

Greg's (2:48 PM): so it is 5650 West Market Street?

Casey Miller (2:48 PM): yeah

Greg's (2:49 PM): okay

Greg's (2:50 PM): i will write up a loan contract with you pledging the property at "5650 West Market Street, Fairlawn Ohio" as the property's address as collateral - correct?

Casey Miller (2:50 PM): yeah

Greg's (2:51 PM): after you get back - how long will it take you to get the money? you don't have a job right?

Greg's (2:54 PM): hello

Greg's (2:54 PM): are you there?

Greg's (2:56 PM): Casey? ? ? ?

She logged out on me. I think maybe someone either told her at the café that I was baiting her or if you look at the time, it was right at the top of the hour. This is a common "logout" time because they normally pay per hour at the café. It has been days and I haven't heard back yet so I decided to publish this as is. If she contacts me again, I will update this page...

Wait! This is not over yet! One week later, she contacts me again. Of course, she doesn't remember me at all, or the lies that "she" told me.
