From khar sandrine  
Abidjan, Ivory Coast

My Dearest one,

Permit me to inform you of my desire of going into business relationship with you. I am looking for a trust worthy person that I can do business with and by the recommendation of your email, I must not hesitate to confide in you for this simple and sincere business .

I am Khar Sandrine the only child of late Mr. and Mrs. willams Khar. My father was a very wealthy cocoa merchant in Abidjan , the economic capital of Ivory coast, my father was poisoned to death by his business associates on one of their outings on a business trip .

My mother died when I was a baby and since then my father took me so special. Before the death of my father on october 2007 in a private hospital here in Abidjan he secretly called me on his bed side and told me that he has the sum of Ten million, five hundred thousand United State Dollars. USD (\$10,500,000.00) left in fixed / suspense account in one of the prime bank here in Abidjan ,that he used my name as his only child for the next of Kin in depositing of the fund. He also explained to me that it was because of this wealth that he was poisoned by his business associates. That I should seek for a foreign partner in a country of my choice where i will transfer this money and use it for investment purpose such as real estate management or hotel management .

Dear, I am honourably seeking your assistance in the following ways:

- (1) To provide a bank account into which this money would be transferred to .
- (2) To serve as a guardian of this fund since I am 22years.
- (3) To make arrangement for me to come over to your country to further my education and to secure a resident permit in your country.

Moreover, Dear, i am willing to offer you 15% of the total sum as compensation for your effort/ input after the successful transfer of this fund into your nominated account overseas. Furthermore, you indicate your options towards assisting me as I believe that this transaction would be concluded within (4) days you signify interest to assist me. Anticipating to hear from you soon.

Thanks and God bless.

Best regards,  
Khar Sandrine

I understand your plight – I heard that Africa is a horrible place with horrible people. I don't blame you for wanting to leave that disgusting, vile place. I still don't understand why you need me? What is stopping you from withdrawing your money and leaving that terrible country all by yourself??? Are you simple? Being 22 years old is being an adult – can't you take care of yourself? Please answer these questions because your little tale doesn't really make a lot of sense.

Thomas

Dear ,  
Thanks you for your reply.

My dear ,I am writing,seeking your assistance to help me in receiving into your personal or company account the sum of \$10.5million for investment purpose . The money is my natural inheritance from my late father deposited in a commercial bank here in a fix /suspense account.The money was made for transfer abroad before his untimely death.

Brief introduction of myself .I am Miss Sanderine Khar 22 years, the only child of my late parents, Mr.and Mrs Joseph Khar of the blessed memory.I was a part two student in the university before my father died,while my mother died when i was a little child. It was before my father finally gave up the ghost in the hospital here in Abidjan Cote d' Ivoire that he secretly called me on his bed side and told me that he has the money left in fixed / suspense account in one of the prime bank here in Abidjan,that he used my name as his only child for the next of Kin in depositing of the fund. He also explained to me the circumstances that lead to his death.

I am presently hiding in a private guest house for security reasons which i will explain to you later but the main reason is because of the circumstances that surrounded my father's death.I am here waiting for the transfer of this money so that i will leave and meet with you in your country.

Right now, there is political instability going on in Cote d' Ivoire lives and properties are not safe so I am desperate to leave here alive .You can listen to most world news and understand what i am telling you. What you should do for me is to receive the money from the bank here to your account, invest and manage it for me until certain period while I continue my education. I want you to know that the transaction is 100% risk free and legal.I am offering 15% of the total money once it arrives into your account while the rest will be for investment into a lucrative business which you will be the overseer.

I enormously require your assistance so that my father's wish and instructions to me will be archived and i will have a settled life in a country where there is respect for human being and rule of law respected . In the conclusion of this my message,i will want you to reply me immediatelly by furnishing me your full name ,address so that i will apply for the transfer at the bank.

Expecting to hear from you so that i will know my position.  
Thanking you again .

Yours,  
Sandrine

Thanks for your reply.

Right now, the money is in a fixed/suspense account at the Commerce Bank, Abidjan - Cote d'Ivoire. I have informed the bank that I want the money transferred abroad and they said it will be done if I apply and provide a receiving account. They said, as I am the next of kin, I have to write a formal letter to the bank requesting for the transfer of the money before they can honour the transfer and I have to include the information of the receiver in the application.

So I need you to send me your address and phone number so I can put them in the application to the bank to transfer the money to you. Please send the information in your next reply so I can make the application immediately. I am expecting your return email with the requested information. Thank you so much once again.

God bless you.

I emailed you at least five times without an answer and you are finally getting back to me now, you stupid whore???

Thomas

\*\*\*\*\*

Interjection – I don't know if my name-calling had anything to do with this or if it was her modality or set up over there, but it would take days for her to get back with me after one email. There are only a few emails here back and forth and we have already been doing this for about two months. After the last email I sent, I did not hear from her in over three weeks, until she sends the "Resurrect Letter".

ACCEPT IT WITH JOY

Dear Thomas,

I'm happy to inform you about my success in getting those funds retrieved and transferred under the cooperation of a new partner from SAUDI-ARABIA with the help of my pastor's friend who is related to the Saudi-Arabia Ambassador to Cote D'Ivoire. I'm moving this night to Saudi-Arabia to continue a new life and then start up the investment projects with my new partner.

Meanwhile, I did not forget your past efforts and attempts to assist me in retrieving and transferring those funds despite that it failed us some how, God knows why your effort did not yield success and this notwithstanding will not make me to forget you.

I dropped a cheque of US\$500,000.00 with our church Pastor to give to you when you confirm your mailing information to him. I would have send it to you myself but because of time as my partner was hurrying to go back to Saudi-Arabia with me. Please accept it in good faith and with cleanness of mind and feel free to get in touch with the pastor immediately to demand for the cheque which I made in your own name.

Below is name and contact information of the pastor:
