

Wacky Cobacki

Another scambait where the refugee kids need a complete stranger to access their millions. I try going a few different directions in this, but end up just trying to teach these fools a lesson. To prevent me from coming to Cote D' Ivoire, this jackass tells me that if I had this business in person it will cost me \$12,000.00, by if I HIRE a financial attorney to do it for me, then it will only cost \$3,000.00. What a penis!

PLEASE COME FOR OUR RESCUE.  
WE ARE THE CHILDREN OF LATE SYSVESTER KEVIN.  
ADDRESS: AVENU 12 RUE 47 ABIDJAN  
DANANI REFUGEE CAMP, ABIDJAN  
REPUBLIC OF COTE-D'IVOIRE

Dear,

We are Vivian and Steven the children of Late Sysverster Kevin the former Director of military intelignce and special acting General Manager of Diamond mining coperation in my country. We are contacting you to seek your good assistance to transfer and invest US\$20,500 000 00 million belonging to our late father which is deposited in a bank here in Abidjan.

The money is revenues from solid minirals and dimonds sales which were under my fathers possession before the civil war broke out. Following the break out of the war, almost all government offices,coperations and parastatals were attacked and vandalized. My country was loothed and burnt down to ashes,and diamonds worth millions of dollars was stolen by the rebel military forces who attacked our fathers office, many top government officials and senior army officers were assasinated and our father was a key target because of his very sensitive military possition and appointment in my country. Regreatably, our father was captured and murdered along with his brother in cold blood during a mid-night rebel shoot-out when our official residence in freetown was armbushed by Fodey Sanko the notorious rebel leader.

Our mother sustained severe bullet injuries which resulted to her untimely and painful death in a private hospital here in Ivory Coast.

Now we are alone in a totally strange country without parents, relatives or any body to care for us at our tender ages. Before our mother died, she told us that our father deposited some money which he made from diamond sales and contracts in a bank here in Ivory Coast and that we should pray and find a trust worthy foreign business partner who would help us to transfer and invest this money in profitable business venture overseas.

She told us to do this quickly so that we can leave Ivory Coast and then settle down abroad. She gave us the bank document to prove the deposit and then told us that our father used my name as the only daughter to deposit the money in the bank.She told us that this is the reason why we came to Ivory Coast. My mother died after. May her spirit rest in perfect peace.

I have gone to the bank to make inquires about this money and I spoke with the Manager of International remittance who assured me that everything is intact and promised to help us transfer this money to my fathers foreign partners bank account as soon as we provide our fathers partners foreign bank account for them. However, the manager is very concerned because of our age. I am 22 years why my younger brother is 19 years and as such advised that we should look for a matured person that will represent me at the bank.

If you are willing to assist us, please let us know immediately so that you will arrange the transfer of the money to your account with the bank. Please note that we will offer you 10% of the total money as compensation for your noble assistance in accordance with my late mother's advice. I am interested in any profitable commercial venture which you consider very good in your country and you would also get a school for me and my little sister so that we can finish our college education.

Please there is urgent need for the money to be transferred to your account because of the political crises they are having in Ivory Coast now. We are hoping to hear your urgent response so that we will not look for another person. Thank you and may God bless you and your dear family. I wish to hear from you.

Yours sincerely  
Vivian and Steven

I really don't understand what you are asking me to do. Where did you get me email address from? Do you always contact random people from the internet to handle your financial dealings? Your parents would be so proud...If they weren't feeding the worms as we speak, of course.

\*\*\*\*\*

Dear Sir,

Thank you for your message. Yes we changed email box because it is not allowing us to send out mail to your mail box, that is why we changed it and we have gone to the old box, there is nothing inside it. Please we are still waiting to receive your details so that we can go and submit it to the bank and introduce you as our foreign beneficiary who is going to receive this fund into his account.

Please we are waiting to read your mail and God bless you.

yours sincerely

\*\*\*\*\*

Okay, so when you don't hear from me when you are using a new email account that I know nothing about because you never told me, your first instinct is to whine a gripe about what the problem is because you haven't heard from me? Weird...

Dear Sir,

Yesterday, we forgot to send our pictures together to you. Please don't be annoyed.

We wait to receive your mail and God bless you.

Yours sincerely  
Vivian and Steven

Yes, this is how this picture came. If you look on his shoulder, it looks like he is wearing a Security Guard uniform. It is definitely a uniform of some sort, kind of weird, seeing that he is the heir to millions from his rich father. I guess his dad wanted to give him some "real world" experience.

\*\*\*\*\*

I already gave the bank my banking information and I am waiting to hear back from them. Thank you for the pictures – they were quite nice. Is your sister seeing anyone? How old is she?

\*\*\*\*\*

Dear Sir,

Thank you for your message. I and my brother are happy to hear that you have heard from the bank, please try and update us and follow the bank instructions until the bank transfers this money into your account.

Waiting anxiously for your anticipated corporation and God bless you.

Yours sincerely  
Vivian and Steven

He found a new pic to send. Instead of a Security Guard, I guess he is a waiter.

\*\*\*\*\*

Dear Sir,

Thank you for your message. I am just 19 yr old but I do not think you are too old for me. please when the bank will do the transfer into your account? Try to update us so that we can arrange our travelling documents to join you there in your country.

We wait to hear from you and God bless you.

Yours sincerely  
Vivian and Steven

\*\*\*\*\*

You are 19? Oh, I'm sorry, I thought you were much younger. I will have to look for a wife elsewhere that I can shower with expensive gifts, love, and everything else that this world can offer. Too bad though, because if you shaved your mustache, you could be pretty hot. I have heard from the bank and will let you know when we have finalized everything.

We waits to hear from you and God bless you.

Yours sincerely  
Vivian and Steven

\*\*\*\*\*

\*\*\*\*\*

Dear Sir,

the bank have not told us that you are coming to this country.We will like if you can assit us to come out from the refugege camp first before coming to the country so that we will come and wait for you in the airport.From then,we take to the bank and introduces you official as our late father foreing beneficiary who came because of me and my brother.If you come while we are still in camp,who will direct you to the bank and where we are.Please we need your help first .

We waits to hear from you and God bless you.

Yours sincerely  
Vivian and Steven

\*\*\*\*\*

That's okay, I would rather rescue you from refugee camp myself. Think of me as a knight in shining armor. Maybe if any of your decrepit friends, say in the 12-14 age range, would like rescued as well, then we can work something out. I will let you know when I finalize my travel arrangements and I can't wait to see you with my own eyes.

Talk to the banker – everything is all of his fault...

\*\*\*\*\*

The first set of emails between me, Vivian, and Kevin (Kevin talked first, then Vivian took over when I became smitten with her), took place when I was talking with the banker as well. It was easier to group them together for documentation and clarity here.

WE HAVE RECEIVED YOUR MAIL AND NOTED WHAT YOU SAID ? I PERSONALLY DO NOT SEE ANY HASSLES IN YOUR CONTACTING A FINANCIAL ATTORNEY THAT WILL OBTAIN THE LEGAL DOCUMENTS FOR THE SMOOTH SWIFT WIRE TRANSFER OF YOUR FUND INTO YOUR ACCOUNT.

WE CANNOT GUARANTEE YOUR SAFETY OF COMING HERE DUE TO THE POLITICAL CRISIS THAT HAS ENGULFED THIS COUNTRY FOR MORE THAN SIX YEARS WHICH SO MANY LIVES HAS BE LOST.

IF YOU WANT TO COME HERE WE DO NOT HAVE ANYTHING TO DO WITH IT BECAUSE THE SAFETY OF FOREIGNERS COMING HERE NOW IS NOT GUARANTEED AND WE CANNOT TAKE SUCH RISK.

THE ONLY OPTION IS FOR YOU TO LIASE WITH YOUR ASSOCIATE PARTNERS MISS VIVIAN KEVIN AND STEVEN TO KNOW HOW THESE DOCUMENTS WILL BE OBTAINED AND PRESENTED TO US FOR THE IMMEDIATE WIRE TRANSFER OF YOUR FUND.

YOUR MAIL HAS BEEN RECEIVED AND YOU'RE QUESTION WELL UNDERSTOO. HOWEVER AS A FOREIGNER WHO IS APPEARING IN PERSON FOR HIS FUND TRANSFER THE MINISTRY'S INVOLVED SEE IT AS A KIND OF SABOTAGE TO THE ECONOMY OF THE COUNTRY AND THEREFORE CHARGE HIGHER THAN WHEN A FINANCIAL ATTORNEY STANDS ON YOUR BEHALF TO OBTAIN THESE DOCUMENTS.

WHEN I FIRST INTRODUCED YOU TO THE FINANCIAL ATTORNEY I KNOW WHAT I WAS DOING AS THE POOR GIRL AND THE BOY NARRATED THEIR SITUATION TO ME AND ASKED ME TO PLEASE GIVE THEM WHATEVER ASSISTANCE I CAN TO MAKE SURE THE FUND IS TRANSFERRED OUT FROM HERE.

IT WAS BASED ON THIS I MADE UP MY MIND TO GO THROUGH THE CHEAPEST WAY TO SEE YOU RECEIVE THE FUND. FOR THE MINISTRY OF FINANCE TO ISSUE YOU THE CERTIFICATE OF THE OWNERSHIP OF THE FUND THEY WILL CHARGE NOT LESS THAN \$5000.00 PLUS AS WELL AS THE AS THE ATTESTATION OF THE ORIGIN OF THE SOURCE OF THE FUND BY THE MINISTRY OF JUSTICE WHICH WILL COST MORE THAN \$5000.00 AS WELL.

IT IS THE REMAINING TWO DOCUMENTS THAT I KNOW WILL COST LESS WHICH WAS CALCULATED TO AMOUNT TO THIS \$12000.00 PLUS.

YOU ARE APPEARING HERE IN PERSON AND IT MUST SURELY RAISE A KIND OF EYE BROW WHICH I KNOW THE MINISTRY'S INVOLVE MIGHT EVEN IN SOME CASES REFUSE TO GIVE THE DOCUMENTS IF THE QUESTION THEY WILL PUT TO YOU ARE NOT WELL ANSWERED TO THEIR SATISFACTION.

IT HAS NOTHING TO DO WITH BANK BUT THE TRUE POSITION OF THINGS TO ACTUALISE YOUR FUND TRANSFER INTO YOUR ACCOUNT.

ATTN ; MR CALVIN HOBBS

THERE IS ONE IMPORTANT FACTOR YOU HAVE FAILED TO UNDERSTAND IN THIS TRANSFER BECAUSE THE WAY YOU SOUND MOST OF THE TIME LOOKS AS IF YOU ARE QUARELLING WITH ANYBODY.

I AM A STAFF OF A BANKING INSTITUTION THAT HAS THEIR RULES AND REGULATION WHICH IS BINDING TO US UNDER THE ETHIC OF THE BANKING INSTITUTION AND OUR OATH OF OFFICE.

I TRIED MAKING THINGS EASY FOR YOU BUT YOU DID NOT SEE IT IN THE SAME WAY WITH ME AND OPTED TO CO DOWN HERE YOURSELF WHICH I HAVE INFORMED WHAT IT WILL TAKE YOU AND NOTH9NG MORE . IF YOU ARE GPOING THROUGH THE SERVICE OF A FINANCIAL ATTORNEY THIS WILL NOT COST YOU MORE THAT \$2850.00 OR aT WORST \$3000.00 TO GHET THESE DOCUMENTS ISSUED IN YOUR NAME AND YOU HAVE YOUR FUND TRANSFEREED TO YOU.

I AM NOT THE ONE TO TELL VIVIAN AND THE BROTHER TO LOOK FOR ANOTHER PERSON BECAUSE IT WAS THEM THAT INTRODUCED YOU TO US AND YOU HAVE TO FINALISE WITH THEM TO KNOW THE BEST THING TO DO. MY DUTY IS TO ATTEND TO YOU AS THE BANK ETHICS DEMANDS.

YOURS IN SERVICE

Either way, I am done with this since you are trying to take advantage of me just because I am rich and good looking - don't contact me anymore and I'm sure the kids will figure it out sooner or later. No where on earth do four documents cost \$12,000.00 and it is obvious that you are trying to take advantage. And your explanation of why it would be more is complete BS. The kids will have to fend for themselves. That is unless they die of starvation or disease or something like that...

You should be ashamed of yourself...

That was it – no other word from either of them...I punished this idiot for his attempt to handle this by Western Union (even though it wasn't brought up. Scammers would rather just sit back at their computer and rake in the dough so you have to throw some exceptions in there. And it's always nice for them to think that they have a live one on the hook, only to be ruined by their own stupidity and greed. This fool has to be thinking, "What do I do that for?" I may hear from them under a whole new scam in the near future!
