

Working Boy With Dressing

I talked to this fool before briefly and whenever a chat started, she ended up getting disconnected so I didn't even save the chat sessions. Watch how I turn this around and have him believing that I am another scammer from Nigeria, working in the United States.

Greg's (9:31 AM): So if you sell Designer clothes in your store why would you sell clothes for black people as well? You had better lock up all of the expensive clothes or the black people will steal them...

went2call@yahoo.com (9:37 AM): i see..

Greg's (9:37 AM): yes, they are 11% of the population but commit 80% of the crime

Greg's (9:37 AM): how sad is that - they are all thieves and beggars

went2call@yahoo.com (9:38 AM): thats suck

Greg's (9:38 AM): I don't know why you would want them in your store

Greg's (9:38 AM): they have no money and all they do is steal and kill people

went2call@yahoo.com (9:40 AM): have been selling for few black that lives around and they are responsible
Greg.am scared now.

Greg's (9:40 AM): You said your store wasn't open yet and you don't even have a name – remember?

went2call@yahoo.com (9:40 AM): no.

went2call@yahoo.com (9:41 AM): its close and its has security alart

Greg's (9:41 AM): Yeah, you should move your store if it's around a black neighborhood - you'll get robbed

Greg's (9:42 AM): and if you want my advice, don't buy African clothes to sell - you don't want those people
in your store – they will just steal and smell up the place.

went2call@yahoo.com (9:42 AM): i will see what i can do about that..

went2call@yahoo.com (9:43 AM): i wish i can just go home now.. am missing the beach..

Greg's (9:44 AM): yeah, that was a stupid decision to go to Africa to buy clothes to sell - who gave you that
idea?

went2call@yahoo.com (9:45 AM): have been coming ..this would be the 4th time

Greg's (9:45 AM): You have been there four times to buy African clothes and you store isn't even open yet?

went2call@yahoo.com (9:46 AM): well i decide to do the business when i first open my store and some black
ladies came in my store and ask for some african materials,they ask i could be geting them and sell for
them..and i tried it and found it cool..u know.

went2call@yahoo.com (9:47 AM): no i have been selling but when ever i want to travel for the shopping i
close it..

Greg's (9:48 AM): You told me 3 weeks ago that you weren't open yet – and because a few big black mamas
came into your closed store without a name and requested monkey dresses, you jumped on a plane to go get
some? Ever hear of the internet and getting stuff shipped to you, brainiac?

went2call@yahoo.com (9:50 AM): did i lol.. have been making few dollars..lol i have been working with the
