

Alien Dreams

Another short bait where the scammer couldn't take a little good-natured ribbing. All I did is make fun of his silly looking "official" documents...

Those are the silliest looking documents I have ever seen!

Are you suggesting that they are real?

Debbie

\*\*\*\*\*

I think you are the most poorest minded being I have met. Are you an alien? from which planet? How do you reason? abosolutely out of this world!

\*\*\*\*\*

You send me those silly-looking fake documents and you want to know if I am an alien? LOL. Is that what you think real official documents look like? Maybe if you ever open a real bank account for yourself, you would realize how stupid they look. I had a feeling this was a scam from the beginning, but now I'm sure because of those funny documents you sent. Do you like begging for money?

Debbie

\*\*\*\*\*

Do you have a cent in yuor account? I know you are the most useless citizen of your conuntry, smoking coke with your company money, very soon your employer weill laid off. Stupid Idiot!

\*\*\*\*\*

Black monkeys are so funny! You spend your days trying to steal from us, because you are too stupid and lazy to get a real job. Why do all black monkeys steal? Is it in the blood? In my country, black monkeys comprise of 15% of the population but commit 80% of the crime so I can imagine how bad the crime is in your pathetic nation of Gambia. Doesn't 80% of your country have AIDS??? I also read that half of the country lives below the poverty line. I'm sorry you are a poor, diseased, uneducated beggar. Your parents must cry a lot in shame...That's assuming they are not sitting next to you in the Internet Café, attempting to steal from innocent people as well.

Monkey wanna banana?

\*\*\*\*\*

U GONNA DI AND U BIG FOOL.

\*\*\*\*\*

Hello beggar. I am sorry you are a thief and too stupid to find a job. If there is anything I can do for you, just let me know.

Debbie

\*\*\*\*\*

He took offense to my making fun of his documents, so I just let him have it. I could have dragged it out, but I have a lot going on at one time...
