

Boiling Over

This chat scambait is appropriately named because I go over the top on this fool a few different times over some very silly things she says. She begs and pleads for my forgiveness. I need to lighten up a bit!

Coleen James (10:18 AM): its my dream to own a house for myself

Greg's (10:19 AM): are houses pretty expensive in England?

Coleen James (10:19 AM): pretty

Coleen James (10:19 AM): just a bit

Coleen James (10:20 AM): but dont know about yours there

Coleen James (10:22 AM): are you there>?

Greg's (10:22 AM): yes

Greg's (10:22 AM): It's the right time to buy - home prices are really low as well as interest...

Coleen James (10:23 AM): are you married?

Greg's (10:24 AM): why would I be on a dating site if I was married?

Coleen James (10:25 AM): so you are not married

Coleen James (10:25 AM): just about to ask you what you looking for in here

Greg's (10:27 AM): I looking for an intelligent, career- driven independent woman - I guess that is too much to ask, huh?

Coleen James (10:27 AM): yes

Coleen James (10:27 AM): am looking for a husband here too

Coleen James (10:29 AM): are you there?

Greg's (10:29 AM): yes

Greg's (10:29 AM): I am working as we chat - don't panic...

Greg's (10:30 AM): what do you do for a living?

Coleen James (10:30 AM): i do sales and marketting

Greg's (10:31 AM): for what company?

Coleen James (10:32 AM): self employed

Greg's (10:32 AM): what do you mean by that - lol?

Coleen James (10:33 AM): i do it by myself

Coleen James (10:33 AM): i learnt from my late parents

Greg's (10:34 AM): I know what self-employed means, nub, I meant what do you sell and market on your own?

Coleen James (10:34 AM): art works

Coleen James (10:35 AM): paintings

Coleen James (10:36 AM): u there?

Greg's (10:37 AM): yes, I'm here...

Coleen James (10:37 AM): you not talking

Greg's (10:37 AM): I am at work - if I don't answer immediately, be patient...

Coleen James (10:38 AM): ok

Greg's (10:38 AM): I can chat and get work done, so don't panic...

Coleen James (10:38 AM): no problem

Greg's (10:38 AM): so you sell and market paintings? do you paint them?

Coleen James (10:39 AM): painters do them for me

Greg's (10:40 AM): so you are like an agent or broker?

Coleen James (10:40 AM): yes

Coleen James (10:41 AM): you get it

Greg's (10:41 AM): do you make a lot of money doing this?

Coleen James (10:42 AM): just a bit

Coleen James (10:42 AM): you know i need to survive

Coleen James (10:43 AM): since i have nobody to cater for me

Greg's (10:43 AM): just a bit? What's that mean? Like how much a month do you make doing this? Sorry, I'm just curious...

Coleen James (10:44 AM): ok

Coleen James (10:45 AM): i make about 5000 monthly

Coleen James (10:45 AM): you there>?

Greg's (10:46 AM): I'm here

Coleen James (10:46 AM): why are you asking these questions?

Greg's (10:46 AM): Damnit, would you give me second to answer

Greg's (10:46 AM): what do you mean why am I asking - I was curious...

Coleen James (10:47 AM): no just asking

Coleen James (10:47 AM): are you angry with that?

Greg's (10:48 AM): just didn't know what a job like that would pay - I'm not angry - just getting annoyed when you ask if "i am here" if I don't answer in two seconds...

Coleen James (10:48 AM): ok

Coleen James (10:48 AM): am sorry

Coleen James (10:49 AM): my apology

Greg's (10:49 AM): that's pretty good money you make doing that - I will admit that

Coleen James (10:49 AM): thanks

Greg's (10:49 AM): so why can't you buy a house?

Coleen James (10:50 AM): i will pay tax, pay painters

Coleen James (10:50 AM): whats left?

Coleen James (10:50 AM): but i will still own a house

Coleen James (10:51 AM): just dont want to be impatient

Greg's (10:52 AM): what do you mean pay painters? So the \$5000 does not include returning the money to the painter?

Coleen James (10:52 AM): sometimes i buy readymades

Greg's (10:54 AM): So when you said you make \$5000/month - that's just the gross amount you bring in, without subtracting expenses - so it's not what you make a month, right?

Coleen James (10:54 AM): yes

Coleen James (10:55 AM): depending on sales rate

Coleen James (10:55 AM): and demand

Greg's (10:56 AM): you should hire an Accountant to work for you, because it seems you don't know a whole lot about finance. Or about anything else. May help your business a bit.

Coleen James (10:56 AM): can you help me with that?

Greg's (10:57 AM): teach you finance?

Coleen James (10:57 AM): can you?

Greg's (10:58 AM): LOL - I suppose...

Coleen James (10:58 AM): ok

Coleen James (10:58 AM): teach me

Greg's (10:58 AM): one sec

Coleen James (10:59 AM): ok

Greg's (11:00 AM): okay - sorry

Coleen James (11:01 AM): no problem

Greg's (11:03 AM): so what do you want to know about finance - how about when someone asks you what you make a month, that this means the NET Amount, which means subtracting Cost of Goods Sold, and any other expenses, excluding taxes...

Coleen James (11:03 AM): ok

Coleen James (11:03 AM): am with you

Greg's (11:04 AM): Who does your accounting now?

Coleen James (11:05 AM): you mean?

Greg's (11:06 AM): If you have a Business, you have to account for it and file the forms with the government - who does this now?

Coleen James (11:08 AM): the painter does that

Greg's (11:09 AM): no - you have to account for your gross income, expenses, wages, etc. to determine your NET and the associated taxes...

Coleen James (11:09 AM): ok

Greg's (11:09 AM): the painter has nothing to do with your income or accounting...

Coleen James (11:10 AM): i will do that then

Greg's (11:11 AM): how long have you been doing this?

Coleen James (11:11 AM): less than 6months now

Coleen James (11:12 AM): since i lost my parents

Greg's (11:12 AM): so how do you pay taxes if you don't account for your own business?

Coleen James (11:13 AM): the painter do that

Greg's (11:13 AM): you are obviously not too bright – hold one sec again - brb

Coleen James (11:13 AM): am looking for another job though

Greg's (11:16 AM): okay - had to run to the bathroom

Coleen James (11:17 AM): ok

Coleen James (11:17 AM): are you through?

Greg's (11:17 AM): going to the bathroom? yes, I am through or I would be sitting in a warm puddle...

Coleen James (11:18 AM): ok

Greg's (11:19 AM): Good thing you haven't been doing this long or you would probably be in jail

Coleen James (11:20 AM): thank you so much

Greg's (11:21 AM): no problem...

Greg's (11:22 AM): I hope your parents didn't teach you that part of the business

Coleen James (11:22 AM): not much thats the am looking for another job

Coleen James (11:22 AM): but i like it

Coleen James (11:23 AM): maybe i will learn more about it

Greg's (11:24 AM): okay...

Coleen James (11:25 AM): thank you so much
Coleen James (11:25 AM): its nice meeting you
Greg's (11:25 AM): u too
Coleen James (11:25 AM): ok
Coleen James (11:26 AM): what time is it there ?
Greg's (11:26 AM): 11:26
Greg's (11:26 AM): almost lunchtime...
Coleen James (11:26 AM): ok
Greg's (11:29 AM): I better get back to work here - nice chatting with you - don't forget everything about me next time we chat...
Coleen James (11:29 AM): ok
Coleen James (11:29 AM): when nxt are you gonna be online?
Greg's (11:31 AM): I am usually online 9:00AM - 5:00PM EST while I am at work - I can chat if I'm not too busy
Coleen James (11:31 AM): ok
Coleen James (11:31 AM): i will be oping to chat with you later
Coleen James (11:32 AM): take care fo yourself
Greg's (11:32 AM): bye

Pretty funny first chat. I like how she amended the amount she made, \$5000.00/month down to having to pay painters, taxes, etc. – after all, can't make too much money if you are going to beg like a dog later.

----- Our chat on Wed, 10/6/10 11:56 AM -----
