

Confession In Confidence

I have dozens of email addresses that I bait from and one thing I do on occasion is when I get a lot of scam emails, I will go through and send each a standard response just to see if I can get a reaction. The standard response varies, but this one was the "Why do all..." - I apologize for this racist comment - I do this only in the course of scambaiting to get under their skin. Normally I just get cursing or no response at all, but this one breaks down and confesses right from the start.

Dearest in the lord

I am Confidence Smith from Australia.,remember dearest one,children of god is every where,and the wicked shall never go on punish.i am married to Mr.Allban Smith who worked with Kuwait Embassy in Ivory Coast for nine years before he died in the year 2006. We were married for eleven years without a child. He died after a brief illness that lasted for only four days.

Before his death we were both born again christian. Since his death I decided not to remarry or get a child outside my matrimonial home which the Bible is against. i am 46 years of age now,When my late husband was alive he deposited the sum of \$8.5 Million (eight.five Million U.S. Dollars)in the Bank here in Abidjan.

Recently, my Doctor told me that i have serious sickness which is cancer problem. The one that disturbs me most is my stroke sickness.Having known my condition I decided to donate this fund to a Church or individual that will utilize this money the way lam going to instruct herein. I want a church or organization that will use this fund for orphanages, widows, propagating the word of God and to endeavor that the house of God is maintained. The Bible made us to understand that.

Blessed is the hand that giveth, I took the decision because I don't have any child that will inherit this money and I don't want my husband's efforts to be in vain. I don't want a situation where this money will be used in an ungodly way. This is why I am taking this decision. I am not afraid of death hence I know where I am going. I know that I am going to be in the bosom of God. In the book of the holy Bible, that the lord will fight my case and I shall hold my peace and i know with this development With GOD all things are possible. As I want you and the Church to always pray for me because God is my saviour all the time.

My happiness is that I lived a life of a worthy Christian life. Whoever that Wants to serve God must serve him in spirit and Truth. Please always be prayerful all through your life.any delay in your reply will give me room in sourcing another organization or individual for this same purpose. Please assure me that you will act accordingly as I Stated herein.

I will like you to send your personal informations,so that the changing of ownership can be carry out on behalf of you as the next beneficiary,next of kin,because i want this money to get to you before i die ok.i am in the hospital now.please get intouch with me with the hospital number on. I thank Dr Toure Kofi for providing me with her laptop computer in my ward to contact my well wishers. Dearest one,i am in pains right now,but i pray that this money should get to you before i die.our God is good all the time.

Why do all black people beg and steal?
Why are all black stupid and smelly?
Why do all black people have sex with goats?
Why are all black people lazy and dirty?
Why do all black people eat from trash cans?
Why are all black people too stupid to get a real job?

Thanks for your questions, Please why all blacks are like this is because of bad government, So people are suffering and dieing in hunger. because of that, every body is looking for a way to survive. My self if i can trick some one who can give me upto \$2000 i will stop this useless job and manage my self with it. I will use it to start up a business i was trained for not this shame job. I don't know if you can be of help?

Thanks for your question and hope this is my answer.

Are you sure that it's not because all blacks are lazy and stupid and are evil? You are pathetic – just like a black person to blame it on something else. If you killed yourself the pain would go away and you would help to make the world a better place. Think about it, fool.

James

I don't know if you or me is a fool because someone can send u mail and u don't know him or her u just jump inn to eat where u did not plant any food. By doing that if you are been told you are a fool, you don't have to blame blacks. u monkey Bananas calling ur self sharp beans.

Typical scammer reply - they think they are not guilty of anything because it if wasn't for the "greed" of the victim, then they wouldn't have gotten scammed.

I work 5 days a week, every week, of every month.

I earn money honestly and legally.

You lie and beg money from white people.

Who is the fool here?

James

Really i don't know who is the fool. may be God can tell but for me condition is what am facing here

Thanks

We both know who the fool is – it is you.

You blame everyone else because you are a poor stupid beggar.

You lie and steal and don't care who you hurt.

Don't even talk about God because you will burn in Hell

let me belive you. I am the fool. Now can we be friends? and forget the this because i am ashamed of my self.

hope to here from you. you can call me on my mobile +225-04198477
