

Diseased And Assist II

I had so much fun baiting this idiot the first time that I re-baited him again under a different persona. I see that in the new bait, he lowered his prices (\$350 to \$280). Diplomat Charlie played a more prominent role in this re-bait than in the first one, so I included his chat session at the end. I will get this moron again, but I will have to wait a little while because he will be expecting it.

To Your Kind Attention!!!

First and foremost I want to introduce myself to you. My Name is Daniel Ramsey Son to Late Dr. Samson Ramsey. I am 17yrs old Boy and my Sister is 14yrs. We are From Liberia Our Father was killed by the some rebels during the war Crisis in Liberia. So we ran to Nigeria for our security and we are now in Refuge Camp.

My consignment contains \$35 million United States dollars and some quantity of gold and Diamond, which I cannot specify. The consignments are presently in the STATE (USA). The consignment gets to the State through the help of a U.N diplomat Diplomat Charlie Owusu. The fact is that Mr. Charlie Owusu is supposed to have delivered this consignment to Miss Jennifer Macdonald in the USA.

The week Mr. Charlie Owusu was suppose to deliver the consignment to her,when he got to the State after clearing the consignment from the Airport, he call Miss Jennifer Macdonald to tell him the description to her house for the delivery, but her House Helper answered the call and told Mr.

Charlie Owusu

that Miss Jennifer Macdonald had a fatal car accident which lead to her death some few hours ago.

Miss Jennifer Macdonald has already paid the demurrages from the security company, and she paid for custom check report she also assisted us in getting the DRUG / ANTI TERRORIST CERTIFICATE, which is so expensive that she spent 25 thousand dollars to acquire it, but unfortunately she died in a car accident, that was why Mr. Charlie Owusu has to deposit the consignment with a ware house over there in the State and called us to informed us about what is happening.

Please my sister and I seek for you to stand as our Beneficiary / God Loving Parent to get in contact with the Diplomat so that he can be able to deliver the Consignment to you. You can call us on +234 7059 1097 91

Please, Contact Mr. Charlie Owusu on time and get back to me . I await your urgent response via our personal email

Thanks and God bless you

[Are you talking to the right person? Why are you calling me dad? I will contact the diplomat, but I really don't know what to say to him.](#)

[Greg](#)

Hello,

We been so worried about you, i have gone to the high court to find out what it will cost to change the document to your name and they told us it will cost the sum of \$280. Please do get back to us ASAP so we can send you the information to send us the funds.

God bless and we hope to hear from you soon.

Your kids
DanielandMary

I spoke with the Diplomat and he said I had to talk to you for some reason.

Greg

(The Diplomat informed me that I had to get a name-change document - \$280.00)

Thanks for your Email with information's.

Here is what I have just discovered while going through the documents backing up the delivery of the consignment to you. I want you to understand that the Names on the Document are not bearing your names; rather they are bearing Late Miss Jennifer Macdonald. So you need to make the change of the Names on the Document to your Names before I can be able to make any Delivery to you for Legal reason.

I want you to contact your Children to reach with my secretary to go to the High Court of Justices in Kaduna-Nigeria to seek what it will take to get a Sub-sequence Power of Attorney and Affidavit to make the Names change to your Names. Do make sure you get it done as you are the new beneficiary, then we can proceed. Because it will give me the legal right and it will enable me to bring the consignment to you without having any problem here in the State .

Immediately this is done, I will want them to send to me a copy of it and also a copy to you where by you are going to bring along with you to the airport. Once this is done, I am going to send to you my flight Info to meet with you now.

Best Regards
Mr. Charlie Owusu

What proof can you send me that this is real. My friend told me that a lot of times, these are scams from the internet. I will need to see proof as to what you say.

Greg

Hello Dad,

We received your email we have attached a copy of our pictures for you to see that we are not lieing.We hope to hear from you soon.God bless.

Your kids
DanielandMary

How exactly does a picture of two people I have never seen before proof that you are not lying? I would like to see concrete proof...

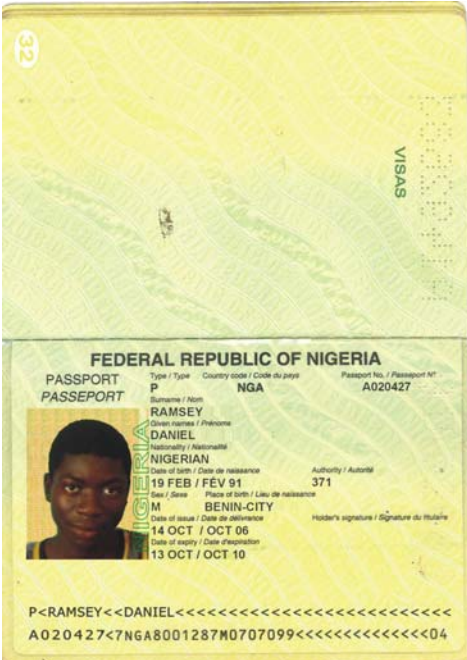

Greg

Hello,

We are not lining but been sincere to you and now we hope you are willing and faithful to help us out of this situation. Please see attached passport and we hope to hear from you soon.

God bless

Your Kids
Daniel and Mary

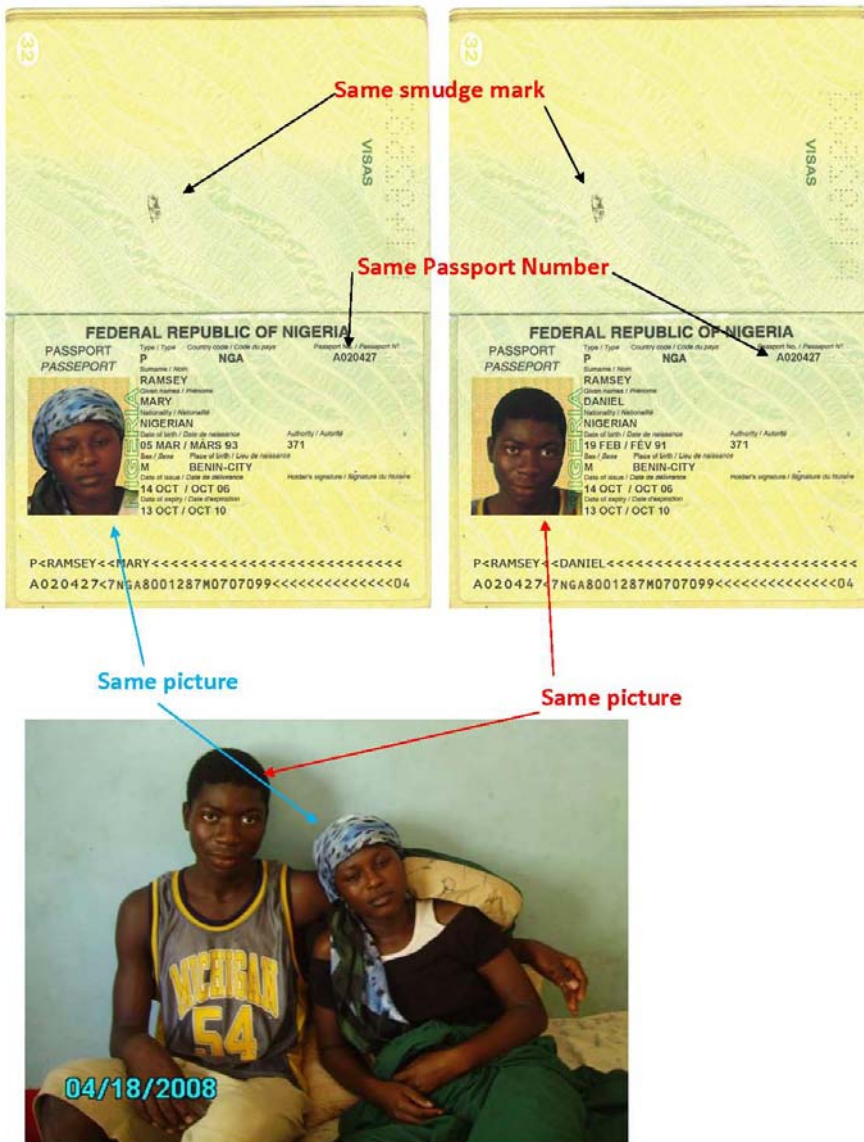

When I asked you for proof, I was asking for documentation from the bank (account statements, etc.), not your Passports. Why did you send me fake Passports?? It is obvious that the Passports you sent were from the same template, with some information changed and the heads from the picture you sent me cropped onto them. Why did you do this? I was willing to help you, and you go and do this. Why???

Look at the picture I sent if you want to know why I know they are fake passports.

I want you to explain to me why you did this or you can forget about me helping you anymore.

Greg

Dear Dad,

Please have mercy on us this is the only cloth we have and that is why it is the same on the picture and the

passport. We did not notice all these errors as you said we only paid someone to get it done for us and we were not aware of this. Please dad forgive us and help us. God bless you we hope to hear from you soon.

Your kids
Daniel and Mary

(He thinks it's just because I see them wearing the same clothes...)

It's not that you are wearing the same clothes, it is the same picture. You cut and cropped the picture from the photo onto the fake Passport. It is obvious.

Don't lie to me again because you didn't have someone get your Passport for you, you have to do that yourself at the State Office, so don't blame it on someone else. You knew what you were doing and I want to know why.

Greg

Dear Dad,

Good to hear from you please forgive us and help us we are truly sorry for what we did. Please forgive us and we hope to hear from you soon.

Your kids
Daniel and Mary

It's not about forgiving you; it's about wanting to know the reason why you tried to deceive me. I want to know why you lied.

Greg

Dad,

I am so anxious leaving here so I had to do it thinking when you see it you will make me believe and help us. Please I apologise again. I am truly sorry to hear it is human to forgive is divine.

Charlie Owosu (11:28 AM): wht is it?

Greg's (11:28 AM): "we give God the glory"

Greg's (11:30 AM): oh, sorry - didn't understand

Charlie Owosu (11:31 AM): wht did he do again this time

Greg's (11:33 AM): first he tried to tell me the only reason the pics looked the same were because that was the only clothes he owns - but it is obvious that they are the same pictures cropped and pasted onto the fake Passport

Greg's (11:34 AM): and then he says that someone else got the Passport for him so he didn't know about it - which is also a lie...

Charlie Owosu (11:35 AM): pls do not mind that little boy

Charlie Owosu (11:35 AM): let me handle it myself

Greg's (11:36 AM): he is 18 years old, he is not a little boy

Charlie Owosu (11:36 AM): he is still a little boy

Charlie Owosu (11:36 AM): compare to your age

Greg's (11:36 AM): i sincerely wanted to help them, but not if this is how he treats me

Charlie Owosu (11:38 AM): k

Charlie Owosu (11:39 AM): please i asked you in the name of God to forgive him

Charlie Owosu (11:39 AM): he was only been childish

Greg's (11:41 AM): that I do agree with - very childish - I just want to know why

Charlie Owosu (11:45 AM): i guess he was so happy and out of joy he fooled himself

Greg's (11:47 AM): I don't know, but until I get a reasonable explanation from him, I will not help him...

Greg's (11:48 AM): It just makes me mad, he professes that he would never lie to me, and he's lied 3 times already (that I caught)

Charlie Owosu (11:49 AM): okay

Charlie Owosu (11:49 AM): i am pleading on his behalf

Charlie Owosu (11:49 AM): pls have mercy on him

Charlie Owosu (11:49 AM): we all sin and lie in different ways

Charlie Owosu (11:49 AM): and God still forgives us

Charlie Owosu (11:49 AM): please forgive him

Greg's (11:54 AM): I'll wait until I speak with him...

This was with me and the "Diplomat" 4 days before the last email.

Greg's (12:09 PM): real quick - can I share something with you?

Greg's (12:10 PM): What I know about 419 Scammers...

1) Their spelling and command of the English language is terrible, like yours.

2) They always want you to use Western Union or Moneygram - no respectable bank or business uses this except for you.

- 3) They are always stupid, smelly, savages from that cesspool of a continent Africa, like you are.
 - 4) They pose as lawyers, bankers, and even Directors with the United Nations, like you.
 - 5) They quote God and religion a lot, even know they are going to Hell, like you are.
 - 6) They claim to be getting back at the "white man" for injustices done to them, but the truth is that they will steal from anyone of any race, religion, creed, and color, like you would.
 - 7) They often have sex with goats, monkeys, and their own parents, like you do.
 - 8) They are the lowest form of life on the planet and have the intelligence of a 5-year old retarded child, like you do.
 - 9) They strongly resemble gorillas but they smell even worse, like you do.
 - 10) They are rooted in evil - everything bad in this world comes from Africa - AIDS, crime, war, disease, poverty, hunger, savages - all from Africa. True, we in the USA have our share of these problems too, but they all come from the savages that our forefathers unfortunately brought to this great nation.
- Greg's (12:15 PM): are you there idiot? ? ? ?
- Greg's (12:22 PM): what is the matter Charlie?

This was the final chat with Diplomat Charlie – I was talking to him at the same time I was talking to Daniel. I dropped the bombshell on both of them at the same time. Charlie wouldn't not talk back to me after, but Daniel did...

daniel ramsey (12:24 PM): begger
Greg's (12:24 PM): I wish we would nuke it and rid the world of all of you
Greg's (12:24 PM): the world would be a better place without Africa
Greg's (12:25 PM): talk to you later - Its' been fun...

(I just love how he KNEW it was me all along – what an idiot! I loved making him beg for me twice)

You're not mad at me, are you, you pathetic thief? I thought it was pretty funny how you begged for me forgiveness and for money...

Typical West African...

Remember;

What I know about 419 Scammers...

- 1) Their spelling and command of the English language is terrible, like yours.
- 2) They always want you to use Western Union or Moneygram - no respectable bank or business uses this except for you.
- 3) They are always stupid, smelly, savages from that cesspool of a continent Africa, like you are.
- 4) They pose as lawyers, bankers, and even Directors with the United Nations, like you.
- 5) They quote God and religion a lot; even know they are going to Hell, like you are.
- 6) They claim to be getting back at the "white man" for injustices done to them, but the truth is that they will steal from anyone of any race, religion, creed, and color, like you would.
- 7) They often have sex with goats, monkeys, and their own parents, like you do.
- 8) They are the lowest form of life on the planet and have the intelligence of a 5-year old retarded child, like you do.
- 9) They strongly resemble gorillas but they smell even worse, like you do.
- 10) They are rooted in evil - everything bad in this world comes from Africa - AIDS, crime, war, disease, poverty, hunger, savages - all from Africa. True, we in the USA have our share of these problems too, but they all come from the savages that our forefathers unfortunately brought to this great nation.

This was a good bait although it was rather short (about three weeks). Add up both of them and I kept this moron busy for about two months...
