

## Double Time

This all started a long time ago in a galaxy far away. Seriously, this idiot has been baited 5 times by me – it started as Shernall Thomas, who I baited from Yahoo over a year ago. Shernall contacted me once again and I passed her around to my different personas.

Greg Wilson – Original bait over a year ago. (Shernall)

Thomas Payne – Short bait, nothing too thrilling. (Shernall)

Marcus King – who told her “he don’t trust no white women” (Shernall)

Marcus King – Black African Woman Needs Help (Maria Galis)

Debbie Dawson – Takes over. (Maria Galis)

After Marcus told her he don’t trust no white women, she contacted Marcus as Maria, who is a Black African Woman (she put this in her subject line of the first email she sent to Marcus). The Marcus bait went on for a little while - got in a big fight with the lawyers from Success Winners Law Firm, and he told Maria that her lawyers were 419 scammers. She was to look for a new lawyer when out of the blue, Debbie contacts her asking if she wants help, so she ignores Marcus. In this last bait with Debbie, Success Winners Law Firm denies that they are Maria’s Lawyer and say they don’t work for her anymore. They are obviously sick of being baited by me, so Maria plays two roles in this scambait – her and the lawyer Patrick.

Dearest Brother Deddie Dawson,

Calvary greetings to you in the name of the most high LORD Jesus Christ, may the grace of God and the love of Christ rest and abide with you and your family forever more, Amen.

For me i have being fully convinced that you are a trustworthy, a honest and a Godly minded individual Christian from the details of your last e-mail that is why i will entrust this funds into your care for this WISH of mine to be carried out successfully by his grace and power, i am so glad that you have opened up your heart for this noble task.

I just want to believe God in all things for good, that all you are saying that is the whole truth, nothing but the truth about you and your family and your church, so thank you for the church information and your full detail information is required please for the processing of the legal documents in your name and favour as the appointed beneficiary.

The reason why you see that i wrote you a long mail last time is because i want to express my feelings to you, because i want this funds to be in your good possession or any honest hearted person who will OBEY my WISH as my lawyer will instruct them to do with the funds, my health condition is critical though I do not have to pass bad news for i know that the Lord will be with me till the END.

I need to know you can handle this noble task of using the trust funds for charity purpose, I don't know what my health condition may be by tomorrow or in the next few days or weeks ahead, that is why I need you to quickly open discussion with my Abidjan based Attorney Barrister Don Micheal-OGBU, He will assist you in connection with all the legal matters as it concerns these trust funds in Ivory Coast.

MODALITIES TO ACHIEVE SUCCESS:

I want you to know that I have already planned out this transaction so that we shall come out successful.

I have an attorney based in Abidjan- Cote D'Ivoire that will prepare the necessary documents that will back you up and authorize you as the Appointed Beneficiary to these trust funds in DEPOSIT, all that is required from you at this stage is for you to provide his office with your Full Names and Address, Phone Numbers and IDs so that the attorney can commence his job with those your personal detail information.

After you have been made the legal beneficiary, the attorney will also fill in for claims on your behalf and secure the necessary approval and of probate in your favor.

There is no risk involved at all in this matter, as we are going to adopt a legalized method and the attorney will prepare all the necessary documents of understanding and release.

He was the personal legal adviser to my late husband while the funds were deposited with the trust Bank, he can be trusted, that is why I am passing all the Legal Documents to him to assist you in securing these funds into your country for my WISH to be carried out in good faith.

This is the office contact of the lawyer and he will be rendering you FREE legal services as I have explained all the details of this transaction to him before now, he can be trusted, believe me!

You must be the right person by proving it to my attorney; Mr. DON MICHAEL OGBU that you have the legal status in your country of residency to do this, you will have to administer this project from your home land but you will also need to travel overseas for the development of the Charity Trust Organization, you will have to work with the lawyer to put things on ground and in place for the success for this project and its continuity, you would need to create help centers in many African countries and beyond.

I need to pass the funds to you for charity purpose only, I consider you as the chosen one so you must administer this funds to charity organisations who are in to the care giving and support areas of life, who need this to help the helpless in the human society.

Are you confused? First of all, I am a woman so when you call me "brother", it is highly insulting. And another, when did I ever tell you that I was a Christian? I am not a Christian and if that is one of your requirements for this task then you better find someone else. I need you to clarify whose money this is? Is this money yours?

Your lawyer told me he doesn't represent you anymore. If he has changed his mind, have him contact me.

Debbie

Success Winners Law Firm was the "closer" in this scam. I baited Shernall/Maria five times already and each time was turned over to Don Michael Ogbu where I fucked with them. They either knew when Debbie contacted them that it was a bait, or they were sick of being baited by people sent from Shernall/Maria.

Debbie

If you are going to pretend that you are a lawyer, learn how to spell common words, asshole.

it's Debbie, not Daddie, you complete and utter moron. You are obviously incredibly stupid and you are probably a scam of some kind.

Are you stupid? Maria chose me to receive her money, that was it. She never said anything about paying all of the associated costs because she is poor. She was supposed to have had millions of dollars. What happened to all this? And just to keep the record straight – you are not my lawyer, you are Maria’s lawyer. I would never hire a lawyer who can’t spell common words correctly or put together a coherent sentence. So if you quit, you are quitting her, not me moron.

Debbie

\*\*\*\*\*

Madam if you want to pay for the documents you have to pay or don t contact me  
Lawyer .P.Patrick

\*\*\*\*\*

I just noticed something interesting. It seems that you and Maria both misspell the exact same words in the exact same way. You both misspell “docment” and “benficiary” like so – isn’t that weird? Both of you have horrendous spelling and grammar and misspell that exact same words. I thought I that I better look into this and after tracing your IP Address and Maria’s, it shows that they are the exact same. This means that you and Maria are the same person.

Lawyer Patrick’s IP Address - 41.207.16.201

Maria’s IP Address – 41.207.16.201

Maria, why are you pretending to be a lawyer? It is so obvious that you are not a lawyer because you are incredibly stupid and obviously uneducated. Please tell me what is going on.

Debbie

\*\*\*\*\*

PLEASE YOU NEED TO SEND THE MONEY FOR THE DOCUMENTS WE DO NOT HAVE TIME TO WASTE SO PLEASE SEND THE MONEY NOW

\*\*\*\*\*

Did you read my email?

Why do you and Maria have the same IP Address? Are you really Maria?

\*\*\*\*\*

Yes, We both in Live in Cote D'Ivoire and use the same ISP service.

Please do what you are required to do, by paying fees for obtaining the legal documents in your name.

Expecting your urgent action.

Thanks,

Patrick I.Ajoku

\*\*\*\*\*

The same IP Address means you are using the same computer. Is Maria sitting right beside you?

Debbie

\*\*\*\*\*

You are wrong my friend. nothing let that. you should do what you asked to do. please

\*\*\*\*\*  
I am not wrong – I know how to look at an IP Address! You and Maria have the same IP Address which means you are using the same computer, moron! Don't tell me what I know.

I just want to know what is happening here.

Debbie

\*\*\*\*\*  
you are a moron too, I have told you the truth and you talking rubbish, how can you suggest that myself and Madam Maria are using one computer, how can that be?

\*\*\*\*\*  
Because you are Maria, pretending to be a lawyer. You are way too stupid to be a lawyer – it is obvious that you are not educated.

Debbie

\*\*\*\*\*  
I know you are big fool, you are margus or what so ever  
I am trying to understand the way you work

\*\*\*\*\*  
What is a margus? Is that another one of your spelling mistakes?

Debbie

\*\*\*\*\*  
I SAY YOUR A CAPITAL MUGU- Debbie what you call yourself

\*\*\*\*\*  
Hello beggar – can you afford another hour on the computer at the internet café? Let me know, I'll send you some money...

Debbie

\*\*\*\*\*  
YES YOU ARE RIGHT, BUT WRONG ABOUT WHO I AM. SEND ME THE MONEY IF YOU ARE TRUE. I AM A BLACK NEGRO

\*\*\*\*\*  
Are you going to explain what you meant by this?

Debbie

\*\*\*\*\*  
PLEASE SEND THE DONATION FOR THE CHILDREN CHARITIES IN AFRICA. YOU KNOW HOW TO PAY THE MONEY, JUST DO IT. IT IS LEGAL FOR US TO COLLECT WHAT BELONG TO US, WHAT WAS STOLEN FROM ZION BY BABYLON THIEFS, WHITE EVIL, THIS IS \$10BILLION ANNUAL INDUSTRY, YOU KNOW WHAT I MEAN!

\*\*\*\*\*  
Since I pity you, and that you are poor and stupid, I will send you a token. Just to make the point straight here – I have never stolen from any Africans. I feel sorry for you that you live in such a horrible continent under those horrific conditions that I will send you something.

Where should I send it?

Debbie

Did you really think I would send money to a piece of shit scammer? I just wanted to hear you admit it. You are pathetic and everything that comes from your rotten continent is vile and disgusting. I pity you.

Debbie

PAY THE MONEY MADAM IN THE NAME OF GOD THANKS

\*\*\*\*\*

How about if I just burn it instead?

That would be better than giving it to some poor, disgusting beggar from that cesspool called Africa.

It is nice to know that you will burn in Hell for using God's name in your pathetic scams, you stupid goat-fucker.

Do the world a favor and cut your throat!

Love,  
Debbie
