

Downtown David Brown

I have been contacted by this scammer at least 4 different times. I don't know why he thinks he can scam Debbie, but he doesn't want to give up. I like his prepared answer – that I gave him my contact a while ago, which I know I didn't. This is what this moron said each time he contacted me with a different fake profile. He must think Debbie is a flirt...

He logs out. He contacts me again with a new scammer profile and I don't see David Brown online for months. Then, all of a sudden, I start to see David Brown logging back in to Yahoo Messenger, so we will see if he tries to contact Debbie again!
