[Definitely a West African. Take note of the fact that I never actually said I was a man, only alluded to it in the 'scandalous man' reply. Alotta has never posed as a man in a romance scam, only in business scams. I'll see where this goes and prepare myself if need be.]

[And 5 nights later.. back again..]

euchariakim is Available: hi

euchariakim : You see how special you are to me. I rent a helicopter just to greet you. What bliss!

Me: a helicopter- - - wow!

euchariakim : Hmmmm yeah

Me: well the fabric and leather business must be doing well if you can rent helicopters, LOL!

euchariakim : By the grace of God , but ti does not come always Ever since the day we chat, I know that you were extremely special.....I know that I wanted to get to know you better and I knew that my emotions had been touched

Me: that was 5 days ago and our first chat- - this is our 2nd- - so I am amazed!

euchariakim : yeah

Me: your enthusiasm is overwhelming

euchariakim : really

Me: oh yes- - helicopters and such thoughtful words!

euchariakim : thanks Dear what are you doing now?

Me: you are quiye welcome dear doing now? sitting here chatting with you

euchariakim : ok Dear As I think about us together sharing our hopes, dreams, joy and pains.....I know that there will be no ends to "us

Me: you are such a dear sweet woman

euchariakim : thanks Dear

Me: so very thoughtfulFROM the heart

euchariakim : Hmmm.....

Me: hmm what?

euchariakim : am happy

Me: oh I am glad to hear that- - it makes me happy too

euchariakim : and me too

Me: it must be early where you are- - what time is it?

euchariakim : yes, 5.50am what about your?

Me: almost 3pm

euchariakim : Dear tell me more about your self.

Me: well what do you wish to know?

euchariakim : anything

Me: well that covers a lot

euchariakim : yeah to let you know my opinion towards a commitment relationship and what i feel

Me: ok- - so tell me your opinion

euchariakim : Commitment is the greatest key to a successful relationship. If you are committed you will always find a way to work things out

Me: that is one definition of committment- - the other is being sent away to the loony bin

both similar, in a way, lol

euchariakim : Communication... .talking and open honest communication about how you feel, What makes you happy and what upsets you

Me: yeah

euchariakim : If you don't tell your partner then they can't do what makes you happy and vice versa

Me: agreed

euchariakim : I feel that a relationship should always be based upon honesty and acceptance

Me: certainly- - what the world needs now is love- - sweet love

euchariakim : yeah that is what i needFROM you Dear. When you can fully accept yourself, honesty will come naturally

Me: well as i previously asked you- - aren't there men in europe?

euchariakim : they are , but there are may fishes in the ocean, but i just want a man out side Europe This in return will leave your partner feeling comfortable with you, knowing there is nothing to hide

Me: well what do you know about Australia here?

euchariakim : i ahd that is a beautiful place to stay. If two people can see each other in full view with complete acceptance

Me: yes it is beautiful here but half a world awayFROM you do you know anything about it at all?

euchariakim : no may be you will tell me

Me: so ask me what you wish to know about here

euchariakim : how is life and business over there?

Me: i am alone as I said and business here on the koala ranch is hard work for me but very successful

euchariakim : ok

Me: is kim your last name or middle name?

euchariakim : Eucharia Castle kim

Me: so kim is your last name?

euchariakim : yeah

Me: ok- - - kim is the most popular name in all of Korea- - are you asian?

euchariakim : no

Me: ok

euchariakim : do you like asian?

Me: does not matter to me- - but I do love asian food

euchariakim : they can build a successful relationshipFROM this I believe that the most important 'key' to a successful relationship would have to be 'trust' I believe that with trust, love will follow

Me: who is this THEY that you are referring to?

euchariakim : we.LOL

Me: ok i was wondering- - i thought you were talking about other people,FROM your usage of the word

euchariakim : However, what I have noticed is that many people think trust, or expect that trust is to be earned by the other person when in all actuality it is something that comesFROM within yourself

Me: yeah

euchariakim : All too many times people will say they don't trust due to past experiences

Me: well they are not entirely wrong- - past experiences are all we have to drawFROM in life

euchariakim : What they don't realize is that they have built up those proverbial walls to protect themFROM the very thing they are searching for...yes

Me: well walls- - proverbial or literal or figurative- - often serve a purpose..Helped save China, for sure. and kept the russkies out of berlin

euchariakim : there is a risk in trusting someone, but when you finally find that 'right' person, it makes all the past experiences and lessons learned very much worth the risk, All of life's little lessons do not have to be painful...

Me: i think the marquis de sade said that too

euchariakim : yeah...even when they seem so at the time. You just have to chalk it up to experience and move on. Nothing is worth closing your heart. Nothing is worth living

Me: nothing is worth LIVING? ? ? ? that makes no sense

euchariakim :

in a world of fearing what bad 'may' come to you Without trust, you close your heart to the happiness and joy that true love brings. It's only my experience... and it's what I believe has given me the wonderful gift of 'true' love.

Me: why do you say this is a world of fearing?

euchariakim : i jsut want to be sure that i have see the rightful person

Me: i can agree with that..but what about when you said nothing is living? what did you mean?

euchariakim : becuase all things belong to God

Me: well all things belonging to God ARE living- - HE throws around the lightning bolts, makes the sun shine, all kinds of stuff- are you there dear? i can not keep waiting if you do not reply- i will wait 3 more minutes and

that is it- now only 2 more minutes- 1 more minute- time is running out for us - ok bye- - maybe forever- - i do not like to wait this long

euchariakim : sorry iwent to the restroom am back am sorry Dear

Me: you kept me waiting 12 minutes and did not have the courtesy to tell me

euchariakim : am sorry for kepping you waiting , fine a place in your heart to forgive me .

Me: i am a forgiving person, so I forgive you on that- - but if it happens again- - -

euchariakim : i promise it will not ok.

Me: ok if you say so

euchariakim : thanks Dear.

Me: just please do not do it again, ok? if you have to go then let me know

euchariakim : ok am sorry Dear.

On occasion surprising your mate with a nice romantic date or evening together and telling each other I love you, There is a lot of love and caring in the relationship

Me: romantic date? but as i said we are a world apart

euchariakim : the distance don't matter, we cam make it happen.

Me: DOESN'T matter..I thought you said you were college educated.. DON'T MATTER is bad grammar

euchariakim : all thanks for that. no one perfect

Me: no one IS perfect..

euchariakim : Communication at all times is so important, and most importantly, respect for each other and their need for alone time as well as together time, Two people trusting each other fully, not being afraid to tell the other what one thinks, whether its good or bad, and the other respecting their opinion.

Me: suddenly your garmmar improved 100% - - good. grammar that is

euchariakim : lol i told you no one is perfect Communication at all times is so important, and most importantly, respect for each other and their need for alone time as well as together time, Two people trusting each other fully, not being afraid to tell the other what one thinks, whether its good or bad, and the other respecting their opinion.

Me: slight spelling mistakes are to be expected in typing, but one should always have good grammar and proper usage

euchariakim : yeah

Me: correctamundo, as Saint Julius said

euchariakim : lol A relationship between two people cannot grow without trust. Loving a person is not enough, because if you've got doubts building up inside then a relationship won't work,

Me: yeah

euchariakim : A good relationship is frankness and open- minded communication between friends. It is a two-way communication without dominance and/or hypocrisy in it

Me: so do you sit around all day talking about the good and bad things about relationships? it sounds like it!

euchariakim : i have been in any relationship..

Me: uhh- - please say that again, in English words I can understand

euchariakim : A good relationship isn't necessarily flawless, because human beings aren't flawless. It's more important that you can grow with the person you love If you can learn and grow each day with your best friend standing by you in body and in spirit- then you have a good relationship, When you can feel comfortable about everything

Me: yeah- - but what do you mean when you say **i have been in any relationship **

euchariakim : with my late husband.

Me: ok..and what was his name?

euchariakim : Mr John

Me: you called your husband Mr John?

euchariakim : yeah, because his not alive again

Me: are there any people who ARE alive again besides Haitian zombies?

euchariakim : no

Me: well I just thought it was a strange way you said it

euchariakim : ok Dear.

Me: so where did you bury him?

euchariakim : Please reminding of what i have forgotten please stop reminding me of that.

Me: you can't remember where you buried him? ? it was just a simple question FROM me.. well YOU told me he is dead- - so I just asked a simple question

euchariakim : it brings pain to me.

Me: i see.

euchariakim : what is your full name?

Me: albert ottawa fosters

euchariakim : i go to now for work we chat later ok bye i love you.

Me: why so suddenly? this is not good..

[subject is 'From your love eucharia'...I will note when the subject changes..and I never gave her my email address]

Dear Sweet Heart,

If you have a special friend, You have the greatest treasure, For the devotion that he shows Will give you so much pleasure.....As we walk our path of life, We meet people everyday. Most are simply met by chance. But, some are sent our way. These become special friends whose bond we can't explain; the ones who understand us and share our joy and pain. Their love contains no boundaries.

So, even we are apart. Their presence enhances us with warmth felt in the heart. This love becomes a passageway, when even the miles disappear. And so, these friends, God sends our way, Remain forever near....

You're that special friend in my life...When evening shadows fall and another day is through, this is the special time I would love to share with you. I'll always be in your arms as the stars are shining; how I love the evenings and the stars.

You have me 100% .I only BELIEVE in one man and give him all my attention always.

Yours Love,
Eucharia Castle.

[The headers are Lagos. The pic is of a Caucasian buxom brunette age appx 30-33. Googling 'Henrion Sylvestrone' shows him to be a dying wealthy cancer widow with at least 2 email addresses. I emailed him an hour ago as Maryjane, it bounced. .]

FROM ALOTTA 3-19-13 TUES. 3:36pm

Dearest Eucharía

Thank you for your photo, however I could not see your face.

Who is Henrion Sylvestrone?

And why did this email have an address for micccjoooo at yahoo?

Alotta

[...if eucharía is also henrion, then that's a cancer scam and this romance one...i generally have a dozen active baits at any given time..]

FROM ALOTTA

Date: Tuesday, March 19, 2013, 10:45 PM

EUCHARIA DEAR

I SENT THIS TO YOUR EUCHARIA EMAIL ADDRESS AND IT WAS RETURNED BACK.
WHY? AND WHY ARE YOU USING THIS EMAIL ADDRESS?

THANK YOU FOR THE PICTURE, BUT I COULD NOT SEE YOUR FACE,

AND WHO IS HENRION SYLVESTRONE?

[i emailed henrion again at another email address he uses, per the posted ones on the net....and it did not bounce.]

FROM EUCHARIA 3-20-13 afternoon

Dear Sweetheart Alotta,

How are you today, together with your business, hope all is well with you, actually my late husband names is Mr.John Henrion Slvestrone, that was why you saw that name there, but please don't remind me of what i have forgotten.....

I wanted to send you this letter because; I think that you need to know what I am feeling.. And I thought this may be a way to tell you that you can look back at this letter when you are feeling down and think of what you mean to me, and how special you are to me.

From the day we started conversation and communicating, I knew you were my destiny. No man had ever captured my attention so fully or made my heart skip a beat the way it did. I knew that you would hold my heart in your hands and you more than do that - you completely own me and every part of me. When I think of you, my heart is so full of love and passion for you that I can hardly contain myself.

I think of spending every minute of every day with you and holding you so close to me. Whenever you think of me, please know that no matter how many miles separate us now or how much of our lives comes between

us, you are always in my mind and I will never love anyone as much again. I thank God everyday for bringing us together.

The memories that I have of our relationship is everlasting, I wouldn't trade them for anything in the world, I would never do anything to hurt you, You mean more to me than you realize. I am hoping that one day I can prove all of this to you! I want you for you!

The miles that lie between us will soon disappear, and we will have each other always.

I want to spend my whole life with you, loving you and receiving your love in return. I long to hold you and feel your sweet caress, Even though we are apart, Now my heart will always be with you. As long as we have the memories, yesterday remains. As long as we have hope, tomorrow awaits and, each day is never a waste and the waiting will prove to be worthwhile.

What further words can describe what we have together Words can no longer describe it, but rather in feeling and emotion of what we have for each other. You have always had the key to my heart, and you inside my heart has made me more than I can ever be. Though the sea separates us now till that special day, I know we take each breath with every beat, and always together as one.

Looking forward to hear FROM you soon.

Yours love,
Eucharia

[oy, this love stuff could gag a maggot....2nd time she used the 'what i have forgotten' line.

FROM EUCHARIA THUR 3-21-13 12-58AM

Last night In my dreams, I saw you on the pier. The wind was blowing through your hair, and your eyes held the fading sunlight. I was speechless as I watched you leaning against the rail. You are beautiful, I thought as I saw you, a vision that I could never find in anyone else. I slowly began to walk toward you, and when you finally turned to me, I noticed that others had been watching you as well. "Do you know him?" they asked me in jealous whispers, and as you smiled at me I simply answered with the truth, "Better than I know myself.".....lol. Here is my mobile number you can ring me +447024090624. looking forward to hear FROM you soon.

Sincerely yours
Eucharia

[The opening lines--and all this romantic effluvium--are FROM a website called lovingyou.com...And of course any seasoned baiter knows that virtually all 44+70x numbers out of London are really celphones in Africa...]

FROM ALOTTA 3-22-13 FRIDAY AFTERNOON

Eucharria dear

Eucharria dear,
I was just wondering how you have a home and job in London but suddenly want to live here in the desert..The weather is VERY hot here, nothing like Europe. But oh well, love knows no real boundaries! That explains it all dear.

The nearest airport to me that handles flights from Asia is in Darwin. The airport code is DRW. I myself am in Dingo Flats, just a walkabout from Daly Waters but about 900km south of Darwin. Small town, about 200

people, they all know me here. Let me know when you are in China and have a safe flight.

Take care dear.. Al

[I'll totally ignore that she is not flying to China and act like i think she is...]

EUCHARIA SUNDAY 3-24 1130AM

Dear Sweetheart,

Honey do you know that a true love is not physical beauty, but an inner splendor that glows in the soul and radiates through all impediments, forsaking all boundaries.a true love is not perfection.

The perfection lies in the melding of two hearts,and two souls, to create a bondthat survives all imperfections and the passage of time.A true love is not fire,but the kind of warmth one feels from a golden fire's glow,an incomparable comfortin the face of despair,an offering of hope when all is hopeless.A true love is us with heart and soul,warm glowing light,and everlasting hope

I have called the company in China, were i do get my goods and make an order, they have promise to ship it down to London for me, i will not be travelling to china any more. once i receive my goods here in London, i will be coming over to Australia to meet with you. Please send me your picture,I can't wait to see you.

Your's lovely,
Eucharia

FROM ALOTTA 3-24-13 SUNDAY 7-50PM

Eucharia dearest,

As always so nice to hearfrom you. Good thing you didn't have to go to China, they have a strange way of doing things. Crazy language and writing too.

I have read the warm sweet words you wrote to me, but dear they are not your own original words..I found them at <http://www.passionup.com/love-poems/poetry4339.htm>

Now there is nothing wrong you telling them to me, but since you did not really create them the proper thing to do is to credit the author BOBETTE BRYAN, who wrote them 11 years ago.

The photo you sent me was very blurred, I was absolutely not able to see your face, only that you are a brunette. So please send me one of you and I will do the same.

Warmest regards, Al Ottawa Fosters

[earlier I sent a picture of Maryjane (actress/brunette Jennifer Tilly) to this Sylvestrone lad to see if it would be reused in this..and note--yes i know eucharia is both, but it's just easier to refer to them separately.]

[three tiny ones sent.. skinny anorexic pale blond age appx 26--eucharia says she is 41-- looking nothing like the original one provided...face not very visible..]

FROM ALOTTA 3-25 some time Monday afternoon

Eucharia dearest,

So very nice to hear from you again.

Your pictures are quite small, but nice. That prior one you sent was blurry and your hair was brunette..You said you were age 41 but look a lot younger and now blonde! I know you women like to change your hair colour. Anyway I am attaching 2 photos of myself, I hope you like me!

The 3rd picture is my koala ranch here. And as you can see it is very remote here..We have no mobile phone service, too many mountains. And our local phone service has been out about a week now..The phone pole connection was wrecked when one of the local drunks named Ned Kelly crashed his edsel into it and had to go to the hospital, then maybe gaol. Unfortunately old Neddie is the phone repairman in this area, so we are still waiting.

I await your next email! Yours truly,, Al

[pics sent are Alec Baldwin..the ranch is the ghost town of Shakespeare New Mexico USA....and old Neddie in his Edsel--I've used this excuse before in another bait here on Scamo and it worked]

EUCHARIA 3-26-13 TUE 2-31AM

Sweetheart,

Thanks for your mail responce, sorry for the bad mobile phone service in your country, so how do i get in touch with you???? because i will be coming over once i receive my goods from China. i like your pictures, you are so handsome.

What a lovely email to wake up to, while I was just lying in bed soon after waking, wondering whether to get up or not, I was thinking how nice it would be to have someone kind & caring to share that quiet peaceful time before the day begins. That & my realist thinking how cold it was & longing for someone warm to snuggle

with. Reading your words, I'm glad you feel that way, about me being your special friend, I mean. Sounds like a nice way to begin. You give me a sense of belonging that I haven't felt for a while & that brings it's own kind of contentment.

Your's love,

FROM ALOTTA 3-26 WED. AFTERNOON

Eucharía dearest,

Such sweet words from you. You certainly have touched my heart, like a numbat singing in a hubbahubba bush. Just let me know in advance when and what time you are arriving here in our beautiful country and what airport. Darwin (DRW) is the closest, but Adelaide (ADE) is also possible too. I shall meet you at the airport and warmly embrace you dear! I truly believe that God has sent you to me via the internet for a special purpose. A man can truly get lonely out here with nothing but koalas and sheep around. If only they could cook and not hide the remote..... Sweet dreams are made of this, who am I to disagree? Thank you for the kind words about me, I'm nothing special to look at, just an ordinary hard-working Aussie bloke. I like the simple life--hard work, hard play, and then end the evening with a nice meal, a great sunset, and some Shysterbrau beer.

I await your next email dearest! With love, AL

[all this small talk....I'm still waiting for eucharía to move on to stage 2..]

FROM EUCHARIA 3-27 WED. 9-51AM

Hello Sweetheart,

Am doing good today and i always have a smile on my face when i get a mail from you, I must say i really like you because u have every qualities i want in a man and u bring the words out of my mouth, I do believe Trust, Honesty , Understanding and True love is the best, i have all that to offer and i can see u have all that too.

I am not very busy here at the moment, I am only waiting for my shipment to arrive here from China, so i'll just get it cleared from the port and supply to the company that called for it, Get paid for contract and be on my way back home. Let me know when will be your convenient time to chat...Until then, Stay cool...Cheers

Your's Love,
Eucharía

['stay cool'?--women in love never say that...i can sense something coming up soon..]

FROM ALOTTA 3-28 THUR 5-46PM

Eucharía my dear,

Alas, a week ago Yahoo permanently ended their chat features. I'm as unhappy about it like a goanna caught up in a gitchigoomi tree. But I always stay cool as you said, however the weather here yesterday was so bloody hot that the echidnas laid their eggs standing up. Crikey!

That was the bad news..The good news was this week Geoff Dahmer from the South Canberra Alluvial Minerals University came by for supper and told me that the uranium deposits under my land could be worth upwards of \$450 million and some North Korean business men could put it to good use. I am wealthy but THAT is more mazuma than I could ever dream about.

Honey with money like that we could do anything! Of course it would mean selling the ranch here in a few years but I've always had my eye on a beautiful place in the Gilligan Islands in Tahiti. Like Robinson Crusoe it's primitive as can be but quite a beautiful place..The beer would have to be shipped in but that would be no problem. Time and tide wait for no wombats.

Like the great writer Veenus Damylo from Flatbush Brooklyn said 'I long to have ya wit me in my arms'.
...Indeed, I hope that shipment comes in soon for you so that you and I can be together..Just make sure there aren't any Chinese people hiding in it, those little buggers are always desperate for new lands.. lol !

Loving you, AL

[I emphasized the S.C.A.M.U. here but not to her...I already used good old S.H.I.T in the chat.]

[new subject] What am facing here

Hello Sweetheart,

How are you doing today?, sorry for the hot weather, i thank God for the good news that came into our life, atleast with that we can live a better life in future.

Honey am having a little problem here, My goods was shipped to a wrong location, The shipment i have been waiting for to arrive here from China, Its was shipped to LAGOS instead of LONDON, Trying to see what i can do to get it re-directed back to LONDON...WHAT A STRESS.

Your's love,

Eucharia

[whoomp there it is!..Stage 2 starts... Lagos now comes into play..and like that cowboy cliché, I'll try and head this off at the pass..]

FROM ALOTTA 3-29 FRI 5-46PM

Eucharia dearest,

Oh I am so sorry dear to hear of your dilemma. But do not let it stress you. Those crazy Chinese..they sent your package to NIGERIA instead of LONDON. Well what can you expect from a country that was run by Commies just a few short decades ago? I hear they still eat cats and dogs.

Who contacted you about this screwup? My guess it that it was someone in Lagos since the Chinese obviously sent it and the Nigerians received it. Was it shipped via DHL or FedEx or what? Surely a tracer was available..

You can pretty much write off your shipment..Once those Nigerian rascals get hold of it you can kiss it goodbye. It is leather and fabric which they are sure to keep..My business experience tells me that they will be asking you for a lot of money for storage and shipping, and you will not get your shipment anyway. That is just the way they are, from what other business people have told me.

Certainly it is a loss, but you can write it all off on your taxes. Also I am sure that you insured it with the shipping company, so this is a legitimate claim for you to fully recover all your outgoing expenses.

It is a bad experience no doubt, but nothing earth-shattering..Just part of the way business happens..I once sent some valuable barramundi feathers to Lima Ohio USA and they wound up in Lima Peru South America, never to be returned again. The insurance covered it all and I did not lose any sleep over it. So go down to the local pub there in London and have a good drink and forget about it, don't let it stress you at all my dear.

Love, AL

[barramundi feathers...and I'm sure that will fly right by. i've not seen this particular type of scam before, but in general it's headed down the same well-worn path. just a matter of how much money i will be asked for..]

[new subject] feeling sad

Hello Sweetheart,

How are you doing, I'm really appreciate your kindness, it is a big container containing big quantity of leathers and fabric raw materials, Blank Tea Towels, Cotton, Shoes, Belts, Canvas Bags etc, honey i cannot afford to lose my goods and it was ship through the seaport.

I just want to write you quick note that i have to be in Africa to sort it out and get my shipment redirected back to LONDON. I called then in Africa there, those custom in charge of it they told me that i have to come down there to verify and prove, also to tender all my documents base on my Goods. I have book my Night available Flight, so Honey when i get to LAGOS.. I will let you know.. still thinking about you...

Eucharía

[here we go..but this opens up the door for me to feel free to insult Nigeria in a 'be-cautious' way. And Swiss-Brit eucharía has no real grounds to defend the placeFROM what I say w/o seeming too simpatico...]

FROM ALOTTA 3-30 SAT 1AM

Eucharía dear,

I am shocked that you had all that stuff sent by ship. It would have cost a little more via DHL or FedEx, but you could have had it at your doorstep in London in about 3 days. I looked up shipping from China to England and it takes up to 6 weeks. I thought you made this order just last week by phone...

More shockingly is that you are flying to LAGOS to recover that stuff. Don't you realise that all that stuff can be replaced? But YOU can not be replaced. I know that Nigeria has kidnappings and murders of tourists all the

time..And those crafty Nigerians are NEVER to be trusted. They like to pull all kinds of scams. You can expect them to give you--a British white woman--all sorts of trouble.

My advice is to get out of that hell-hole called LAGOS immediately..Forget about all that stuff from China..It can be replaced. PLEASE TAKE MY ADVICE. LEAVE NIGERIA--AND AFRICA--IMMEDIATELY! I would not be able to help you if you get in trouble there because I certainly am not going to deal with any of those bludgers there. No way. Lose your goods and save your life and well-being..I hear that LAGOS is like an insane asylum with all the crazy ones out in the streets.

Get home to England honey as fast as possible--then come here.

Love, AL

FROM EUCHARIA 3-30-13--SAT 3:26AM

Hello Sweetheart,

Thank you for all your kindness, honey i cannot afford such amount of money to replace it, my goods that went to a wrong location is about \$50.000, and i don't have such money amount with me, how i wish someone can help me out without me flying down to Nigeria, where do i get such amount of money to replace it? without traveling to Lagos, well honey will be very carefull when i get and get some police men to be with me, while i get my goods redirected back to London.

What do you think honey? Please advice, to enable me know what to do next.

Your's love,
Eucharia

[50 big ones, it looks like. I haven't actually been asked for it, she's doing the old Susquehanna Shuffle.]

FROM ALOTTA 3-30-13 SAT 620AM

Eucharia dearest,

That certainly is quite a situation you are in. If you have not yet gone down to Nigeria, then DON'T! No amount of money is worth your life in a corrupt country full of pirates, kidnappers, scam-artists, thieves, flibbergibbets, and assorted meshuganahs.

And if you have flown down there--GET OUT FAST! Do not count on those Nigerian Police to assist you in your safety, they are criminals with guns, so I hear. My suggestion to you is to send me a copy of your passport, so that if you are robbed of it at least I can send you back the copy if need be.

Listen dear, forget about the money for your goods..As I understand it, this was merely a contract shipment for you, so they are actually goods belonging to some company who surely must have insurance for these type of circumcisions.

Stay in London or get back there as fast as possible!. Cheap Chinese crap can always be replaced but YOU can not. Come here to Australia and be safe with a new happy life with me and I'll get you more leather than Liberace in a Fire Island bath-house.

Come be with me dearest...Love AL

[No mention of assistance by me ..Call this an Aussie--Nigerian/Swiss/British-- Mexican standoff...]

FROM EUCHARIA 3-31-13 SUNDAY 2:34AM

Hello Sweetheart,

Thanks for all the advice you give to me, well am still in London thinking of what to do.honey that goods have not be delivered to the company that called for it, mean while i should be the one to replace it and the problem here is that i don't have such amount money to order for another goods, where do i get \$ 50.000.00 to order for another goods....How i wish someone can help me out, or can you help me out? To enable me come to Australia quick and order for another goods without me going to Lagos.

Please i will forward you my passport later.

FROM ALOTTA 508AM EASTER SUNDAY

Hello Eucharía dearest,

I am so glad to hear that you are still in London where it is SAFE. You must remember that this shipping screwup is not your fault. Blame it all on the Chinese. It seems to me that you were doing contract work for some British company, so let them worry about it all. They must have plenty of insurance to cover losses. I am still confused about this whole issue..You told me 2 weeks ago you were going to fly to China to get these goods..Yet it takes at least 5-6 weeks for a boat to go from China to England..The same time from China to Lagos too. I can't figure out how the shipment already arrived so soon. And how it wound up on the wrong boat...Oh well..

You did nothing wrong dear..There can be no way under British laws that you can be held legally liable to pay for that stuff. It is purely a corporate issue and falls under maritime stuff not involving you..They can not force you to pay and since it is a civil matter there is no gaol time.

Have a happy Easter today. Go out and have a good drink and one of those great British cuisines.

Love, AL

FROM EUCHARIA 8-19AM EASTER SUNDAY

Sweetheart,

Thanks for your mail response and understanding, honey the goods was order before i told you, and i ordered all this goods with my money, i am to supply it to company that called for it, not the company money. Well

honey i need your assist to get me out of this whole mess, atleast i need a little money to assist my self to call for another goods, then i will be on my way to Australia, you are such a nice man that every other woman need in her life. I know that the devil is at work, all this are temptation.

Once i meet with you, i will quit this job.

Looking forward to hear from you soon.....still thinking about you.

Your's love,
Eucharia

[up jumped the devil..no more tap-dancing, this time a direct request...eucharia has backed herself into a corner now by supposedly remaining in London...just where I want her to be....being in Lagos--where she really is--makes the bait-logistics narrower for me but i've handled it before. London much easier, even tho' i've never been there...]

FROM ALOTTA 5-45PM EASTER 3-31-13

Hello Eucharia dearest,

I still can not comprehend how a company contracted you to purchase goods for them with your own money, especially \$50,000..Certainly you obtained invoices from the Chinese. Do you have any I could see? I would like to know who they are so I can warn my friends in the leather business here. They import/export to China so it would really help my domanitrix friends especially.

I looked up airfare prices on the Internet and will convert them to U.S. Dollars which is easiest for us both to understand.
LONDON TO LAGOS-- the lowest about \$750.
LONDON TO SYDNEY--the lowest about \$375

Now this is where I am confused. You were going to spend all that money to go to LAGOS, which would of course also involve hotel money and most certainly a lot more in various fees once you were there..Plus of course all the dangers of getting robbed or kidnapped in Nigeria. I read in the Darwin Daily Fishwrap newspaper that just this week some 75 Nigerians were murdered in some Bozo Harem religious war. Now if they would kill themselves over that, then a skinny blonde British/Swiss woman like you would wind up as hyena food..I have actually seen photos of Nigerians in Lagos walking down the street with hyenas on leashes..It's like a zoo there.

For HALF the money to fly to that hell-hole you can instead fly HERE where you will be safe and happy..We can sell the uranium to the North Korean business men and move to Tahiti in a year or two and buy our own island. The devil does indeed work his evil at times--how else to explain pineapple on pizza, justin beeber and cabbage patch kids..But this has nothing to do with temptation, merely a corporate mess not of your own creation nor your fiscal responsibility.

Love, AL

[airfares appx but close, if she checks..i've saved her \$375 on 'assistance'..she omitted the fact that she saved on not flying to China--but I don't forget.. 'bozo harem' really the Boko Harum, some crazy Nigerian religious bunch..]

FROM EUCHARIA 11-19PM EASTER SUNDAY

[new subject] very urgent

Sweetheart,

How are you doing today, hope all is well with you over there? Honey i cannot release my passport through internet for security reason, i can only send you the invoice later.

Out of this \$50.000.00, how much can you be able to afford to assist me??? so that i can supply the goods to the company that called for it, and be on my way to Australia. If i should come to Australia without supplying the goods, they will start to trace me with the police.

Honey will you live your love to die here in this whole problem??? Imagine yourself in this kind of problem, and this is Company goods we are talking about, not individual.

(LORD PLEASE COME TO MY RESCURE AND BE MY STRENGTH.....TEARS FLOW OUT OF MY EYES)

Looking forward to hear from you soon.

Your's love,
Eucharia

[DIE? in London?...from what--stupidity? and tracked down by the cops for what--plaigiarizing love stuff?..she said she trusted the Nigerian police farce but is afraid of London's Finest.... very interesting..but stupid.]

FROM ALOTTA 2:19AM APRIL FOOLS' DAY (appropriately enough)

Eucharia dear,

Now you have me VERY confused.

What do you mean you could DIE? You must explain why you say this to me.

Also, as I TOLD YOU-- this is NOT a criminal matter. No police will be coming after you..It is strictly a civil matter, and I do indeed wish to have you send me that invoice..Not later--NOW... And it is exactly as you said in this email to me--this IS a company matter, not an individual one..You are not responsible. If the people who contracted you for this want their goods, then let THEM risk their lives in Nigeria getting back all that Chinese crap.

Certainly you have saved a lot of money by not spending it on airfare to Lagos and by not flying to China. So I have no idea why you need assistance FROM me. However there might be a way..A business partner of mine is flying FROM Melbourne to Heathrow this week and you can meet her at the airport. She will be carrying a large amount of cash and travelers cheques. I shall email her your pictures so she will know what you look..You can trust Sheila, and I want her to meet with you in person at the airport. She owes me about \$9600 on a wolverine deal we did 3 months ago..So I shall have her assist you and settle that debt with her if all goes well.

Cry no more tears dear...Love AL

[she can't possibly be at the airport of course..\$9600 is a sum large enough not to be ignored..might try and send a bagman--i would!--so i'll be against it at first but soften up if i have to..]

FROM ALOTTA 4:35PM WED APRIL 3

Eucharía dearest,

Yesterday was Tuesday in England, I did not know that the British celebrated Easter Sunday 2 days later.

I note that you had to go to the hospital for medical care..Are you ok? Just be glad that it happened in England and not Nigeria!

My business partner is a woman who does international deals..She has to delay her flight to Heathrow this week as she has to oversee a shipment of some fresh whiskey to Pitcairn this weekend. However she will be arriving in London next Wednesday..She owes me this favour and will assist you. Yes please send me a copy of the invoice right away, I want to see what it is all about. Honey you have not mentioned any bank being involved in this. Which bank is it and what is their address?

I dream of the day you can finally fly here to Australia..Imagine me and you--I do. I think about you day and night, it's only right. To think about the girl I love and hold her tight--so happy together!

I went to the hospital on Teusday, and Monday was holiday here in London.Honey i want you to make the payment through bank to bank transfer in other not to delay me from coming over to Australia before Wenesday next week, honey i need to be with you as soon as possible. am always thinking about you.

FROM ALOTTA 11:18PM WED APRIL 3RD

Eucharia dearest,

I am still confused..You were going to fly to China but did not, so how did you pay \$50,000 to this shipping company? As an international woman of business that you are, you certainly must have SOME receipts on file, and I do indeed wish to see them.

Sheila will only meet you in a public place and preferably at the airport, she tells me. What neighbourhood in London do you live in? Perhaps she can get a nearby hotel.

Love, AL

FROM EUCHARIA 11:29PM THURS. APRIL 4TH

FROM ALOTTA 4:23AM FRIDAY APRIL 5TH

Eucharía dearest,

I hope all is well with you in the hospital and stuff. You have not told me what the malady is..Be glad you didn't go to Nigeria, they get malaria there. And probably a whole lot of other nasty things too. Manchester is not a very far drive from London, just a few short hours..And I shall tell Sheila that you are there because I know she will be there on her way to Scotland and up there. It is absolutely important that she gets to meet you in person. She can meet you at a neighbourhood cafe, or visit you in the hospital if you are still there, But it must be done before any money is offered by me for your assistance in this mess. And I wish to see some kind of copy of your dealings with these shippers, I am still waiting on that, dear.

FROM ALOTTA 5:45PM FRI APRIL 5TH

Eucharía dearest,

You still have not told me why you had to go to the hospital. In our chat you said you were in London, then 2 days ago you said you were in Manchester..And now you say you have to travel to Manchester. This has me

very confused, please explain. I will be glad to see this contract award certificate. And any receipts and invoices those wacky Chinese gave you on this deal. I am in contact with Sheila. She will be traveling with a huge amount of diamonds to sell in Antwerp and plenty of cash too. She has your pictures that I forwarded to her, she knows what you look like.

FROM EUCHARIA 8:25AM SAT APRIL 6TH

[new subject] The company is demanding for their Goods

Sweetheart,

I live in Manchester and I went to the hospital, not in Manchester. My doctors told me that am having high blood pressure, due to over thinking.

I will forward to you my contract award certificate by Monday.

Do I have to wait for Sheila to sale her diamond??? How do I contact her with out having her telephone number and picture???? Who is this Sheila to you??? How much did you ask her to give me and what Assurance did she give to you ???

Sweetheart, you confuse me not to go to Nigeria and now the company is demanding for their materials. I quest Sheila will have to meet with the company that am supplying the goods and give them the money or you have to send the money through bank transfer By Tuesday. Do you wish to speak with the company??? What do you think???

Looking forward to hear from you soon

Yours love,
Eucharria

[i'm subtly being blamed for telling her not to fly to lagos..7 or 8 questions asked of me--but THEY never like being put to the same task, for obvious reasons.]

FROM ALOTTA 4:57PM SAT APRIL 6TH

Eucharria dearest,

Besides being my trusted business partner, Sheila is the sister of the wife of my brother. She will be selling the diamonds in Belgium later in the month.

And due to the fact that she will be traveling with a tremendous amount of cash plus diamonds for security reasons she told me that she does not wish to show her photo..But she has YOUR pictures I forwarded to her. That is all that will be necessary. I can assure you that she absolutely will only meet with YOU and in a public place in Manchester.

Eucharía dear this mess is all due to your company, not you. If your company is demanding for their goods then let them sort it all out..Let THEM travel to China or Nigeria to get the goods back. This is certainly their responsibility..I am not going to involve myself with them, and Sheila most assuredly the same too.

Sweetheart you are making demands upon me and this is not good. I am having Sheila give you almost \$10,000 out of the goodness of my heart..When she gets to London she will be there for a day or two and then rent a car and drive to Manch to do business and meet with you. I asked you what neighbourhood is near you and you did not answer that, so you will have to let me know to tell Sheila.

[Wilford 'Fabrication & Designs'..a sly way of saying 'chicanery'?..I note it has no address other than London, and no website..The date 3/23/13 of course not the way the British do it..And payment in EUROS???...well at least no RED SEAL OF AUTHENTICITY..]

FROM EUCHARIA 5:48PM MONDAY APRIL 8TH 2013

Eucharía dearest,

Sheila will be arriving in London on Thursday, then driving to Manchester 2 or 3 days later, she informs me. I have looked over the certificate attached and it is quite puzzling to me..WHY would the Wilford Fabrication & Designs Company of London use EUROS as their monetary unit? Also there is no address or website listed on their document, this is most unusual. Where in London are they located? Surely you have been to their office many times.. If carrying around a large sum of money has you worried, you need not worry about that or over-think it. Sheila will also have American Express Travelers Cheques and Thomas Cook Cheques. These are of course readily accepted in the UK and absolutely safe to have, nobody would be able to cash them except you. Honey you keep talking about a bank to bank transfer, but I insist that Sheila meet with you..Manchester or London is fine, she will be in both. I want to assist you out of this mess, but I also want her to meet you and get to know you since you will be coming into our family in the future. You can meet in a public place, or at

your home address. I told Sheila she can trust you, as she has to be careful about all that cash and the diamonds she is carrying.

So please Eucharía sweetheart meet with Sheila..Just tell me where and when and I shall pass that along to her. If you truly want my help on this mess, then this is how it should be resolved.

Love, AL

[I decided not to bring up the 3/23/13 issue, but the euros question is a legitimate one in this bizarro world..]

FROM EUCHARIA 7:03PM MONDAY APRIL 8TH

Sweetheart,

I tough you said that she will be coming to London on Wednesday???. So what is happening now???. Sorry i will be going to the hospital for my medical treatment and check up, so i don't think if i and Sheila will meet in person.

I believe that what God has join together no one should put asunder, honey if you really want to help me out of this mess, why not ask her to transfer \$5,000 the part payment of the funds through bank to bank transfer, once we meet in person she will give me the balance, because i need to order for another goods on Wednesday.

I believe she is a business woman and she will understand what am passing through now. Please forward my mobile number to her and ask her to ring me or forward me her mobile now or do you want to speak with the company director???

If you don't want to help me out their is no problem about that, but have it at the back of your mind that what ever that goes around comes around, may it will be your turn or her own turn.

Looking forward to hear from you soon,

Yours love,
Eucharía

[eucharía getting snippy and testing my reactions to it..]

FROM ALOTTA 8:10PM MONDAY APRIL 8

Eucharía dear,

Sheila is leaving Melbourne on Wednesday, but arrives in Heathrow Thursday due to the date differential, other side of the world tardis. You sent that certificate, but you did not show me anything having to do with China. The certificate says 800 thousand euros, which are not the money of England. Anyway that many euros is almost \$1.3million USD..So what does \$50,000 have to do with this?

Honey if you are going to be in a hospital, then tell me which one and Sheila will come visit you there. Or give me the address of the Wilford company and I'll have her go pay part of your bill there and see if this mess of yours can be straightened out.

Sweetheart it somehow sounds like you are trying to avoid meeting Sheila in person. This is not good. I do not understand what you mean by 'what goes around comes around' in this instance..HELP is being offered to you and you are being quite difficult about it.
As I suggest, Sheila can meet you in the hospital..But if you have a trusted friend in Manchester, perhaps Sheila can meet with him or her. It is up to you.

Love, AL

FROM EUCHARIA 3:02AM TUESDAY APRIL 9TH
[new subject] very urgent

Sweetheart,

Thank you so much for your mail response and understanding towards this problem, i will inform the company and tell them that My husband sister is coming to give them \$10,000,00 on Thursday, and i will get back to you with their respond.

The \$50,000,00 was part of the money that was giving to me when i got the contract ok.

Honey i want to be with you once all this have been settle, please do not fell to inform me once she arrive here in London.

Looking forward to hear from you soon,
Yours love,
Eucharía

[note-- I said \$9600, then she said \$5000, now she says \$10 grand..]

FROM EUCHARIA 4:50AM TUESDAY APRIL 9TH
[new subject] responseFROM the company

Sweetheart,

The company said that they will give you an account where you will deposit the money. and you forward me the transfer slip of the payment.Bank to Bank transfer is the best way and more secure honey.

(Honey please just do according to the company desire.I can't wait to be with you because you already captivated my heart so now we just need to meet & begin our life together. Sounds nice, doesn't it??There'll be lots of occasions for us to be in each others arms happily enjoying the company of our soul mate, hopeful for a very long time..... & yes, there'll be kisses to inspire you).

Looking forward to hear from you, to enable me get or inform the company to forward you account details.

Yours lovely,
Eucharía

[..banks? none here in Dingo Flats...i always get that issue out of the way in virtually every OZ-based bait. .]

FROM ALOTTA 12:35PM TUESDAY APRIL 9TH

Eucharía dearest,

I will try and answer both emails you sent as one combined.

Yes Sheila will be arriving on Thursday, but with jet lag and shpilkas she is going to be very tired and I am sure that she will just find a nice hotel to settle down in and knock back a few belts of some fresh whiskey. I note that you are referring to me as your husband to your company, which is of course not really true. We have not yet made sweet passionate love!

I am confused by what you mean a bank-to-bank transfer being the best way to do this..I disagree for 2 reasons..The first is that here in Dingo Flats there are no banks, everyone pays in cash. And what banks are you talking about? And secondly, I want Sheila to meet in person with you or a trusted friend. OR she can also pay directly to the company. That certificate you sent for the Wilford company did not list their address, which is most unusual. So please tell me what it is so I can have Sheila stop by and look around, maybe buy some fabric too. I am still surprised that a firm based in England pays in EUROS, you did not give me an answer about that. Sheila only deals in dollars and travelers cheques..The diamonds are for later in Antwerp.

I await your email dear, Love AL

FROM EUCHARIA 8:11AM WED APRIL 10TH

[new subject] ARE YOU WILLING TO HELP ME????

Sweetheart,

Have Sheila arrive in London??? The distance between us will not be a barrier. That is why I am referring you to the Company as my husband and one day we will make a sweet passionate love. Well I don't have anyone that i trust.

Since i and Sheila will not meet in person, i quest she will have to go to the bank and deposit the money into the company account that i will forward to you. This is what i mean by bank to bank transfer and you are not the one to deposit the money so there is nothing Dingo Flats have to do with this transfer here Ok.

One can make transaction with any currency here in London, it doesn't mean if it is DOLLAR OR EURO, meanwhile for the contract award certificate to come with EURO does not mean anything here ok.

Honey if you really want to help me you have to tell Sheila to deposit, but if you don't want to help me, no need to bother yourself, you are the one that confuse me not to travel to Nigeria hoping that you will help me out, and now what you did is to keep asking all kinds of question, which i don't like.

If Sheila needs fabric tell her to contact me Ok

DO I FORWARD YOU THE ACCOUNT DETAILS WHERE SHE WILL DEPOSIT THE MONEY?????

Looking forward to hear from you soon.

Yours love,

Eucharía

[getting impatient and insistant..and sounding much more Nigerian.. too many questions, have I?..she had 'alotta' them too. ..time for a slap]

FROM ALOTTA 3:53PM WED APRIL 10TH

Eucharria dear,

YES I have questions, and whether you like them or not--I have them. When I do a favour of this magnamosity for someone--especially someone I have not met in person--then yes indeed I am going to ask. Primarily I want to know WHY you constantly refuse to meet with Sheila. I asked you for the name of the hospital and you ignored me. I asked you for your nearby neighbourhood in Manchester and you ignored me on that too. I asked you to set up a meeting with a trusted friend acting on your behalf and you said nothing. I asked you for the address in London of the address of the Wilford Company where you owe this money and you said nothing. Eucharria dear you are very much desiring to be a part of my family here in Australia and yet you are also doing your very best to hide from Sheila, who arrives in London tomorrow-Thursday in London. WHY are you being so difficult???? I would think you would be most happy to be having this done for you and yet all you seem to have on your mind is having her deposit money with some bank ..

Sheila is waiting for me to email her and tell her where and when she can have a meeting with you. Just tell me the hospital or neighbourhood. I know that she wants to meet you too as you will be a part of our family which includes her.

Honey I want to assist you on this mess of your own creation and have us live a very happy life together. But when I do such a humongous favour for someone I at least expect them to show up for it. The one demand I make is that you at least have the common courtesy to accept the money in person from Sheila. Or at the very least give the address for the Wilford Company so she can go there and pay them for you.

THE BALL IS IN YOUR COURT... Love, AL

[seems like some days you just can't give money away no matter how hard you try...I have given the chance for a bag-man to enter the picture...a veteran scam artist would jump on that faster than Oprah on a christmas ham...eucharria must be a lone wolf....]

FROM EUCHARIA 4:55PM WED APRIL 10TH

Sweetheart,

I am out from London for my medical treatment, and i don't have and friend that i trust. If you really want to help me, let me know so that i will forward you the account details Ok and also forward me Sheila telephone number or hotel telephone number here in London or you ask her to ring me now.

I promise to be with you once she deposit the money.

Yours love,
Eucharria

[out FROM London'..and 'here in London'....crikey!...and unlike all the previous emails, this one came in as spam.. time for another slap]

FROM ALOTTA 6:55PM WED APRIL 10TH

Eucharía dear,

Once again you confuse me..You tell me you are out from London, and in the same paragraph you say ***here in London**** meaning you're still there. I still do not understand if you are in London or Manchester. England is not a very large country and Sheila will be renting a car. Please let me know what hospital you are in and I'll have her visit you there.You said your malady was from over-thinking, I can't imagine that takes more than a few hours in the clinic and some nyquil to relieve.

Honey for someone who needs money so badly you seem to be doing your best to avoid getting it directly from Sheila. This is almost an insult to our family as you obviously do not wish to meet with her. We are a very loving close family and just as tight-knit as your fabrics. Yet you appear to be shunning my sister-in-law.

That is not good.

I promise nothing on a bank transaction, but do send me the details to pass on.

Love AL

FROM EUCHARIA 5:23PM THUR APRIL 11TH

Sweetheart,

I tough you said that she will contact me once she arrive in London, and uptill now i have not had from her. Honey If you realy want to help me, then send me her telephone number, because i want to speak with her. where is she in London???

Still waiting to hear from the company.

Looking forward to hear from you soon.

Yours love,

Eucharía

FROM ALOTTA 6:55PM THUR APRIL 11

Eucharía dear,

I presume she has arrived safely, I checked and the flight got in since as my friend Raymond pointed out 'Qantas never crashed'. I do not yet know what hotel she is in but I am sure she is trying to adjust to the jet-lag with some sleep, booze, and qualuuds.

Before we go any further you need to tell me where YOU are ..Is it London or Manchester? I thought you were going into the hospital..You have not said which one..Nor have you given the address for the Wilford Company.

Honey dollars do not just drop from heaven without answers first. I want you to let me know where you are so Sheila can meet with you if you are to be assisted financially and be a part of our family here.

And what do you mean by ***I tough you*** ??

Love, AL

FROM ALOTTA 1:35PM FRIDAY APRIL 12

Eucharia dearest,

The bank details duly noted. Sorry to hear you are back in the hospital for all that over-thinking that landed you there in the first place. Now that you are definitely in a hospital in London, please tell me exactly which one it is and your room # and I will contact Sheila to visit you. Honey I know Sheila and she will want to meet with you..I too want her to meet with you. I am asking you now--please stop ignoring us or else I will tell her to forget about it all. She has morning sickness all day and night from this, she tells me. I can give you her email address if you want it, but you certainly can not be mean and demanding to her..These things must be handled delicately.

Honey I received your passport from the Express company, they sent it. And it brings up a few issues..You never told me that you were a UN diplomat, just a fabric and leather person. Also it says that you were born in Iraq, which you also never said. And it says you were born in May 1974, which makes you age 38 right now, not 41 like you told me in our chat..It has your name as Eucharria Castle John, I thought it was Eucharria Castle Kim???

But what bothers me the most besides the hepatitis my pet raccoon Rocky got this week is that the picture on the passport and the one you sent me about 3 weeks ago were a blond white woman..The one you sent me of you in the hospital last week was a much-older dark-skinned woman with dark hair.

Baby what is going on? I want so very much to assist you and believe in God bringing us together here.

Attention you too,

This money is to be eventually paid to the Wilford Company due to the screwup. Now you people at this express company are collecting on their behalf. Therefore there MUST be an address for them in your files to pay the remittance to them..And this is what I want to know.

If money is to be paid by me for Mrs Castle-John the widow then I most certainly want to see what I am getting for my generosity..After all, this is NOT a debt that was incurred by me. I own a successful koala & echidna ranch here in Australia.

It is incumbent upon YOU to provide me with the information I seek. I also need to know the name of the shipping company in China and the manifest of what exactly was not delivered. I have a very good reason for this--if I do pay this money I need to be able to write it as a tax deduction for this year.

We have an old saying here in The Lucky Country Australia-- "when the emus fly over the the didgeridoos then the vegemite is right". And I agree, I am in no rush.

Hello

Well if you have nothing to do with the Wilford Company, then WHY is it listed as the primary company on that so-called invoice you sent to me? The address was left blank. And Miss Echidna Castle was acting as their purchaser. You also left her address out too.

You say that you have an office in China..So since the goods were shipped by your company and they arrived instead in Lagos Nigeria then it is all YOUR fault on this screw-up. Why are you demanding money for your own mistake?

FROM ALOTTA 3:45PM SATURDAY APRIL 20TH

Hello Eucharía dear,

Yes the company contacted me and they are obviously a bunch of nincompoops. Especially this person named Farozia. She says you owe \$100,000 and she wants ME to send that much! I thought it was only \$50,000. You never said anything about that to me.

She is also being quite obstinate,vague, and seems to have the business brains of a half-dead hyena. She said her office in China shipped the goods. So if they wound up in LAGOS then of course it is all THEIR fault, not yours.

Sheila's email is[deleted here by me]. She tells me she will be in London for another few days, morning sickness and all that. And then on to Manchester. I must tell you--be VERY nice and understanding to her in her delicate condition. Do not forget the fact that you are asking a big favour. She is a sensitive person and if you start making demands on her, I think she might be insulted and move on.

Yes I will be delighted to meet you in person this coming Friday. I had plans to go to Belgium on diamond business but that can wait. There are so many sights here in England I want to see first, like Stonehenge and the alleys of Whitechapel.

Unfortunately I am without my phone, it got left on my QANTAS flight..It must have fallen out of my purse..I inquired at the lost & found but they did not have it.

I can set up a place for us to meet, or you can. We can have a nice brunch of this wonderful British food they have here and then once I have met you we can attend to helping you financially.

FROM ALOTTA 5:37PM SUNDAY APRIL 21

Eucharria dearest,

So happy to hear that you are out of the hospital from all that over-thinking and stress. I hope the bills were not too high for you to pay.

I have been quite busy, with the sativa harvest, and this being the Saint Swithen's Day Festival weekend. I sure wish I could be going to Italy like you are doing. I hear those Italian wedddings are really something, pastafazool up the wazoo. This weekend I was at a picnic at hanging rock with my brothers Clemenza and Tessio and his wife Connie...Sheila is her sister. Everyone had a wonderful time. Connie cooked her specialty of roast wallaby in a creamy kookaburra sauce. Her children Mona, Larry, and Carly were throwing the food around, little stooges that they are.

I do not know the specific plans of Sheila, this is the first time she has been to the U.K. and I am sure that she wants to explore the place..She is in no hurry, that's the way we Australians are. I do want her to meet with you.

Have a nice trip to Italy and enjoy your self there!

FROM SHEILA 6:18PM SUNDAY APRIL 21

Hello Miss Castle,

Whatever promises you made are between you and this company. I do not totally understand you however..If you are getting back in 3 weeks the goods that you have already pre-paid then why must you pay again? It is after 2AM here in London and I am going to bed now.

What are you talking about? Miss Castle-Kim promised my cousin that she would be meeting her TODAY FRIDAY IN PERSON IN ENGLAND.

And what has happened to her? She has not contacted me in over 5 days now and her email address is no longer any good. She totally disappeared. And what is her present condition? I still do not know if she is dead or alive or where she is.

Of course I am a christian, I attend Saint Charles of Manson Holy Church every week. It was where I had hoped to marry her. You seem to be in contact with Miss Eucharria. Why does she not contact me? She has me broken-hearted and very worried and confused as well.

Dear Alotta,

Miss Eucharria called us yesterday and asks if your cousin has deposited the money, we told her that you refuse to deposit the money, and you did not fulfill your promise.

Well she said she would have loved to contact you through telephone calls but you don't have cell phone. Sir she is not happy with you because you did not fulfill your promise according to her, \$10,000 on Monday. She say she will be coming back on Wednesday?

So when is your cousin depositing the money??

FROM ALOTTA 10:12PM FRI APRIL 26TH

Hello

Let me make this clear to you ONCE AGAIN..Eucharia told my cousin that she would meet with her yesterday Friday 26th April. MY COUSIN is the one who is going to pay Eucharia in person. She got out of the hospital and informs me that she will stay in England only 4 more days and then go to Antwerp Belgium on a diamond deal.

I say ONCE AGAIN--it has been over 5 (FIVE) days now that Eucharia has not emailed me. Wherever she has been this past week it is for certain that she has never been too farFROM a computer to email me back. But she has refused to do this and continues to ignore me.

How do you think I feel?? I am beginning to think she is deliberately hiding from me. I have faithfully answered all of YOUR emails. I am here for her to email. But for some unknown reason she refuses to do so.

I have done my best so far. My cousin has the money and Eucharia refuses to be around to collect it or contact me..SHE promised she would meet yesterday and not a single word from her. It is Eucharia who broke her promise to meet my cousin.

So listen to me..You tell Eucharia that she had better contact me if she wants my assistance or else I will tell my cousin to forget it all. And remember that I do not owe your express service anything. It is Eucharia that does. I try and do a very helpful thing for her and all I get is total silence. The wedding is surely over and she was due in London already..You tell her the ball is in her court now.

Eucharria dearest,

You sent me this same exact email on Saturday.

Sheila told me she got tired of waiting for you. You were supposed to be back in London on Friday.

So she told me that she is in Antwerp Belgium now at the Crowne Plaza Hotel for some important diamond business on Tuesday and Wednesday. She told me that she will be back in London on Thursday. She also said that if you or a trusted person do not meet her there in person then she will be moving on to Manchester and then back home here to Australia.

Eucharria dearest, once again you seem to be doing your best to not meet with Sheila. Let me remind you that she is my family. Not wanting to meet with her is quite rude and presumptuous.

[new subj.] HELLO SWEETHEART

Sweetheart,

Am not happy with you because you did not fulfill your promise, you could have told Sheila to deposit \$5,000 into the account, but you didn't, why??? This show that you are not a caring and loving man, had it been you are, you could have understand my condition and circumstance and also know that i really need to get those goods.

Is it you that i love or is it Sheila??? I have try to wait for you to fulfill your promise but you did not. thank you so much for your disappointment and for making me lose my goods.

Can you remember when this goods went to wrong location??? You think that am lying to you, you still went ahead to contact the company. after contacting the company, you confirm everything but you did not have this feeling that this woman is in need of something.

Thank you so much once again, i can carry on with my life without you ok.

FROM ALOTTA 12:25AM MONDAY APRIL 29

Eucharria dear,

What is the problem? You say you will be back in London on Wednesday, and Sheila tells me she will be back there on Thursday. I absolutely can not understand WHY you accuse me of not helping you. My cousin was absolutely waiting for you to leave Italy and meet her in London this past Friday. You were totally silent to me for more than 5 days..

I have done my best so far. You said F--K YOU to me and I could have cursed you back too. But I did not. I still want to believe in you. I have tried to have Sheila pay you in person at any place of your choosing in London or Manchester. You not only do not accept that but you totally ignore it. You blame all your lost goods on me, but I did not lose them. I only want to help and you keep making demands on me and putting all the blame on me..Don't you see sweetheart that YOU are the one who is making things difficult--not me?

I asked you questions that you never answered, but I did not press the issue. But can you please tell me why your email address has changed? You said nothing to me about it.

Baby my cousin Sheila is coming back to London just to meet you. WHY are you sounding so angry and mad? You should be happy that you will meet her and she will have the cash with her..

How can you possibly say I do not love you? I have done all I can to assist you..All I get are mean words and you even cursed me out with the F word. I thought you said you were a Christian woman? Sheila is still in Belgium..She is the one with the money not me. You have not contacted her at all since before you left for Italy. And where are you in Italy? And why are you in the hospital there? Honey you tell me nothing and refuse to meet with Sheila even though you promised.

I asked you several questions which you totally ignored..You never told me why you have a UN Diplomat passport. You never gave me the address of the Willford Company. You never explained why you made an order with a company in China that would take 6 weeks by boat, but suddenly it was in Lagos a week later. You never told me you were born in Iraq. Honey can't you see why I am so confused? And it is you who makes it all so very difficult..I truly believe that you do not want to meet with Sheila at all. You certainly are doing your best to avoid her.

I could tell her to just come back to Australia but I will tell her to go back to London and make the payment to Fazeera at the office..

Still loving you, AL

I met Dorothy twice last year, she has a boyfriend named Russ T. Tinmann and so it is not quite proper for me to act like a munchkin and ask things of her..She is one of those Americans from Kansas, and you know how they are. They act like their roads are made of yellow brick gold.

I have been diagnosed with Esophageal Cancer which was discovered very late, due to my laxity in carrying for my health. It has defiled all forms of medicine, and right

now I have only about a few months to live, according to medical experts.

Now that my health has deteriorated so badly, I cannot do this myself any more. I once asked my lawyer and members of my family to close my accounts and distribute the money which I have there to charity organization and to the less privileged in Bulgaria and Pakistan; they refused and kept the money to themselves. Hence, I do not trust them anymore, as they seem not to be contended with what I have left for them.

The last of my money which no one knows of it, is the huge cash deposit of Ten Million and Five Hundred Thousand Dollars (USD10.5m) that I have with a Security Company in United Arab Emirates for safe keeping. I will want you to help me collect this deposit and disburse it to some charity organizations and to the less privileged.

We kindly wish to inform you about your goods that came to Lagos Nigeria for over 1month and, madam you are advce to come down to Nigeria and sort out your goods. But if you cannot be able to come down to Nigeria due to your health condition or your visa.

Then help you clear your goods and load them back for inspection get it redirected to LONDON, all this will just cost you only \$10,000.00 and you will have everything fixed for you without any delay.

FROM ALOTTA 3:30PM FRI MAY 10TH

Eucharia dearest,

I hope all is well with you.

I have read the letter that was sent to you by the Nigerians. You know how I feel about those rascals and that entire country. Nothing but thieves and scammers. It is certainly a good thing that you did not go there.

What you do with them is up to you, but when I get to Darwin I am only sending money to YOU, not some Gwombe bloke.

I am still waiting for further info on when I am needed up in Darwin, it should be around 2 weeks from now. I shall keep you informed.

Love, AL

But I would be very careful in dealing with them if I were you..Nigerians are known all over the world for being in some kind of 439 scam, whatever that is. In a country that poor and corrupt there are certain to be thieves everywhere. Be careful of those lads!

FROM ALOTTA 4:45PM MON MAY 13TH

Eucharria dear,

Yes I had a nice weekend, got together with friends and had a nice picnic.

I have no idea what demirrage is. But I do know enough about the ways governments do things..The customs people sent you an email with a Yahoo address, which no government does.

So I looked up the Nigerian Customs website, and it is www.customs.gov.ng I think what has happened is that some of those scum Nigerian thieves got hold of your goods and they are pretending to beFROM the Customs

Dept. Have they even sent you the manifest? I doubt it. My guess is that you will never see your goods again..I do not understand why Unique Express is not handling this any more. I am so confused! But I will tell you this--this email you fwded to me is definitely NOTFROM Nigerian Customs.

I do not want to hear from the Nigerians, you know I do not trust them.

just untill they contact you , i forward your email address to them and am sure that this is not scam, they are the real Nigeria Custom.

FROM ALOTTA 2:38AM TUE MAY 14TH

Eucharia dear,

I get a lot of junk mail FROM Nigerian criminals all the time. They are all crooks. I always delete without reading if it says Nigeria in the name or subject.

FROM EUCHARIA 3:08AM TUE MAY 14TH[new subj.] hi love

Sweetheart,

Please reply my mail and tell me what to tell them now.

Eucharia

FROM ALOTTA 3:53AM TUE MAY 14TH

Eucharia dear,

I looked over what those Nigerians sent. There were several things on it that did not make sense.

#1--Nowhere on that email was the real true email address.

#2--They say the goods are worth \$400,000. You told me \$100,000.

#3--They have an item listed that says 'OTHER CHARGES \$1000.' That is quite vague. What else--beer for the boys?

#4--There is also INSURANCE \$2000...If you are being charged \$2000 insurance for goods worth \$400,000--then who is insuring them and what are they being insured for? They are already lost!!!

#5--This head crook has CFR after his name but no explanation what it means. To me CFR means the Canberra Flange & Rutabaga company.

You can say what you want to them, but I myself am not giving them a reply.

Love, AL

FROM EUCHARIA 6:50AM TUE MAY 14TH

Sweetheart,

The total amount of goods that went to a wrong location is \$400,000. But the goods that i want the Unique Express Services to ship for me is \$100,000 and that is what i told you.

Honey when are you traveling?

Eucharia

FROM ALOTTA 2:50PM TUE MAY 14TH

Eucharia dearest,

The total value of the goods appears to be \$400,000. I am positive that those Nigerian criminals will not send them back to you for a mere \$10,000. There is no reason to trust them. They did not even use THE REAL Customs email address. Nigerians like that are lower than whale-shit and only interested in stealing. It is an entire country that does nothing but steal.

As far as my traveling goes, it depends on all the arrangements in Darwin, which are tentative at the present time but it should be in the next 2 weeks.

Love, AL

[i really despise eucharia now, and the payback will be fun soon..]

FROM EUCHARIA 3:05PM TUE MAY 14TH

They will ship my goods back once i send them the money.

I wake up thinking of you, at breakfast I think of all the wonderful good stuff I could cook up for you...cassowary gizzards smothered in vegemite, a nice helping of javelina bacon, good coffee, oohooh bird eggs scrambled in cod liver oil...yum! I was all set and packed to make the trip up to Darwin when last night I received the email below. I so very much wanted to get up there and do some wombat business and of course send you the money to assist you..But these things happen..I am just glad that I did not drive there tomorrow, nobody would have been there..And these desert roads are quite treacherous, I could have been left in the lurch.

Honey it looks like this post-ponement has messed things up for us, but please have faith! God shall see us through.

Good day Mr Fosters,

FROM ALOTTA 11:47PM MON MAY 20TH

Eucharia dear,

Honey you sound mad at me for something completely beyond my control. These things happen, nothing I can do about it. I am quite disappointed too.

Who is this friend of yours Tony Ada in London? Do you trust him? I have some friends here who travel up to Darwin but they are not people that I would trust to send all that money..I know they would spend it on gambling and booze.

But the good news is that Sheila is getting out of the hospital in a few days and will be headed back to London. Sheila can meet with you or Tony Ada.

Dearest I am desperate to keep our love alive..You sound so mean to me each time you say 'forget it ok..'. It seems to me that money from me is all you have on your mind, please say it is not true.

FROM ALOTTA 11:14PM WED MAY 22ND

Eucharua sweetheart,

This is an itsy-bitsy teeny-weeny little dot of a place here in the Australian outback not found on most maps. There are not many blokes around here that I would ask to do a favour like this..Handing them all that money they would be certain to spend it up in Darwin on beer, women, gambling, and waste the rest. Like putting a badger in an abattoir and expecting full inventory upon return.

But I will be out having a few brewskis at the Porcelain Throne Pub later on this evening and ask around..Finding a person to trust with all that money is not easy.

Hang in there honey---Love AL

FROM ALOTTA 5:57PM THUR MAY 23RD

Hello Eucharia dearest,

Not many people at The Porcelain Throne Pub, so I went to The Growling Poofter Tavern out on the Hershey Highway. A lot of construction in front and I thought it was closed, but I entered through the rear.

After a few shots of some fresh Northern Comfort whiskey I bumped into Greg and Marsha Brady, who are brother and sister but act more like husband and wife, if you know what I mean..Long-time friends of mine from Itchynuts Junction down near Adelaide and they are camping at Jellystone Park near here.

Anyway they will be going up to Darwin on June 8th, which is a full week before I am due there for the wombat convention. It means I can help you out even sooner dear! I trust them, and this is the best I can do for now dear.

You have only been sending me 1 or 2 sentences, not telling me at all how you are..Is your health better? Are you back in London? Sweetheart just bear with me..I look forward to hearing from you.

Honey you sound really mad at me for reasons that are not my fault, and that is beginning to make me angry too. You refuse to tell me where you are and you are making demands on me. And not even bothering to sign your emails any more.

Now listen to me please--if you want this money you are going to have to wait until the 8th of June. But if you continue to be nasty and mean to me then I will not do THIS FAVOUR at all. Do you understand me?

Well in your past few letters it was all DO THIS and DO THAT and those sure sound like demands to me, I reckon. And demandage is a bad thing between two people.

Well here it is Saturday, I had some yummy tuna accardo along with a an anchovy-vegemite-radish smoothie for dinner. Gave the rest to my dog Cujo, he's half great dane (like victor borge) and half chihuahua, a breed which is called a great wawa.

Do you cook dear? What are your favourite foods to cook and eat? These are important things two people like us should know about each other. Can you drive a car? It is a definite necessity out here.

Well have a cheerio good day today, Love AL

No word from you in 4 days, is everything okay honey? I am a little worried.

Love, AL

[hmm, did she give up? in a weird way I miss her..]

FROM EUCHARIA 2:49AM WED MAY 29TH

Sweetheart,

Am worried too, thinking on how to get some money and sortout problems, a friend of my lost his father in law. i also went for my medical checkup at the hospital

How are you doing today. looking forward to hear FROM you.

Eucharía

[...back again..any time the lads mention medical problems and sorrow they usually are trying to work some sort of angle..]

FROM ALOTTA 4:27AM WED MAY 29TH 2013

Eucharía dearest,

So wonderful to hear from you honey! Yes I was quite concerned.

I hope things went well at your hospital checkup..And that the medical bill is not too expensive..What exactly did the doctors say?

Love, AL

FROM EUCHARIA 5:41AM WED MAY 29TH

The doctor stated that i do think much, my hospital bill is just \$200. why do you ask about my hospital bill?

Eucharia

FROM ALOTTA 3:29PM WED MAY 29TH

Eucharia dear,

I was only just wondering...Here in the outback we do not have much medical care..One little health clinic run by Doctor Jekyll and Nurse Hyde. People in serious medical conditions have to be airlifted out by helicopter. I'm glad that your condition is not life-threatening.

Love, AL

FROM EUCHARIA 1:55PM FRI MAY 31ST

Wow, honey how are you plaining to spend your week? because am missing you so much here. i can't wait to be with you. love you. EUCHARIA

[could answer now an hour later but i will let eucharia wait..]

FROM ALOTTA 2:29PM SAT JUNE 1ST

Hello Eucharia dear,

So nice to hear FROM you..As always--I work hard, and then I play hard. And then a good meal..I am a good cook and I have told you many of my epicurean delights but honey I asked you if you can cook and what you like...and you did not answer.

Love, AL

FROM EUCHARIA 7:21AM SUNDAY JUNE 2ND

Yes honey i can cook more than you. and i like light food..hmm. when is your friend traveling to Darwin? because i need to get another goods by 11 june. Eucharia love

[once again eucharia emailing at all different hours..]

FROM ALOTTA 2:57PM SUNDAY JUNE 2ND

Eucharia dearest,

Hmm too..you really said nothing about what food you like, just 'light food'. Is that light as in calories, or light as in lemon meringue?

Where exactly are you now? London, Manchester, or Italy? You have not said a word about your location.

My friends are camping at nearby Jellystone Park as I said, but I am going to have drinks with them at The Barfing Squirrel Tavern on Wednesday.

What goods are you expecting on 11th June and FROM where? I hope not China!

Love, AL

FROM EUCHARIA 10:40PM SUNDAY JUNE 2ND

AM IN LONDON. I NEED MONEY TO ORDER FOR ANOTHER GOODS BY 11th JUNE, THAT IS WHAT I MEAN. I LIKE ANY FOOD THAT IS LIGHT. HONEY DO NOT FELL YOUR PROMISE.

[back in london..good..eucharria has probably forgotten that I have her supposed address at 172-174 Aldersgate from the Nigerian Customs form....forgotten all about Sheila too..very good..].

FROM ALOTTA 11:54PM SUNDAY JUNE 2ND

Eucharria dear,

I am a little confused..Are you needing money to pay off the Nigerians or to buy more goods? I thought Unique Express was the company you owed it to... Honey this is all confusing!

I shall be meeting Marsha and Greg at the Barfing Squirrel on Wednesday..They are the ones who will be going up to Darwin next Saturday..I am not due up there until the 15th, as you know.

I'm glad you are back home in London..I am sure you heard about those two crazy Nigerians who killed that military man in London last week. As I have warned you, many Nigerians are not to be trusted. The ones who emailed you used a fake email address for Customs. But I guess you know what you are doing.

Hope you had a great weekend. Great weather here and I went to a family picnic at Lake Komoniwannalayu. Saw my nephew Bart, niece Lisa, and my uncle Homer and Aunt Marge. A good time was had by all, just wish you could have been here.

Love, AL

[note--the past 6 letters or so from eucharria have all been sent 2x..]

FROM EUCHARIA 3:20AM MONDAY JUNE 3RD

Honey i am not paying any Nigeria, i only need money to replace the goods that went to a wrong location. please try to give your friend the money and the information(Name:TONY ADA,Address:LONDON UK) together with my E-mail to enable them forward the (SENDERS NAME AND MTCN NUMBER) to me.Eucharria love

[...grrr...]

FROM ALOTTA 3:40AM MON JUNE 3RD

Hello Eucharia,

It's the 3rd of June, another sleepy dusty delta day. I was out chopping cotton and my brother was baling hay. Now a few frosty brewskis of that Duffenbrau.

Yes I will be meeting my friends on Wednesday. They love to drink, sometimes a little too much. Wednesday is a local holiday, The Holy Macadamia Feast. The police will be out so I will have to watch my drinking..

I still do not know who this Tony Ada is..Why must the money be sent to him and not you?

Love, AL

[now I definitely will use the drunk driving angle, but for 'Greg'..opening paragraph FROM the song 'Ode To Billy Joe', only chance to use it..]

FROM EUCHARIA 3:53AM MON JUNE 3RD

Honey, Tony Ada is my business partner and he is going to help me get another goods. ok Eucharia

FROM ALOTTA 2:45PM MON JUNE 3

Eucharia dear,

It's all coming back to me now..I seem to recall a few weeks ago that you told me Tony Ada was a woman..Now you tell me a man..Don't you know?

[i don't think eucharia realizes that i have the 2 chats and every email saved....]

FROM EUCHARIA 6:59PM MON JUNE 3

i told you that is my friend ok

FROM ALOTTA 7:09PM MON JUNE 3

No need to get nasty about it, but you still did not explain why you first said it was a woman and then a man.

FROM EUCHARIA 7:17PM MON JUNE 3RD

Sweetheart,

Don't worried about Tony Ada, i trust her and she is going to help me get another goods. sorry i make a mistake in my English.

Please don't fell to give them the money and her information.

i love you

FROM ALOTTA 7:31PM MON JUNE 3RD

Eucharia dear,

Yes, a simple gender bending mistake with your bad English comprehension. That handily explains that. Silly me!

Love, AL

FROM EUCHARIA 7:50PM MON JUNE 3RD

hmmm...so what do you mean by that??? or do you want to use it as an excuse, for you not send the money?

FROM ALOTTA 8:12PM MONDAY JUNE 3

No need for sarcasm. I make no excuses. One never knows what the next day will bring..

AT 8:17PM EUCHARIA REPLIED

ok

FROM ALOTTA 12:21AM TUE JUNE 4TH

Eucharia dear,

I've been quite busy here on the ranch..Planted 5 acres of fryeberries, leelagrass, and zoidberg plants for the future December harvest. Now to kick back and enjoy some Burpmeister beer.

You never tell me what you do with your days and nights..Do you go out and enjoy the London nightlife? Go to the movies? You once told me you liked movies but never said what you like. Please tell me dear.

Love AL

[i'm not expecting much of an answer--eucharia has only money on her mind..i figure i'll get as much out of her as i can...she's going to be mad very soon...]

FROM EUCHARIA 2:45AM TUE JUNE 4TH

I do go out sometime, honey once you send me the money, i will come over to Australia then we will talk as lovers. sleep together. i love you

[..note to self--i hate this person!..]

FROM ALOTTA 3:33AM TUE JUNE 4TH

Eucharia dearest,

Yes I too long for the day you will be here and we are in a loving embrace. Do you prefer the left side or right side of the bed? I like to be on the lamp side so I can read. I just finished the book 'Great Expectations', written by Charles Dickens in 1861. It was good but not all I had hoped for.

I go to sleep with tender thoughts of you and me together, it is so lonely here. I wish I had a sexy picture of you to sleep by, honey can you do me a great favour and send me one today? I would be such a happy bloke

Loving you, AL

FROM EUCHARIA 5:45AM TUE JUNE 4TH

I will send you my picture , when you fullfil your promise. just do me that favour.

FROM ALOTTA 1:49PM TUE JUNE 4TH

Do not forget that I AM doing you a FAVOUR. So do not hang this over me..If you have a sexy picture, please send it NOW dear.

FROM EUCHARIA 11:33PM TUE JUNE 4TH

Honey, what was your arrangement with your friend? have you give them the money and information to send the money? and how much did you give them to send? looking forward to hear FROM you. Eucharia love

FROM ALOTTA 12:20AM WED JUNE 5TH

There is no arrangement so far..I plan on meeting with Greg at The Barfing Squirrel for drinks later on tonight and talk with him about it..but maybe I will not go, the police will be out because of the Holy Macadamia Feast and I do not wish to be stopped for drink-driving and arrested..Very strict laws here. You have been quite nasty and demanding to me lately about THIS FAVOUR which will cost me \$10,000..All I have asked FROM you is a sexy picture, and I can see that you have conveniently forgotten about it..So maybe I will forget to meet with Greg and Marsha too. I do not have to be in Darwin until 15th June.

FROM EUCHARIA 1:25AM WED JUNE 5TH

Go to hell with your money.

FROM ALOTTA 1:36AM WED JUNE 5TH

See, there you are being nasty again..Why are you so mean to me? I only want to help you out of your mess..You must understand that we Australians are gentle rugged people..Have I ever cursed you ever? NO.

[..no matter what i will not drop the roof until the 15th]

FROM EUCHARIA 4:37AM WED JUNE 5TH

IF YOU REALY WANT TO HELP OUT, THEN GO AND GIVE THEN THE MONEY. BUT IF YOU DON'T WANT TO HELP ME NO PROBLEM

[could reply now but won't..]

FROM EUCHARIA 3:19PM WED JUNE 5TH

Have you give them the money? so you are now ignoring me. God will jugde you.

FROM ALOTTA 3:30PM WED JUNE 5TH

You told me to go to hell and that really hurt me down to my soul.

FROM EUCHARIA 4:39PM WED JUNE 5TH

SO YOU ARE NOT SENDING THE MONEY AGAIN?

FROM ALOTTA 7:04PM WED JUNE 5TH

I DID NOT SAY THAT..BUT I AM QUITE HURT AT YOUR WORDS TO ME.
YOU DO NOT SEEM TO CARE ABOUT ME, JUST THE MONEY.

FROM EUCHARIA 8:05PM WED JUNE 5TH

honey am sorry, but think about my goods. have you give them the money?

FROM ALOTTA 1:08AM THUR JUNE 6TH D-DAY

Eucharria dear,

No it did not happen..Greg got caught by the police for drink-driving and is now sitting in the local gaol. This is a serious offense here in Australia and he is facing some big legal problems. So I will let them worry about it.

As you know, I myself am going to Darwin and in only 9 days FROM now I will definitely be there. You are back to being nice to me and I like that..You must remember that I am a human and have my feelings..Being nasty to me is not good. I do not get nasty back, I just get real sad..

AL

[9 more days..i think eucharria can acquiesce on that....what are the alternatives?....]

FROM EUCHARIA 1:20AM
THUR JUNE 6TH

OK TILL THEN

[no question about it--i've got this puppet dancing on my strings..]

FROM ALOTTA 1:58AM THUR JUNE 6TH

Eucharria dearest,

Things always work out best when there is no fussing or nastiness. I do business slow and steady, like a manatee on qualuuds. Life here in the outback is never at a hectic pace, no sense of urgency..The only excitement here is The Happy Savage Casino, drinking, and renting movies..I just finished watching a new one called 'Saving Ryans' Privates', which started out as a military type movie and then went to other parts.

Had a good day earlier, my friend Willie Tinkler came by and we went out panning for gold..There's plenty of it here .Found some too and at the price of gold these days there will be a big payback when I am in Darwin.

Hope your day is good too! Love,, AL

[...a big payback indeed..my subtle take on the classic line 'you will get all you deserve'..]

FROM EUCHARIA 5:35AM THUR JUNE 6TH

Sweetheart, am just worried about my goods. Once you send the money, i will start to prepared to way to your house. tears out of my eyes.

FROM ALOTTA 1:48PM THUR JUNE 6TH

Never you worry again after that, my dear. We will have a happy life together.

FROM EUCHARIA 4:24PM THUR JUNE 6TH

please don't disappoint me.

FROM ALOTTA 4:58PM THUR JUNE 6TH

I assure you things will turn out wonderful! I bought a new sewing machine, mop, and washer & dryer yesterday in anticipation of your arrival here. Some cookbooks too with all kinds of great Australian recipes for you to learn to prepare. I am looking forward to some snowy mountain oysters in a cream of sumyungai sauce, it's asian and I like asian food but never had that before. I look forward to our happiness!

Love, AL

FROM EUCHARIA 4:54AM FRI JUNE 14

JUST LET ME KNOW ONCE YOU GET THERE. SAFE DRIVE

FROM SHEILA 5:56PM FRI JUNE 14

So you sent him my emails..

You think you are so honest with him.

But I KNOW you are in Nigeria.

And you have ALWAYS been there.

And I will prove it to him.

Your passport was a fake--only a moron would spell it as UNITED KINDOM.

You thought you could fool him with your pictures.

But they were 3 completely different women.

Albert knows nothing about the 419 game you are doing.

But I do..

[...letting Sheila do my dirty-work is fine with me!...]

FROM EUCHARIA 3:09AM SAT JUNE 15TH

i hope you have safe trip to darwin? Please reply my massage. i love you

FROM ALOTTA 4:44PM SAT JUNE 15

Yes I am here and not happy about you.

[do I get the innocent act next, the curses, or must i once again explain the obvious?]

FROM EUCHARIA 12:27AM SUN JUNE 16TH

Sweetheart, you don't have to be annoyed with me because i have never anything wrong to you. Shaile knows that we love each other and she not happy about it, that is why she lie againts me. Well only God knows the truth. If you really want to help me, go ahead and send me \$5000 tomorrow being monday 17th june and ring me here +447024090624

FROM ALOTTA 3:55PM SUN JUNE 16TH

Eucharria,

The problem is that she proved to me that your phone # is really in Nigeria and ALL your emails have been sent from Lagos. There is absolutely no doubt about it. You have not been honest with me..

[...I do not have to care now, because I got posted on Scamorama today! thanks Scamo friends!..]

FROM ALOTTA 5:45PM MONDAY JUNE 17

SUBJ: GREAT NEWS HONEY!

Eucharria dearest,

I am so very happy! I got some great news!

Love, AL

[it's all good, but not for you eucharria!..]

FROM EUCHARIA 2:35AM TUE JUNE 18

THANK GOD FOR THAT. ARE YOU NOT SENDING ME THE MONEY AGAIN? REMEMBER THAT YOU MAKE IT AS A PROMISE.

FROM ALOTTA 2:14AM WED JUNE 19

Eucharria dearest,

I am so happy now, a manuscript I was working on was approved by a noted publishing firm here in Darwin and I am so delighted!

I also apologised to Sheila and she apologised to me. Looks like all is well.

I've been shopping for furniture, got a new bed for the both of us when you get here soon and we get married! Honey I want only to treat my queen to all she deserves. .

And no I have not forgot the Western Union..I will be getting there dear.I have been quite busy, and I have a lot of koala business to do.

Love to you dear, AL

FROM EUCHARIA 6:02AM WED JUNE 19

When are you sending the money?

[grrr...]

FROM ALOTTA 3:05PM WED JUNE 19

Eucharria honey,

I will be on a boating trip the next few days out in the Timor Sea, so I shall give the money to Sheila to send to you..It's all good with her, you shall get everything coming to you. Love, AL

FROM EUCHARIA 4:12PM WED JUNE 19

Is she sending the money today? are you sure that she is going to send it today?

FROM ALOTTA 6:54PM WED JUNE 19

Eucharria dearest,

I gave her the money earlier today and told her to send it.
I will be out at sea on a boat for the next 3 days, no internet access.

[i feel like a cat playing with a mouse just before the kill..and eucharria deserves it all...i wonder if she will contact sheila...]

FROM SHEILA 2:30PM THUR JUNE 20

Miss Castle

Albert is off on a boat trip with his friends for a few days.

He gave me the money to send to you.

Now tell me--WHAT does he get out of all this? You are just planning on playing him for a fool..I know it and you know it. You do not live at the address on Aldersgate. There is no Willford Fabric Company. Unique Express is not at the address and there is no Faeza. I was in London and checked it all out.

He told me that he asked you for a sexy picture and you refused to do it until after he sent the money..That was such a very small request from him and you ask such a big one of him..Shame on you. So send it to me..I am the one with the money for you right now.

I am going back to Melbourne on Saturday. Your reply will let me know what to do.

Sheila Bundee

You still did not tell me exactly what Albert would get by doing you this favour..You just want to steal from him, don't you?

1:26PM

How come the money cannot be sent in your name? Is it because you are really in Nigeria and Eucharia is not your real name?

1:36PM

I do not owe you answers..I do not owe you anything.

[yeah i'm torturing eucharia--and lovin' every minute of it...]

I can't wait to see how this ends...Mac
