

Explain The Stupidity

The bait was unique in the sense that this idiot decided to explain all of his shortcomings and things that would probably be better left unsaid – nothing like planting the seed. In the first email, he tries to explain why the FBI is using RocketMail to email me (without me asking), and he constantly reassures me that this is not a scam (the Lady Dost Protest Too Much).

What I know about 419 Scammers...

- 1) Their spelling and command of the English language is terrible.
- 2) They always want you to use Western Union or Moneygram - no respectable bank or business uses this except for idiot scammers.
- 3) They are always stupid, smelly, monkeys from that cesspool of a continent Africa, like you are.
- 4) They pose as lawyers, bankers, and even Directors with the United Nations or FBI.
- 5) They quote God and religion alot, even know they are going to Hell.
- 6) They claim to be getting back at the "white man" for injustices done to them, but the truth is that they will steal from anyone of any race, religion, creed, and color, like you would.
- 7) They often have sex with goats, monkeys, and their own parents, like you do.

8) They are the lowest form of life on the planet and have the intelligence of a 5-year old retarded child, like you do.

9) They strongly resemble gorillas but they smell even worse, like you do.

10) They are rooted in evil - everything bad in this world comes from Africa - AIDS, crime, war, disease, poverty, hunger, stupidity - all from Africa. True, we in the USA have our share of these problems too, but they all come from the monkeys that our forefathers unfortunately brought to this great nation.

UR PAPA

Dirty, filthy monkeys are so stupid. I am so glad that 200, 000 of them died in Haiti.

I wish God would strike in Africa next and kill a few million of you there as well.

YOU SHOULD UNDERSTAND THAT GOD LOVES AFRICA,BECAUSE YOU ARE TRYING TO RUIN MY DAY AT THE OFFICE

WATCHOUT NEXT THE NEXT EARTHQUAKE WILL HAPPEN IN UR STATES IN AMERICA

BE WARE

YOUR MAMA AND PAPA

That's funny – if God loves Africa why is it the poorest Continent and the most disease, hunger, crime, pestilence, war, suffering, etc.?

Doesn't more than half of Africans have AIDS?

Aren't all Africans stupid?

Don't they all smell horrible?

Don't be too funny, we all know that you are sitting at an internet café trying to steal from innocent people because you are too stupid and lazy to get a job...Are your mama and papa sitting next to you, trying to steal from people as well?

Is being a criminal in African blood?

Hello idiot...

Steal any money today? Tell me more about how God loves you even know you live in the poorest continent, with the dumbest people, and you are all disease-ridden criminals...

That was funny...

I love fucking with the FBI Scammers!
