TERENCE P.MACCULLEY

Do you even know my name? What is the last name of the person on your list?

John

HELLO SIR,

I HAVE JUST RECEIVE YOUR EMAIL AND IT WELL NOTED SIR THIS IS HOW YOUR NAME IS NOTED ON
MY DESK COMPUTER FROM THE NIGERIA GOVERNMENT(generalbox@workemail.com) THAT IS HOW
THE NIGERIA GOVERNMENT GAVE ME YOUR NAME AND EMAIL ADDRESS AND I DECIDE TO SEND
YOU A MESSAGE TO TELL YOU ABOUT YOUR PACKAGE OKAY.

So the Nigerian government doesn't know my last name, just my first and my email address?

John

YOU SEND THE FEES ATTACH THE WESTERN UNION SLIP TO ME OKAY HAVE A NICE DAY

So you don't know my last name but you say I am on a list to receive millions of dollars?

Is that correct?

John

HELLO SIR,

YES THE LAST EMAIL I SENT YOU THAT IS WHAT THE NIGERIA GOVERNMENT GIVE TO ME TO CONTACT YOU OKAY THERE IS NO OTHER LAST NAME OKAY.

Do you see how stupid Nigerians are?

Nigerians want to give someone who has never been scammed before, millions of dollars dedicated to help scam victims?

Nigerians have to be the dumbest creatures in the entire world. It's no wonder they are all criminals and beggars.

John

Hello sir,

i want you know that this is real and i have been delivering trunkes boxes since last week to different people and to the others and different country i want you to know that nigeria are not poor they are they richest country in african they have cude oil and many more they have money okay.

It sounds like you don't know much about Nigeria. Did you know that the GDP per capita in Nigeria is \$1400.00 a year? I make more than that in a week. Nigeria is one of the poorest countries in the world when you factor in standard of living and average income per person. The nation is full of criminals, beggars, killers, and stupid black people.

You didn't know this and you are an Ambassador?

The USA should bomb Nigeria and kill all of them – the world would be a better place.

John

Dear Sir John,

I got your email and I wish to make it clear to you that Nigeria is not poor but it is the leader of Nigeria that makes nigeria look poor. we are oil producing country and we have other resources so it will be an insult for you to call Nigeria a poor country.

I want you to understand that I am not playing when i tell you this fund will be delivered to you so all I want you to do is to trust me. If you feel Nigeria people are bad, i want you to know that it is not all nigerians that are bad, in every country, they have good and bad and you cant judge everybody because of the bad some group of people di so all I want to ask you here is to trust me and lets work this out.

That you make 1,400 dollars per week is not a enough money for a man like you to leave on, you need this fund so that you can be a company owner and be the person to employ works and pay them and not you working for somebody. Please think very well and you will understand what I am saying.

Thanks for Your Understanding.

LOL – I notice you say “We are oil producing country...” and “we have other resources...” – did you forget that you are supposed to be an American, not a stupid, filthy Nigerian? Better check thru your emails – you are supposed to be an American Ambassador, remember?

You still don't see how stupid Nigerians are, do you?

I guess that explains why you do what you do. I'll tell you what, I'm in good spirits today and I am feeling awful generous. I want you to have the 90 million dollars. You need it more than me. Maybe for an education? Just a suggestion.

Are you getting the picture yet, Ambassador?

John

No responses, but I think he finally realized he was baited twice by me and too ashamed to respond after insisting Nigerians are not poor beggars, etc. I may have to bait this one again.
