richardtracy51 (9:19 AM): what do you mean

richardtracy51 (9:19 AM): it been long i am out of state

Greg's (9:19 AM): yes you are - you insist you live in Akron and then tell me Cuyahoga Falls which is a different city

richardtracy51 (9:25 AM): I am from Kentucky, but based and grew up in Akron, before moving to Nigeria

Greg's (9:26 AM): you did not grow up in Akron if you don't know the difference between Cuyahoga Falls and Akron

Greg's (9:27 AM): You told me your address was 1614 State Road, Cuyahoga Falls

richardtracy51 (9:28 AM): why this questions/

Greg's (9:29 AM): Because I am from Cuyahoga Falls and I was just curious, and then you started lying to me

Greg's (9:31 AM): Why?

Greg's (9:31 AM): What did I do?

richardtracy51 (9:31 AM): I never did

Greg's (9:31 AM): never did what?

richardtracy51 (9:31 AM): Lie to you

Greg's (9:32 AM): yes you did - you have never lived in Akron or Cuyahoga Falls - that is obvious

richardtracy51 (9:32 AM): No, I thought you asked closest city to Akron

Greg's (9:33 AM): so you are saying you live in Cuyahoga Falls?

richardtracy51 (9:34 AM): Yes but grew up in Akron

Greg's (9:35 AM): this is ridiculous - you can't answer a question straight, can you? I was just trying to get to know you, and thought we had something in common (city), and I just don't understand why you are lying to me?

She logged out on me...I was hoping this would go further but I was a little harsh.

I was so excited about re-baiting her cuz she is so stupid, that I cut the Thomas Payne email bait short to concentrate on this. Then her Yahoo email address gets shut down and I don't hear from her again...sniff, sniff.
