

Hometown Honey II

This is a re-re-bait of the idiot Tracy Richards. She has been baited from Greg Wilson, TFL (short), and Thomas Payne. The Greg Wilson bait was the first and the main bait in Hometown Honey. This always brings up the question as to why a Nigerian would try to pose as an American living in the same or close-by city to the victim. Ole' Tracy just made an ass out of herself is all that happened. Tracy tries to rekindle Romance Bait with previous victims and sends an email to Thomas Payne (below). When I reply, I changed the name in the To: Header to Debbie, and reply as if she received it. This may be why she thinks Debbie is a man.

Subject: Thanks And Be Honest

Hello,

I am So Glad to hear from you, I'm so glad to hear such a words from you, well I don't play games and I am looking for a serious relationship with marriage being the ultimate goal! I am caring; compassionate; respectful; and I consider myself a gentle person...I treat men with respect and when I am with someone, I am totally dedicated to that person. Why should I be with you - well, only time will tell if this is our destiny..The last serious relationship that I was in was about 2 years ago! I don't sleep around and right now, I am still single cos i know each one of us have the ability to love. For this is what life is based on, cause without love our lives will end sooner and unexpectedly. I am a single lady,never been married,no kids,I work in a dress shop as a Sales girl,I am very outgoing,communicative,easy going,outspoken,I am also a very Romantic type,love to cuddle,hold hands while walking,I'm trustworthy so far as people tell me maybe I'm just laid back,lol....I also tend to have a good heart with so much of love to give and to recieve.I am a lone child as well,parents are late now though,lost them to an auto accident sometime back,presently I live in a Church since the rent payment was unbearable and I can't get to pay up,I love watching Movies,Television,listening to Music,Singing,Reading,Writing Poems,Swimming,playing Basketball.Now I guess a question will come to your mind(Why is she Single)isn't it...ok ok,I used to have a boyfriend but I broke up with him,I caught him on bed with my best close friend,you know how that is,it's a SHOCK,lol...so this led me to break up with him,was I right by that decision???.I seek for a complete honest man,who will come home to me,love me,adore me,a strong man with a strong heart who will want our relationship to last forever,a compassionate man,one with good heart and know how to handle matters,I want a lover not a fighter,lol...Hmmm I guess enough is being said about me.I am in Nigeria, been to States but back in Nigeria now, and i don't believe in age,distance or race, what i believe is Love, well i am hoping to hear from you.

I Need Love

Tracy

Hi Tracy! Are you still interested in talking?

Debbie

Yes sure i am still interested, where have you been? Could you pls email me back and tell m m0ore about yourself, I am worried....

Tracy

Where have you been? I was the one that was worried – I just started talking to you and then you disappeared.

Debbie

I am at home thinking about you, I am here now, oh i am sorry for the disappearance, I would love to know you more better...

What happened to you? Where were you – I was so worried.

Debbie

Nothing happen to me, I am at home with my lovely Dad, you don't have to be worried, where have you been also, I am willing to relocate for true love, let me know what is on your mind about our meeting each other in person...

If you read her first email, you would know that her parents died in a car accident, but somehow she is living with her “lovely” dad.

After a few emails with this idiot, I see her online on Yahoo. It is 7:00 in the morning. I have come to realize that Tracy doesn't realize that Debbie is a female name and that I am interested in a Lesbian relationship. This carries over to the second chat session with hilarious results...

Tracy (8:09 AM): add the plus sign

Debbie (8:09 AM): I don't know what I am doing wrong

Tracy (8:10 AM): talk to you later

Yes, Tracy is a fucking moron but you can tell she has been baited before (yeah, by me 3 times...). She is trying to verify if I am real or just fucking with her. Also, she thinks that she made an error and contacted a woman instead of a man for her Romance bait, so she switches her persona to a man, not knowing that Debbie is a Lesbian. When she called the fake phone number I gave her, it was a man who called...

I don't know why you said such hurtful things to me yesterday. I found out from my dad that we do not have a long-distance carrier on our phone and that is why my phone calls did not go through. My dad asked me if I knew who called at 7:30am in the morning – he said it was a man who called. Are you a man???

Debbie

You ask me to call you and i called, someone else is picking my calls, well i am a man

I bluffed about the phone call – of course it wasn't me who received it but I guessed that it would be a man who called. He didn't understand why I wasn't picking up my calls and would hang up when "my father" answered. I explained to the moron that I didn't have a phone in my computer room, but I am not dealing with the smartest person on Earth, as you will soon see.

----- Our chat on Mon, 10/19/09 1:18 PM -----

Debbie (12:46 PM): did you get my email?

Tracy (12:46 PM): Yes

Debbie (12:48 PM): well?

Tracy (12:48 PM): who do you thing i am?

Debbie (12:48 PM): you told me that you were a woman

Debbie (12:49 PM): the picture you sent me a while ago was from a woman

Tracy (12:49 PM): that was my sister (Tracy is an only child and an orphan)

Debbie (12:49 PM): the email you sent last week said you were a woman

Tracy (12:49 PM): we are three in our family

Tracy (12:50 PM): I sent you my younger sister pics

Debbie (12:50 PM): but the email that you sent said you were a woman

Debbie (12:54 PM): I never talked to any Richard - I was trying to talk to Tracy who emailed me

Debbie (12:55 PM): she just sent me an email - why are you answering her emails? ? ?

Tracy (12:55 PM): we use the same email address to talk

Debbie (12:56 PM): do you like deceiving people? ? ? That is dishonest...

Tracy (12:56 PM): I am honest with you

Debbie (12:56 PM): you didn't tell that you weren't tray

Debbie (12:56 PM): ***Tracy

Debbie (12:56 PM): I was try to talk to Tracy

Debbie (12:57 PM): trying***

Tracy (12:57 PM): I was trying to tell you when we were chatting yesterday, but you where busy doing another thing

Debbie (12:57 PM): I have never talked to any Richard before - and you didn't tell me

Debbie (12:58 PM): how hard is it to type "I am not Tracy"? ? ?

Tracy (12:58 PM): I was the one talking to you yesterday

Tracy (12:58 PM): I am not Tracy (**remember this**)

Debbie (12:58 PM): yeah, and you could have told me you weren't Tracy yesterday

Debbie (12:58 PM): why did you even call me then?

Tracy (12:59 PM): oh i forgot

Debbie (12:59 PM): then why did you call?

Tracy (12:59 PM): I called so i can hear ur voice

Debbie (1:00 PM): but you don't know me - I talked to Tracy before, not you

Tracy (1:00 PM): it seems you are not getting my msg

Debbie (1:00 PM): no I am not

Debbie (1:00 PM): i want to know why you were tricking me

Tracy (1:01 PM): I am sorry

Debbie (1:01 PM): I will tell Tracy what you did...

Debbie (1:01 PM): I'm sure she won't be happy about it

Tracy (1:02 PM): about what?

Tracy (1:02 PM): well she will be online later

Tracy (1:03 PM): you can talk to her then

Debbie (1:03 PM): yeah? will it be her or you, idiot?

Tracy (1:03 PM): I am just tryingto make friend with you

Tracy (1:04 PM): thats all

Debbie (1:04 PM): I don't know you and never talked to you before and you tricked me into believing that you were Tracy

Tracy (1:05 PM): I am Richard Tracy elder brother

Debbie (1:05 PM): I don't care who the fuck you are now - I was trying to talk to Tracy

Tracy (1:06 PM): alright

Tracy (1:06 PM): hold on let me tell her to log- in

Tracy (1:06 PM): I will call her on phone (**this should be funny**)

Debbie (1:07 PM): Oh, am I supposed to believe that it is her? ? ? Or you trying to trick me again? ? ?

Tracy (1:07 PM): nobody is tricking you and stop talking like this

Debbie (1:08 PM): I just looked at the email that Tracy sent me - she says that she is an only child. She doesn't have any brothers or sisters - who the hell are you? ? ? (**Read her first email – this is true...**)

Tracy (1:09 PM): I am Tracy (**OMG**)

Debbie (1:09 PM): you are a fucking liar

Debbie (1:09 PM): why are you doing this to me

Debbie (1:10 PM): who the hell are you? ? ?

Tracy (1:10 PM): I just wanna know how faithful and honest you are

Debbie (1:10 PM): well, I know that you are a filthy liar

Debbie (1:11 PM): Tracy doesn't have any brothers or sisters

Debbie (1:11 PM): you liar

Tracy (1:11 PM): This is Tracy

Debbie (1:11 PM): you are a fucking liar

Debbie (1:11 PM): why?

Tracy (1:12 PM): I am not

Tracy (1:12 PM): just want to be honest with you
Debbie (1:12 PM): you just said this was Richard the brother
Debbie (1:12 PM): that doesn't exist
Debbie (1:13 PM): liar
Debbie (1:14 PM): I see now that this has been one big joke
Tracy (1:14 PM): I am 100% honest
Debbie (1:14 PM): honest what? That you are Tracy or Richard?
Debbie (1:14 PM): liar
Tracy (1:15 PM): I am Tracy
Tracy (1:15 PM): my Dad name is Richard
Tracy (1:15 PM): just trying to see if you are fr games
Debbie (1:15 PM): then you lied about being Richard and a man?
Debbie (1:16 PM): and having brothers?
Debbie (1:16 PM): and sisters?
Tracy (1:16 PM): I told you i am sorry
Debbie (1:16 PM): how many lies are you going to tell me?
Debbie (1:16 PM): liar
Debbie (1:16 PM): who called my house last night? that was a man
Debbie (1:16 PM): liar
Tracy (1:17 PM): I am not the one
Tracy (1:17 PM): maybe you gave somebody else your number (OMG)
Debbie (1:17 PM): it was you, idiot - you just said 10 minutes ago you did call me you liar
Debbie (1:18 PM): you can't even remember all of your lies

At this point, this moron logs out of chat. I think this is over – at least until I rebait her again. This moron had such a hard time remembering his own lies, but that didn't stop him from piling more and more on. At the one point in the chat session, he was going to "call" Tracy and have her log into chat to talk to me – I know this fool would not have actually logged out of Yahoo and logged in again to give the impression that it was now Tracy I was talking to (which is impossible in Yahoo to do). But when I mentioned that Tracy had no brothers or sisters, he felt that his only response was to say he was Tracy himself, and that he was testing my honesty and integrity. I have had this happen in scambaits before when I catch them in blatant lies...

At the end of the chat, he/she tries to play off the man calling my house as me giving someone else my number, not him/her. Of course this contradicts what he/she said 10 minutes earlier...

At this point our hero realizes how stupid he/she is and gives up!

I would recommend to anyone who scambaits to get their "victims" into a chat session. These can be so much funnier than emails where they have time to plan their responses or just ignore your questions altogether...
