

Jammin Nancy

This bait was painful in the sense that this idiot could not type a coherent sentence. And once I said something that she didn't like, out came the whining, poor spelling and grammar mistakes. The first part of this bait I was Marcus King and just started insulting her from the start. Notice how long she keeps responding – for what reason? I rebaited her as James Cagney but she still tried to keep in touch with Marcus.

What I know about 419 Scammers...

- 1) Their spelling and command of the English language is terrible.
- 2) They always want you to use Western Union or Moneygram - no respectable bank or business uses this except for idiot scammers.
- 3) They are always stupid, smelly, monkeys from that cesspool of a continent Africa.
- 4) They pose as lawyers, bankers, and even Directors with the United Nations or FBI.

- 5) They quote God and religion a lot, even know they are going to Hell.
- 6) They claim to be getting back at the "white man" for injustices done to them, but the truth is that they will steal from anyone of any race, religion, creed, and color, etc.
- 7) They often have sex with goats, monkeys, and their own parents.
- 8) They are the lowest form of life on the planet and have the intelligence of a 5-year old retarded child.
- 9) They strongly resemble gorillas but they smell even worse.
- 10) They are all rooted in evil - everything bad in this world comes from Africa - AIDS, crime, war, disease, killer bees, poverty, hunger, stupidity - all from Africa. True, we in the USA have our share of these problems too, but they all come from the monkeys that our forefathers unfortunately brought to this great nation.

Marcus

My Dear Marcus King,

Am not a stealer am innocent ok remain bless and have a very good day,

Nancy,

So you really have millions of dollars that you want to give away to some random person from the internet?

Really?

Marcus

My Dear Marcus King,

Prov. 21:13 He who shuts his ears to the cries of the poor will be ignored in his own time of need. Prov. 28:27 If you give to the poor, your needs will be supplied! But a curse upon those who close their eyes to poverty. Prov. 22:9 Happy is the generous man, the one who feeds the poor.

1 Tim. 6:17 Tell those who are rich not to be proud and not to trust in their money, which will soon be gone, but their pride and trust should be in the living God who always richly gives us all we need for our enjoyment. 1 Tim. 6:18 Tell them to use their money to do good. They should be rich in good works and should give happily to those in need, always being ready to share with others whatever God has given them. 1 Tim. 6:19 By doing this they will be storing up real treasure for themselves in heaven it is the only safe investment for eternity! And they will be living a fruitful Christian life down here as well.

Remain bless,
Nancy,

Doesn't it say something in the bible – like in the Ten Commandments, like “THOU SHALL NOT STEAL”?

Marcus

My Dear Marcus King,
In the ten commandment say,

- 1) I am the Lord your God, who brought you out of the land of Egypt, out of the house of bondage. You shall have no other gods before Me.
- 2) You shall not make for yourself a carved image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them. For I, the Lord your God, am a jealous God, visiting the iniquity of the fathers on the children to the third and fourth generations of those who hate Me, but showing mercy to thousands, to those who love Me and keep My Commandments.
- 3) You shall not take the name of the Lord your God in vain, for the Lord will not hold him guiltless who takes His name in vain.
- 4) Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the Lord your God. In it you shall do no work: you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates. For in six days the Lord made the heavens and the earth, the sea, and all that is in them, and rested the seventh day. Therefore the Lord blessed the Sabbath day and hallowed it.
- 5) Honor your father and your mother, that your days may be long upon the land which the Lord your God is giving you.
- 6) You shall not murder.
- 7) You shall not commit adultery.
- 8) You shall not steal.
- 9) You shall not bear false witness against your neighbor.
- 10) You shall not covet your neighbor's house; you shall not covet your neighbor's wife, nor his male servant, nor his female servant, nor his ox, nor his donkey, nor anything that is your neighbor's.”

Remain bless,
Nancy,

Yes, I know the Ten Commandments. I was saying that you should pay attention to commandment number eight!

THOU SHALL NOT STEAL

Please stop stealing from innocent people. Pretty please...

Yours sincerely,

Nancy,

I am confused about this email I received. What do you want me to do? Move some money for you? Why?

Please let me know, I may be interested.

James Cagney

Hi,My Dearest One James Cagney,

I have really been touched by your message, Since when I sent my life history message to you, I have been wondering highly, what your reaction will be, Because we have never meet or known each other before, I have choose you to assist me not by own doing,rather it is through the power of God.

I just believe after prayers that I will meet some one like you, Now by my mere trust I have found you,I am sure that you will not let me down, I wish you could help me out from this disgusting environment ,i will greatly treasure your help to me ,it is not a thing of joy living with my experience ,Having a happy home today and tomorrow ,a sad home and,i know the sadness it send through my spine writing to you about any thing that recalls the memories of my parents.

I will be very glad if you should consider to help me please ,there is no other hope i have for a survival apart from this ,my step mother has taken possession of all my parents earned access without considering me , I want you to understand more about my situation here in the dakar, I am e-mailing you from the office of the Rev.Father who is pasturing at the church, I have explained to him a little about my life though not everything, i told the Rev.Father about my communication with you and he permitted me to access my e-mail in his office computer twice a day,meanwhile life is just not easy since I don't have any body here to take care of me.

I don't have access to further my education life has not been easy for me. I'm only surviving through the aid of the Rev. Father who is pasturing at the church. Moreover, I went into serious discussion with the Financial Firm where this money is deposited into, for them to advise me on what to do in order to have access to my late father's fund, the legal department of the bank told me that in a situations like mine, that the best solution is by soliciting for assistance of a reliable foreigner who can assist me claim, receive the fund and invest it on my behalf as I wish.

I then decided to contact you, hoping that with your advanced knowledge we can be able to work together, so that if all things works out for us, we can go into life partnership if you wish because i am not yet married yet. Though it took me time to make up my mind to contact you and offered you this proposal of mine of which my whole life depends on. I will furnish you with all the vital documents covering the deposited fund under the Financial Firm, only if you can promise me that you are not going to betray me or sit on my inheritance after it might have got into your account, please tell me more about yourself again in your next mail.

Please understand that there is no illegality involvement in this transaction, you are going to deal with the holding bank directly. I will send to you the contact of this bank where the Funds is deposited, for you to establish immediate contact with them for the transfer. Finally, i am suggesting that if we can go into life partnership as time goes on which means that the proceedings from the investment in your country shall be shared equally between the both of us because i do not know much about international business and i am putting my entire inheritance of my late father to your care because i want you to be in total control of my funds as soon as the fund arrives in your country.

on reply of this email will i forward to you all the contact of the Bank where this Money is deposited by my late father for you to make contact with them and ask them the possibility of releasing the money to your account, i am looking forward to read from you. and After the transaction we will work for my coming to your country within 1 or 2 weeks time. I will be expecting your reply I am waiting for your response soonest .

Love with care from, Many Love and kisses!

Your Lovely Friend,

Nancy with kiss,

I don't understand this – if this is your money in the bank, then why do I have to ask the bank to have the money released. It's your money and you can do with it what you want. Just tell the bank to transfer it to me. They have to listen to what you say. The legal department of the bank suggested to you to find a complete and random stranger to transfer this money to? Are you kidding me?

None of this makes any sense,

James

My dear James,

The reason is this according to the undertaking my father signed with the bank during the time of depositing the money he signed that i will be up to 30 years or above before i could claim the money on myself and now things is so difficult that i will not managing myself till i attain the agreed age of thirty year i am 23 now, i don't want myself and my little brother to die of hunger while there is a solution, the solution to my problem is to get out of this situation by your assistance then when i secured a permanent visa i will call for my little brother. I know that i am boring you with my own problem but please do this humanitarian work if not for me but for my younger brother to be able to secure a good future for him i am not after the amount left but to get

my freedom and get into a good hand person.

My dear James my suggestion is that you help me to get out of this place and God will remember you for that the transfer shouldn't have been because there is alot we are going to gain from our self (i am sorry if this sound you wrong),But let my happiness be the first,please help me out from this my darknes situation our lord all so will reward you back and you will never lack thanks i will be very happy to read from you soon,

Remain bless,
Nancy,

Okay, I understand the part of not being able to manage the money on your own because of your age and you don't seem to be the sharpest tack in the box. But you can still access it. You can transfer it yourself if you need to – I don't have to write a letter to the bank to ask them to do this. I understand that you are young and probably don't understand banking procedures, but lucky for you, I do. The money in the bank is yours, you can do with it whatever you want. Banks cannot prevent you from claiming what is yours unless it is in a Trust Account.

James

I was trying to get her to say it was in a Trust Account, which would mean that the scam was over – after all, I could not nor could she break the conditions on the Trust.

Nancy,

I was a confused and a little disturbed by your email – I had no idea that you were into fisting and don't really understand why you would tell me that. To each his own, I guess. Also, it seems that what I said about it being your money at the bank and you can do with it as you please didn't really sink in, did it? Once again, why would I have to write a letter to the bank to request them to release the money? Let me try this again – the money is yours. You can do with whatever you please. If you want to transfer it to me as your foreign partner, then you can do it. Do you understand? What you are suggesting for me to do does not make sense and banks don't work like that. Let me explain. You have money in a bank. You can withdraw it, or add to whenever you want. If you want to give it all away, or throw it up in the air, or burn it, it is totally up to you. Do you see? If you want me to receive this money, then transfer it into my account and I will hold it for you. That's all it takes – a simple wire transfer.

James

Hi,My Dearest One James Cagney,

I receive your massage but am surprise again that you are still asking me that i should ask the bank to transfer the money to me i think that we have already settle with this please Dear James Cagney,If that you realy want to help me let me know because what i like in this life is truth yes is yes and no is no if that you realy want to help me contact the bank so that they will tell you the procedured how they will transfer the money to you

because am confuse when i receive your message right now because i thought that you have contacting the bank have a nice day,
Remain bless,
Nancy,

What have we settled? You still don't seem to understand how banking works. It is your money! It is your responsibility to initiate the transfer, not mine – do you understand this?

That would be like me telling the phone company that if they want paid by me, then they have to formally request or write a letter to the bank asking to release the funds to pay the phone bill. Do you see?

All the bank needs is my account information for the transfer from you and you to tell them to transfer it.

James

Hi,My Dearest One James Cagney,

I receive your message today maybe that you don't want to help me out clear me so that i will know what to do because i have told you to contact the bank so they will tell you how to proceed with the transfer now you told me that it is money that i need how to do it i have told the bank that i have fine my partner that is the reason why they give me they contact bank which i sent to you to write them but now i don't know how you feel please if you really know that you will now help me just open up so that i will know what i will do because i have to you about my situation here that is not good hope to read from you so that i will know what i will do thanks,

Nancy,

I told you that I wanted to help you but you don't know how a bank works. Have you ever had a bank account before? I'm telling you, this is how it is done. If you want to transfer money, then you just do it. All you do is tell them the account routing info and the transfer will happen.

You know what – I will contact the bank and ask them to explain to you how banks work, okay? Just to prove what a dolt you are.

James

Hi,My Dearest One James Cagney,

I receive your message there is no problem as you say that you will contact the bank that it is better thanks remain bless,

Nancy,

I wrote to the bank and asked them to explain simple banking procedures to you that a five year old could understand. You should be hearing from them soon.

Talk to you later,

James

To the bank...

Hello;

I am writing to you on behalf of Miss Nancy Jemmah. I need you to explain simple banking transfer procedures to her. She is not very smart and is under the assumption that I have to formally request the release of her own money in your bank. Yes, I know that is ridiculous, but she is young and immature and kind of a moron. Anywho, please email her and let her know that it is the account holder's responsibility to initiate the transfer, not the recipient. Isn't that the dumbest thing you ever heard of in your life? Don't make fun of her though, she gets really emotional. Thank you.

James

Dr. Valentine Sekho.

Do you know how to read? If so, re-read my last email sent to you. First of all, I did not send you any letter or application claiming the money. All I asked you in the email was to explain proper banking procedures to Miss Jemmeh, because she is not very smart when it comes to banking and how the whole process works. I explained to her that it is her money and if she wishes to wire transfer it to anyone, then that is her prerogative, and it is not up to me apply or writes letters requesting release of the money. Do you know how silly that sounds? Yes, she really believes that's how to wire transfer money, which is ridiculous.

Please contact Miss Jemmeh and properly educate her on banking procedures because I tried but it is like talking to a wall.

James

P.S. What application were you discussing with the board? It wasn't mine because I never sent you one. Are you confused?

Nancy,

It's sad that you keep quoting God in your scams. I pity you and the life you lead. It must be horrible.

Maybe you should shove a knife into your throat – it would make the world a better place.

Marcus

what is the problem right now can you tell me??

What I know about 419 Scammers...

- 1) Their spelling and command of the English language is terrible.
- 2) They always want you to use Western Union or Moneygram - no respectable bank or business uses this except for idiot scammers.
- 3) They are always stupid, smelly, monkeys from that cesspool of a continent Africa.
- 4) They pose as lawyers, bankers, and even Directors with the United Nations or FBI.
- 5) They quote God and religion a lot, even know they are going to Hell.

- 6) They claim to be getting back at the "white man" for injustices done to them, but the truth is that they will steal from anyone of any race, religion, creed, and color, etc.
- 7) They often have sex with goats, monkeys, and their own parents.
- 8) They are the lowest form of life on the planet and have the intelligence of a 5-year old retarded child.
- 9) They strongly resemble gorillas but they smell even worse.
- 10) They are all rooted in evil - everything bad in this world comes from Africa - AIDS, crime, war, disease, killer bees, poverty, hunger, stupidity - all from Africa. True, we in the USA have our share of these problems too, but they all come from the monkeys that our forefathers unfortunately brought to this great nation.

I sent this last one just to let her know it was me (Marcus) that was baiting her again...
