

Jesse Angel

I have scambaited this moron before under a female profile. Once she realized I was a woman, "she" said she was a man and had this picture (Anna Angel – internet nude model) is his profile because it was his sister. I contact he/she again months later from a new profile (Debbie) to see which way she'll turn.

jessalexander95: Hello

debbiedawson0404: hi

jessalexander95: Who are you

debbiedawson0404: This is Debbie - is this Jesse?

jessalexander95: Where do you get my ID

jessalexander95: ?

debbiedawson0404: Is this Jesse from Ohio? We have talked many times?
