

Kentucky Fried Loser

The scambait happened solely in the chat rooms (still active – 8/7/2009 – but I haven't heard from her in days). The main question I would ask is why do Romance scammers pose as Americans when their English is horrible and they know nothing about themselves? At least do some research before you start spouting off bullshit! This idiot would log out on me when she got confused. I've seen her online many times, but it wasn't worth getting started when I knew she was going to log out! This bait still isn't at the point where she plays the money angle yet...

Greg's (10:33 AM): I wouldn't say mad - disgusted is more like it...

sherry_elliott (10:33 AM): why/

Greg's (10:34 AM): because you are Nigerian

sherry_elliott (10:34 AM): am not full nigerian

Greg's (10:34 AM): close enough

sherry_elliott (10:34 AM): its only my mom that is from there

sherry_elliott (10:35 AM): i really like the way u do advise me

Greg's (10:35 AM): advise you?

Greg's (10:35 AM): what does that mean?

Greg's (10:38 AM): hello?

sherry_elliott (10:39 AM): am confused that u have totally changed to me

Greg's (10:40 AM): what do you mean "advise you"?

sherry_elliott (10:44 AM): you do tell me what is good ,what i suppose to do and other things like that

sherry_elliott (10:45 AM): i do share my opinion with u but just because of racism u want to change your attitude towards me

Greg's (10:46 AM): why would you even want to talk to me if I am racist?

sherry_elliott (10:46 AM): i remember the past

Greg's (10:47 AM): ?

Greg's (10:47 AM): what does that mean?

sherry_elliott (10:48 AM): how u have been so good to me

Greg's (10:49 AM): do you know who you are talking to? we talked about 4 times and every time you ended up cutting me off or logging out? do you remember this?

sherry_elliott (10:49 AM): and i do tell u am sorry

sherry_elliott (10:50 AM): the system am using is not good

sherry_elliott (10:50 AM): it is old

Greg's (10:50 AM): that's not the point - you said i was good to you - I barely talked to you

sherry_elliott (10:50 AM): u do

Greg's (10:51 AM): are you insane?

sherry_elliott (10:52 AM): i can see u are upset now

sherry_elliott (10:52 AM): am sorry

sherry_elliott (10:52 AM): we will talk some other time

Greg's (10:52 AM): i am not upset

Greg's (10:52 AM): I just think you have some big problems

sherry_elliott (10:53 AM): ok

sherry_elliott (10:53 AM): if u say so

Greg's (10:53 AM): cut your mothers throat

sherry_elliott (10:54 AM): that is abusive

Greg's (10:54 AM): I told you - I hate Nigerians

sherry_elliott (10:55 AM): tell me have they done anything bad to u before

sherry_elliott (10:55 AM): though i know they are bad but not to the extent of transferring it on me

Greg's (10:55 AM): they are a disease...they are all thieves, liars, and murderers

sherry_elliott (10:57 AM): i know all that but u dont have to hate me also

Greg's (10:57 AM): you have the disease

sherry_elliott (10:59 AM): what disease is that

Greg's (10:59 AM): Nigerian, nigger

sherry_elliott (11:01 AM): oh my God

Greg's (11:02 AM): ?

sherry_elliott (11:02 AM): i do not the way u are talking

Greg's (11:03 AM): sorry - that's how I feel - I hate all niggers, africans, etc. - especially Nigerians

Greg's (11:05 AM): are you part nigger?

sherry_elliott (11:05 AM): KY

sherry_elliott (11:14 AM): ?

Greg's (11:16 AM): you asked if I was from Nigeria what would I do - I would kill myself

sherry_elliott (11:16 AM): why would u do that to yourself?

Greg's (11:18 AM): it's better than being a nigger/Nigerian

sherry_elliott (11:19 AM): but do u belief u can change the whole world by changing your character and attitude first and someone else

Greg's (11:20 AM): what are you talking about? ? ? I not changing the world or trying to...

sherry_elliott (11:22 AM): well that is what i think instead of being a racist

Greg's (11:23 AM): well, we are totally different - I think that everything bad in this world comes from Africa - crime, disease, AIDS, War, etc. - all from Africa

sherry_elliott (11:24 AM): well it is true

sherry_elliott (11:25 AM): but as a member of ARCS we have been doing some awareness to reduce that

Greg's (11:25 AM): ARCS?

sherry_elliott (11:26 AM): American Red Cross Society

Greg's (11:28 AM): oh, never heard it called ARCS - the only way you will fix africa is to shoot nuclear missiles and get rid of them all

sherry_elliott (11:31 AM): well if u think so

Greg's (11:32 AM): i do

Greg's (11:32 AM): it's in the blood

Greg's (11:33 AM): only way to get rid of it

sherry_elliott (1:18 PM): bye
Greg's (1:19 PM): you may want to look at a map...
Greg's (1:19 PM): lol

She doesn't know where Ohio is and doesn't know why we are an hour different in time? I have seen her online since this last session and she hasn't made the attempt to talk to me again. Notice how she abruptly leaves after I confound her with the time and location of Ohio questions. She does throw in an "I love you" though. I don't think this is over yet...

sherry_elliott (10:30 PM): bye and chat with you other time
sherry_elliott (10:30 PM): it is nice chatting with you

I had this idiot send me another picture just to see if it was the same one she sent me before (months ago...). Remarkably, it was. The email IP address also traced back to Nigeria, which was another reason for requesting a pic. Like I really care what picture this butt-munch stole from the internet to send me.

How did you like the conversation and I mentioned my brother-in-law? She didn't understand how I could have a brother-in-law and yet, not be married. She is either not an American or incredibly stupid – or both!

----- Our chat on Tue, 8/18/09 10:27 PM -----

Greg's (9:59 PM): must be nice - i had to work thru college

Greg's (10:00 PM): everyone i know did...

Greg's (10:00 PM): in fact, i don't know anyone who didn't work while in college

sherry_elliott (10:03 PM): that is good

sherry_elliott (10:03 PM): but do u think it is everybody that did that

sherry_elliott (10:06 PM): sure

sherry_elliott (10:06 PM): she gave me \$30 yesterday

Greg's (10:07 PM): ? ? ?

Greg's (10:07 PM): for what

sherry_elliott (10:07 PM): to eat

Greg's (10:08 PM): i thought your uncles friend was supporting you? ? ?

sherry_elliott (10:08 PM): no

sherry_elliott (10:08 PM): he told he was only going to accomodate me

Greg's (10:09 PM): so you moved to Minnesota with no job and no way of eating? ? ?

sherry_elliott (10:10 PM): well, what will i do

sherry_elliott (10:10 PM): i need to survive

Greg's (10:11 PM): what was wrong with Kentucky? I know you didn't have a job but at least you mother was there to support you

sherry_elliott (10:13 PM): yes

Greg's (10:13 PM): that was a strange decision you made - I don't understand it...

Greg's (10:14 PM): how did you get to Minnesota anyways?

sherry_elliott (10:17 PM): i followed my uncle's friend and now i can see i made a very big mistake

Greg's (10:18 PM): did you drive there or fly or what?

sherry_elliott (10:25 PM): i hope so too

Greg's (10:26 PM): I'm going to bed now

Greg's (10:27 PM): talk to you later

sherry_elliott (10:27 PM): ok

sherry_elliott (10:27 PM): thanks so much for been there

I am still waiting for this idiot to play the money angle. She attempted to drop a hint a while back about some inheritance in Nigeria which I totally ignored... I thought she was going to ask for money for moving expenses to Minnesota, but was wondering how she would work it being in Nigeria. After all, why would I send money to Nigeria when she was supposed to be in Kentucky???

----- Our chat on Thu, 8/20/09 11:57 PM -----

sherry_elliott (10:43 PM): I told u this several times

sherry_elliott (10:44 PM): how many times u want to ask this?

Greg's (10:44 PM): i want to hear the truth - you owe me that don't you?

sherry_elliott (10:44 PM): what exactly do u want to know

Greg's (10:45 PM): where you are from for real - it is obvious that you are not an American, nor in the United States

Greg's (10:46 PM): i won't be mad - i just want the truth

sherry_elliott (10:46 PM): why do u say so?

Greg's (10:47 PM): it is obvious for many reasons...

Greg's (10:47 PM): please tell me the truth

sherry_elliott (10:47 PM): i told u am from KY

Greg's (10:48 PM): you don't know where Ohio is, and you are from Kentucky? ? ? go look at a map...

sherry_elliott (10:53 PM): am disappointed in u

sherry_elliott (10:54 PM): and i believe that u are the one i can confide in and take as a guidance

sherry_elliott (10:54 PM): u are now the one that is annoying me

Greg's (10:54 PM): do you know what the Federal Minimum Wage is?

sherry_elliott (10:54 PM): its bad

sherry_elliott (10:55 PM): i dont need anymore or your questions

Greg's (10:56 PM): the minimum you could make for full time work is \$325.00 a week - that is a law!

Greg's (10:56 PM): please, just level with me...

sherry_elliott (10:57 PM): can u come to MN for confirmation

Greg's (10:58 PM): i could if i wanted to - its only about an 8 hour drive...

sherry_elliott (10:59 PM): when should i be expecting u?

Greg's (11:00 PM): i would need an address and phone number

sherry_elliott (11:03 PM): ok

Greg's (11:04 PM): so how is it that your new job prospect could pay you well below minimum wage?

sherry_elliott (11:05 PM): what can i do when there is nothing for me to do

Greg's (11:06 PM): by law they cant do that

sherry_elliott (11:07 PM): well may i will first let them employ me then i will take it up

Greg's (11:07 PM): so what is the address?

Greg's (11:11 PM): remember a few weeks ago when you sent me those pictures of you via email?

sherry_elliott (11:12 PM): uhm?

Greg's (11:12 PM): do you remember?

Greg's (11:14 PM): anything you want to tell me?

sherry_elliott (11:15 PM): thanks for the confirmation

sherry_elliott (11:15 PM): u are good

Greg's (11:15 PM): can i show you something?

sherry_elliott (11:16 PM): but it is because of the hatred u for the nigerians that made me lied to u

Greg's (11:16 PM): <http://macsbaitstore.com/KentuckyFriedLoser.pdf>

Greg's (11:16 PM): can you check out this site?

I was finally sick of playing the game, although I was curious on how she would play the money angle. I'm sure I'll see "her" online again and possibly get some answers. I was laughing my ass off when she talked about her great job making \$135.00/week full-time (this equates to \$3.35 an hour).

This probably isn't over yet – unless "she" reads what I wrote on my website about her and all of the insults. But she seems to take insults very well though, after all I told her to cut her mother's throat and she closed the chat session by saying "I love you"!
