

Man of God

I have gotten a few of these over the years, and the “modality” is funny because this will only attract dishonest individuals to this scam. Anybody that falls for this knows that it isn’t their money, but will participate to prevent anyone else from stealing money that they can steal themselves. I always play hard to get in these and insist that the money isn’t mine – look how this Man of God changes his stripes.

Attn:Friend,

Thomas Payne

Thomas Payne

You are very much wrong because the fund is your, All file regarding to this fund apply your name as the beneficiary of this fund that is why we cannot easily transfer it to these Mrs Janet for fear of Legal actions from your part.

So my dear why don't you work with us so that we can release this money to you as we do not carry out illegality on this.

I want you to either tell us to work this out with you or if you do not need this money can nominate your direct friend or brother for it.

Based on the File we have before contacting you all documents bears your name and we are surprised when this woman apply for the payment of this money to her which we disagreed.

Now i want you to stand and claim your fund which is yours as we proceed to do this you will be required to co-operate and comply with every directive that will be given to you, I am a Man of God and my mind is that i hate cheating that is why i do not want you to be cheated by contacting you over this.

Thanks

Rev Dr James Nwaka

(Remember, he is a "Man of God" and "he hates cheating...")

I am telling you that the money isn't mine. I never did business or had financial dealings with anyone in Africa. The money must be Miss Janet's.

Thanks,

Thomas

Thomas Payne

Ok i do not want Mrs Janet to have it and i want us to do it as Business and share the money in between us ,will that be ok by you

Let do this i am in Charge so that we can have this money for ourselves, What do you think of that.

Rev Dr James Nwaka

(Now he just wants to steal it from Miss Janet...)

You profess that you are a "Man of God" and a Reverend and you want me to help you steal money that doesn't belong to us???

You are pathetic. Are all people from Africa like you? That is truly sad...

Thomas

Thomas Payne

Are you out of your mind why do you have to have to say such to me and if you are not interested let me know.

I want you final word on this and let me find another person for this transaction if you cannot do it with me.

Thanks

Rev Dr James Nwaka

If the money is in my name as the beneficiary, how are you going to get someone else to help you steal it, you complete and utter moron? And drop the Rev. from your signature when you sign your name, because you are obviously not a man of God as you previously said, you are just a common thief. May I remind of a quote from your earlier email?

“I am a Man of God and my mind is that i hate cheating that is why i...etc, etc.” - This is what you wrote

You are a Man of God and hate cheating but you want to steal this money? You are obviously a liar, a thief, and going to burn in Hell for your Blasphemy.

I pity you.

Thomas

You will never collect you money for you insults to me.Because of my position I will have another person help me if you are not interested to come forward and confure this money before miss jante.

Thanks

Rev Dr James Nwaka

I am not planning on collecting the money, because it is not mine. See, although you are a dirty, rotten thief, you made the mistake of contacting an American who is honest and has integrity. You were obviously looking for someone of low class and questionable morals to help you steal – my advice would be to look in Africa. It seems to me that the entire continent is a haven for thieves, conmen, liars, and scum. Of course you already know this, don't you? Maybe because they have elected you “Queen”?

I am sorry you are that way - your mother must cry a lot over what a pathetic scum you have become.

Thomas

(No more responses, but I try to get him back with some insults...doesn't work –lol!!)
