

Manners, Please?

Can you believe this fool's second email to me? Even if I never had heard of 419 scams before, I would have saw something fishy with this response. This moron must be sexually frustrated, which means there isn't any goats that are safe for miles...

The Diplomat has to move down to your Country in order to deliver the Consignment to your doorstep. Note that as soon as the Diplomat arrive to your Country he will give you a call immediately he arrives. What is this money for and why do I get it? I am not owed any money by anyone.

Debbie

Debbie,

The money involve is for us to share and you will have 40% while 50% is for us here and 10% is mapped out for expences incur during the transaction.

I don't understand this at all. You said that this is money from the Federal Government of Nigeria and that for some reason they think I am a contractor that is owed money? Why is this?

Debbie

We want to get this money to your costudy and will come over for disbursment later.

What nationality are you? Can you understand English because that doesn't answer my question? Are you saying that you want me to pose as someone who is owed money from the government of Nigeria so we can steal it? Please explain yourself.

Debbie

This is an inflacted contract sum and the main sum has been paid to the original owner so we want you to stand as the owner of this \$5m so that we can share it. I hope it is clear now.

So you lied in your first email, is that it? Do you make a habit of lying? Of course you do, because you are a foul, smelly, thieving, little African beggar who is too stupid and lazy to get a job aren't you? Does it make you mad that I am a rich, white American, and my friends and I are laughing at how stupid you are? We laughed and laughed and laughed...

Debbie

I GONN KILL YOU MUMU YOU FATHR AND MUTHER WILL DIE AND YOU POOR MAN GO TO HELL

Such uncouth, savage talk for a "Chairman of Foreign Debt Committee". Of course we both know that you are silly a little beggar boy, aren't you?

No more responses – I tried to goad him into more insults, but he gave up. Poor, poor, goats...
