

Oh My Omarion

I baited this fool a long time ago, and I still see him online every day. All of the insults at the end of this transcript take place over months – I see him online and I try to get him talking. Most of the time he ignores all of my comments. My emails are in blue, his/hers are in black, my comments in red. Happy reading!

scott.omarion: Hello

scott.omarion: Hello love

debbiedawson0404: Hi

scott.omarion: how are you today

scott.omarion: each time i see your beautiful face i feel happy

debbiedawson0404: thanks

scott.omarion: are you married??

debbiedawson0404: no

debbiedawson0404: I told you this already

scott.omarion: ohh i forgot

scott.omarion: i will really like to marry you

debbiedawson0404: Do you say that to a lot of women that you know nothing about from the internet

scott.omarion: no

scott.omarion: my heart beat for you

scott.omarion: i can really express how i feel about you

debbiedawson0404: what do you know about me?

scott.omarion: i just know you are beautiful that enough makes me happy

scott.omarion: so tell me more

debbiedawson0404: so you want to marry someone based solely on their looks?

scott.omarion: i know you are nice

scott.omarion: so tell me are you bad??

debbiedawson0404: How would you know if I am nice? We hardly ever talked - you always log out

scott.omarion: always busy

scott.omarion: but i promise to be here for you always now

debbiedawson0404: so, answer the question...

scott.omarion: what question?

debbiedawson0404: since we haven't really talked, how do you know I am nice?

scott.omarion: my heart tells me you are caring

scott.omarion: my heart never lies

debbiedawson0404: try acting like a man - you talk like a woman

scott.omarion: how do you mean

debbiedawson0404: Your heart tells you??? Your heart never lies??? I can't believe a man would say that - that is something a woman would say

scott.omarion: the truth is that i am in love with you

debbiedawson0404: really? And yet you know nothing about me?

scott.omarion: so tell me more about yourself

debbiedawson0404: tell me what you love about me

scott.omarion: The way you talk to me makes me want to love you the more

debbiedawson0404: answer the question correctly, gayboy

debbiedawson0404: what qualities about me do you love?

scott.omarion: lol

debbiedawson0404: what are my interests?

scott.omarion: whats gayboy

debbiedawson0404: the way you talk

scott.omarion: action woman

debbiedawson0404: you talk like you are gay
scott.omarion: you always speak with authority
scott.omarion: am not dear
debbiedawson0404: well, talk like a man then
scott.omarion: i just like the way i talk
scott.omarion: i love to pet women
debbiedawson0404: I dont - you talk like a fool and a gayboy
scott.omarion: why will you insult me
scott.omarion: i have not said anything wrong
scott.omarion: this is why i am always not here with you
debbiedawson0404: why?
scott.omarion: you sound like a saddest
debbiedawson0404: lol - a what?
scott.omarion: i wanted to make you happy but you dont like that
scott.omarion: i am sounding like a man now
debbiedawson0404: what is a saddest?
scott.omarion: maybe that is what you want
debbiedawson0404: do you mean sadist?
scott.omarion: somebody who lacks joy
scott.omarion: even somebody is trying to make you happy
scott.omarion: you still wants to be sad
scott.omarion: i am a nice man
debbiedawson0404: lol - I don't lack joy - I am having a lot of fun
scott.omarion: i hate been authoritative in my words
scott.omarion: how
scott.omarion: ?
scott.omarion: by calling me a "fool"
debbiedawson0404: I just wanted to know how you love someone and want to marry them when you don't know anything about them and have never really talked before?
debbiedawson0404: we have talked for maybe 5 minutes - so in those five minutes, you know you love me?
scott.omarion: i have realized that a long time
debbiedawson0404: and then you start with that "my heart tells me" and "my heart never lies"
debbiedawson0404: you have realized what?
debbiedawson0404: that after 5 minutes of talk, you love someone
scott.omarion: so how long will it take you to love someone you admire alot
debbiedawson0404: a lot longer than 5 minutes of talk
debbiedawson0404: Do you know what I do for a living, or any of my interests, or my family, or where I live, or my likes and dislikes, or anything?
debbiedawson0404: oh gee - you logged out again...
debbiedawson0404: it figures...just like always

He's back...

scott.omarion: tell me
debbiedawson0404: ?
debbiedawson0404: what?
scott.omarion: what you like and dislike
debbiedawson0404: why?
scott.omarion: you know why

debbiedawson0404: no I don't - You already said you love me and want to marry me after 5 minutes of talking, then why do you care what I like or dislike?

scott.omarion: you got me angry the last ime

debbiedawson0404: really?

scott.omarion: yea

scott.omarion: and you know it

debbiedawson0404: so you think it is normal to tell someone from the internet that you love them and want to marry them after 5 minutes of talking?

scott.omarion: we have spoken more than five minutes

debbiedawson0404: no we haven't - every time it was a minute or so, because you would log out

scott.omarion: i am here now

scott.omarion: so tell me things about yourself

debbiedawson0404: that's not the point - the main point is that we've talked for about 5 minutes and you already told me you love me and want to marry me...

scott.omarion: so wat is my crime now??

scott.omarion: telling you i love you

debbiedawson0404: after 5 minutes???

scott.omarion: lol

debbiedawson0404: is that normal to you?

debbiedawson0404: Does that seem normal to you?

scott.omarion: it is not but am not joking

scott.omarion: i know you feel bad

debbiedawson0404: I don't feel bad...I think it's hilarious

scott.omarion: believe me i am serious

debbiedawson0404: lol...

debbiedawson0404: tell me why you love me after 5 minutes of talking

scott.omarion: ohhh gosh.....can we just forget about the 5minutes love

scott.omarion: and be serious for pnce

debbiedawson0404: and don't give me that "you heart tells you that and that your heart never lies"

debbiedawson0404: no, i wanna know what about me did you fall in love with after 5 minutes?

debbiedawson0404: are you gonna log out again?

scott.omarion: nop

debbiedawson0404: i wanna know what about me did you fall in love with after 5 minutes?

scott.omarion: your lovely body

debbiedawson0404: gee, that's funny - last time we talked you said that you didn't fall in love based on looks - i guess that was a lie

scott.omarion: so what do you think about myself

scott.omarion: you feel i am lust after your body

debbiedawson0404: no, I wanna know how someone falls in love with someone after 5 minutes when they dont know anything about that person

scott.omarion: you dont want me to be happy

debbiedawson0404: I want you to answer the question intelligently, if that is possible

debbiedawson0404: so, telling women you love them after 5 minutes makes you happy - is that what you are saying?

scott.omarion: lol

scott.omarion: debbie

scott.omarion: i have t go

debbiedawson0404: lol - i know

scott.omarion: since you dont want to tell me something else

debbiedawson0404: what does that mean - your English is hard to understand sometimes...

debbiedawson0404: hello, are you there

scott.omarion: yes

scott.omarion: you want me to go

scott.omarion: so u am going

debbiedawson0404: Why is your English so hard to understand

debbiedawson0404: cant you answer?

scott.omarion: answer what

scott.omarion: sorry i got other things that am doing

debbiedawson0404: Why is your English so hard to understand

scott.omarion: so i am always fast in typing

debbiedawson0404: go ahead and speak Yoruba or Igbo if you are more comfortable with it

scott.omarion: which one do you understand??

debbiedawson0404: I can understand a little of both

scott.omarion: how

scott.omarion: ??

debbiedawson0404: I have been cursed at by other scammers like you

scott.omarion: how

debbiedawson0404: what do you mean how?

scott.omarion: what do you mean by scammer

scott.omarion: who is scamming you here???

debbiedawson0404: I mean I know you are a scammer and that you are West African

debbiedawson0404: Scammers speak poor English like you and tell women they love them after 5 minutes so they can beg for money

debbiedawson0404: I knew you were a scammer right when you said you wanted to marry me...

debbiedawson0404: I knew that you weren't English because you don't speak English well

scott.omarion: so you think i need money???

scott.omarion: too bad

debbiedawson0404: and you also know what Yoruba and Igbo are - which means you are West African

debbiedawson0404: yes, you are an internet beggar

scott.omarion: not at all

debbiedawson0404: lol - it is so obvious...

scott.omarion: have i begged you for any money???

scott.omarion: give me 5years from now i will not ask you for a penny

debbiedawson0404: not yet, you haven't - first you have to tell the victim you love them and want to marry them

debbiedawson0404: lol

scott.omarion: that is not true

debbiedawson0404: lol....

scott.omarion: i dont do that

scott.omarion: some people do that

scott.omarion: am not in that category

debbiedawson0404: you know how many times I have seen this - it is all the same - I have been contacted at least 20 times from idiots from Dating72.com that said the exact same thing as you

scott.omarion: wow

scott.omarion: that is serious

debbiedawson0404: that's why I knew what Yoruba and Igbo is

scott.omarion: debbie believe me i dont do such things

debbiedawson0404: Igbo**

debbiedawson0404: how did you know what they are?
debbiedawson0404: It is obvious that you are West African
debbiedawson0404: Nigerian, I would guess
debbiedawson0404: I am sorry that you are black and poor and have to beg from women - I pity you
scott.omarion: dont sound that way
scott.omarion: we are not poor
scott.omarion: are you rich???
debbiedawson0404: define rich
scott.omarion: you should do that
debbiedawson0404: I don't know what you call rich - but I make \$125,000 /year at my job
debbiedawson0404: In the USA, that is not considered rich, but in Africa it would be
scott.omarion: that is a big money here
debbiedawson0404: I know
scott.omarion: what investments do you have??
debbiedawson0404: are you in Nigeria?
debbiedawson0404: I have Trading Accounts and a 401
debbiedawson0404: that was supposed to be 401-k
scott.omarion: dont get you
scott.omarion: 401k
scott.omarion: meaning??
debbiedawson0404: a 401-k is a retirement account
scott.omarion: wow
scott.omarion: that sound nice
debbiedawson0404: which means when I retire from work, I will get a monthly retirement check
scott.omarion: so what do you intend doing with it
debbiedawson0404: doing with what?
scott.omarion: ohh i understand now
debbiedawson0404: so why do you do this? You can't find work?
scott.omarion: Here things are hard
scott.omarion: if when you graduate from school no job
debbiedawson0404: yes, I have heard that - are you in Nigeria?
scott.omarion: the government dont even care
scott.omarion: no reason to lie
scott.omarion: yes
debbiedawson0404: let me ask you this - why would you pose as an English person for your scam - that is a dead giveaway
scott.omarion: because of the image our country already have in the world
debbiedawson0404: well you are part of the reason that your country has that image - isnt that correct?
scott.omarion: believe me i am not bad
scott.omarion: the government made it so
debbiedawson0404: because I knew when I first talked to you that you were not English
scott.omarion: even our leaders make it worst
scott.omarion: you too can change somebody
debbiedawson0404: I understand why you wouldn't say you were Nigerian in your scam, but to pose as an Englishman when you English isnt that good? Thats why I knew you were a scammer
scott.omarion: i am not a scammer
debbiedawson0404: lol - excuse me?
debbiedawson0404: you just admitted it...
scott.omarion: admitted what

scott.omarion: just stop
debbiedawson0404: that you were a scammer...
scott.omarion: so what can you do to stop me
debbiedawson0404: It is not my responsibility to stop you - that's for the police to do
scott.omarion: get me a job in your country and i will stop
debbiedawson0404: nothing I say or do would stop you from scamming people
scott.omarion: it will
scott.omarion: dont you believe in change
debbiedawson0404: how could I possibly get you a job?
scott.omarion: it is possible
scott.omarion: how did you get for yourself??
debbiedawson0404: how so? I have a college education and applied at a company where I was offered a job
and have work for almost 10 years
debbiedawson0404: that's how I got my job
scott.omarion: i have a degree too
scott.omarion: in computer science
debbiedawson0404: what specialty? Programming, DBM, Networking, etc?
scott.omarion: it is a general computer degree
scott.omarion: got experience in DBM,NETWORKING and programming
debbiedawson0404: what DB's are you familiar with?
scott.omarion: i can work perfectly in excel sheet
debbiedawson0404: Excel is not a Database
scott.omarion: it is under database courses here
debbiedawson0404: So how do you propose that I get you a job?
scott.omarion: maybe i can come ans stay with you then you get me a job
scott.omarion: or if you got connections here you can refer me to them
debbiedawson0404: I'll be back - have to run down stairs in the factory
scott.omarion: should i wait for you??
scott.omarion: <ding>
scott.omarion: i have to go

debbiedawson0404: so what is your point?
scott.omarion: the point is that you dont even care how i feel
scott.omarion: since i told you my story
debbiedawson0404: ok, so?
scott.omarion: '
scott.omarion: nothing\
scott.omarion: suit yourself

debbiedawson0404: what should I feel?
debbiedawson0404: All you have done is lie and try to steal from me...
debbiedawson0404: The only truthful thing you have said is admitting you are an african scammer
scott.omarion: i never did that
scott.omarion: did i ask you for any money
debbiedawson0404: you admitted that you were a scammer
debbiedawson0404: you were going to...
debbiedawson0404: but you were stupid and said you loved me after 5 minutes so you never got the chance
scott.omarion: and leave a good life
scott.omarion: even armrobbers repent
debbiedawson0404: I know how it works...
scott.omarion: maybe God sent you to change my life
scott.omarion: i have never told anyone what i ve said to you
debbiedawson0404: even now you try to deny it
debbiedawson0404: you were trying to steal from me, right?
scott.omarion: i never denyed it
scott.omarion: i told you it was trus
scott.omarion: e

debbiedawson0404: scott.omarion: i never did that
scott.omarion: did i ask you for any money
scott.omarion: and if i asked you for money
scott.omarion: why cant you be human for once????
debbiedawson0404: you just said this - this is denying it
scott.omarion: you act like someone who dont have sympathy for anyone
scott.omarion: dame
debbiedawson0404: you can't stop lying and you want me to have sympathy?
scott.omarion: i never denied it
scott.omarion: i said it is true
scott.omarion: yes i have never asked you for money
scott.omarion: even when you felt i did
debbiedawson0404: you were lying to steal from me, right?
debbiedawson0404: when we first met - you were lying to steal from me, right?
scott.omarion: i have always wanted to have a real friend abroad
scott.omarion: not even stealing
debbiedawson0404: when we first met - you were lying to steal from me, right?
scott.omarion: stealing will never change my life
debbiedawson0404: when we first met - you were lying to steal from me, right?
scott.omarion: people wil do that but i am not in that space
debbiedawson0404: see you cant even give a straight answer
scott.omarion: i am going away from you maybe God will send somebody else to listen to me and understand that i am not a thief
scott.omarion: i will never steal from you
scott.omarion: i was looking for someone to care for me
debbiedawson0404: and to do this you started off by lying?

scott.omarion: that was then
scott.omarion: now i have decided to have a good life
debbiedawson0404: yes, and that is what I was asking about
scott.omarion: yea
scott.omarion: and you knew it because i told
scott.omarion: you

scott.omarion: i never denied it
scott.omarion: i told you the truth
debbiedawson0404: oh my god - talking to you is like talking to a child
scott.omarion: how?
scott.omarion: what else do you want me to say??
debbiedawson0404: you change your story every two minutes
debbiedawson0404: all I want is the truth and you have a hard time telling it
scott.omarion: my story still remains that i want to be a changed person
scott.omarion: i have told you the truth
debbiedawson0404: I was talking about when we first met - your intention was to steal from me
scott.omarion: and i have said yes
debbiedawson0404: yeah after changing your story three times...
scott.omarion: my story had the same answer
debbiedawson0404: so far - the only thing I know about you that is the truth is that you are a scammer
scott.omarion: maybe you never understood the,
scott.omarion: m
debbiedawson0404: so what is your real name'
scott.omarion: i cannever tell lie to you in my whole life
scott.omarion: i told you Jude
debbiedawson0404: Jude what?
scott.omarion: mgbologwu jude
debbiedawson0404: why are you still using this fake email address with the fake name and fake picture?
scott.omarion: because i wanted you to believe me
debbiedawson0404: seems to me if you really quit scamming you would use a real email address, right?
scott.omarion: yea
scott.omarion: but needed you to believe me
scott.omarion: then i can change to my real status
debbiedawson0404: I think I would believe you better if you weren't using a fake profile with a fake picture
scott.omarion: i understand
scott.omarion: i will change them tomorrow
debbiedawson0404: ok, thats a start, I guess
scott.omarion: lol ..yea
scott.omarion: all i need is care from you
scott.omarion: and i will remain a better person
debbiedawson0404: as long as you don't ask me for money, we'll be fine
scott.omarion: i will never do that
scott.omarion: i wish i can stay with you
debbiedawson0404: ok, because I will never give you any - just so you know
scott.omarion: ve to be in bed now
