

## Picture Perfect

This is a variation of the scam where they hook you by telling you that someone is trying to claim your money deposited in some account. One of the main points on this is that it will most likely only attract dishonest "victims" – because you know that it isn't your money that someone is claiming, but you will participate in the scam if you think that they made a mistake and are offering it you. I usually respond, "I don't know anything about this, so it must be their money". This variation states that they were told you are dead, and that by responding, you have proved them false, therefore come collect your money...Pretty clever. What wasn't clever was the ordeal about the freaking picture - Could have thrown me a bone...

Okay, I will be waiting. Hopefully I can figure out what this is all about.

Debbie

\*\*\*\*\*

i sent the pictures. kindly confirm receipt and the required information ok

Of course there are no pictures sent...I'm not sure what this angle is, but "she" is a huge moron if she thinks that she is going to bluff me without sending any pictures. This idiot could have pulled any silly pictures off the net to satisfy my curiosity but chose to lie and act like she sent them. Not acceptable...

\*\*\*\*\*

I thought you were going to send the pictures. I still have no idea what is going on here.

Debbie

\*\*\*\*\*

i sent the pictures as an attachment ok. To avoid further delay, I advice you to confirm the required information in order to receive your fund without further delay.

\*\*\*\*\*

I told you there were no attachments to any of the emails you sent me. If you are not smart enough to figure how to attach and send pics via email, I would suggest getting help from someone. I wish my 6-year old niece was there to help you – even she knows how to send pictures via email.

Please resend.

Debbie

\*\*\*\*\*

I DID SEND IT AND CANNOT CONTINUE THIS WAY BECAUSE I AM VERY BUSY. SEND THE INFORMATION TO PROCESS YOUR FUND CLAIM OK

\*\*\*\*\*

You just made that all up, didn't you? There were no pictures sent on any of the emails – I have them all saved. Why are you lying to me?

Debbie

\*\*\*\*\*

I SWEAR THAT I DID SEND IT

\*\*\*\*\*

Well, it is not attached to any of the emails you sent me. Either send it again correctly, or stop bothering me.

Debbie

\*\*\*\*\*

ENOUGH ABOUT THE PICTURES BECAUSE I AM VERY BUSY. SEND THE INFORMATION TO PROCESS YOUR FUND CLAIM OK AND NEVER MIND ABOUT THEM OK

\*\*\*\*\*

Listen you moron – I still have no idea what this is about. You email me and ask me to verify some pictures that you never sent. So I ask you to re-send them which you lie about. You then lie again, and say you sent them again. I want to know what is happening here. I just can't believe that you are this stupid. Are you? You are either the dumbest person on Earth or the biggest liar – which is it? Send me some pictures – any pictures, I don't care. I just want to see if you are capable of it, which I highly doubt.

Debbie

\*\*\*\*\*

Can you believe this? Even if I was stupid and would fall for this "modality", I would have wanted to see what pictures she was talking about. Did she think that she could fake send them a few times and I would forget about them? What a moron...
