

Teddy Can't Bear

This was a short bait where the idiot took offense to my comments. Go figure! I just hate having to ask the same question multiple times, but these idiots try to stay on script and totally ignore your emails, and I will have none of that!

Subject: Dear Friend

Dear Friend,

Due to your effort, sincerity, courage and trust worthiness you showed at the course of the Uk Online Lotto Winning cheque shipment to your location,

I want to compensate you and show my gratitude to you with the sum of \$950,000USD (Nine Hundred And Fifty Thousand United States Dollars). I have authorized the finance house where I deposited the money to issue you international certified bank draft cashable at your bank.

My dear Friend,I will like you to contact the CEO in charge of the finance house for the collection of this international certified bank draft.

The name of the Person with your Cheque is MR TEDDY CRUZY
COMPENSATION AND FINANCE HOUSE HEAD OFFICE
CONTACT AGENT : MR TEDDY CRUZY
Email: teddycruzy@rocketmail.com

Finance and Security House United Kingdom Deposit Firm FSH Towers Chelsea T45H U.K.
At the moment, I am very busy at Sydney,Australia because of the investment projects which myself and my new partner Mr Peter Hills of CTL Company are having at hand.

Finally, remember that I have forwarded instruction to Mr Teddy Cruzy at the finance house on your behalf to send the bank draft to you as soon as you contact him without delay. Please I will like you to accept this token with good faith as this is from the bottom of my heart.

Thanks and God bless you and your family. My sincere advice to you as a christian is that you should endeavour to pay your tithe to a bible believing church when you get the money because I noticed it as a fudiciary agent that you were skeptical about your winnings when you were been ask by the Uk lotto Agency Inc to file out a claim for your prize.

And now the current policy of the Lotto organiser is that if an emerged winner fails to claim up his/her winning cheque of \$950,000USDOLARS it's now mandatory that this fund can be remitted or forfeited to the fudiciary yufmngent in charge of this winners file.

FUCK U WIL DI A POOR MAN

Do you have a speech impediment or is it hard to talk with a cock shoved down your throat? Try again goatfucker.

Calvin

I CURSE U BIG FOOL U WIL NEVER NO ANYTHING AND I WIL EAT U MONEY

What are you talking about, fool? Is this the CEO in charge of the Finance House? What kind of savage monkey-talk is this? I realize that you are extremely stupid, but come on – at least on your pre-written responses I could almost understand you. I know that it is difficult for a little street boy to have an intelligent conversation. Are you mad at the world because you are black, poor, and stupid and have to eat from trash cans? If you beg nicely, maybe I'll give you some change...

Calvin

That was it. I always try experimenting with different names to see which ones have the greatest effect on these lying scumballs, and it's been my experience that "beggar" is right at the top.
