

The Dark Lord

Scam emails prey on many emotions and ideals and one of the most commonly used is religion. I normally tell the scammers that I am not a Christian or that I am an Atheist, just to get them to quit their religious babbling and so they can't use that angle against me. I decide to go a different route in this scambait...

My Dear James Cagney,

Good day to you and your family, My Name is Mrs. Rita Petrov, I am married to late Dr. Yuri Petrov who was an Oil Merchant and international businessman before he died in the year 2001 after a brief illness that lasted for only five days. We were married for Seventeen years with a daughter (Lillian) who later died in an Automobile accident. Before the Untimely death of my husband we were both born again Christians. Since his death I decided not to remarry or get a child outside my Matrimonial home which the Bible is against.

I saw your e-mail from the internet and I strongly believe that you are the rightful person to help me to handle this transaction.

When my late husband was alive he deposited the sum of (\$18,000,000.00 USD) Eighteen Million United States Dollars with a Bank in England whose name is withheld Until we open up communication, this money is still with the Bank till date.

Following my ill health, my Doctor told me that i may not last for the next Couple Of Months due to My cancer problem. the one that disturbs me most is my inability to move Around and Having known my condition I decided to donate this fund to a Charitable organization or a Trusted Person that will utilize this money the way I am going to instruct herein, according to the desire of my late husband Before his death. I don't want a situation where this money will be used in an ungodly Way.. This is why I am taking this decision. I am not afraid of death Hence I know where I am going. I know that I am going to be in the Bosom of the Lord. Exodus 14 VS 14 says that "the lord will fight my case and I shall hold my peace". I don't need any telephone communication in this regard because of my health hence the presence of my husband's relatives around me always. I don't want them to know about this development and i want you to know that With God all things are possible.

As soon as I receive your reply, I shall give you the contact of the Bank where you shall reach them and i will also issue you a Letter Of Authorization from the High Court Of Justice here in Russia that will prove you to be a beneficiary of this fund while I want you and your organization to always pray for me because the lord is my shephard, My happiness is that I lived a life of a worthy Christian. Whoever that wants to serve the Lord must serve him in spirit and Truth. Please always be prayerful all through your life. Any delay in your reply will give me room in sourcing another individual for this same purpose.

Please assure me that you will act accordingly as I Stated herein while am Hoping to receive your urgent reply.

Have a Blessed Day.

Yours sincerely,
Mrs.Rita Petrov.

I read your email and found it quite fascinating. The only problem that I can foresee is your religious requirements, because I am a Satanist. Is this going to be a problem???

James

Dear James Cagney,

I do not think that would be a problem as far you are transparent and dedicated to your work. I really want you to help me because I have the feeling that I can give you my trust and you are capable of executing this transaction perfectly.

I want you to fully understand that When my late husband was alive he deposited the sum of (\$18,000,000.00 USD) Eighteen Million United States Dollars with a Bank in England whose name is withheld Until we open up communication, this money is still with the Bank till date. Due to my present condition, I will not be able to communicate with any one.

Please, I want you to understand that this benevolence is in fulfilment of the desire and decision of my late husband which I am persuaded to actualize.. This fund is designated for humanitarian and Charity services with special emphasis. I will want my funds to be used in the below percentage portion which are.

- (1) 60 % Of the Total funds should be used to build a Charity Foundation to cater for any Less Fortunate Person on earth.
- (2) 40 % Of the Total Funds should go on a Real Estates Investment Or Any Investment Of your Choice And Profession which is going to Manage by You as a form Of Compensation for your impact in this Project.

If you will be capable to handle this divine project, Please reconfirm your full name. Address and phone number immediately so that I can swear to an affidavit on oath from the High Court Of Justice here in Russia that will officially and legally approve you as the next of kin to this fund, so that even if I am no more, your claim to the fund will not be in doubt. I will be sending you the certificate of deposit of this fund immediately after the affidavit is ready.

I will want you to urgently handle this from there, so that this money will be transferred to you because my health situation is getting bad every day, I will not be capable to handle this, because I have been placed on dialysis check up periodically. Ensure you reply this letter and send the above needed informations immediately so that I will take my final decision.

Please reply back.

Yours sincerely,

Mrs. Rita Petrov.

Do you understand what I told you in my previous email. How could I possibly help you in the way you specified. I would never give away money to help less fortunate people – the Dark Lord says, “Only help those who help themselves. Do not pity the weak, control them, and use them to your own advantage. Those who deserve our help and pity will receive our scorn, and in that way will we receive our gift in the hereafter; a seat next to the Dark Throne of our Lord and Savior.”

I would really love to have this money, but I will not use it to help anyone but myself as per my commitment to my Lord. Let me know how you wish to proceed with this.

Thank you,

James

I will contact this bloke from the Scottish Bank – I just hope he isn't a bible-thumping, hob knocker like you are. I would really love to use this money to start a school for teaching young children the Glory of the Dark Lord. I'm sure you have no objections, right? I can see it now – teaching ritual sacrifices, church arson, consuming goat's blood, and lots of Black Sabbath. And all this will be accomplished because of your great gift – you should feel proud to be a part of this. He is smiling up at you as we speak.

James

mrs rita petrov.

Are you freaking kidding me? The Dark Lord is not happy. Are you saying that you took every cent that you have and put it into an account where you can't even get the money yourself? Are you a complete idiot? And now you are reduced to begging for money like a common street waif? That has to be the dumbest thing I have ever heard of in my life and you are a complete and utter moron. Is your disease turning your mind to mush? You dare toy with a servant of the Dark Lord and I will reap my vengeance upon you...Now be a good little idiot and pay the nice man at the bank the required fees so I can start teaching these innocent, nubile children the beauty and power of Satanism.

James

Yep, that was the end of this rather short bait. This just goes to show that no matter what the conditions they give you, none are written in stone as long as you are the one who is paying the fees...
